becca Coleman, and Miss Anna Nixon will be conducting a meeting especially arranged for the children. Miss Nixon was in a Japanese concentration camp near Manilla for over three years, during which time she suffered many privations. At the afternoon service there will be special music by the children's choir of the Tecumseh Friends Church.

The meeting Saturday evening will be at 7:30 o'clock with Mr. Coleman addressing a meeting for men, and Mrs. Coleman and Miss Nixon speaking at a meeting for women. The Rev. and Mrs. Earl Kelbaugh of Battle Creek will be singing at these gatherings.

On Sunday morning, Mr. Coleman will be speaking at the Raisin Center Friends Church, Mrs. Coleman at the Raisin Valley Friends Church and Miss Anna Nixon at the Tecumseh Friends Church.

At 2:30 p.m. on Sunday, the Rev. Lawrence Cox, pastor of the Raisin Valley Friends Church will be presiding, and special music will be provided by his church. This service as well as the evening services will be held at the Tecumseh Friends Church. Rev. Herbert Burch of Adrian will direct the singing. Mrs. Warren Hendershott of the Rollin Friends Church will play her accordion. Mrs. Milton Coleman will be the main speaker at this meeting.

At 6:30 p.m., Miss Anna Nixon will speak to a group of quarterly meeting members of the Christian Endeavor Society, with the music in charge of the Rev. and Mrs. Lowell Shreve of the Raisin Center Friends Church.

The closing meeting of the convention will be held on Sunday evening at 7:30, with Edward Escolme presiding, with special music by Mrs. Coleman and the address by the Rev. Milton Coleman.

Coffee will be furnished by the local church for those desiring to bring basket lunch. The public is cordially inivted to all of these meetings.

DEN MOTHERS MEET

Fourteen Den mothers of the Cub Scouts, and their assistants met at the Baptist church Monday afternoon to make plans for the den meetings for the year.

The meetings will be resumed next week with the den mothers notifying the boys concerning the dates of their meetings. There will be eleven dens this year with nine local dens and two from Macon. There are a few vacancies remaining and any boy eight years old wishing to join the Cub Scouts is asked to hand in his application at once to Mrs. Robert French or Mrs. Max Smith. Arrangements have been made for the Cubs to purchase their handbooks at the Cameron Drug store this year. Mrs. Anna Grigg, 519 E. Chicago Blvd., will be in charge of the used Cub Scout uniforms this year. Anyone having uniforms may contact her.

To Marry On Anniversary

Thursday of this week will not be just the wedding day for Wesley Whelan of Tipton and Shirley Bibbins of Brooklyn. For it is also the Golden Wedding Anniversary for Mr. Whelan's grandparents, Mr. and Mrs. Alton Whelan, who live on Whelan Road north of Tipton, near the farm where Mr. Whelan was born.

Wesley Whelan is the son of Mr. and Mrs. Lyle Whelan, also of Whelan Road. His marriage to Miss Bibbins takes place today, (Thursday), in the Brooklyn Baptist church. It is a special day of thanksgiving for the Whelan family for the presence of the Golden Wedding couple.

Last Sunday a reception was held at the home of Mr. and Mrs. Lyle Whelan in honor of the golden wedding, about 150 relatives and friends participating.

The Misses Joan and Marilyn Whelan, daughters of Mr. and Mrs. Lyle Whelan poured, and Linda Whelan was at the guest book.

Nettie and Alton Whelan were married 50 years ago today at the Raising Valley church in Birdsall. They have two sons, Lyle and Donald Whelan of near Tipton. The honored couple received many congratulations from their friends in the form of cards, flowers and gifts.

Potter Campaign Now Under Way

Under a United States flag that once flew over the Capitol in Washington, Congressman Chas. E. Potter formally launched the stretch drive Sunday of an intensified campaign to be elected to the United States Senate in the November 4th general election.

During the primary campaign, Potter travelled nearly 20,000 miles around Michigan in three months, discussing issues at the rate of three speeches a day and in conversation with voters in their homes and on the job.

Potter plans to intensify that pace between now and November 4th. Potter has, since the primary, devoted his time to appearances at county fairs and festivals, a conference with Republican Presidential candidate Eisenhower and Republican leaders and candidates of three states and organizational meetings paving the way for his stretch campaign drive.

D. A. R. HELD THEIR FIRST MEETING OF YEAR

Mill Street Bridge

(Continued from page 1)

bridge possible—a credit to the Village.

Mr. Peterson did not answer questions about public inconvenience as well. He simply stated that the contract does not contain provision for erection or maintenance of a walkway. The thousand or more people living north of that point—those who must walk—have to go down and up very rough paths that are a mess at any time. Recently there has been no light provided, making the crossing a hazardous venture, and making a lot of people stay home against their wishes.

There has also been a necessary hardship for the business people on Mill Street. This will be prolonged if the steel to complete the bridge is not forthcoming. At present reports, according to Mr. Peterson, the steel is to be fabricated in November, and likely delivered in December. No date is set for the completion of the bridge. But in spite of the many inconveniences, most everyone is happy to see the job being done and look forward to using the new bridge with pleasure.

KROGERS OFFER NEW EDUCATIONAL TOUR

A new consumer education program on food will be available in Michigan this fall, Carl S. Fuller, manager of the Kroger Toledo branch which operates stores in this area, announced today.

The plan, developed by the home economics division of the Kroger Food Foundation in cooperation with merchandisers and home economics leaders in several states, was reviewed and approved at a meeting of Extension Service, Vocational Homemaking, and Kroger Co. officials at Michigan State College recently.

Designed to assist teachers of home economics and leaders of homemakers clubs, 4-H clubs, and Future Homemakers of America chapters with studies of food information, the Kroger Consumer Information Program offers field trips through stores, warehouses and bakeries coupled with informative food data.

Supply, price, grades, quality, and varieties of food are among the subjects included, with special items receiving emphasis when desired. New foods on the market and new methods of distribution may be discussed, as well as shopping hints and how to buy for economy, efficiency, and good nutrition.

Tours may be arranged through local Kroger store managers, or by writing Mr. Fuller at the branch office in Toledo.

Macon

The Macon Homemakers Extension Club was host to the Northeast Britton and Macon Extension Clubs, Wednesday afternoon at the Methodist church. A dessert luncheon was served from beautifully decorated tables with a pink, yellow and green color scheme. Each guest was presented with a name card by Mrs. Ruby Bigelow and Mrs. Helen Thomas. Mrs. Mildred Moore welcomed the ladies and introduced Miss Josephine Breghenti, the new county Extension Home Demonstrator. After a few words from Miss Breghenti, Mrs. Luella Bigelow was mistress of ceremony for a radio talent program. Those taking part were the Misses Kendra and Susan Frost, Brenda and Naomi Bugbee, Emogene Morden, Arlene Papp, Ruby Bigelow, Ruth Howell and Mary Lois Kelly. The group sang "America, the Beautiful" in closing the program. There were 43 present.

Mrs. Melvin Travis was called to Toledo, Tuesday, because of the death of her sister, Miss Clara Baker.

Mrs. William Underwood's brother died Monday.

Mr. and Mrs. Ted Greenfield are the proud parents of a baby boy, Jack Allen, born Monday at St. Joseph Hospital in Ann Arbor.

The Macon Woman's Society of Christian Service will meet Thursday afternoon, September 25, at 1:30 with Mrs. Lois Jordan. Mrs. Sam Burns of Clinton, a missionary from Africa will be the speaker. Every member is urged to be present and anyone else interested is invited.

Mr and Mrs. Bert Bruder and Mr. and Mrs. Hamilton Moore and sons went Sunday to the Pokagon State Park in Indiana. Mr. Bruder's sister, Mrs. Mary Harper of Dunkirk and brother, Ed of LaCrosse, Ind., and their families, fifty-six in number, enjoyed a chicken dinner. It was the first time in twenty-eight years that Mr. Bruder and his sister and brother had been together at one time. Their other sister, Mrs. Em Kashner of Virginia, was ill and unable to meet with them. Mrs. Harper returned home with her brother, Bert Bruder to spend the week.

The Macon Community Club will meet Tuesday, September 23 with Mr. and Mrs. Clayton Bigelow at 7:30. Mr. and Mrs. William Underwood have charge of the program.

Mrs. Walter Craig entertained Thursday afternoon, the Macon Woman's Club. Everyone enjoyed a potluck dinner. This was the first meeting of the season.

Mrs. Lilah Howell has returned from several days in Covington, Kentucky.

Mr. and Mrs. Walter Morden, Jr., and family were callers in the Walter Morden, Sr., home, Sunday afternoon.

Miss Colleen Vershum returned home Sunday, after spending a week in northern Michigan. She accompanied her sister, Doris and husband of Ottawa Lake.

The Macon Women's Society Executive Board met Friday afternoon with the president, Mrs. Wade Scudder. The program schedule and the hostesses for the year were made out. The following committees for the Annual Chicken Supper and Fair to be held Friday, October 17 are: Advertising, Helen Thomas, Mildred Moore, and Lois Jordan; dining room, Luella Bigelow; kitchen, Mildred Moore and Betty Burleson; fancy work and apron booth, Mrs. Rose Gilmore, Mrs. Mable Burleson and Mrs. Besie Robinson; bake booth, Ellen Collins, Wilma Briggs; produce booth, Mrs. Margaret Hall, Mrs. Hazel Scudder; candy and popcorn booth, the Youth Fellowship; fish pond, Mrs. Hall, and Robert Osborne's class; tickets, Mrs. Lois Jordan and Robert Osborne; dishes and clean up, Mrs. Blanche Osborne and Mrs. Luella Rhoades.

U-M Offers Real Estate Training

ANN ARBOR—Over 25 courses are being offered in a dozen cities this fall as part of the University of Michigan's state-wide program leading to a Certicate in Real Estate.

Classes are scheduled for Ann Arbor, Benton Harbor, Detroit, Flint, Grand Rapids, Jackson, Kalamazoo, Lansing, Muskegon, Royal Oak, Saginaw and Traverse City.

The program is designed to fulfill the needs of persons either currently in the real estate business and wanting additional training or of those planning to enter the field.

Course instruction is supervised by the School of Business Administration. The program itself is presented by the U-M Extension Service with the cooperation of the Office of Vocational Education, State Department of Public Instruction.

Additional information on the program may be obtained from Charles H. Sill, 4524 Administration Bldg., Ann Arbor.

Passing Cars Is Dangerous Habit

CHIEF OF POLICE WARNS MOTORISTS ON TRAFFIC RULES WITHIN VILLAGE

Chief of Police Geo. Kilbourn called attention today to the fact that passing cars on city streets with parked cars and frequent intersections can be exceedingly dangerous.

He said, "There are not many conditions which justify passing on a city street where parked cars only allow one moving lane of traffic in each direction. The speed limit on most city streets is 25 miles per hour. If the car ahead is going 20 miles per hour the difference in speed is only five miles per hour. To be able to go five miles per hour faster for a short trip will not save enough time to make it worth while to pass.

"Parked cars add a special hazard to passing, and hide pedestrians, especially children, who may thoughtlessly run out into the street. In many areas the block lengths are not long enough to permit passing before reaching the intersection," he added.

All motorists are urged to cooperate with the August traffic safety campaign under the leadership of State Highway Commissioner Charles M. Ziegler, and sponsored by the Michigan State Safety Commission.

The Chief suggested the following safety tips to help motorists who wish to pass with safety:

(1) Be sure that there is no car close behind you which may try to pass you as you pull out.

(2) Make sure that there is no car right ahead of the car you are going to pass which might block you.

(3) Be certain that there is no on-coming car or, if there is, that it is far enough away so that you have plenty of time to complete your pass before it arrives.

(4) Asure yourself that there is no intersection, driveway or filling station entrance from which a car could come and interfere with your passing maneuver.

(5) When you are certain of cars behind you and in front of you and of all entrances to the roadway then pass rather quickly so that you do not have to stay on the wrong side of the roadway very long. It is recommended that when highway conditions and the speed limit permit safe passing that you travel about 20 miles per hour faster than the car you are passing. Less than this will take you too long. More than this will make it harder for you to stop in time if an emergency develops.

Obey the official safety slogan "Keep in Line — Don't Cut In."

NEW LAWS IN EFFECT ON AIR GUNS AND PHONES

The Michigan State Police are calling attention to two amendments of state laws, effective Thursday, September 18, one adding gas or air guns to the definition of firearms and the other regulating the emergency use of party telephone lines.

The amendment to the firearms law adds gas or air guns, but not the so-called BB gun, to the definition of firearms. This means that the purchaser of such a gun must be a citizen of the United States, a resident of the State of Michigan for at least six months and 21 years of age or older. Such guns also must be registered and permits obtained to carry them, the latter being issued or rejected by the county concealed weapon licensing board.

The amendment to the penal code covering telephones makes it a misdemeanor to refuse to yield or surrender the use of a party line in order to permit the reporting of a fire or summoning police, medical or other aid in case of emergency. The amendment also provides that telephone directories must carry a notice explaining the offense. Failure to yield party lines in the past has resulted in some tragic consequences.

Student Labor Rules Set

Employment of teen-aged youngsters, now that school classes have been resumed, is permissable under the Child Labor provisions of the federal Fair Labor Standards Act, but only under the conditions set forth by this law and in accordance with the new national policy on employment of school age youth.

This new national policy, announced recently by the Secretary of Labor spells out proper conditions of employment and urges young people, parents, teachers and advisors to see that boys and girls get as much education as possible.

The regional director of the Wage and Hour divisions of the U. S. Department of Labor emphasized the importance of keeping teen-aged youngsters in school rather than permitting them to drop out of school to accept full-time employment.

"Generally speaking, the federal Child Labor law prohibits employment of children under 16 during hours school is in session," he said. "Employment of a child under 14 in any occupation is prohibited by the federal law, unless such occupation is specifically exempt from the law. Children 14 and 15 years old may work no more than 3 hours on any school day or 8 hours on any non-school day, and only in certain occupations. The maximum number of hours they may work in a week during any part of which school is in session is 18. When school is not in session, the maximum number of hours they may work in a workweek is 40. All work done by 14 and 15 year olds must be between 7:00 a.m. and 7:00 p.m."

It was pointed out that these same prohibitions exist in the field of agriculture, but that record keeping provisions have been simplified for farmers who hire children under 18 years of age. Under recently simplified regulations the farmers' records must show only the child's name, his date of birth, the address of his permanent home as well as the address of his residence while workinfg if he is not at his permanent home. In other words, this information must be kept for children of migrant workers as well as for children of the area who are employed on farms.

BEER
AMERICA'S BEVERAGE OF MODERATION

The American Way

The words "Michigan" and "fishing" are practically synonymous at this time of the year. And after a day's fishing, it's the "American Way" to enjoy a glass of cool, refreshing Michigan brewed beer.

For beer belongs... to pleasant living, to good fellowship, to sensible moderation. And our right to enjoy it, this too, belongs... to our own American heritage of personal freedom. Beer Belongs... Enjoy It

THE TECUMSEH HERALD

ONE HUNDRED FIRST YEAR — NUMBER 52 TECUMSEH, MICHIGAN, SEPTEMBER 25, 1952 5 CENTS A COPY

Tecumseh Loaded With Engineers

MANY CONTRIBUTE IDEAS: AUTHORITY IS LACKING SO NO RELIEF IN SIGHT ON MILL STREET BRIDGE

The distribution of The Herald last week was not yet complete when suggestions began to pour in toward getting some action on the Mill Street bridge. By nightfall enough new plans were in the works to prove conclusively that Tecumseh has an abundance of engineering ability—but no authority over our own streets.

Probably one of the most sensible plans to help is believed to have come from Miss Pat Hammack's kindergarten class in the Brownville school. This was a simple plan to stretch a temporary wire from the nearest electric lines and thereby hang an electric light above the footpath. It was suggested that a penny a day from lunch money would pay for enough light to make this point less hazardous.

Another good lead came from Norm Bailey, a competent shoe repair artist. He was on hand to watch the Ernie Pyle Bridge thrown up by army engineers across the Rhine River in Germany. Railroad tracks, truck lanes and all, that took twelve days. Norm says that the right party could get a bridge up and traffic rolling on Mill Street in about six hours. But there's a catch to that. The Army bridge that goes up so fast in sections is called the Bailey Bridge—and folks are sure that Norm would be advertising some special kind of a treatment for falling arches that he would install in shoes—and really don't give a hang about whether traffic moves on Mill Street or not.

Other plans include a few yards of asphalt walk, and replacing the light that is already there, but out. These things are all quite beyond us—they require a little effort, and time, and authority, and a few dollars, all of which seem to be missing in this big bridge deal.

This may all seem very foolish, but it is no more so than the inadequate village government under which our mayor and council are struggling to get in city improvements. They are doing these very large jobs largely on their personal time and a great deal of personal initiative.

As a village we have little control over our trunk line street improvements. The progress we make is often in spite of ourselves. A city form of government would help a lot.

Quaker Oats Annual Report

A comprehensive and very complete report to stockholders has been issued by the Quaker Oats Company for the year that ended June 30.

Total sales were up about 15 per cent, but profits were off. The annual net income showed profit of $1.85 per share as compared with $1.96 per share during the preceeding year. The report points out that taxes are now eight and one-half times the 1939 level.

CURB - GUTTER PETITIONS REQUESTED FOR NEXT YEAR

Robert Kroner, Village Clerk, has asked that residents who might wish to petition for curb and gutter construction during the next year do so soon. This is necessary because of the element of time involved — next spring may be too late to get the notices published and other legal procedures completed.

Mr. Kroner pointed out that the Village Council favors doing all that is requested. He stated that the total cost this year had been kept at about $2 a lineal foot, and that of this, the Village paid 40 per cent, while 60 per cent was charged to the property.

COLLISION DAMAGES CARS; ONE TICKETED FOR BRAKES

Police charge that Isamel Kittle, of RFD, Clinton, failed to stop before entering M-52 from the Macon Road and collided with a car driven by Edward M. Warner of Toledo, last Saturday morning.

Kittle was given a ticket for driving without proper brakes. Both cars suffered moderate damage.

DRUNK DRIVING COSTLY

Burl Roberts, of 113½ N. Evans Street, Tecumseh, was arrested by Tecumseh police Saturday evening, and charged with driving while under the influence of liquor.

Taken before Justice Robert French, plead guilty, and was assessed a fine of $50 plus $8.60 costs and 5 days in jail. In the event the fine is not paid, he must spend 30 days in jail.

Facing west on Brown Street east of Maumee Street, this picture shows the home of Sidney Wilson behind the piles of construction dirt. Brown Street at this point has been in about this condition most of the summer, causing unnecessary dirt, hazard and inconvenience to hundreds. The one way to avoid continued conditions of this kind is to give our Council and other officials a city form of government with which to work. See Editorial, Page 2.

It's Up To You, Mr. Voter, To Act

The opportunity to vote was won by free men and free women only after centuries of suffering and bloodshed. In the United States, where the people through their representatives control their government, it is the duty of every citizen to exercise this privilege.

In Michigan it is disturbing to note that of the state's four million eligible voters only about two million have ever voted in an actual election. Frequently, persons who otherwise would vote discover they are ineligible because they have failed to register.

REGISTER FOR PRESIDENTIAL ELECTION BEFORE OCT. 6

This year, when the people of our state and nation must make decisions at the polls which will affect their lives for years to come, every citizen of Michigan should insure his eligibility to vote by registering, if he has not already done so, by October 6.

Former Tecumseh Resident Dies in Owosso

Leo M. Smith, age 47 years, of Owosso, formerly of Tecumseh, died early Thursday morning at Memorial hospital in Owoso. He had lived in Owosso for the last four years. Mr. Smith entered the hospital Sunday after a paralytic stroke.

He was born August 31, 1905, the son of Cassius and Emma Smith. Mr. Smith spent most of his life in Lenawee county. He married Helen Doscheck, March 12, 1940 in Columbus, Ohio. An ordained minister of the Protestant Holiness church and evangelist, Mr. Smith was a former pastor of the Lower Light Mission here. After his illness he gave up preaching and in later years was employed by the Corunna Manufacturing Co. in Owosso.

Survivors besides his wife, Helen, are one son, Joseph Leo; five brothers, Arthur, Glenn, Cassius and Irvin, all of Tecumseh, and Percy of Corunna and three sisters, Mrs. Charles Coleman of Dundee, Mrs. Sam Allison of Ft. Wayne, Ind., and Mrs. Ray Beckwith of Toledo.

Funeral services were held Saturday afternoon at the Green Funeral Home with the Rev. Perl McDonald of Petersburg, officiating. The bearers were James Bishop and Dan Schultz of Tecumseh, Harry Hallstein of Dundee, Joseph Smith of Ann Arbor, Wyman Smith of South Lyons and Glenn Moore of Corunna. Friends and relatives attended from Dundee, Toledo, Corunna, Owosso, Ann Arbor, South Lyons and Petersburg.

RALLY DAY AT METHODIST CHURCH

Rally Day will be observed at the Methodist church Sunday, September 28. Classes will meet at 10 o'clock Sunday morning as usual and at 10:30 all will go to the sanctuary where a combined Church School and church service will be held. The program will consist of a play, "A Word of God." All the choirs will sing and each department of the church school will present a song. All members are urged to be present. Visitors are welcome.

My office will be closed from Sept. 30 to October 15, incl. H. H. Hammel, M. D. Adv. 10-9

SCHOOL NOTES TO BE WEEKLY FEATURE

Beginning with this issue of The Herald, Tecumseh High School will have a weekly feature of school notes written by the students of the tenth grade English class instructed by Duane Furbush.

Included in this week's notes is the story of Friday night's football game between T.H.S. and Monroe Catholic Central.

Funeral Services Today For Mrs. S. Henry Smith

Mrs. Nettie Leah Smith, age 66 years, wife of S. Henry Smith, of 213 West Logan street, died Tuesday morning at 3:15 in Herrick Memorial Hospital where she had been a patient eight days.

She was born December 4, 1885, in Clinton, the daughter of Charles H. and Harriett Codling Keyser. Mrs. Smith came to Tecumseh in 1902 with her grandmother, Mrs. Mary Codling and two uncles, E. C. Codling and Roy W. Codling with whom she made her home. She was preceded in death by these relatives and her mother, father, and only brother, Karl.

Mrs. Smith was a member of St. Peter's Episcopal church, the Daughters of St. Peter's Guild, American Legion Auxiliary, and the Herrick Memorial Hospital Auxiliary. She had resigned from the Tecumseh Monday Club and the Pythian Sisters because of ill health, having been a member of both organizations for many years.

Survivors besides her husband, S. Henry Smith are two daughters, Mrs. W. S. Britton of Tecumseh and Mrs. R. P. Karner of Dundee; two sons, Henry Karl and George Maxwell, both of Tecumseh; eight grandsons and three granddaughters; one sister, Mrs. Mayme Dodge of Wyandotte and two nieces, Mrs. Robert Bentz of Casper, Wyoming and Mrs. William Castle of Wyandotte.

Funeral services will be held this afternoon (Thursday) at 2 o'clock at the Green Funeral Home. The Rev. Richard O. Petersen will officiate. Burial will be in Brookside cemetery.

DR. HAMMEL TO PROSPECT IN TEXAS

Dr. H. H. Hammel is leaving October first by air for Austin, Texas, prospecting for Texas precious topaz. Doctor Hammel is a member of the Texas Mineralogical Society, Rocky Mountain Mineral Society, the Michigan Mineralogical Society and the Michigan Lapidary Society.

BAND FESTIVAL OCT. 15 AT RECREATION CENTER

The Tecumseh Band Festival will be Wednesday evening, October 15, instead of October 19 as previously stated. The various holidays will be protrayed by the band. Extensive practice is now under way and plans are being completed for the Festival. Clare Camburn is general director, with ten bands participating.

TO GRADUATE FROM BUSINESS UNIVERSITY

Miss Diane Winfield, daughter of Mr. and Mrs. W. N. Winfield, will graduate the last of September from the Jackson Business University, completing the Speedwriting Shorthand Course. She has accepted a position as a legal secretary, with L. B. Kuney, an attorney in Adrian.

Ben E. Hammack Passes Suddenly

Ben Elijah Hammack, age 54 years, passed away suddenly at St. Joseph Hospital, Ann Arbor, Tuesday evening at 9:25, four hours after entering the hospital for observation. Mr. Hammack was born December 9, 1897, in Crab Orchard, Kentucky. His father, Andrew J. Hammack, and two brothers, Robert and G. W. preceded him in death. Mr. Hammack owned and operated Ben's Market west of Tecumseh at the city limits the past eleven years.

He was a member of the Tecumseh Masonic Lodge, F. & A. M. No. 69, past commander of Veterans of Foreign Wars and a state charter member and also a member of the American Legion Underwood-Orr Post.

Survivors are his wife, Ethel, two daughters, Adeline McKenzie and Helen Patricia at home; one son, Ben Junior and two grandchildren; his mother, Mrs. Lucy Hammack of Lexington, Ky., two brothers, Ernest of Tecumseh and Burl of Radford, Va.; eight sisters, Mrs. Charles Ranney of Leslie, Mrs. Otto Recknagle of Detroit, Mrs. Everal Wagner and Mrs. Ray Welch of Chicago, Mrs. Frank Bennett and Mrs. Riley Robins of Lexington, Ky., Mrs. Goebel Pendelton of Lancaster, Ky., and Miss Amelia Hammack of Pasadena, Calif. Several aunts, uncles and cousins also survive.

Funeral services will be held Friday afternoon at 2:30, at the Collins Funeral Home. The Rev. B. O. Bashore will officiate. Burial will be in Brookside cemetery.

Rally Day Sunday At Friends Church

Sunday will be Rally Day at the Tecumseh Friends church with Sunday school beginning at 11:15 a.m. The heads of the various departments will give inspirational talks on what they expect to accomplish in their department in the next month.

Special recognition will be given to any Sunday school class having 100 per cent attendance. Mrs. Ralph Comfort is general chairman for the day with Miss Mabel Lockwood, publicity chairman, and Mrs. Melvin Muhn, program chairman.

ROTARY HEARS AL MEYERS

An overflow meeting of the Tecumseh Rotary Club, held Tuesday evening at the Country Club was rewarded by an excellent discusion of the private airplane business by Al Meyers of the Meyers Aircraft Co.

Interesting highlights of Mr. Meyers' talk were the facts that private planes now flown for private enterprises now have more seats than the total of all our regular airlines combined. He pointed out that five firms in Tecumseh now operate their own planes, and that less than three years ago, Tecumseh was even with Milwaukee in private plane use — but no more.

Eight visitors brought the attendance to sixty-five. A mass Birthday Party was held for eight Rotarians—an affair that was costly for some.

Band Instrument Demonstration

INSTRUMENT COMPANY REPRESENTATIVE TO GIVE DEMONSTRATION

October 20 is an all-important day for boys and girls who would like to become members of the Tecumseh High School Band. On that evening, Glen Shull, Michigan representative of a Chicago band instrument company, will present a demonstration of the many different types of band instruments in Central Auditorium.

Parents and interested students are invited to the educational demonstration program. The instruments will be available for inspection by the audience and Robert Peck, High School Band director, will be on hand to give advice as to which instrument each student should play.

Both grade school and Junior High students may start learning a band instrument. In just a few short weeks, the beginners are promoted to either the Grade Band or the Junior Band, and they are on their way to joining the Senior Band members in their many activities.

Ten-Year Men Are Honored

Chamber of Commerce Holds Meeting

The Chamber of Commerce met Tuesday evening at the Country Club. Routine business was transacted and plans were formulateed for the Band Festival to be held Oct. 15 at the Recreation Center. Ten bands from the surrounding area will participate in this program.

The Chamber is again promoting the Hallowe'en party for all children of Tecumseh. This is an annual program carried out by the Chamber in cooperation with other civic clubs.

Mrs. C. R. Puffer is the new second grade teacher at the Central Building. A graduate of Tecumseh high school with the class of 1933, she attended Adrian College and Michigan State Normal College, majoring in early elementary curriculum. She taught for six years in rural schools in the county and was a substitute in the Tecumseh schools.

Mrs. Puffer, the former Ruth LaBounty, married Raymond Puffer, Jr., on December 24, 1936, and they have two children, Raymond III and Miriam. They reside at 514 W. Logan street.

Edward E. Shank, a graduate of Western Michigan College, comes to Tecumseh as Industrial Arts instructor in the high school. Mr. Shank received his B.S. Degree (cum laude) in 1952.

Mr. Shank graduated from Cassopolis high school in 1939, and began further education at the Ford Motor Co. Apprentice School in Toolmaking in Jan. 1941. This training was interrupted from April 1943, to Nov. 1945, by service in the U.S. Marine Corp., with 24 months overseas duty.

While at Western Michigan College, he was affiliated with Kappa Delta Pi, Epsilon Pi Tau, Industrial Arts Assoc., Michigan Industrial Education Society, and American Industrial Arts Assoc.

Mr. and Mrs. Shank reside at 320½ Adrian street.

BOOSTER NIGHT OBSERVED AT TECUMSEH GRANGE

Booster Night will be observed by the Tecumseh Grange Saturday evening, September 27, at the Grange Hall with a potluck supper at 7 o'clock. Potatoes and rolls will be furnished by the Grange. Each family has been asked to bring chicken and broth and a dish to pass.

The supper committee will be Mr. and Mrs. Floyd Barrett, Mr. and Mrs. George Everett, Mr. and Mrs. Lowell Monigan, Mr. and Mrs. Seaton Dove, Mr. and Mrs. Earl Murphy, Mr. and Mrs. Clay Croll, Mr. and Mrs. Ed Aebersold, Mr. and Mrs. Dow Bilby, and all the young folks.

The program will be, "Time Passes On." Dancing will be enjoyed after the program for a feature of the evening.

LEGION APPOINTS FLINT MAN ACTIVITIES HEAD

With the intention of increasing civic and community activities throughout the state, Eugene N. Houck, commander of the American Legion, department of Michigan, today appointed Lloyd Hendon, 35-year-old Flint World War II veteran to fill the newly-created post of Director of Activities for the Legion in the state of Michigan.

The new director plans to concentrate his initial efforts toward furthering a current statewide drive for new members.

Walter H. Triplett of Monterey, Mexico, was the guest speaker at the weekly meeting of the Exchange Club held Wednesday evening at the Country Club.

Mr. Triplett has been employed as a mining engineer at Monterey for 30 years and discussed prospecting and mining in Mexico. He was the guest of E. A. Collins.

Fund Drive To Open Oct. 15

GREEN URGES COOPERATION IN EFFORT TO PUT CAMPAIGN OVER TOP

Scores of volunteer workers will start October 15 to call upon Tecumseh residents and business places for the 1952 Community Fund, it was announced today by George E. Green, jr., chairman of this year's drive.

Mr. Green urges that people be ready for these volunteers and that they remember that all these workers are not only giving their money, but they are also giving many hours of their time and expending a great deal of effort for their community.

The Community Fund board met Monday afternoon at 4 o'clock to make further plans for the drive to be conducted from October 15 through October 29.

Thomas Best of Lansing, state director of the Community Chest, met with the group to help with arangements for solicitations and a Kick-off Breakfast to be held October 15 at the American Legion Home. Plans were also made for advance solicitations from local business and industry.

Mr. Green reports that announcement of block chairmen and business solicitation arrangements will be made soon. Letters are also being sent to the various clubs and fraternal organizations in advance of the opening date.

Band Festival Presents Theme

"THIS IS AMERICA" CARRIED OUT IN SHOWING OF THE HOLIDAYS

The Tecumseh Band Festival tells a story. This is without doubt the reason behind its great popular appeal, and makes it an annual and enduring show.

The theme idea was advanced by Clare Camburn, Director of the Festival, two years ago, a take-off on the old Chautauqua procedure that was so successful for many years. The band concert in the park is as American as ham and eggs—but very few localities can boast a Band Festival of the quality and scope of the Tecumseh affair. "This Is America" is the theme they will follow for a long time to come. Last year they portrayed historical procedure in presenting "Seekers of Freedom." This year the festival will portray "Our American Holidays."

There are other things that contribute to the Tecumseh Band Festival. The natural setting of the Recreation Center is ideal. The financial and other support of the Chamber of Commerce make it interesting for the participating bands. The guiding hands of Rev. Blair Bashore and Clare Camburn, and the months of work in preparation by the many bands participating are factors in making it a big show. The Tecumseh Band Festival, to be held on October 15 is a magnificant effort that deserves our full support.

ARMY RESERVE UNIT REOPENS FALL SCHEDULE

The 5744 Post, Camp or Station Complement and army volunteer reserve unit, under command of Colonel Arthur P. Lopshire, will begin its fall schedule at 7:30 p.m. Thursday night, October 2nd, in the Chamber of Commerce Building, Adrian.

The present schedule calls for meetings at the same place and time each Thursday through this coming June.

Class discussions for enlisted and officer members of the army reserve will be opened by Col. Lopshire for the first two hour period. The next week, Maj. William Hewes of Adrian, will discuss lecture presentation. Movies on current army subjects will also be shown, as available. Also the following classes will be given: Lt. Col. Robert French, Tecumseh, Military Law; Major Harold E. Treby, Tecumseh, Command and General Staff functions; Capt. Fayiz Kerbawy, Blissfield, Administration procedures; Major Karl Sutton, Morenci, Meats, cutting and preservation, etc.

Those qualified will receive one point credit toward longevity and retirement for each two hour class.

All army reservists in this area are invited to come and get acquainted.

Republican Meetings Wednesday Evenings

The Republican Woman's Club will hold an informative meeting every Wednesday evening at 8 p.m. at the Republican Headquarters in the old Post Office building. Any interested women are invited to attend.

It's Time To Keep Our Money At Home.

Attention of the taxpayers is directed upon the flagrant misappropriation and misuse of Foreign Aid money as shown in an article published in the September issue of INSIDE MICHIGAN Magazine entitled, "The $10,000,000,000 Counterpart Fund Scandal."

Written by Richard B. Frost, who spent months probing into the maze of bureaucratic red tape and departmental secrecy, the article is heavily documented with reproduction of official Mutual Security Agency reports, documents which show even better than words the deliberate misappropriation and misuse of more than $10,000,000,000 which was entrusted to Foreign Aid officials for "planned" economic aid to Europe. That figure is TEN BILLION dollars in case you didn't count the zeros.

The article points out that at a time when the United States public debt is at the highest point in history and still increasing, officials are giving billons of U. S. tax money to European natons to retire THEIR public debt and sanctioning the use of the money so saved by these countries to promote such political projects as the nationalization of railroads, banks, socialized medicine, construction of fantastically expensive waterways, power and irrigation projects.

Nearly a billion dollars, ($938,000,000) of these funds already have been spent for public power and waterway projects while our own St. Lawrence Seaway and power project remains undeveloped because Congress believed the "U. S. could not afford the cost at this time," the article states.

It is also pointed out that Congressional investigation revealed that although officials have sanctioned the spending of many billions in Europe, the standard of living of the masses of people has shown little improvement. It is also stated that Congress actually seems to understand or care very little of the extent of the misuse of this money, which is proof enough that it is time for us to start keeping our money at home.

—o—

Why Are We So Far Behind?

To have to learn from experience—generally termed "learning the hard way" is usually considered the last resort of the stupid. Likewise, piecemeal construction and improvement—constantly doing things to meet emergencies—is the way of the inept. Some small and debt-ridden communities, and certain wide-open graft infested cities have been required to make what little progress they attain in this manner. It certainly should not be the lot of Tecumseh.

Tecumseh seems committed to a program of having to learn from experience. We are now years behind our growth and prosperity in the structure of our village government. At present we appear committed to lie dormant for some time ahead in this regard.

Likewise, as a village we are finding it difficult to maintain services, streets, utilities and other functions of the village necessary for the growing number of people present. The village government, over-lapping that of the township, is simply more of something that is not adequate anyhow.

Ample proof is present this summer in the surge of construction now under way. As a village we have little legal stature in dealing with state and national agencies. We accept what they deal out in just about the way they want to do it. Under our present village structure, the gentlemen of the council are destined to bear almost superhuman burdens. Day or night, little of their time is their own, and much of the supervisory work they are called upon to do is not even remotely connected with their natural talents. Waste and uncertainty are inevitably a product of this system.

What it will take to bring about an awakening to the civic need is not unknown. A stiff payroll tax used by so many communities so that residents alone will not have to bear the entire burden might be the answer. A better way should be a voluntary plan to make Tecumseh a city, embracing the territory that now or in the near future will enjoy city services, schools and other facilities.

We must not only look ahead — we must proceed forward.

We DO Answer Calls At All Hours . . . .

Shirley Bibbins Becomes Bride of Howard W. Whelan

The Brooklyn Baptist church was the scene of a lovely wedding last Thursday evening at 8 o'clock, when Miss Shirley Florence Bibbins, daughter of Mr. and Mrs. Darroll Bibbins of Brooklyn, became the bride of Howard Wesley Whelan, son of Mr. and Mrs. Lyle Whelan of Tipton. This date also marked the 50th wedding anniversary of Mr. Whelan's grandparents, Mr. and Mrs. Alton Whelan of Tipton. The Rev. Paul J. Knook, performed the double ring ceremony. The church was decorated with palms, lighted candelabra, and baskets of glads and baby mums.

Mrs. Leo Ehnic, organist, played nuptial music and accompanied Owen O'Neil as he sang, "I Love You Truly," 'Always" and "The Lord's Prayer" during the ceremony.

The bride, given in marriage by her father, chose a gown of white slipper satin and chantilly lace, with a fitted bodice, and illusion yoke outlined with appliqued lace flowers. The bodice was partly covered with lace, and long pointed sleeves buttoned at the wrist. A circular skirt with lace insets ended in a Cathedral train. Her finger-tip veil of French illusion was held in place by a cap of satin and pearls. She carried a white orchid and stephanotis on a white Bible.

Miss Beatrice Rarick maid of honor, wore a gown of nile green marquisette over taffeta, ruffles cascading down the back, with an illusion neckline, matching Juliette cap and mitts. She carried a velvet heart decorated with an orchid Glamellia corsage. The bridesmaids were Miss Joan Whelan, sister of the groom, and Miss Phyllis Monigan. They wore identical gowns of orchid marquisette over taffeta styled similarly to the maid of honor's with matching Juliette caps and mitts. Their flowers were a velvet heart decorated with a yellow glamellia corsage.

Patricia Bibbins, cousin of the bride, was flower girl and was dressed in a yellow taffeta gown styled like that of the maid of honor, with a flower head dress. Larry Arken was the ring bearer and wore a white suit and carried the rings on a white satin pillow.

Richard Kahle served Mr. Whelan as best man and the ushers were Carlton Bibbins, brother of the bride and Charles Every, cousin of the groom.

Mrs. Bibbins chose for her daughter's wedding a dress of blue crepe with navy accessories and a red rose corsage. Mrs. Whelan wore a green crepe dress with brown accessories and a red rose corsage. The grandmothers of the bride and groom also wore red rose corsages.

A reception was held in the church parlors immediately following the ceremony, for some 250 guests. The bridal table was centered with the traditional wedding cake. Mrs. Eva Kerr, aunt of the bride, cut the cake and was assisted by the Misses Carol Burke, Nancy Tirk, and Iris Lane.

For traveling the bride changed to a blue-grey flannel suit with navy accessories and wore a white orchid corsage.

She is a graduate of Brooklyn high school and Cleary Business College of Ypsilanti, and is employed at Consumers Power at Jackson. HOW MUCH FUN do you get from a GALLON OF GAS ?

POWER STEERING on the Roadmaster and Super

Power Steering now available on Super as well as Roadmaster. Optional at extra cost.

"MILES PER GALLON" is something everyone talks about—and Buick owners take pride in telling us that they're doing OK on this score.

But the *kind of miles* is important too. The real pay-off you get when you own a Buick is in *what happens while you're turning gas into power.*

Every drop of gas sets off a tiny tornado of compacted energy in Buick's Fireball 8 Engine.

You swoop from a standing start to any speed the law or good sense permits with effortless smoothness, thanks to Dynaflow Drive.*

You soar over the road with magnificent levelness—buoyed by big soft coil springs on every wheel—coddled by a dozen other features which make up Buick's million dollar ride.

The car holds direction like an airliner on the beam. You snug into turns with sure-footed poise—ease your grip on the steering wheel and feel the car seek a straight course again like a compass points to the pole.

This is travel as you've always hoped to find it—relaxed, carefree, luxurious, happy—while you leave the miles behind.

Yes indeed—life's different in a Buick. How different you should find out firsthand.

How about letting us give you a sample—any day you say?

*Equipment, accessories, trim and models are subject to change without notice. *Standard on Roadmaster, optional at extra cost on other Series.*

Dump Truck Owners!
In the on-the-job Ford Economy Run, 3 out of 4 Ford F-6 Dump Truck owners reported running costs of only 4⅕¢ a mile! *

Choice of two great cabs in this Ford F-6. And remember: life insurance experts, using latest registration data on 8,069,000 trucks, prove Ford Trucks last longer!

No other 2-TON truck combines such power with so much payload

112 horsepower! 217 lbs.-ft. torque!
And this FORD F-6 has less dead weight!
Body and payload up to 11,340 lbs.!

You get new power to speed up your heavy hauling, in either of TWO great engines! The FORD F-6 gives you a choice of the famous 239 cu. in. TRUCK V-8, now upped to 106 h.p.—or the economy-proved BIG SIX, now advanced to 112 h.p.! Both engines have the Power Pilot for *most power* from *least gas!*

And there's as much as 800 lbs. *less dead weight* in this heavy duty Ford Truck than in the other leading 2-tonners. You can load up to that much more *payload,* within the gross weight rating!

In the 2-ton field, only this FORD F-6 gives you Double Channel frame for greater endurance on tough jobs! Only the FORD gives you Gyro-Grip clutch to prevent slippage at higher speeds, reduce wear! You get full-floating rear axle, vacuum power brakes, roll-action steering . . . choice of 3 wheelbases! See the low-priced Ford F-6 *NOW!*

Availability of equipment, accessories and trim as illustrated is dependent upon material supply conditions.

*Come in! See PROOF of how little it costs to run a Ford F-6 . . . or any model Ford Truck!

Sgt. Robert German who has been stationed for some time at Fort Richardson, Alaska, is home on a 30-day furlough. He will report at the end of that time to Fort Custer where he will receive his discharge October 31. Sgt. German is the son of Mr. and Mrs. Walter German.

Edwin Kerr who has been spending the summer with Mrs. Mary Kerr and Miss Zora Kerr left Sunday to enter University of Michigan Meedical School. He has finished his pre-medical course.

Mr. and Mrs. Albert Brown of Pontiac, Ill. will leave Monday for their home after spending two weeks with Mrs. Mary Kerr and Miss Zora Kerr.

Miss Verna Beaverson of Toledo spent the end with Mr. and Mrs. Alton Wellnetz and family.

AIR TRANSPORT CARRIES HOUSE TO GREENLAND

Lyneham, England—Two transport planes left here recently carrying a house to drop in sections to a scientific expedition now in northern Greenland.

The house is a specially built Arctic hut, equipped with heavy insulation, a stove, and a chimney.

The expedition will use it as a camp for survey work.

Efforts Praised T B Detection

LANSING—Based on results of tuberculin testing in schools—a simple way to spot signs of TB—hope for improved tuberculosis control for future generations was voiced this week by the Michigan Tuberculosis Association.

Some recent Michigan testing programs indicate only five to ten per cent of school students now are infected with TB germs, and that few of this group have active disease, officials said. In contrast, the Christmas Seal agency cited a current British report showing that 20 to 56 per cent of youngsters in rural areas of England and Wales were found to be infected with tuberculosis.

School tuberculin testing programs should be repeated each year, but the association urged that "the aim of checking every adult for TB annually is doubly important." Much of Michigan's tuberculosis is today centered in the older age groups, particularly among men, the TB association reported.

KENTUCKY TOWNS STRIKE FOR ROAD

Pineville, Ky.—Three Kentucky mountain communities seeking a new highway from the state are backing up their demand with this policy:

"No school, no taxes paid, and no elections until the road is built."

The strike began three weeks ago. Today, three grade schools are still standing empty, and attendance at the nearby high school is down to a trickle.

Fred Gampher, spokesman for the group, says the present road is dangerous.

NOVEL PLANT HOLDER

Retrieve that ornate, iron, kerosene lamp-bracket from grandmother's attic and convert it into a novel and attractive plant pot holder for your favorite plant. First, give it a thorough cleaning; then apply a coat of enamel to match the surrounding color scheme. Or refinish it in antique black.

After fastening the bracket in an appropriate place on the wall, it will be ready ot hold a pot of geraniums or other plants.

Ruth Havens and George Brady United in Marriage

St. Peter's Episcopal church was the scene of an informal wedding recently when Miss Ruth May Havens, daughter of Mr. and Mrs. Russell Havens and George H. Brady, son of Mrs. Opal M. Brady were united in marriage. The Rev. Richard Petersen, pastor of the church, performed the single ring ceremony, Saturday evening, September 13 at 7 o'clock. The altar was decorated with fall flowers and gladioli.

The bride, given in marriage by her parents, wore a gold suit and a corsage of fall flowers. She carried a white Bible, a gift of the groom. Mrs. Shirley Maudlin was matron of honor and wore a grey suit and a corsage of fall flowers.

Mrs. Havens, mother of the bride, wore a gold dress. Mrs. Brady wore a peach colored dress and both mothers had fall corsages.

Norman Frayer served Mr. Brady as best man. The ushers were Harold Brady and Victor Shanley.

A reception was held at the Products Union Hall for 150 relatives and friends immediately following the ceremony. The large traditional wedding cake topped with a miniature bride and groom was cut by the bride's aunt, Mrs. Clair Schuyler. Those assisting in serving were Mrs. Curtis Bays, Mrs. Russell Havens, Paula Buchell and Sandra Maudlin.

After a trip through northern Michigan the couple is residing in an apartment at 315 W. Logan street. The bride is a graduate of Tecumseh high school with the class of 1952 and Mr. Brady with the class of 1946. Both are employed at the Tecumseh Products Company.

SPECIAL MEETING OF O. E. S.

A special meeting of the Tecumseh chapter, Order of Eastern Star will be held Friday, September 26, at 6:30 with a potluck supper. This will be an initiation meeting.

B. P. W. C. HOLDS FIRST MEETING OF THE YEAR

The first meeting of the Business and Professional Woman's Club was held at the Fellowship Center of the Presbyterian church Monday evening, September 22. Instead of the regular devotionals it was planned that a "Hymn of the month" would be sung, with the history of each given. The first hymn presented was "What a Friend We Have In Jesus."

The Presbyterian League served the dinner and the tables were centered with cut flowers. After the dinner a moment of silence was held in honor of the deceased members. 41 members answered to roll call, giving their telephone number. Six guests were introduced, including student nurses at Herrick Memorial Hospital, Miss Joyce Warner, first grade teacher, and the Misses Marlys and Evelyn Arnold. Miss Ruth Harding, a member of the Club, is a patient at University hospital in Ann Arbor, and they voted to have a card shower for her. Her room number is 6355.

The program was in charge of Nora Schultz, Katherine Hunt, and Naomi Sallows. The Arnold sisters sang "Serenade" and "Grand Night for Singing" accompanied by Mrs. Hunt. Mrs. Sallows gave an outline of the programs for the coming year. The program "What we should know about dry cleaning" was well presented with an educational film through the courtesy of a local cleaner and shown by Rev. Edward Escolme.

The hostesses were Martha Artman, Wilma Jean Barrett and Irene Boltz. The next meeting will be held October 27. Dinner will be served at the Fellowship Center and later the club will enjoy a tour of the Clinton Woolen Mills.

Britton

Funeral services for Frank D. Miller who died last Wednesday morning at the home of his son, Elmer Miller in Britton were held Saturday at 2:30 p.m. at the Assembly of God church in Tecumseh with the Rev. A. S. Dimbat officiating. Burial was in the Ridgeway cemetery. The bearers were Ford Jersey, James Underwood, jr., Wallace Underwood, Merle Miller, Charles Miller and Gordon Goldsberry. Besides the son Elmer, Mr. Miller is survived by another son, Lawrence L. Miller of Howell, a daughter, Mrs. Leona Underwood of Sylvania, and a number of grandchildren.

The Britton Rebekah lodge resumed regular meetings Wednesday after the summer recess. Noble Grand, Mrs. Fay Hindes presided at the meetnig. A proclamation of the [illegible]1st anniversary of the Rebekah Order was read. Mrs. Hindes was appointed as a representative to the Lenawee County Farm Bureau luncheon October 23 at the West Branch church at Adrian. A potluck supper was enjoyed after the meeting.

Mr. and Mrs. Irving Grady received word from their son, S/Sgt. Lawrence W. Grady, who is stationed in Weathers Field, England, that he had visited London recently and while there witnessed the changing of the guards at Buckingham Palace which took an hour and a half and was very impressive to watch.

Miss Joan Hindes, a student at Harper School of Nursing in Detroit, spent the week-end with her parents, Mr. and Mrs. Fay Hindes. Friday evening Joan was given a party in celebration of her birthday anniversary.

Mr. and Mrs. Kenneth Zarnow visited Miss Marcella Niblack at Riverside Hospital in Toledo.

Mr. and Mrs. Glen Gripton called on Mrs. Margaret McCarbery and children in Dearborn, Sunday.

Mrs. James Vallie and daughter Sandra, who have spent the last three months with her parents, Mr. and Mrs. Charles Ricicia, accompanied Lieut. Vallie to Sparta, Wisc., Saturday, where they will make their home. Lieut. Vallie is stationed at Camp McCoy, Wisc.

Miss Marcella Niblack, who is a student nurse at Riverside Hospital in Toledo, underwent surgery at the hospital Tuesday morning.

CONSERVATION LEAGUE MEETS

The Tecumseh Conservation League will meet Thursday evening, October 2 at 8 o'clock in the V.F.W. hall. Lou Klewer, outdoor editor of the Toledo Blade will be the guest speaker. Mr. Klewer will show his most recent film, "Land of the Shining Mountains" featuring trout fishing in Montana.

The Conservation League will sponsor a trap shoot Sunday, October 5 at the farm of Joe O'Pravil. Several prizes will be awarded.

Early Fall Feeding Of Steers Profitable

Farmers who depend on dry, fading pasture alone too long, instead of starting cattle on some feed in late summer and fall, may find valuable market weight actually lost.

Weight lost through poor pasturing, without feed, or after a hard freeze can be put back on only the hard way, by expensive feeding, cautions George A. Branaman, of the Michigan State College animal husbandry department.

Feed can be saved in spring by sending animals to lush new pasture, he points out, but in the fall it's a question of feed only. Farmers can save time and labor in the feeding program in the fall, Branaman suggests. Steers weighing 700 pounds or more may be fed up to ten pounds of grain in one feed, instead of being fed twice daily, without disadvantage.

Most Michigan steers now weighing more than 700 pounds will be finished for market without any pasture next spring, Branaman notes.

Another good reason for putting choice grade cattle on grain early is the usual trend of a peak market before February, Branaman remarked, adding that well-finished beef may drop after the holidays. Corn, barley, oats or some wheat may be fed to advantage. Corn silage furnishes grain and roughage, and grass silage may replace pasture and hay. Protein supplement is desirable for higher grade steers when good legume hay is limited.

SPECIAL FREIGHT CARS TO TOUR IN MICHIGAN

NEW YORK — The 100,000th freigth car built for the Eastern railroads since the end of World War II will go on exhibit on the upper level of Grand Central Terminal here for one week beginning Tuesday, September 16, it was announced today.

Following its New York appearance, the aluminum-plymetal boxcar is scheduled for visits to terminals of nine other major cities in the area served by the 37 railroad members of the Eastern Railroad Presidents Conference, which is sponsoring the exhibit.

Another full-scale freight car, the 100,001st postwar freight car delivered to Eastern roalroads, will tour through 77 rural communities in the 17 Northeastern states. This car will be shown in Ann Arbor at a date to be announced later.

Driving Seminars Conducted by U-M

ANN ARBOR—The University of Michigan is taking another step forward in its continuing effort to make Michigan's high school students skillful, responsible drivers.

It will conduct three six hour Saturday seminars in Jackson and Saginaw for those of the 74 driver-education teachers who attended a recent U-M training institute and who wish to obtain further, more concentrated instruction.

The institute and the seminars as a unit have been made a part of the University's regular teacher-preparation program. Two hours of graduate credit, therefore, will go to those who attend both, Everett J. Soop, U-M Extension Service director, said.

It will be the first time such seminars have been conducted anywhere, he added.

A. A. Vezzani, University lecturer in vocational education and practical arts, who will conduct them, said the seminars also would provide opportunities for discussing problems faced by teachers on the job since they attended the institute and for the development of individual instructor's guides and teaching aids.

Those in Jackson will be held from 10 a.m. to 4 p.m. on September 20, October 11 and November 22. In Saginaw they will be conducted on October 4 and 18, and November 1, from 9 a.m. to 3 p.m.

Vezzani said the seminars would be a regular part of the future driver-training institutes conducted by the University.

Farmer's Credit Agent Appointed

Southeastern Michigan Production Credit Association has announced the placement of a full time field man in the Monroe and Lenawee Area. This man, Gale D. Wheeler of Breckenridge, Michigan, a World War II vet and a graduate of Central Michigan College, will have offices in the Adrian State Bank Building, Room, 3, on Tuesday and Friday from 10:00 a.m. to 3:30 p.m. He will be in the Court House in Monroe—Supervisors' Room, every Monday from 11:00 a.m. to 3:00 p.m. and the second and fourth Thursday of the month.

This move to improve service to farmers of this area was made due to the demand on the part of the farmers for better service and due to the increased number of requests for farm production loans. Mr. Wheeler, a 4-H and FFA man and a student in agriculture is qualified to help the farmer analyze his credit problems.

IMPORTANT EXHIBIT

Two special exhibitions of major importance are now in progress at the Toledo Museum of Art.

Italian Designs for Living, a collection of 2,500 original craft creations in furniture, textiles, toys, enamels, glassware, china, ladies' accessories, lighting fixtures and other objects of ordinary use designed as works of art by Italy's finest modern craftsmen, opened Saturday (September 13) and will continue until October 22.

An exhibition of paintings, drawings and lithographs by William A. Smith, internationally known artist and former Toledoan, opened Sunday, (September 14) for three weeks.

TIPS ON FREEZING GIVEN HOMEMAKERS

Freezing does not improve foods. But through freezing a greater amount of original flavor and color can be retained than through any other method of preservation, according to Dr. Pauline Paul of the Michigan State College foods and nutrition department.

Original food value is well retained by freezing, too. And it is interesting to note that greater loss of vitamins and minerals comes from careless handling than from frozen storage, Dr. Paul advised.

In considering what products to freeze, a good rule of thumb is that fruits and vegetables which are usually canned will freeze satisfactorily. Meats, poultry, fish and eggs may also be preserved by freezing. There are exceptions, of course—foods eaten raw like lettuce, celery, onions, cucumbers and radishes do not freeze well. Tomatoes and pears are not practicable freezing products, nor are high-starch content foods such as potatoes, rice and macaroni.

In general, freeze only the best—firm, well-ripened fruits and fresh, tender vegetables. Meats must be high in quality and handled properly from the time of slaughtering to freezing. Dr. Paul warned.

Field and tree-ripened fruits have the richest color and flavor for frozen storage. The fruit should be firm-ripe and freshly picked. In sorting and washing the fruit, take care to prevent bruising. Drain well after washing and pack in moisture-vapor-proof containers, dry or with sugar or syrup, depending upon the fruit. Sugar and syrup help preserve color and flavor, as well as prolong the storage time of the fruit.

For more information, ask for the Michigan State College bulletin "Freezing Foods for Michigan Homes." Your home demonstration agent has copies.

School Time Calls For
Bigger Lunches And Dinners

Yes, Mother, we know the story, now that school has started. We know that the children, once home from school, are searching for the cookie jar, and that sandwiches and cold meats are in great demand.

And we also know that school time calls for more hearty lunches and dinners . . . food that will "stand by . . . . stick to the ribs" for longer hours.

If you'll shop with us we can supply everything needed for that "rib sticking job" and, what's more, you'll like our high quality. It actually costs less because it goes farther.

Sophomore Class Establishes Paper

EDITORIALS AND FEATURE STORIES UNDER DIRECTION OF ELECTED STAFF

The Sophomore Class of Tecumseh High School has decided to establish a High School Newspaper. The Tecumseh Herald has given us a portion of their newspaper as an opportunity for a beginning.

The name of the newspaper, which is the "Blanket" was appropriated by the majority of the Sophomore Class. We have chosen this peculiar name "Blanket" which Indians used in the passing on their messages by the means of smoke signals. That is what we of the Sophomore Class shall send you, the school messages, not by smoke signals, but through The Tecumseh Herald.

We are going to try a system of "Volunteer Reporters" to get the news from our upper and lower classmen with editorials, features, etc., from Sophomore English Class.

Even though we are amateurs we have the will and determination, with the assistance and advise of our English teacher, Mr. Duane K. Furbush. We hope to improve our newspaper ability.

Our goal is to enlarge and produce for T. H. S. the prestige of a good high school newspaper. We of the Sophomore Class wish to give our sincere thanks and appreciation to The Tecumseh Herald for this opportunity.

SOPHOMORE CLASS SELECTS RINGS

The officers of the sophomore class were appointed by Mr. Hart to act as a committee to select rings for their class.

In the course of this week there were five different ring salesmen representing five different companies at our school. The ring committee met with each salesman and chose one ring design from each which they thought the class would like. The whole class will meet on Friday and vote on which of the five different ring designs is to be chosen for the entire sophomore class.

STUDENTS DISCOVER "THE TIMES"

Tecumseh High School has subscribed to the New York Times, one of the world's great newspapers, for the current school year. It is being placed in the library for the use of the entire student body. The Sophomore class uses it to a great extent in 10th grade English classes. It costs 5 cents a copy, two cents less than the much smaller Detroit Free Press, and fifteen cents on Sundays.

The paper has already achieved wide popularity among the student body. Many students here will attest the truth of the phrase, "All the news that's fit to print"—the motto of the well-known New York Times.

Lunch Time Is Big Business

By Robert Francouer

Yes, lunch time is big business, especially when you have to plan and prepare a balanced meal for about one hundred and fifty people every school day. That's the job of three women in our high school cafeteria, located in the new building. They are Mrs. Marie Listman, manager; Mrs. Marion Spafford, financial manager; and Mrs. Dorothy Beck, cook. Phyllis Butler and Phyllis Carpenter assist them at noon. The menu for the week is posted on the bulletin boards throughout the school every Monday morning.

Serving begins at 11:30 a.m. each day. The reason for such a long serving period is that the cafeteria must serve three different groups this year. They include one grade school group from the Central building and two high school groups.

We, of the Tecumseh high school newspaper, know that the people of Tecumseh are interested in the high school cafeteria and are also interested in learning some facts concerning the preparations of a meal. Therefore, we have copied the following menu along with the amounts of food used, out of the cafeteria plan book: barbecues, sliced tomatoes, chocolate pudding and milk. The amount of food used in the preparation of this meal is as follows: fifteen pounds of beef, twenty-one dozen buns, ten pounds of pudding powder, one-half bushel of tomatoes, and five cases of milk in half-pint bottles. The total cost of the items is $23.77 at 35 cents per person, for one hundred and thirty-three people. The cafeteria took in $54.02 the day this meal was served. This amount includes charges for extra servings.

The cafeteria is self-supporting. Therefore all operating expenses, including wages, must come out of this amount. The cafeteria is reimbursed a small amount on student lunches by the state. The state also furnishes surplus foods. They include tomato puree, stewed tomatoes, processed cheese, powdered milk for cooking purposes, honey, dried beans, and peanut butter.

We at T.H.S. have the best equipped and most modern cafeteria in the county. Because of the lack of enough classrooms, the dining room must be used for a class room during a part of the day. This procedure will be discontinued as soon as the addition to the building is completed.

GIRLS' ATHLETIC ASSOCIATION RESUMES ACTIVITIES

The Girls' Athletic Association met Monday, Sept. 15 on the Athletic Field with thirty-five girls present. Under the direction of Mrs. Sam Sisson, a wiener roast was enjoyed.

Afterward a brief business meeting was held with the retiring vice-moderator presiding. New officers for the present school year were elected as follows: President, Diane Dillon; vice-president, Judy Sisson; secretary, Norma Bilby; and treasurer, Grace Moore. It was decided that all new members would be initiated Sept. 22 at 7 p.m. in the gym at the Central school building. The aim of the G.A.A. is to give girls recreation who would not otherwise be receiving it under the school schedule, and also to promote the spirit of good clean fun.

Thursday evening a meeting of the initiation committee was held to decide on the initiation program. It was decided that each member should be blindfolded and then told to do three different, harmless stunts.

Monday evening, initiation night, was enjoyed by all, especially by the old members who watched the new ones being inducted into the Association. A brief busines meeting was held after the above mentioned ceremonies.

Officers will meet in the near future to discuss the planning of the activities for the coming year.

Injured in Monroe-Tecumseh Game

Jim Wilson, senior, and son of Mr. and Mrs. M. W. Wilson of 609 Outer Drive, sustained an injury to his knee in the football game at Monroe last Friday night. The nature of the injury was disclosed by Mrs. Wilson as hemmorhaging around the knee-cap.

JUNIOR BAND NEWS

Mr. Robert Peck, band instructor, sent questionnaires recently to parents of Junior Band members requesting their opinions to the best time for scheduling this band class. The majority of parents were for band meeting after school—primarily due to conflct between previous band and gym class.

There are, at the present time, nine Junior Band members. Others will soon be promoted into this band.

DEBATE ANNOUNCEMENT

There will be an important debate meeting for all debaters as well as for others who may be interested in debate, on Monday, September 29 at 3:30 p.m., in Room No. 26.

One For The Birds In Opening Game

CATHOLIC CENTRAL DEFEATS T. H. S. 26-6 ON FRIDAY NIGHT

The Monroe Catholic Central Falcons swooped down on the Tecumseh Indians in the opening game of the Southeastern Conference last Friday night.

The first period was scoreless. The Indians held the Falcons until the closing minutes of the second period when Lenny Liedel, Monroe's ace halfback, ran 33 yards for the first touchdown. Les Heller booted the extra point making the score 7-0 at the end of the first half.

The third period proved to be the most exciting of the encounter. The Indians kicked off to the Falcons who marched down to the 38 yard line from where Lenny Liedel tallied his second touchdown. Heller again kicked the extra point.

Then the Falcons kicked off to the Indians' star halfback, Bill Benham, who streaked 85 yards for the Indians' only touchdown. Benham's pass attempt for the extra point was blocked.

Later the Falcons recovered a fumble on the Indians' 25 yard line and moved to the 11 where Liedel made his third touchdown. The attempt for the extra point failed.

In the fourth period the Falcons drove to the one-yard line where fullback Dick Complo plunged over for the Falcon's fourth touchdown. Heller's try for the extra point failed making the final score 26-6.

Monroe Catholic

Center: Navaree; guards: Poupard, Kehres; tackles: Henrikson, Gerweck; ends: Lipford, Heller; backs: Laboe, Dushane, Liedel, Complo.

BAND PLAYS AT FAIR

The Tecumseh High School Band performed at the Lenawee County Fair last Friday which was Tecumseh Day. The band played several tunes while on parade through the fairgrounds in the morning. In the afternoon they presented a short concert at the grandstand under the baton of Robert Peck, music director of Tecumseh High School.

The band has improved considerably since the beginning of the school year and now is preparing for the first home football game as well as for the annual Band Festival to be held here on October 15.

FUTURE NURSES CLUB CONTIUNES MEETINGS

On Tuesday, September 16, in the Public Library at 7:30 p.m., the Future Nurses' Club held its first meeting of the new school year. The meetings are to be held on Tuesdays, of the first and third weeks of the month.

Mrs. Sam Sisson is the school representative for the club this year. For the present there is no representative from the Hospital Auxiliary, the sponsors of the Future Nurses' Club. Dues were decided upon for ten cents a meeting. Eleven girls attended the meeting.

On Tuesday, September 23, a party was given for the four visiting Student Nurses from Wayne University in Detroit, Michigan. The visiting nurses have been working for experience at the Herrick Memorial Hospital and are leaving soon. The party was held at Frank Purcell's residence at 7:30 p.m. Refreshments were served at the climax of an enjoyable evening.

From where I sit ... *by* Joe Marsh

No Longer Two Sides to This Question!

Ever seen those two-family houses they have in some places—with separate front doors and porches—side by side? My sister owns half of one and lives in it, near Philadelphia.

Nice little frame home. Only Sis painted her half brown and the other family always painted theirs green. Ruined the effect—but for years neither family ever thought of suggesting that they both decide on a common shade.

Now Sis writes that their two-toned home is no longer. "I mentioned we were going to repaint," she says. "And they said let's get a color we *all* like. So we did. A nice shade of gray for both sides."

From where I sit, so often when there's a difference of opinion it's best to sit right down and work things out (like when our volunteer firemen decided to serve both lemonade *and* beer at their annual picnic last month). Don't let prejudices "color" your opinion of your neighbor. He'll probably be quite as open-minded as you are.

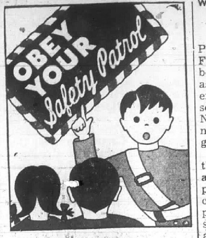
DAUGHTERS OF ST. PETER'S ENJOY POTLUCK SUPPER

Eighteen members and guests of the Daughters of St. Peter's enjoyed a potluck supper at the parish house last Tuesday evening. Mrs. Anna Hardenburg and Mrs. Ann Haughn were hostesses.

During the business meeting, it was voted to share in the cost of cleaning the parish house and church and to purchase new tile for the Sunday School. Mrs. Lawrence Blum was welcomed as a new member. For the program Mrs. R. K. Anderson gave a very interesting talk on her recent trip to Germany and illustrated it with pictures.

After the meeting an auction of donated articles was held to add to the Guild treasury.



PRIZE WINNER
EIGHTH NATIONAL TRAFFIC SAFETY POSTER CONTEST

Michigan school children have returned to school this month along with 41,500 AAA Safety Patrol boys. The patrollers are back on their street corners insurinf the safety of the youngsters on the way to and from school. As a reminder to the children to obey their patrol boys' instructions, Automobile Club of Michigan has sent 10,500 full size copies of this poster to elementary schools in the state.

WOMAN'S ASSOCIATION HEARS BOOK REVIEW

The Woman's Association of the Presbyterian church met in the Fellowship Center with 48 members and Rev. George Walworth as a guest. A potluck supper was enjoyed with Mrs. Harold Wilson, Mrs. Lillard Brown, Mrs. Nina Heath and Mrs. Veva Connors in charge. Miss Ruby Preston gave the invocation.

Mrs. Lee Purkey, chairman of the fall festival gave a report and asked each chairman to report the progress being made and the articles they are making as soon as possible. The Association voted to serve the Monday Club Luncheon at the Fellowship Center, October 6. They also accepted an invitation from the Men's Club to meet with them December 10. This will move the Association meeting from December 17 to December 10.

Mrs. John R. Thompson was in charge of the program and gave an interesting book review on "A Man Called Peter." This was a story of Peter Marshall, a chaplain of the United States Senate. Mrs. Lynn Harris was in charge of devotions.

CHRISTIAN SCIENCE TEXT FOR THE WEEK

Mankind has been searching for reality for centuries. Where it may be found will be discussed in the Lesson-Sermon to be read in all Christian Science churches on Sunday, Setpember 28.

The Golden Text is from I Chronicles (29:11): "Thine, O Lord, is the greatness, and the power, and the glory, and the victory, and the majesty: for all that is in the heaven and in the earth is thine; thine is the kingdom, O Lord, and thou art exalted as head above all.

Among the Bible citations is this passage, (Rom 8:28): 'And we know that all things work together for good to them that love God, to them who are the called according to his purpose."

Correlative pasages from "Science and Health with Key to the Scriptures" by Mary Baker Eddy include: "The loss of earthly hopes and pleasures brightens the ascending path of many a heart." (p. 265).

VARSITY MEETING AND INITIATION

The Varsity Club met Friday, September 19 to plan the initiation for the new members. The officers are: President, Tom Naser; vice president, Bill Benham; secretary, Melvin Boltz, and treasurer, Bob Binns.

The initiation was held Wednesday, September 24 at 7:30 p.m. in the new high school. According to Tom Naser 12 boys were initiated. They were taken to the basement and dressed in burlap bags, individually decorated—"in a scents"—. Then, one at a time, they were led blindfolded up to the cafeteria where the initiation took place. It took about 15 minutes for each person to be initiated.

Pop, hot dogs, and potato chips were served following the initiation. If the boys suffered enough and passed the requirements they will be allowed in the club. The requirements are as follows: 1. Having earned a varsity letter in baseball, football, basketball, golf, or track. 2. They have to be asked to join. 3. When once asked if they refuse, they are never asked again.

To scare the boys who were to join, propaganda was spread around the school before the initiation.

Fund Drive Captains Named

KICK-OFF BREAKFAST PLANNED FOR OCTOBER 15

Although the campaign to raise $7,865 for Tecumseh's Community Fund does not get under way until Wednesday, October 15, much ground work is being laid by its chairman, George E. Green, jr., who hopes to conclude the drive with success on October 29.

Mr. Green announces that the following captains have been selected with contacts soon to be made for chairmen of the individual blocks. Two captains for the residential section: Mrs. F. K. Smith, and Mrs. Richard Preston; Rural area captain: LeRoy H. Titley; Downtown Business section: Southeast: Vern Manwaring and Yale Kerby; Southwest: Harold Easton, and Russ Garno; Northwest: Don Martin and Harold Green; Northeast: Jack Hanna and Rhae Henkel.

The fund workers, all of whom are contributing their time without remuneration, will be guests at a kick-off breakfast at 8:30 a.m. October 15 at the American Legion Memorial Home. The United Products Workers Union is again contributing to defray the cost of this affair from a fund left from last year. The Legion Auxiliary will have charge of serving the breakfast.

Donations have already been made by individuals and business organizations in an effort to reach the goal.

Clinton Boy Killed Darting Into Road

RODNEY RIDER, 7, VICTIM OF TRUCK WHEELS

Rodney Rider, seven year old son of Mr. and Mrs. Russell Rider of 204 Franklin Street, Clinton, was killed instantly when he ran into the side of a moving bulk gasoline truck.

The accident happened at 4:30 p.m. Monday on Church Street in Clinton. Rodney was playing with a group of other children on the sidewalk. He suddenly darted into the street and apparently did not see the truck which was driven by Clyde W. Bailey, of Tecumseh. Mr. Bailey stopped the truck immediately and took the child to the office of a Clinton doctor, where the boy was pronounced dead on arrival.

Witnesses to the accident told State Police that Mr. Bailey had no chance to avoid the accident.

TOLEDO BLADE EDITOR TO BE SPEAKER

Lou Klewer, outdoor editor of the Toledo Blade will be the guest speaker Thursday evening for the Tecumseh Conservation League meeting. Mr. Klewer will also show his most recent film. The League is also sponsoring a trap shoot, Sunday, October 5, at the Joe O'Pravil farm northeast of town.

Miss Joyce Warner, first grade teacher at the Central Building, is a graduate of Asbury College in 1952, with an A.B. Degree. She majored in music theory and elementary education.

Miss Warner, daughter of Mr. and Mrs. Lester Warner of Williamston, Mich., is a graduate of Williamston high school in 1948.

She makes her home with Miss Vera Gilbert at 206 E. Logan street.

Wilfred Robert Waldron, language and social studies instructor at T.H.S. is a native of Tecumseh. He attended the local schools and graduated with the class of 1947.

Mr. Waldron won a Regents Alumni Scholarship to the University of Michigan from which he graduated in 1951, with an A.B. Degree in French and a secondary teacher's certificate.

Since his graduation Mr. Waldron has been enrolled in the Horace H. Rackham School of Graduate Studies of the University of Michigan, specializing in history. He has completed the work for the Master's Degree and is continuing work in history and education.

Mr. Waldron lives with his parents, Mr. and Mrs. Wilfred G. Waldron of Route 1, Tecumseh.

V. F. W. Auxiliary to Assist With Community Drive

Mrs. Wyman Campbell, of Milan, vice president of District 6 was in charge of inspection at the meeting last Thursday evening of the V.F.W. Auxiliary. Mrs. Grenval Spangler, president, presided at the business meeting and it was voted to again assist with the Community Fund campaign. Mrs. Glenn Kohler was named chairman of the Health survey.

Announcement was also made of a District Rally in Milan, October 5. Several of the members plan to attend. The Department Pow-Pow in Lansing will be October 18-19. The Auxiliary has also been invited to an open meeting of the Graf—O'Hara Auxiliary in Ann Arbor, October 21.

Preceding the meeting 30 members and guests met at the Cozy Cafe for dinner. The guests included Mrs. Emogene Smith, department chairman for Ypsilanti State Hospital, Mrs. Lila Purkey, Mrs. Jean Gooding, Mrs. Irene Cignetti and Mrs. Campbell, all of Milan.

Five Year Old Bitten By Dog

Karen Creger, 5-year-old daughter of Mr. and Mrs. Donald Creger of 7173 S. Union street was painfully bitten on the face Monday afternoon at 3:20 by a dog. She was taken to a local physician where eleven stitches were taken to close the wound by the nose. The dog, owned by Paul Bame of S. Union was picked up immediately by County Dog Warden Baughey of Adrian. The dog will be held for ten days.

The dog was one of many that was dropped on South Union street, when a puppy, and left to run the country. The warden advised that anyone found disposing of dogs, will be prosecuted. There is a fine or jail sentence for such misdemeanor. Chief of Police, George Kilbourn(county deputy sheriff) was called immediately and notified the Dog Warden who was on a call at Rome Center but accepted his call here immediately.

Tecumseh Joins Caravan for Ike

EISENHOWER MAKES SPEECH FROM FOUNDING PLACE OF REPUBLICAN PARTY

The Lenawee County Republican committee met a goal of at least 50 cars for the caravan from Lenawee county attending the General Eisenhower program in Jackson yesterday. The Tecumgroup met the Adrian caravan at Cambridge Junction at 2 o'clock, decorated their cars, and proceeded to Jackson. The caravan from Lenawee was one of 14 from surrounding counties at the event.

The caravan moved into Jackson to the county building where parking was provided and refreshments were served to all out of town people.

General Eisenhower was greeted as he stepped off his campaign train by the "First Timers Club," made up of a group of people who will vote for the first time.

The Republican party officers of the 14 invited counties rode through Jackson in a parade of 40 convertibles with General Eisenhower and his staff. I. M. Olsen introduced George Meader, Congressman, who in turn introduced Eisenhower. The General made his speech from the "Rock," the founding place of the Republican party. The speech was amplified for two blocks.

The Republican presidential candidate then boarded the campaign train to make a swing through several larger Michigan cities.

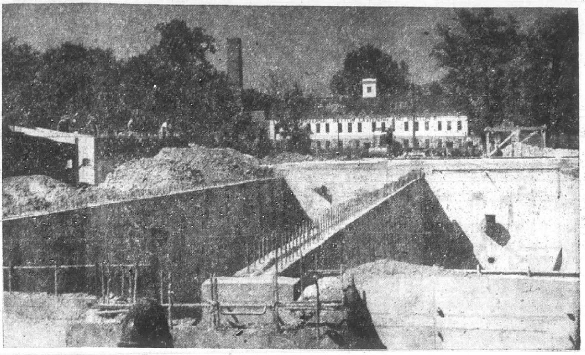
My office will be closed Oct. 3-4-5-6 incl. R. T. Hammel, M. D. adv. 10-2



Pictured above—looking from south to north—are concrete settling tanks at the new Tecumseh Sewage Disposal Plant near the bridge on E. Chicago Blvd. The Office and Service Building is now under construction at the north end of sections showing. Much of the immense concrete construction now visible will be completely covered with earth soon. Plant may be in operation by Feb., 1953.

Sewage Disposal Plant Construction On Schedule

CONCRETE WORK ABOUT 80 PER CENT COMPLETE; ACCURATE RECORDS KEEP COUNCIL AND ENGINEERS IN HARMONY; COST LIKELY TO BE WITHIN BUDGET

It would be difficult for an average citizen to know, but the new Tecumseh Sewage Disposal Plant construction seems to be proceeding in a most successful manner. In several visits to inspect the progress, and to get pictures that might be of interest to the public, the alert manner in which the work is being conducted could not do otherwise than create a favorable impression.

To fail to observe this project while it is under construction is to miss an important cog in the life of Tecumseh. Much of the parts now exposed will be completely covered by earth in the near future. So we will here try to describe impressions of a visit to observe as much as possible.

W. I. Bulson is superintendent of the project, and these are, as accurately as possible to report, his words describing the functions of the disposal plant when in action. He described the actual action of the plant on the sewage as "confining and subjecting to the action of nature." Thus all of the sewage from the sanitary system of the village will finally become realtively clean liquid which is carried off into the river without contaminating, and harmless and useful solids which can be utilized for fertilizer.

The picture above is of the settling tanks, of which there are three, two primary and one final tank. After grinding, the raw sewage enters these primary tanks first—but not alone. For in the normal action of the digestive tanks—described later—there is created an affluent called supernatent, which is returned to these primary settling tanks to mix with the raw sewage and thus begin the natural disposal action. The solids settle and remain in these primary tanks—the liquid affluent passes on through stone beds and the trickle filters, and then returned by pumps to the final settling tanks. After the settling action here, the clear affluent is discharged into the river.

The solids from the primary settling tanks take another course. They are pumped into the diges-

WATER WORKS ASSOC. HOLD SESSION IN BATTLE CREEK

Mr. and Mrs. John Kopka attended the fourteenth annual meeting of the Michigan Section of American Water Works Association in Battle Creek at the Post Hotel last Wednesday, Thursday and Friday. Mr. Kopka represented the Tecumseh Water Works. This was the first time that Tecumseh was represented at any of the meetings. The next meeting will be held in Grand Rapids in May, 1953.

Health and Civil Defense Survey Now In Progress

Three additional organizations have volunteered to participate in the Lenawee County Health and Civil Defense Survey which is now in progress Mrs. Richard Preston, chairman, has announced the sections that the various organizatons are now reviewing. The Child Study Club assisted by members of the Pythian Sisters are interviewing residents of the Southwest section, (south of the boulevard, west of Evans); Hospital Auxiliary have the northwest section, (north of boulevard and west of Evans); Exchange Club in charge of Herrick Park; V.F.W. Auxiliary, Indian Acres; Rotary Club, residents of North Union, north of cemetery and east to Mill street; American Legion Auxiliary, northeast section (north of the boulevard, east of Evans); V.F.W. Hall-Slater Post, the southeast section (south of boulevard and east of Evans).

Mrs. Preston said the questionaire being used for the survey is in two parts as previously stated and part of the questionaire will be confidential. Lenawee county was chosen as one of the typical counties in the nation. The health information obtained here and the methods used to safeguard health will be typical of the nation.

Rally Day Held By Local Churches

PROGRAMS AND AWARDS PRESENTED AT MORNING SERVICES

At a program enjoyed by over 200, many children were promoted in the annual Rally Day celebrated at the First Presbyterian church, Sunday, September 28. During the morning worship the sacrament of Infant Baptism was received by Jane Lee Abner, daughter of Mr. and Mrs. Forest Abner; Thomas William Aiuto, son of Mr. and Mrs. Bart Aiuto; William O. Keas, III, son of William O. Keas, jr.; Joseph Alexander Thompson, son of Dr. and Mrs. John Thompson; and Thomas Michael Walworth, son of Mr. and Mrs. Thomas Walworth. The entire Church School staff were recognized and dedicated for the coming year.

The Methodist church also observed Rally Day with the presentation of each of the classes by their teachers. Several classes gave short programs and sang songs. Certificates of promotion were given each class member and Bibles were given those graduating from the Primary department.

Special pins will be presented to Sally Hunt, Louise Anderson, Terry Packard, Brynn, Barry, and Bruce Packard, and Mrs. Frances Packard for three years perfect attendance. Rev. Ronald Brunger, pastor of the church, installed the new officers and teachers.

A Rally Day program entitled "The Word of God" telling of the new, revised standard version of the Bible being published this week, was narrated by Mrs. Robert Bonner and the leader was Aden Mead.

In closing, the church school superintendent, Mrs. Earl Green, the pastor, and several children from the Sunday school took part in two short dramatizations of the story of Caedmon, the figure of Bible stories of the seventh century, and the story of the discovery of ancient Biblical documents in a cave near the Dead Sea in 1947.

Rally Day was observed at the Tecumseh Friends church Sunday with 214 attending Sunday School. The children had a parade around the church with Rally Day pennants. Mrs. Ida Owens class had 100 per cent attendance. Three other classes had 99 per cent with only one member of each class absent. They were the Quaker Fellowship, Quaker Youth and Busy Bee No. 2 classes.

Burial was in Brookside cemetery. Friends and relatives attended from Dundee, Wyandotte, Jackson, Clinton, Britton and Tecumseh.

Suggest Bible Week Observance

COMMEMORATIVE STAMP COVERS SUPPLIED TO HUNDREDS BY GLENN L. DRISCOLL AND GEO. E. GREEN

This week is National Bible Week, brought about by two historic events. One is the publication of New and Revised Standard Version of The Old and New Testament, being the actual release of the New Bible to churches and schools. This is the first change in the Bible since the publication of the King James Version, and is in fact merely a simplification, adapting the text to current language meanings. Scholars and clergy of the Catholic, Protestant and Jewish faiths have been engaged in the work of this change for more than fifteen years, with access to more historical data than was even assembled before.

The other event being observed is the 500th Anniversary of the printing of the first book, the Holy Bible, by movable type, being the Gutenberg Bible in the year of 1452. This event is being observed throughout the world in churches and by civic ceremonies.

The United States Post Office Department has issued a special commemorative stamp for this event. The first day of sale for this stamp was Tuesday, Sept. 30 at Washington, D. C. George E. Green, jr., George E. Green, sr., and Glenn L. Driscoll have joined together to supply about a thousand first day cancellations of this stamp in beautiful commemorative envelopes to people in Tecumseh. These were mailed on Tuesday from Washington. Those who did not receive one of these in the mail can probably obtain one from Mr. Green or Mr. Driscoll, as they each have a small quantity extra to distribute. A message, calling attention to the solemnity of the occasion is enclosed in each envelope.

10 Lenawee Bands Preparing Festival

PLANS SHAPING UP FOR FESTIVAL ON OCTOBER 15

The bands of Lenawee County are working on their individual parts for the sixth annual Tecumseh Band Festival entitled, "This Is America," to be presented Wednesday, October 15.

The themes presented by the Tecumseh, Clinton, and Morenci bands are especially interesting. The Tecumseh band will present a program on Labor Day. One of the several formations that this band will make is the Wheel of Progress representing the achievements of labor.

The Clinton band will form a huge cannon, representing Armistice Day. The cannon goes "boom" and shoots a flaming live target across the field.

It's Not Simple To Feed Everybody

There's nothing very complicated about buying a steak. It's obtainable in various shapes and weights and types, and if you want one all you have to do is go to the butcher, select the cut you want, pay for it, and carry it away.

But to produce that steak, or any other kind of meat, is a complex business that calls for a great many diverse skills and resources.

First of all, most of our meat is raised West of the Mississippi while most of it is consumed East of that river. A very side chasm must be bridged before livestock running on farms and ranges becomes meat-on-the-table in homes.

A great many people have their hands in the job of turning beef and other meat animals into cuts ready for oven and frying pan. Enough people enter into the feeding, transportation and slaughtering right here in Lenawee County to make us understand this.

Incidentally, some fraction of the price you pay when you buy meat may represent money that came to you as a result of the operations of the meat industry because the task of supplying this meat, if all its far-flung ramifications are taken into account, involves millions of people who benefit economically in direct or indirect fashion.

So while there's nothing complicated about buying a piece of meat it's a complicated job to get it ready for you to buy when and where you want it. Looking at the facts squarely in this one phase of our daily needs can make us better understand the goodness of our way of life.

Country Papers—"Things One Remembers"—By R. M. Hofer

There are some 11,000 country daily and weekly newspapers in the 48 states.

Most of them are individually owned and express the personal opinions of their editors on local and national affairs.

The country press is an outstanding example of private initiative and enterprise.

It has had to fight political moves which seek to limit its independence.

It understands the menace of growing centralized government, socialism and communism, all of which mean bureaucratic control of the individual and confiscatory taxation.

It is almost unanimously opposed to government in business because that leads to the destruction of free enterprise and individual opportunity.

In fighting political oppression the press is the champion of every worker and industry seeking to serve the public and earn a profit.

Businessmen should realize as never before that without a fair discussion of their problems by local editors, their enterprises would be easy prey for politicians who seek by legislation and taxation to control the activities and earnings of every citizen.

It's A Matter Of Real Community Pride

The gathering held recently, at which 118 ten-year employees of the Tecumseh Products Company were awarded watches and the thanks of the organization, did not just happen. It was not an effort on the part of either the company or employees to secure undue advantage or reward. It was a particularly happy event, brought about by employers who have the ability to think big, and yet be truly humble — and by employees who believe in giving a full measure of loyalty, and honest, intelligent labor.

Even to the outside observer, it has been obvious that the Tecumseh Products Company has sincere interest in the welfare as well as the production of their employees. Confidence is a quality that must be nurtured and grow, and only great mutual confidence could bring about the years of peace and progress enjoyed by this local industry. The fact that there were 118 persons emerging to the ten years of service during the past twelve months is proof enough of the magnificant job of all.

It is fitting to pause at this time to extend congratulations to all the folks of the Tecumseh Products Company, to the Products Union, and particularly to those enjoying this special recognition.

Dear Sir:

I would like to take this opportunity to congratulate your make up and press department for the way in which they executed instructions on my ad of September 25th for the Meadowridge Dairy.

It may interest you to know that your publication is among three in the entire state that affords me satisfactory reproduction.

Once again let me congratulate your newspaper, we are of the opinion that your make up and reproduction is one of the most satisfactory of the weekly newspapers published in Michigan.

Cordially yours,

Former Tecumseh Resident Wed in Gaylord

The Methodist church at Gaylord was the scene of a lovely fall wedding, Sunday, September 26, when Miss Nancy Jeane Wilson, daughter of Mr. and Mrs. George E. Wilson of Gaylord, formerly of Tecumseh, became the bride of William R. Noirot, son of Mr. and Mrs. Arthur Noirot also of Gaylord. The double ring candlelight ceremony was performed by the Rev. Raymond Lamb before an altar enhanced with a pyramid arrangement in the center of tiered candelabra, banked on each side by hampers of white gladioli and yellow and white mums.

The bride, given in marriage by her father, was beautiful in her two piece design converting to a strapless princess silhouette formal of white Chantilly lace with nylon tulle inserts over Skinner satin. The short balero jacket of Chantilly lace was fashioned with a Peter Pan collar, tiny satin buttons, long sleeves with points over the wrists. The fingertip veil was of imported silk illusion and fell from a satin shell cap trimmed with simulated rice pearls on fluted tulle. She carried a cascade effect of Eucharis lillies and varigated green and white ivy.

The bride's attendants were Betty Farrand of Gaylord as maid of honor, the bride's sister Bettie Wilson and the groom's sister, Beverly Noirot as bridesmaids. The maid of honor's dress was ballerina length, of Sunrise coral, fashioned similar to the bride's, taffeta and nylon tulle overskirt. Her headdress was a sweetheart shaped, face framing, halo of matching nylon tulle with velvet trim. Her flowers were in the shape of a wedding ring wrapped in gold and clustered with Fugi mums and bebe pompoms. Tiny leaves of matching satin framed the clusters. The bridesmaid's strapless ballerina length gowns were all fashioned alike of turquoise and yellow nylon tulle over taffeta, with matching stoles. Each wore halos and carried wedding ring bouquets identical to the maid of honor.

Mrs. Jerry Fox of Gaylord, organist, played nuptial music and accompanied Miss Joy Hutchins also of Gaylord as she sang, "O Promise Me," "I Love You Truly," and "The Lord's Prayer." Jack Noirot, brother of the groom, who is in service and home on leave from Alaska, assisted his brother as best man. The ushers were Jim Monroe and Tom Sisson, friends of the groom.

A reception was held immediately following the ceremony for 200 guests at Bagley Town Hall which was attractively decorated.

Guests were registered from Detroit, Lansing, Ionia, Mt. Pleasant, Adrian, Fairfield, and Tecumseh. Those from Tecumseh who attended were Mrs. Bert Ousterhout and son, David, Mr. and Mrs. Wade Hendershot and sons, Mr. and Mrs. Raymond Kempf and Mr. and Mrs. Ted Ehinger.

For traveling the new Mrs. Noirot chose a seagreen faille dress trimmed with black velvet and black velvet accessories. Her corsage was an all white arrangement of Eucharis lillies. After a short wedding trip north, they will return to Gaylord for a few days before leaving for California where they will make their home.

Both Mr. and Mrs. Noirot are graduates of Gaylord high school and the bride attended Central Michigan College at Mt. Pleasant. She was secretary at the Gaylord Mfg. Co., and Mr. Noirot was employed at the A. & P. Co.

The bridal party was entertained at the home of the bride's parents Thursday evening after rehearsal.

Britton

Mr. and Mrs. Clay Croll celebrated their 25th wedding anniversary Sunday, Sept. 28 at their farm home northeast of Britton with a dinner honoring the original attendants, Dr. and Mrs. R. V. Tubbs of Blissfield who were the best man and bridesmaid, Dr. and Mrs. E. H. Babbitt of Adrian, Rev. Babbitt performed the ceremony, and Mr. and Mrs. Joseph Kingsbury of Adrian, Mrs. Kingsbury played the Lohengrin wedding march. Other dinner guests were Mrs. Helen Linn and Mr. James Taylor of Detroit, Mr. and Mrs. Bert Gould of Toledo, Henry Croll and Jimmy Wood of Britton, and their two sons, Richard of Adrian College and Ronald at home. Their eldest son, Robert, was absent, serving in the armed forces in Germany. Mr. and Mrs. Croll were the recipients of many lovely cards, gifts and flowers. The original wedding ceremony took place at the home of the bride's parents, Mr. and Mrs. A. J. Allshouse inAdrian.

Miss Mildred Prill and Miss Sally Preilipp entertained Thursday evening, a group of friends in the home of the latter at a personal shower in honor of Miss Faith DuBois, a bride elect of October 11. Games and contests were enjoyed and refreshments were served by the hostesses.

MILLIONAIRES PARTY SATURDAY

A Millionaire's party will be held at the Tecumseh Country Club Saturday evening, October 5, at 9 o'clock. An evening of special entertainment has been planned by the committee with door prizes. Dr. and Mrs. Robert Laidlaw, Mr. and Mrs. James McDowell, Mr. and Mrs. Aden Mead and Mr. and Mrs. Warren Benham are in charge of the party.

Sewage Disposal

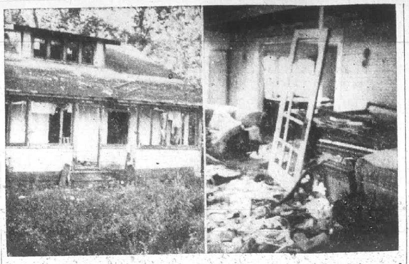
tive tanks. These tanks—immense dome-topped concrete structures—are now open to inspection, but will be completely covered with earth when the plant is in operation. After the digestion—a natural function—takes place, the solids are pumped into drying beds, from where they can be hauled away and used for fertilizer.

The liquids from the digestive action, as stated before, are called supernatent, and are utilized to begin the primary digestive action in the primary settling tanks. Mixed with the raw sewage, it does much to speed the settling action. After the affluent is carried off from the final settling tank, it is free from contamination, and goes through about 1000 feet of pipeline to discharge into the river.

The sewage plant, authorized by a vote of the people almost two years ago, was fostered largely by President Ed Heilman through the early struggles to make it a reality. Carl Fosbender is now the representative of the Village Council in guiding its progress. The actual construction was started on April 10, and it is hoped that it will be in actual operation by next February. The movement of the earth to cover parts of the project is a factor, as is the weather encountered. At present, about 80 per cent of the concrete work is complete—all tive tanks, and walkways over that remains are covers for diges-the settling tanks.

Whatever the final construction date, this project seems destined to be a credit to the village, and to all engaged in its construction. The great efforts of Mr. Heilman and Mr. Fosbender deserve the thanks of the community. The guidance and supervision of Mr. Bulson are described as outstanding. It would be a healthy mark of appreciation if more o our citizens would call down to inspect this construction project—so they can know in the future just what happens to their dirt.



The above pictures show the destruction to the exterior and interior of a cottage recently leased by Harold Wolf on the south side of Wamplers Lake.

Cottage Damaged By Vandalism

Vandalism still plays a large role in the destruction of private property. Harold Wolf has recently acquired a 20 year lease on lake property one the south side of Wamplers Lake near Laphams Landing, known as the Dr. Welliver property.

The cottage is an old land mark known to many of the older settlers. The Welliver property has been unoccupied for many years for sentimental reasons and everything was left in the cottage by the owners. Priceless furniture, doctors' instruments, antiques, linens, dishes, a grand piano, silverware, canoes, boats, and many personal items were in the mansion are now stolen or a total loss. Two large chandeliers, presumably given the Wellivers by St. Peter's church of Tecumseh, years ago, were completely destroyed. All the windows have been broken. The young folks have taken over the property the past year.

Mr. Wolf acquired the lease from Mrs. Pernita O. Welliver of Ivy, Va. He has taken several pictures to prove the destruction of the property. He plans to restore the property to its original state and make it livable within 30 to 45 days.

Mr. Wolf owns several cottages on the south shore as do other local residents.

10 Lenawee Bands

Continued from page One

The Morenci band, taking full advantage of their assignment, Fourth of July, and in keeping with the patriotic spirit of the occasion will display the American flag in fireworks.

Each of the other bands will do things of equal importance, each doing its best to outshine its neighbor with original formations, fine music, handsome majorettes, and stirring drum beats.

One of the gerat features of

One of the great features of these festivals is the massed bands. The fact that these mighty formations can be made without rehearsals is, in itself, remarkable. Much hard work and planning goes on behind the scenes to make this possible. This year's massed band will be the greatest of them all—The Greatest Cross. It will be composed of over five hundred musicians and will occupy most of the field.

A full description of the entire program will be in next week's Herald.

A Charge To Adult Readers

You Are The "Voice of Freedom"

You run your country. Are you going to fall down on your part of the job this year as you, the voter, have done in the past? Remember this is the year of decision. It is a fact that in the last election only about half of the eligible voters, voted. This is a shamefully low percentage as most of you realize. But how many of you are registered and are planning to vote this year? The last day for registeration is October sixth. You can register in Tecumseh at Mr. Titley's office which is located next to the Strand Theatre.

Remember, voting isn't a guessing game. Make sure you know (not think) which man is best qualified for the job before you cast your vote. **You** are the voice of freedom.

The Editors.

DOUBLE NOON HOUR

The fact that many students and teachers alike have been questioned by townspeople about the later lunch hour this year, we the members of the Sophomore Class will try and explain.

The reason for this is, since our school is extremely crowded this year, enough classrooms are not available. So six classes are required to meet from 11:30 'til 12:30. Thus they are not skipping school between 12:30 and 1:30 but are having their delayed noon hour.

When the new additions to the building are completed it will not be necessary to hold noon hour classes. We certainly will be appreciative of the new classrooms which will enable all of the students to eat their lunch between 11:30 until 12:30.

MEETING OF THE F. F. A.

The F. F. A. met at 8:00 p.m. in the agricultural room in the new high school on September 22, 1952, for a business meeting. It was called to order by Merlyn Wagner, the president. During the meeting officers were elected, and it was decided that the new F. F. A. members would be initiated at 8 p.m. on October 6, 1952.

"Our Coach"

Victor Lawson, jr., was born in Cadillac, Michigan, where he lived until he finished high school.

In 1939 he enrolled in Western Michigan College at Kalamazoo for two years.

Mr. Lawson enlisted as a pilot in the Naval Air Corp while at Western. When he graduated, he then went into the Marine Corps as 2nd. Lieutenant.

Mr. Lawson returned to "Western" in 1947. He graduated in 1949 with his B. S. degree and is now working on his Master's Degree.

This is the beginning of his fourth year of coaching. For two years he was at Jonesville, Michigan and last year was at Greenville, Michigan.

Mr. and Mrs. Lawson with their two children, Patty and Jimmy, reside at 216 North VanBuren Street.

Mr. Lawson reports that we have a very promising football team this year. "Our team, however, is very light in weight but full of pep and eager to win," he said, and added, "We only have fifty-one boys out for football this year where we should have seventy-five in a school of our size."

INQUIRING REPORTERS

Sandra Biederman and Marcia Treby

We are starting a new series of articles in which The Blanket reporters will ask student opinion on various questions.. The topic for this week is: "Would you like to know the 'how and why' in the running of this school?"

1. Why can't the G. A. A. have competative games with other schools? Dulcie Bowen, 10th grade.

2. Why can't we, in study hall read magazines after we finish our work. Bill Dean, 11th grade.

3. Why do Tecumseh High School students get their class rings in the 10th grade? J. J. Walper, 10th grade.

4. No comment! Gretta Porter, 12th grade.

5. The only thing I don't like is, that when students think up ideas and want to carry them out the administration won't let them go through with it. Jack Betzoldt, 12th grade.

6. I think the student council should have more authority. Margaret Touborg, 12th grade.

7. I think we ought to have more assembly programs. Also we ought to have some vocation programs for the seniors. Nancy Treby, 12th grade.

8. Why can't the freshmen be initiated? Sophomore Class, 10th grade.

Indians To Tangle With Tigers

KICK-OFF IN HUDSON AT 8 P.M.

The Tecumseh Indians meet the Hudson Tigers at 8 p.m. tomorrow night on the Tiger gridiron. Although this is not one of the Indian's league games, it will be one of the most exciting of the season.

Because of injuries Alroy Vanderpool and Jim Wilson will be out of the Indians' lineup. With two good players missing we will need plenty of rooting from the stands. So let's all get out and cheer our boys to victory.

Glee Club Searching For New Members

One of the many school clubs arousing considerable interest is the T.H.S. Glee Club. The Club consists of 23 girls from grades nine through twelve. The Glee Club has increased since last year but still is in need of male members

The Glee Club has been rapidly improving under the direction of Mr. Peck.

Because of the overcrowded conditions in our school, the Glee Club and band are meeting at the annex, 309 N. Maumee street. During the summer the annex was remodeled and furnished especially to meet the needs of the music classes.

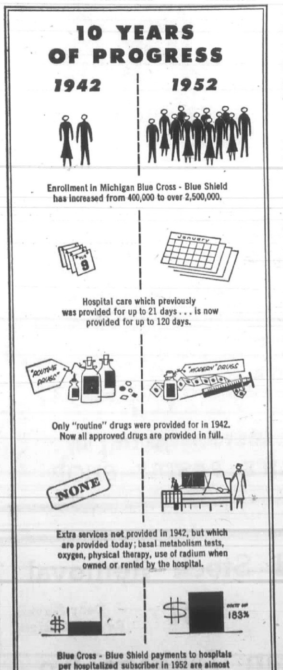
10 years of Progress
in Michigan Health-Care Protection!

Blue Cross - Blue Shield pay more for more hospital and medical services . . . for more people!



Enrollment in Michigan Blue Cross - Blue Shield has increased from 400,000 to over 2,500,000.

Hospital care which previously was provided for up to 21 days . . . is now provided for up to 120 days.

Only "routine" drugs were provided for in 1942. Now all approved drugs are provided in full.

Extra services not provided in 1942, but which are provided today; basal metabolism tests, oxygen, physical therapy, use of radium when owned or rented by the hospital.

Blue Cross - Blue Shield payments to hospitals per hospitalized subscriber in 1952 are almost 3 times what they were in 1942.

Are you protected? The chances are 1 in 3 that your family will face hospital bills this year!

What can you do to protect your hard-earned savings from unexpected hospital and medical bills? The answer is simple. Do as millions of other people in Michigan are doing—rely on *Blue Cross - Blue Shield for adequate protection!*

Millions of dollars in benefits for millions of people!

In the 13 years since Michigan hospitals and doctors started the Blue Cross - Blue Shield Plans, 222 million dollars have been paid out in benefits for subscribers. These plans have helped keep families together in times of distress. They have helped patients to a quick, worry-free recovery.

What Blue Cross Covers!

Blue Cross Comprehensive Group Hospital Plan covers hospital bills *IN FULL* for a wide range of services, no matter how high the total cost of these services up to 120 days of care in any one of over 190 Michigan Blue Cross participating hospitals.

What Blue Shield Does!

Blue Shield Medical-Surgical Plan pays generous amounts to your doctor for more than 480 stated medical-surgical procedures. It pays toward your doctor's hospital visits in non-surgical cases.

Act *now!* Join over 2,500,000 people in Michigan who today are protected by Blue Cross - Blue Shield Plans.

How to Get Blue Cross - Blue Shield Protection

1. Ask your employer.
2. Check your Farm Bureau or Grange.
3. Write or call your nearest Blue Cross - Blue Shield office.

The identification card is all you need to be admitted to a Blue Cross participating hospital. Simply show it to your doctor and the admitting clerk. Your benefits are taken care of automatically. Blue Cross - Blue Shield pay hospitals and doctors directly. Get information from your nearest Blue Cross - Blue Shield office.

Don't delay—get this low-cost protection now!

PAY MORE? *WHAT FOR?*

Before this year, if you wanted a big-car ride . . . a high-compression engine . . . a complete choice of interior-exterior appointments . . . or a curved one-piece windshield and a car-wide rear window, you had to pay hundreds of dollars more. Now FORD offers all these features at no extra cost. It's the one *fine* car in the low-price field. Take 10 minutes and *"Test Drive"* a Ford. You'll agree . . . you can pay more but you can't buy better.

FIRE PREVENTION WEEK NATION-WIDE OBSERVANCE

Fire Prevention Week, now a nation-wide observance, originated years ago in the Middle West. There many communities each year conducted special "clean-up" campaigns.

As a result of these campaigns there were fewer fires and soon those communities began referring to their "clean-up" day as Fire Prevention Day.

As the years went by most communities began observing Fire Prevention Day on October 9, the anniversary of the Great Chicago Fire of 1871. Thus it came about that in 1911, 22 governors issued proclamations calling for statewide observance of Fire Prevention Day. Nine years later President Wilson issued the first national Fire Prevention Week proclamation. This year marks the week's 33rd national observance.

Bridge Work Delayed, Highway Completion Near

WORK ON MILL ST. SPAN HELD OVER TO '53 AFTER STEEL SHORTAGE DELAY

What could have been a long winter of detouring in and out of Tecumseh now looks like a nightmare that didn't come true—though sleigh bells will never cross the Mill Street bridge.

Motorists are now near certain of driving over new concrete on highway 50 both east and west of town, but bridge engineer A. R. Peterson told the Herald this week that the $100,000 bridge span near north Tecumseh will "have to wait until next spring, maybe 'til June" for completion.

Peterson, a likeable bridge builder of Scandinavian descent, said that the steel strike shattered plans for finishing the job last August, which he said "would have been completed easily had materials been available."

Right now the bridge construction is being done by "half a crew which will soon go home to Ft. Wayne, Ind., until next spring."

The superstructure is nearly done with the last concrete now going into the final pourings on two abutments and two piers. Steel for the three unit span (two units are 34'9", one is 42'6") has not yet been rolled at the mill but will undoubtedly be ready for work in the spring.

A total of 135,200 pounds of structural steel is required for beams, sole plates, rocker bearings, diaphrams and the like. The bridge will be 38 feet wide plus two 5-foot sidewalks on either side. Ruckman-Hansen Inc., Ft. Wayne are the contractors.

Engineer Peterson said his crew, now totaling only 13, has

M.E.A. Confab Features Three Noted Speakers

Teachers and school administrators in Region Three of the Michigan Education Association of which Tecumseh is a member, will have an opportunity to hear three outstanding speakers when they meet in East Lansing on Thursday and Friday, October 16-17.

Dr. Robert H. Montgomery, graduate professor of economics at the University of Texas, who has lectured in every state in the nation, will talk about "Our Vanishing Borders" Thursday morning, and the teachers will hear Ray Eggersted, photographer and adventurer, speak on "Switzerland" Thursday night. Henry J. Taylor, whose weekly analysis of the news is heard on the air every Monday evening, will discuss "America Today and Tomorrow" Friday afternoon.

M.E.A. Region Three chairman is Milton C. Porter, county superintendent of schools from Adrian,

Merlin Wagner Inspires Rotary With Report

Junior Rotarian for September, Merlin Wagner, Tecumseh high FFA leader, inspired members of the local Rotary club Tuesday night with a stirring report on his impressions after a month's association with the club.

Wagner first praised the group for their $35 donation which started the FHA's "pig chain." He then noted the informal fellowship and cooperative spirit which the Rotarians displayed. The club agreed it was an outstanding talk.

New Junior Rotarian for October, Jack Betzoldt, was introduced along with a number of guests.

Dorr W. Frisbie, Detroit, was principle speaker. He was introduced by A. C. Hamaker and explained the importance of insurance in modern business.

JOIN PRESBYTERIAN CHURCH

Several new members were received during the Sunday morning worship services at the Presbyterian church. The following joined the church through confession of faith, Sandra Biederman, Dulcie Dede Bowen, Connie Clark, Barbara Ousterhout, Jane Smith, Margaret Touborg, Marcia Treby, Kenneth Herrick, George and Lois Rinehart. Mrs. Ben Gillies, Arthur and Arlene Schwartz joined by transfer of membership.

DR. BLANDEN WILL ADDRESS AUXILIARY

Herrick Memorial Hospital Auxiliary will meet Tuesday evening, October 14 at 8 o'clock in the Fellowship Center of the Presbyterian church. Dr. M. R. Blanden will be the guest speaker. All members are urged to attend.

Pythian Sisters rummage and bake sale, Fri. and Sat., at Weatherman's. Bake sale Sat. 1 p.m. adv. 10-9.

Fire Lane Established On Patterson Street

The village council met in the Council Building Monday evening with E. C. Heilman, village president presiding. An itemized list of bills were ordered paid. The police report was accepted and placed on file. It was also moved and supported that Patterson street between Evans and Ottawa streets be established as a fire lane only, with no parking or stopping on either side at any time. The curb and gutter petition from residents on East Pottawatamie street was accepted and referred to the Village Engineer.

Kick-off Drive Wednesday At Legion Home

BLOCK WORKERS ANNOUNCED; BREAKFAST AT 8:30 A.M.

The annual Kick-off breakfast for the Community Fund Drive will be held at the American Legion Home Wednesday morning, October 15 at 8:30. All volunteer block workers, chairmen, and other helpers will be in attendance and materials and supplies will be furnished at this time.

Solicitation for advanced gifts will begin Thursday morning, October 9 until Wednesday, October 15. The workers will be members of the Rotary and Exchange Clubs.

Mrs. Richard Preston, block chairman has announced the following workers: SE section, Mrs. C. A. Staulter; NE section, Mrs. James McDowell; Herrick Park, Mrs. Jack Curtiss; Brownville, Mrs. Glenn Driscoll; North Union, Mrs. Max Brandt; Paul's Trailer Park, Mrs. Grenval Spangler and Mrs. Waldo Mohr.

Mrs. Frank Smith, block chairman, announces these workers: Mrs. Joe Springer, Tecumseh Acres; Mrs. Al Merz, M-52 north Kissing Hollow; Mrs. Grace Coffey, northwest section; Mrs. Charles Stephenson, SW "B" section; Mrs. Chester Beach, SW "A" section, and Mrs. Fred Bell, Quaker Oats area.

Hal Kelso, Rotary chairman, appointed the following in charge of the business district: Dr. Robert Bowers, Richard Beamer, Glenn Driscoll, Herbert Dillon, and Ralph Comfort. The workers from the Exchange Club will be announced at a later date.

LeRoy Titley has appointed the following workers for the township area: NE section, Mrs. Jack Smith; NW section, Mrs. Verle Osburn; SW section, C. D. Branigin, and SE section, Arthur J. Eaton.

Quaker Oats Plans To Get Out Vote

The Quaker Oats Company's seventeen plants are sponsoring a Get - Out - And - Vote campaign among their employees. Three committees in each plant, consisting of publicity promotion, membership and speakers committee will have charge of the campaign. They are going to work to get the outside as well as the employees to vote. Letters explaining the situation will be available.

Donald Nixon, local plant manager, has announced that the kickoff will be October 21, through November 4, election day. Quaker Oats employees will challenge any other group to compete with their employers' pledge to vote.

A voting meter board at the Quaker Oats Company plant will be unveiled soon. A special program has been planned by the company with speakers and pictures.

Former Resident Buried in Brookside

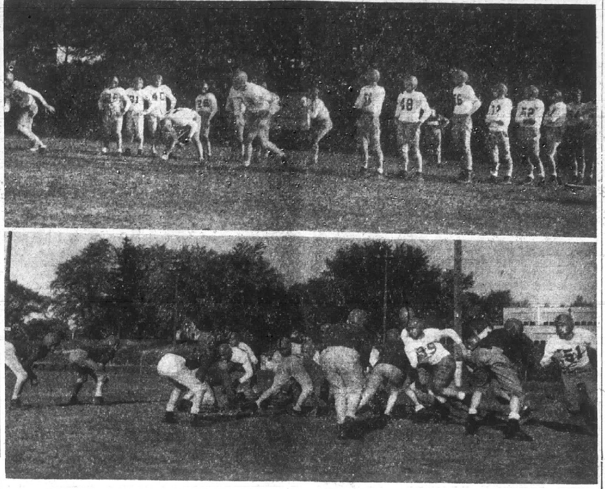
Zadok St. John, 43, Belleview, formerly of Tecumseh, died Sunday after several weeks illness. He was a patient for the last month at St. Joseph hospital, Ann Arbor. Mr. St. John was born in Tecumseh, 1909, son of Mr. and Mrs. Jay B. St. John of Ypsilanti. He graduated from Tecumseh high school in 1929. Mr. St. John operated a sporting goods and auto accessory store in Ypsilanti.

Survivors are his wife, Rose; one daughter, Rose Ann and one son, Zadok, jr.; one sister, Vesta Raffetto of California and his parents.

Funeral services were held Wednesday afternoon in Ypsilanti and burial was in Brookside cemetery Tecumseh.

DRUNKEN DRIVER FINED

Ellis Sparks, 36, R.F.D. Tecumseh, was arrested September 30 for driving while under the influence of liquor. He was arraigned October 1 in Robert French's court, pleaded guilty, and was fined $50 plus $8.60 costs and one weekend in jail. He spent the weekend in jail, paid the fine and cost and his drivers' license was taken from him.



Shown here grinding off the rough edges that cost them two earlier defeats, the Orange and Black eleven of Tecumseh high are pictured in practice this week in preparation for their "game of the year" Friday night against formidable Morenci. Coach Victor Lawson's chargers face more than undefeated Morenci as they risk their first home game reputation before an expected packed crowd of Indian rooters at Recreation Center Field.

Meadowridge Enlarging Plant

DRIVE-IN SERVICE TO BE INNOVATION FOR TECUMSEH PEOPLE

Meadowridge Dairy has made plans for an expansion program, which according to Kenneth Blumerick, Dairy manager, should give the people of Tecumseh one of the most modern dairies in Michigan.

Now under construction south of the Dairy, is a cement block building which will be used for housing delivery trucks. The building which was used as a garage will become the completely modern processing plant. This plant will contain a walk-in cooler, ice machine, and gas boilers instead of coal, which will make a cleaner, more sanitary dairy.

Plans are also being made for an eighteen foot drive-in car port to be annexed to the east side of the building. This will enable customers to drive into the car-port and obtain their dairy supplies without even stepping from their cars.

The present processing plant will be used as a storage building and the walk-in cooler will become the hardening room.

Completion date of this program and further information will be announced later.

Dawson Speaker At Democrat Rally

John P. Dawson, Democratic candidate for Congress from the Second Congressional District, outlined the dangers inherent in the McCarran Act, which governs immigration, when he spoke before a general meeting of party members at the Democrat headquarters in the Weatherman Building on Saturday night.

"Many qualified immigrants are excluded by the McCarran amendment," Mr. Dawson explained, "and it widens, to a fantastic extent the grounds for deporting immigrants lawfully admitted and now living peacefully in this country. It leaves them without protection against arbitrary action and is a measure that should not have been passed and should be promptly revised."

Mr. Dawson introduced Gov. Adlai Stevenson in a rally in Ypsilanti on Tuesday.

MRS. ANNA GILBERT BURIED IN BROOKSIDIE

Mrs. Anna Gilbert, age 70 years, died Monday morning in Washington, D. C. She was formerly from Toledo and was a member of the United Bretheran church in Toledo.

Survivors are one sister-in-law, Mrs. essie Brown of Tecumseh; two brothers-in-law, B. C. Gilbert of Grayling and E. V. Gilbert of Toledo; one nephew, Howard Swift of Washington, D. C., whom she has made her home for the past eleven years.

Funeral services were held Wednesday afternoon at 2 o'clock at the Collins Funeral Home with the Rev. Edward Escolme of the Tecumseh Friends Church officiating. Burial was in Brookside cemetery.

Mrs. Charles Butler is shown admiring a 105-pound whitetail deer her son Jim Spooner shot during the bow and arrow season last week in northern Michigan. The 4½-inch spiked buck was shot at 20 yards by "Robin Hood" Spooner at Jack Osburn's cabin near Gladwin. It was his first deer killed old fashioned style and the only one reported to the Herald by a Tecumseh hunter.

Band Festival Is Wednesday Night

TEN LENAWEE BANDS READY TO PRODUCE MIGHTY SPECTACLE

Bandmasters of Lenawee County are nearing completion of work for the Band Festival to be held at the Recreation Center next Wednesday evening at 7:30 p.m. They and their students have spent much time working on their assignments and deserve a great deal of credit. The Festival is sponsored by the Tecumseh Chamber of Commerce and is organized and directed by Clare Camburn. The Rev. Blair Bashore will be the master of ceremonies.

The program will begin with the V. F. W. Colorguard raising the American flag while the Addison high school band plays the "Star Spangled Banner."

The first band performance will be by Sand Creek whose band will enter the field playing "Auld Lang Syne" and other songs typifying the New Year's spirit.

Valentine's Day will be the part played by the Onsted band. They will enter the field making the golden heart which is pierced by Cupid's arrow. Appropriate music will accompany this and other formations.

The Hudson-Cement City band will march to the tune of "Red White and Blue" and will make a large shield bearing the letters U. N. when they portray Memorial Day.

The Spirit of '76 and the firecracker formation will be the part played by the Morenci band. An outstanding feature of this part of the program will be the American flag in actual fireworks.

The Tecumseh band will play music that is appropriate for Labor Day. Among the formations will be the Wheel of Progress representing the accomplishments of labor.

The Adrian band will bring us the witch, the pumpkin, and the jack-o-lantern all set to music for Hallowe'en. A specialty in twirling by Lucylee Neiswander, Junior State Champion, and an Adrian band member will be present-

Indians Point To Game With Morenci, Friday

No matter what you've read or heard about the Tecumseh high school football team you can be sure come Friday night, the over acclaimed Morenci eleven will know they have encountered a determined band of Indians. Although Tecumseh has suffered two defeats, they have learned some bitter lessons and are the wiser for it. And make note of this, Coach Vic Lawson is not just building a team for this year, but is doing his best to develop stronger gridmen for years to come. Juniors and sophomores can be expected to see plenty of action in every game.

Coach Lawson fases that overwhelming task of trying to produce years of experience in a matter of weeks. However, for all the lack of polish, the Tecumseh Indians eleven has a tremendous spirit and they have the capacity for real inspired teamwork.

The line-up is undergoing considerable revision for this week's encounter. Bob Binns will be moved from fullback to center with the hope of adding some strength to the line. Bill Benham will continue to call signals from the lefthalf slot and if he can keep up his tricky running and stalwart tackling he will centainly rate top honors in the county.

Generally. the team looks better with every practice and the setting here Friday night is ideal for an upset. Morenci hasn't encountered any real opposition for two years. Thus if the Indians "get mad" and play the brand of ball they're capable of, the Morenci Bulldogs could go home a mighty sorry and bruised team.

Every fan in Tecumseh will want to be on hand to cheer their team to victory. There is an upset brewing!

NATIONAL LETTER WRITING WEEK TO BE OBSERVED

Jack Metcalf, local postmaster, reports that "National Letter Writing Week" will be observed October 12 through 18. The slogan is "Write today to those away." The postal department urges air mail for SPEED with special delivery service. They also suggest the use of registery service for important or confidential letters.

The postmaster advises that overseas Christmas gifts for the armed forces and American civilian employees of the armed forces should be mailed between October 15 and November 15 for delivery before Christmas. The packages should be securely packed, correctly addressed and mailed early. The department has requested that no perishables be sent. Air parcels are limited to two pounds and must be mailed before November 26.

GOOD WILL TRUCK IN MACON

The Good Will truck of Detroit will be in Macon Friday morning, October 10. Any offerings may be left at the Melvin Travis residence any day this week.

Goodwill Industries Seek Discarded Items

The Goodwill Industries' truck will be in Tecumseh, Thursday, October 16 to pick up household discards such as clothing, shoes, hats, dishes, toys and small appliances. These items provide the raw materials to operate the Goodwill Workshops where handicapped employees repair and renovate the articles for sale in one of three Goodwill stores. Receipts from store sales paid the wages of over 540 men and women during 1951.

Mrs. Carl Burch, phone 288W, will be the local representative to arrange for a pickup by the Goodwill truck.

Foundation Gives Girl Scouts $200

GIFT TO BE USED IN FURTHER PROMOTION OF GIRL SCOUTING

The Tecumseh Girl Scout Association met at the Scout Cabin Wednesday evening with 10 members in attendance. It was announced that the association has received a gift of $200 from the Herrick Foundation to be used in further promotion of Girl Scouting in Tecumseh.

Mrs. Wallace Rutherford presided at the business meeting and the association voted to continue the calendar, cookies, and candy sales for their major project as in previous years, the sale to be held for two weeks during December.

Mrs. H. W. Truesdale and Mrs. L. H. Titley were named co-chairmen for the vesper service Oct. 26 in the Presbyterian church in observance of Girl Scout Week. Mrs. Victor Lawson and Mrs. Truman Rentschler will have charge of a window display in the business section during that week.

It was decided to hold three Christmas parties, one for the Brownies, one for fifth and sixth graders, and one for junior high members, due to the increased enrollment in both Brownies and Girl Scouts. There are nine active troops to date with a possibility of two more as the enrollment increases. New leaders include Miss Joyce Warner, junior high; Mrs. Victor Lawson and Mrs. Julius Vincze, intermediate; Mrs. Junior Fouts and Mrs. E. J. Crawford, Brownies.

Mrs. Elvan Duvall, Mrs. J. C. Cameron and Mrs. Duncan Oliphant are planning to attend the Girl Scout Convention in Indianapolis next week beginning October 16.

The next meeting of the Association will be held December 3 when an investiture service for the new leaders and committee-women will be conducted.

Voting Machines Now On Display

3,000 HAVE REGISTERED FOR NOVEMBER ELECTION

Tecumsehians will have a chance to use the new automatic voting machines, unofficially of course, during the next four weeks prior to the November 4 election.

Machines will be set up for trial use at both Republican and Democratic headquarters, plus the Butler Motor Sales. Instructors will be on hand to assist any of the 3,000 local voters who have registered.

Use of the machines has been described as "very simple; much simpler, quicker and handier than the long ballot." A trial run, however, is recommended for new comers.

Of the 3,000 who are eligible by registration, 200 are new to Tecumseh's precinct lists.

All voters who live east of the NYC railway are registered in precinct one and will vote in the council building.

Due to the fact that there are so many voters, it will be necessary to move second precinct polls to the Weatherman building across from the council building where five machines will be installed. All those living west of the railway are registered in second precinct.

In an attempt to poll a heavy vote here, block workers will be in action later in the month.

Election officials made an early request that voters plan on casting their ballots, which in this modern machine age consists of manipulating a tabulating machine, prior to the noon rush on November 4.

EXCHANGE HEARS TALK ON BUSINESS EDUCATION

A. C. Hermann, president of the Jackson Business College was the guest speaker at the Exchange Club Wednesday evening, held at the Country Club. Mr. Hermann's topic was business education. He was the guest of Clarence Beach.

George E. Green, jr., outlined the Community Fund Drive program with which the Exchange Club will assist. Members of the Club are also selling tickets for the Band Festival to be held Oct. 15, at the Athletic field.

Village President Proclaims Oct. 5-11 As NEPH Week

2,000,000 AMERICANS CAN BE ADDED TO LABOR FORCE THROUGH RE-HABILITATION

Village president, E. C. Heilman has proclaimed the week of October 5th through 11th as "National Employ The Physically Handicapped Week." This is being observed for the eighth time throughout the nation. In Lenawee County and all other communities this observance will culminate a year of cooperative effort in behalf of the physically handicapped.

Since the first of the year the Adrian office of the Michigan Employment Security Commission has placed 102 physically handicapped persons in jobs. It has been proved statistically that handicapped workers, properly placed in jobs, are either as good as or better than able bodied workers, in every line of work from professional to unskilled labor, acording to Clifford Rice, manager of the Michigan Employment Security Commission in Adrian.

It is estimated that 2,000,000 handicapped Americans can be added to the labor force through re-habilitation processes. Each year an estimated 130,000 workers are victims of industrial accidents. Added to these are more thousands injured in traffic, on farms and while engaged in recreation. Put down more thousands of disease and sickness victims who survive with impairments that affect their employability by forcing them to learn new skills or seek new fields of occupations.

Certainly this is a challenge to make NEPH Week a year-round program so that more jobs may be found in offices, factories, stores, and farms for those ready, willing and able to work.

Harvest Home Day Services Sunday

NINETEENTH OBSERVATION AT FRIENDS CHURCH HERE

The nineteenth Harvest Home Day will be observed on Sunday at the Tecumseh Friends church.

Dr. Byron L. Osborne, the president of Cleveland Bible College, Cleveland, Ohio, will be the speaker at the worship service held at 10 a.m. There will be special music at this service by a girl's trio composed of Joyce Kopka, Josephine Powell, and Vervalee Gray. These young women are students at the Bible college. Mr. and Mrs. Gerald Teague of Cleveland will be in charge of the evening meeting.

For the past eighteen years the second Sunday in October has been observed as Harvest Home Day. Each year the church has been beautifully decorated with farm and garden produce and fall flowers.

A motto used through the years has been "No gift too large—no gift too small." All who plan to make contributions of apples, potatoes, canned goods, and other articles are asked to have them at the church on Saturday morning, so that the church may be decorated on Saturday afternoon.

All contributions of produce and cash offerings of morning and evening services will be given to Cleveland Bible College.

The public is cordially invited to these services.

MRS. LULU M. SCHEICK BURIED IN HILLSDALE

Mrs. Lulu M. Scheick, age 86 years old, died at the Baker Nursing Home south of Tecumseh Friday afternoon at 1:30 after a ten-month illness. She had been at the Nursing Home for four years.

Mrs. Scheick, the daughter of Richard and Martha Barnard Lambert, was born in Hillsdale county, January 9, 1866, and lived there until coming to the nursing home. She was preceded in death by her husband, George Scheick.

She is survived by one sister, Mrs. Earl Wood of Tecumseh; one niece, Mrs. Samuel Lawrence; two nephews, Richard Wood of Jackson and Louis Glynn of Albany, New York, and two grandnieces, Barbara and Joyce Wood.

Funeral services were held at the Green Funeral Home Monday afternoon at 1:30 with the Rev. George Walworth officiating. The bearers were Lavere, Carl and Lawrence Scheick, Owen Ranney and Perce Drinker, all of Hillsdale, and Lewis Scheick of Battle Creek. The body was taken to Hillsdale for burial in Lakeview cemetery where graveside services were held at 3:30. Friends and relatives attended from Hillsdale, Battle Creek, Albany, New York, and Tecumseh.

My office will be closed from Sept. 30 to October 15, incl. H. H. Hammel, M. D. Adv. 10-9

The Big Fellow in Knee Pants

To the Living Memory of Earl L. Wickwire

The United States of America as seen among the family of nations is still a very young man. In fact, because of our collective resources, initiative, and Divine guidance, we have grown by such proportions that we are too big physically for knee pants, but we're in danger of being too immature for proper use of long pants.

Those countries across the oceans with centuries upon centuries of tradition have had to turn to their younger successful brother and that is no easy matter. Being a typical younger brother we have been slightly egotistical in the face of this sudden popularity and power. We have neglected learning from the mistakes of these old brothers. In spite of the warnings of history since the beginning of time, we plod on where angels fear to trod! Success of course does have a hypnotic tendency and when things are going well it is difficult to imagine what the lack of sufficient foundations can do. However, the "Big Fellow in Knee Pants," this United States of America we're a part of, faces the crucial "coming out" party with the national elections on November 4.

We in this country have witnessed just in the past few years the tragic lesson of what happens when men outgrow their capacity for power. But more than that we have seen with our own eyes, heard with our own ears, the tremendous collapse of freedom for untold millions. Those men and women who surrendered their rights were no different than any of us. They thought it no longer important to take an active interest in their government, their churches, their homes. And as can be expected when a man lets someone else do his thinking, worshiping, loving, he has become a slave to a machine without even being aware of it.

The great majority of the citizens in this country hope that a change in leaders will bring about the overthrow of corruption, the clarification of our foreign policy, a definite stand in the attempt to balance our national books. Many of us are led to believe this can be brought about by the mere election of the "right" man, our candidate of course. However, we are in for a horrifying shock if we think our leaders will be honorable if we continue to shirk our civic responsibitilies. Nor will the Korean war be settled until we want peace producton more than war prosperity. Nor can any President no matter how strong put the Government's economy in the black until every citizen is willing to live on what he earns rather than what he expects to earn!

Granted we have not heard the candidates for President really attack the crucial issues of what to do with Russia who seems able to dictate when and where we will go to war; Europe and the nations enjoying our generous gifts, but doing little to stand on their own income; and the far greater scandal of what has happened to the purchasing power of the dollar for those millions of people who do not have cost of living scale on their salary and thus earn little more than they did ten years ago. Yet these issues will remain the ghosts of 1952 until the people are challenged to do something about it as well as vote for someone promising such action!

Yes, this country proud and gigantic will live to tell the world about growing pains, if every citizen will humble himself to the fact of government—"of the people, for the people, and by the people!" Vote as you deem best, worship as you choose, and work where you prefer, but make sure you recall national problems are nothing but individual problems gone to seed! The tragic national blundering which brings about corruption, weak foreign policy, irresponsible spending are but my own faults made public. These are but indications of a greater weakness, our own failure to accept our God-given responsibility for the welfare of all mankind. The "Big Fellow in Knee Pants" needs our enthusiastic support! Therefore, pledge allegiance again this day to better government by becoming a better citizen yourself!

George E. Walworth.

Flowers Mean More Than Beauty Alone

They convey the respect and regard of associates and friends. They are the love and affection of dear ones. They are the living symbol of the good done on this earth by the soul departed.

Flowers have through the centuries been an emblem of regard at time of burial — one of the finest traditions of the Christian world.

EMPLOYERS OF DOMESTICS NOT REPORTING

Raymond C. Backus, manager of the Jackson Field Office of the Social Security Administration, cautions employers of domestic workers who hire maids, housekeepers, and some practical nursese about filing tax returns and reporting such workers each taxable quarter. Many cases are being discovered where householders have failed to make the necessary reports to the Collector of Internal Revenue.

All employers of domestic workers who have a maid, housekeeper or other employee in their home, who is working at least 24 days in a calendar quarter and being paid at least $50 for the quarter (both conditions must be met) must send a wage and tax report to the Collector of Internal Revenue. The Collector has the right to penalize any employer who fails to submit a tax report on the due date.

HAVE YOU REACHED 40?

Will you be able to live comfortably when you retire on Social Security at 65? Many folk find it tough sledding!

Social Security funds will cover the retired person's basic living costs, but provide little extra. Make that amount go as far as possible by having a home . . . free of debt by the time you retire.

When a home is clear, you wont' be constantly troubled with rent payments or increases; neither will you be worried about eviction due to sale of the property without your consent.

Many people have wisely purchased homes so that as their family decreases in size, they can rent the unneeded space as a duplex, apartment, or individual rooms.

When should a person begin planning for the future? That's right now! BUY OR START BUYING YOUR HOME EARLY IN LIFE, SO THAT IT WILL BE PAID FOR WHEN YOU RETIRE!

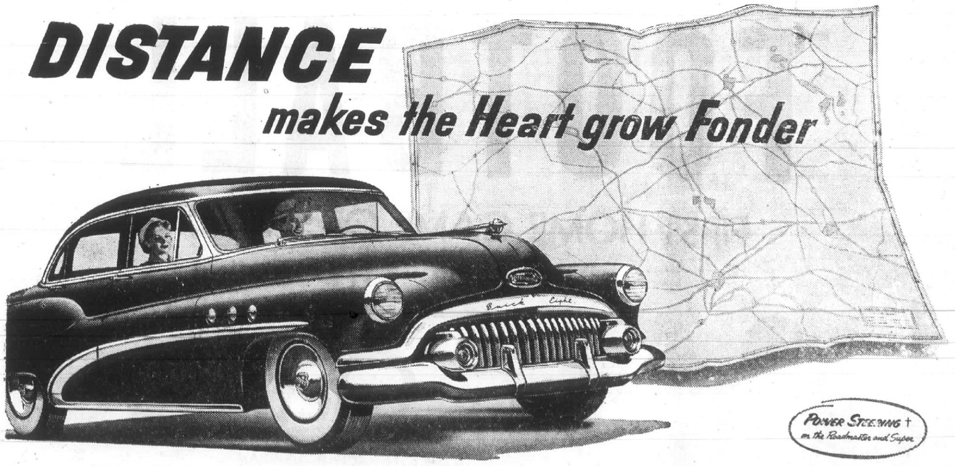
DISTANCE makes the Heart grow Fonder



Power Steering †
on the Roadmaster and Super

You'll discover this about a Buick:

The more you drive it, the more you like it; the longer your trip, the louder your praise.

That's what people tell us. And we'll tell you why.

You can drive a Buick three, four, five hundred miles in a single day, and feel fresh enough to keep right on going.

You can romp up high hills, cruise straightaways, ease through traffic-tangled towns, clock off hour after hour of relaxed and pleasurable driving—and be no more tired than a neighborhood jaunt would make you.

How come this comfort-rich ground-covering ability in a Buick?

There's the ease of deep, soft seats for one thing—and plenty of move-about room for arms, legs, shoulders.

There's Dynaflow Drive* taking all the chore out of driving, and giving your whole ride a satiny smoothness without trace of jerkiness or driving tension.

There's a hoodful of thrilling, tireless power from a high-compression, valve-in-head Fireball 8 Engine that whips out miles like a tarpon reels off line.

There's the soft, steady, solid, swerve-free going of a coil-spring-cushioned ride that's well worth the million-plus dollars it cost to engineer.

There's all this and more—much more—that makes your heart grow fonder of this trim and thrifty traveler.

But words can't do justice to a Buick in motion. Only you can.

When will you come sample this experience yourself?

CHRISTIAN SCIENCE TEXT FOR THE WEEK

Is there a sure remedy for every kind of disease? That question is answered in the Lesson-Sermon to be read in all Christian Science churches on Sunday, October 12, under the title "Are Sin, Disease and Death Real?"

The Golden Text is from Psalms (103:2-4): "Bless the Lord O my soul, and forget not all his benefits: who forgiveth all thine iniquities; who healeth all thy diseases; who redeemeth thy life from destruction."

Among the Bible citations is this passage, (Ps. 107:13): "they cried unto the Lord in their trouble, and he saved them out of their distresses."

Correlative passages from "Science and Health with Key to the Scriptures" by Mary Baker Eddy include: "Lurking error, lust, envy, revenge, malice, or hate will perpetuate or even create the belief in disease. Errors of all sorts tend in this direction. Your true course is to destroy the foe, and leave the field to God, Life, Truth, and Love, remembering that God and His ideas alone are real and harmonious." (P. 419).

and secretary is Letah Stewart, a teacher in Owosso High School. The vice-chairmen are Jesse Batchelor, superintendent of schools at Stockbridge, and Lawrence Hiller, superintendent at Maple Rapids. The regional executive secretary is A. J. Huggett, associate professor of education at Michigan State College.

Conference headquarters will be at the M.S.C. Auditorium, and teachers will have the opportunity to examine the latest in textbooks and teaching aids at the commercial exhibits in the basement and first-floor lobby of the Auditorium. Section programs will be held Thursday afternoon, and topic groups will meet Friday morning.

The first general program, which features Montgomery's address, will begin at 9:30 Thursday morning in the college auditorium. Vocal selections will be presented by the M.S.C. A Cappela Choir, directed by Richard Klausli, and the invocation will be given by the Rev. Gordon M. Jones of the Episcopal Church in East Lansing. As a preliminary to the principal address, Dr. E. C. Beck, president of the M.E.A., will answer the question "What's Right with Education?" Ray Eggersted is scheduled to speak at 8:00 p.m. Thursday.

The final general program is set for 1:30 Friday afternoon, with music provided by the East Lansing High School band, directed by Richard Snook. At that meeting Dr. Lee M. Thurston, state superintendent of public instruction, will discuss "America's Education Association," will give a talk on "A Proud Record of Loyalty."

Radio commentator Taylor's address will conclude the two day conference.

GARDEN CLUB RECEIVES INVITATION

The Ann Arbor Flower Show has extended an invitation to the Tecumseh Garden Club to attend the Japanese Festival Show at Alumni Hall October 12 through November 2. The hall will be open from 9 a.m. until 6 p.m. A feature of the show will be a Japanese home and garden and a chrysanthemum show.

(Continued From Page 1)

ed at this time.

Armistice Day is the feature presented by the Clinton band. A flag raising while the band plays appropriate music and a cannon formation are high-lights of their part of the program.

St. Mary's band will make the boat, the tepee, and the church, all in line with the Thanksgiving tradition.

The Addison band will give a generous display of Christmas spirit. Tunes and jingles of old St. Nicholas will abound in this part of the program.

The Blissfield band will emphasize both the fashionable and the spiritual aspect of Easter. Among the lighter numbers that they will play will be "April Showers."

The Great Cross Formation is the crowning event of the evening. As all holidays are really "holydays" it is fittting that the Festival close with this great symbol. All massed bands are a thrilling spectacle and the playing together of several hundred muisicians will be truly inspiring. This year the massed band will play the "Crusader's Hymn," while standing in cross formation.

Bridge Work

(Continued from page 1)

found living in Tecumseh to their liking with their only grief the housing shortage.

So from this interview, the Herald foresees a long winter of skidding around Evans Creek via the detour route.

On the other hand, a notebook discussion with a state highway engineer, gave Herald readers a brighter motoring outlook on the million-dollar highway-50 paving project.

At present, pouring is being done 1½ miles east of Ridgeway and progressing steadily westward over the remaining 2½ mile stretch toward Tecumseh limits. This will all be completed by Oct. 24 if weather remains favorable. The crew of W. H. Knapp, Monroe, will then move to the 2.8 miles torn up west of town.

After highway cement is poured driving is not allowed for about three weeks so the trip to Ridgeway will have to be overland 'til nearly the middle of November.

About 125-130 men are employed on this project. Skilled workers are steady with the job but many of the common laborers, who are not steady, have been at a shortage.

If by chance the stretch east of Tecumseh is not completed, highway officials will make temporary arangements to allow traffic over highway-50 during the winter to avoid any east-west detour.

A final phase of the project includes work on Chicago Blvd. in town will not be done until next year. All of the boulevard will be black topped, smoothed and sealed. One middle island at the east end of town will be removed while all the others will be narrowed.

Chicago Blvd. will also be widened 3½ feet on each side except downtown. The railway tracks will be lifted during the work to comply with the added depth of the blacktop.

Are We Children?

In a popular newspaper recently there appeared an article about politics and the Tecumseh Public High School. An inquiring reporter asked many prominent citizens this question: "Should Political Candidates Speak in Schools?", and received various answers. In their answers certain well-known local citizens referred to members of Sophomore, Junior, and Senior classes **as children.** The question is: Are we really children? We of the three highest classes resent the fact that we are thought of as children. We can understand most of the things that go on in our world of today. There are, naturally, a good number of things that we don't understand, but are there any older persons who understand everything in this complex world?

There are exceptions of course, sometimes we act like children, but again, older people do too—on occasion. Most of us are adult acting . . . a good share of the time. Can't we henceforth be referred to as the young adults we are.

———o———

COME ON FANS, CHEER!

You all know the saying, "Everyone talks about the weather, but no one ever does anything about it." In Tecumseh's case people talk about how the team could be better "If." If more people attended the games and supported the team, the team would be better. At Tecumseh High, we have a swell team, a good coach and **very little support.**

About two or three times a season fans from Tecumseh turn out good for a football game: for Homecoming, the Morenci game, and the Clinton game.

A football team, or for that matter any team, can play better if they know that there is a large crowd "all for them!"

This year Tecumseh is in a different league against **bigger schools.** A little more support than usual and the team will have an easier time beating these schools.

Homecoming Announced

The Student Council announced the annual homecoming to be held with Hillsdale on October 24th at Tecumseh. The Student Council and the Varsity Club will again be sponsors of "Homecoming Week."

Each class has chosen candidates for queen. These will be voted on by the student body, Wednesday, October 22, 1952. The queen will be presented with roses at the half-time of the game.

Each class will have a float. The winner will receive a check of $50. The floats will also be in the half-time parade.

There will be a parade down town at 2:30 on Thursday, October 23, and a dance after the game, in the gymnasium. The Tecumseh Products orchestra will furnish the music.

INQUIRING REPORTER

Should we allow a woman to "run" for the presidency?"

Wilma Bumpus, 9th grade: "No, I don't think so. They fly off the handle too easily and wouldn't be capable of the job."

Mrs. Finnegan, teacher: "Yes, if it's the right woman; it should be someone with broad enough view or outlook on things."

Buzz Betzoldt, 10th grade: "I think we should. They qualify as well as a man."

Susan Aluk, 10th grade: "No we shouldn't. I don't think a woman could do the job, because they're too feminine."

Chas. Hendershot, 10th grade: "I think so if they prove themselves worthy of the job."

Tom Neitling, 10th grade: "Yes, if they've been elected Miss America three times."

Elizabeth McKenzie, 10th grade: "We should have a woman for president. Is there any law in the Constitution which says we may not have a woman president?"

Carl Henkel, 10th grade: "I believe if she is intelligent enough, she should run for the office."

Jeanene Heflin, 10th grade: "I see no reason why women should not. Anyone, man or woman, if he or she is capable of handling the job should be able to run for the job. That is the most important fact. Also prehaps if more people would vote, it would be a better country."

These were a few high school opinions on the subject of electing women for president, you, the readers of our paper, may have different ideas, but read ours, also. We would welcome your letters to the editor on this, or any question. Simply address: Letters to Editor, The Blanket, Tecumseh High School.

TIGERS DEVOUR INDIANS

The Tecumseh Indians fell prey to the Hudson Tigers last Friday night at Hudson in a hard fought non-league battle. The visiting Indians held the lead until the last period of this, their second game of the season.

In the first period the Indians rapped the Tigers' halfback Bob Tomer in the end zone for a safety making the score 2-0.

The second period was scoreless. In the third period the Indian quarterback, Jack Betzoldt, passed to Bill Benham for a 35 yard touchdown. Benham kicked the extra point making the score at the end of the third period 9-0.

In the beginning of the fourth period the Tigers marched down to the 3 yard line from where fullback Jerry Schrutt plunged over for the Tigers' first touchdown. Halfback Bob Tomer ran for the extra point.

Later in the same period Tomer hurled a 12 yard pass to End Bill Ashbeck in the end zone. Tomer again made the extra point making the final score 14-9.

SIX WEEK TEST

Did you get out those notes you've been jotting down for the last five weeks and turn on that night oil. Yes, six week tests have been here and are gone. Seems they came up from nowhere all of a sudden before we knew it But no excuses were needed.

Wait till you see us the week following those short-lived tests. Droopy eyes, yawns a mile wide, and so tired we can hardly drag from class to class. (You know all those books are heavy when we carried them home every night). To study—?? Did we study—? Only time will tell: the day report cards come out, Wednesday October 15th.

The Band is also working on "school spirit." It challenges any or all parts of the student body to a cheering contest at any pep meeting or game.

PROCLAMATION

WHEREAS the Congress of the United States in enacting Public Law 176 has set aside the first full week of October as NATIONAL EMPLOY THE PHYSICALLY HANDICAPPED WEEK; and

WHEREAS the people of the Village of Tecumseh have shown that they wish to afford equal opportunity to their fellow citizens who have become physically handicapped, in war or in peace, so that they may by reason of gainful employment make their full individual contribution to society;

NOW, THEREFORE, I Edward C. Heilman, President of the Village of Tecumseh, do hereby set aside the week of October 5, through October 11, 1952, as EMPLOY THE HANDICAPPED WEEK in our Village; and

FURTHER, I call upon the various agencies of our government, public officials, leaders in religion, industry, labor, education, and all other branches of community life, to join in creating an environment of opportunity in our Village for those who may be handicapped physically but not in job performance and ask all citizens to cooperate with the local "Employ the Handicapped" Committee and the Michigan State Employment Service so that this valuable supply of manpower may be utilized in forging the tools for the defense of our Nation.

E. C. Heilman
President

Carol Hebb Becomes Bride Of Stevenson Somerlott

The Tecumseh Friends church was the scene of an informal fall wedding Wednesday evening, October 1, at 7 o'clock when Miss Carol Hebb, daughter of Mr. and Mrs. I. W. Hebb of 514 W. Chicago Blvd., became the bride of Pfc. Stevenson E. Somerlott, son of Mr. and Mrs. Robert Somerlott of Clayton. The Rev. Edward Escolme performed the double ring ceremony. Mr. and Mrs. Hall Bates, sister and brother-in-law of the bride were the attendants.

The bride, given in marriage by her father, chose a rose suit with black accessories and wore a white gardenia corsage. Mrs. Bates wore a blue checked suit with velvet trim, black accessories and a corsage of pink and white carnations.

For her daughter's wedding, Mrs. Hebb wore a deep purple dress with matching accessories and a corsage of pink and white carnations.

A reception was held at the home of the bride's parents immediately following the ceremony for 30 guests. The table was centered with the traditional three-tiered wedding cake topped with a miniature bride and groom.

Pfc. and Mrs. Somerlott left for a trip through northern Michigan.

Mr. Somerlott enlisted in the army, March 1949, and served 15 months in Korea and a year and a half in Japan. He was discharged in June 1952, and re-enlisted in September of 1952, for six years. After a 30 day furlough he and Mrs. Somerlott will leave for the east coast where he will be stationed.

From where I sit ... *by* Joe Marsh

Our Town Wouldn't Take a "Back Seat"

Well, the "battle of the buses" has been settled! Our town is again friendly with Balesville.

Everything started when buses began going through our town with a big sign on them saying SHOP IN BALESVILLE. The bus line is owned in Balesville and operates over here on a franchise.

Windy Taylor was all for putting up barricades—he kept calling up the police and the bus company. Finally Judge Cunningham invited the Balesville Chamber of Commerce to meet with ours at Andy's Garden Tavern.

Over a good meal and glass of beer we all reached a compromise without any trouble. Those signs now read SHOP HERE IN TOWN. Everyone's happy.

From where I sit, it shows how problems disappear once both sides get together and try to work things out. Naturally we're all a little different. Some like soda pop, for instance, and some like beer. So what? We all have to ride along through life together. Why not make it a pleasant trip?

Macon

Mr. and Mrs. Farmer and family are the new telephone operators in Macon.

Mrs. Lois Jordan was host to the Macon Women's Society of Christian Service recently. Mrs. Mary Howell had devotions, and Mrs. Wade Scudder the business meeting. The year books were distributed. The chicken supper and bazaar will be October 17. Committee chairmans were read. The annual fall district meeting will be held October 22 in Howell.

Mrs. Sam Burns, a missionary from Africa, gave a very interesting talk on her husband's work in Africa. Everyone present enjoyed the talk and realized that the missionaries abroad are doing extensive work. One of the things Mrs. Burns said was missed most in Africa was the electric light switch. Mrs. Jordan served refreshments at the close of the meeting. Mrs. Margaret Hall will be the October host.

Mr. and Mrs. Walter Triplett of Monterey, Mexico, and Mrs. Ellen Collins were recent callers at the home of Mrs. Mary Howell and Mr. and Mrs. Ray Gilmore.

Mr. and Mrs. Lew Coller moved Friday to their new home, south of Billington's Corners.

The Macon Youth Fellowship met Sunday evening with 25 attending. They are making plans to reseed and landscape the church lawn. They met with their counselor, Mrs. Charles Gorton, and made posters for the church fair, last Monday evening.

Miss Bonnie Robinson, daughter of Mr. and Mrs. Manley Robinson, fell recently and received a concussion. She has been confined to her bed for several days.

Mr. and Mrs. Russell VanValkenburg received word that their son Harold, stationed in Korea, is ill in a hospital with meningitis. He was supposed to have left for the states September 1.

A Rally Day program was given Sunday morning. The Primary group sang "I'll be a Sunbeam." Kendra and Susan Frost and Brenda Bugbee sang a song accompanied by Miss Hattie Mehler. The promotion certificates were passed out by the teachers. Mr. Hall announced that Sally Swanston had only missed one Sunday this past year and Kendra Frost two Sundays in the past year. Mike Gillen was the next runner-up. Billy Swanston only missed two Sundays. Mrs. Kenneth Frost is kindergarten teacher; Mrs. Gerald Thomas, primary first group; Misses Karen Swanston and Lenore Jordan, primary second; Mrs. Lois Jordan, juniors; Mrs. Clarence Hall and Robert Osborne, intermediates; Mrs. Charles Gorton, senior groups; Mrs. Otto Hagen, past high school age, and Mrs. Mary Howell, ladies class.

FRIENDSHIP CLUB DONATES $40 FOR PROJECTOR

The Friendship Club of Grace Lutheran church met in the church basement last Wednesday evening. Mrs. William Jewell presided at the business meeting in the absence of the president. During the meeting the club voted to donate $40 to the church council toward a projector for the Church School.

After the meeting a social time was enjoyed with honors awarded to Mrs. John Wintersteen and Mrs. Alma Morey. The hostesses. Mrs. Robert Mohr and Mrs. Oakley Baxter served refreshments. The next meeting will be November 5, with Mrs. Harvey Dinse and Mrs. Wintersteen as hostesses. A white elephant sale will be a feature of the program. Each member is to bring a wrapped gift.

WILD CHERRY LEAVES POISONOUS TO CATTLE

Wilted wild cherry leaves are poisonous to cattle and a warning is being passed along to farmers by V. E. Cronk, assistant county agricultural agent.

Dr. Glen Reed, extension pathologist at Michigan State College, reports such leaves often contain considerable hydrocyanic acid. Afflicted cattle have rapid, shallow breathing, a faster heart beat and stagger. Farmers should call a veterinarian if cattle are poisoned but they may die in as little as 20 minutes, warns Dr. Reed.

Keep your cattle away from wilted wild cherry leaves, advises the agricultural agent.

Fever High Against New Light Poles

Work Stopped, Public To Air Question At Town Meeting Monday

A fevered opposition ran high through Tecumseh's business district Monday afternoon and Tuesday morning against the erection of black creosote electric light poles, until Consumers Power manager Dick Beemer ordered temporary stoppage of the work.

Beemer said nothing more will be done until after a public airing of the matter is held next Monday night in the village council chambers. The council had earlier approved a plan to line both sides of the downtown business district with the black-jack poles.

"The meeting is an old-fashioned New England type public hearing to get the public sentiment," Chamber of Commerce president R. H. Moore said.

Moore was caught in the fever of opposition as compaints poured into his office after the first pole went up on the bank corner, Monday afternoon. Early Tuesday Beemer called a halt to the operation after workmen had dug a second hole on the Easton Service station corner.

The power manager had heard rumblings of possible legal action on the part of aroused business men who felt the "old fashioned" type poles were a step in the wrong direction—at a time when Tecumseh was making every effort toward downtown improvement.

On one side, the village council looks to the public meeting as a chance to explain their original adoption of a plan to have wooden poles put up at no cost to the village, while on the other side, far-sighted merchants are set on changing to a more modern and ornamental pole in keeping with the town's development.

GOP Plans Alger Rally

OX ROAST OCT. 21 AT LENAWEE FAIR GROUNDS

Further plans to get out a record vote in Lenawee county were outlined by Republican leaders at a meeting Thursday evening in Adrian.

Willis Moore is county GOP chairman and Charles L. Robertson acting organization chairman.

Morris Rosenthal, secretary and head of the Fred Alger Day in Lenawee county, told of further plans for that event.

The program will be staged commencing at 3:00 p.m., October 21, rain or shine. Large tents similar to the one housing the industrial exhibits at the recent fair will be erected behind the grandstand and the food will be served in these tents. Mr. Rosenthal also stated that caravans will be formed in various parts of the county and these caravans will proceed to Adrian where they will join Fred Alger and proceed to the Fair Grounds. Mr. Rosenthal emphasized that this event will be absolutely free and open to the public and he urged all those present to encourage as many people as possible to come and meet the candidate for governor. Mr. Rosenthal also announced that two of the most choice steers from the 4-H Club

REV. BRUNGER RECEIVES NATIONAL RECOGNITION

Among those receiving national recognition, a Reward of Merit, and a cash award in the sermon competition sponsored by Spiritual Mobilization in connection with the Freedom under God Observance of Independence Week is Rev. Ronald A. Brunger, pastor of the Methodist Church.

Dr. Edgar J. Goodspeed and Dean Roscoe Pound, in a joint Columbus Day announcement in Los Angeles, Calif., made public the results of a nation-wide $10,076 sermon competition, sponsored by this organization. The competition was designed to rediscover and renew the principles upon which America was founded. The demonstration included sermons by clergymen of all denominations and young people from one end of the country to the other and recalled the early days of the Republic.

ONE ARREST MADE

The local police force had an easy week as far as arrests were concerned. Jim Arnett of 380 Mulzer Ave., Adrian, was arrested Friday after he stole a wheel, tire and tube and tried to sell it. Mr. Arnett is on parole from the Ionia Reformatory. His case was tried in Justice Lowe's court in Adrian and he demanded an examination. The trial was set for October 23. Mr. Arnett is awaiting his trial date in jail.

Seek To Separate Waste Paper, Garbage

A problem regarding garbage pick-up was discussed at the Council meeting Monday evening, Oct. 6. This problem concerned a number of the people putting loose paper in their garbage cans. When this is put on the truck it blows off and causes a great deal of difficulty for the drivers. E. J. Nelson, village engineer, has requested that all loose paper be put in a bag or tied up so it will not blow off on village streets.

Hospital Group Plans Benefit

The second major project of the Herrick Memorial Hospital Auxiliary for this year will be a benefit card party, Thursday, Oct. 23, at the American Legion Home. Refreshments will be served at 8 p.m. followed by an evening of cards of your choice. At 10 p.m. there will be a drawing for numerous prizes.

The entire proceeds from this project will be used toward the purchase of an ice making machine for the hospital, which is urgently needed.

Mrs. R. F. Helzerman was named general chairman of the evening. The ticket committee is composed of Mrs. James Barton, chairman, Mrs. Charles Stephenson, Mrs. Frederick Dickinson, jr., Mrs. Walter Pfaus, Mrs. Helen Miller, Mrs. Joe Lane of Clinton, Mrs. David Dick, Mrs. George Elliott, Mrs. Wellington Wotring, Mrs. Robert Hanna, Mrs. Ronald Harris, and Mrs. Elmer Eberhardt of Britton.

Mrs. Vincent Haight and Mrs. Joe Rohweder are co-chairmen of the refreshment committee. Other committee chairmen are: Tables: Mrs. Herbert Dillon; door prizes, Mrs. Ray Sluyter; kitchen committee, Mrs. Laine Holden.

Safety Program Largely Attended

The Tecumseh Parent Teachers Association met in the Central school auditorium last Thursday evening and the 200 parents, teachers, friends, and guests enjoyed a program on "Traffic Safety, Watch Out for Kids." Mrs. George Anderson, president, presided at the business meeting. The various committees gave their reports. The used clothing department, Mrs. Earldean Roe and Mrs. George Foos, chairmen, have some used clothing but stated there is a need for smaller children's clothes. The membership committee with Mrs. Harry Beland as chairman, reported 457 paid members to date showing a considerable increase over the 336 members for last year. The various classes are working on the membership drive and the class with the highest percent of membership will receive a $5 cash prize.

Mrs. Gordon Garlick, program leader, introduced Miss Clara Waldron, who entertained the audience with three of her poems, "October," "A Weatherbreeder" and "Visitudes of a Wedding." Mrs. Garlick then introduced the Girl's Service Squad which works inside the school, and the Safety Patrol Boys and Monitors, who are on the streets and corners every day, rain or shine. Through the courtesy of the Athletic Association they were invited to attend all the home football games, which is one way they can be repaid for the services.

Trooper Howson of the Jackson State Police Post presented a descriptive film entitled, "And Then There Were Four." After the film Trooper Howson outlined a few highlights of the film stressing how important it is to be careful while driving. He also advised that the Ford Motor Company has a large film theatre for public use on "Safety," "Health," and many other interesting subjects .

The P.T.A. is again sponsoring dances following the home football games. Driscoll's orchestra will furnish the music for dancing. The chaperones for the dance last Friday evening were Mr. and Mrs. James Barton, Mr. and Mrs. James Elliott and Mr. and Mrs. Clarence Champanois. The roommothers who acted as hostesses for the meeting were Mrs. Donald Nixon, Mrs. Jens Touborg, Mrs. Wayne Patton and Mrs. R. H. Moore.

REV. ESCOLME SPEAKER ROTARY CLUB

Rev. Edward E. Escolme was the guest speaker at the Rotary Club Tuesday evening at the Country Club. His topic was England and conditions prevailing there during his recent visit.

Junior Rotarian for October, Jack Betzoldt, was present along with a number of other guests.

Final Rites For Mrs. Anna Gilbert

Funeral services for Mrs. Anna Mae Gilbert, who died Oct. 6 in Washington, D. C., were held at the Collins Funeral Home Wednesday afternoon at 2 o'clock. The Rev. Edward Escolme pastor of Tecumseh Friends church officiated. The bearers were Howard Everhart, Donald Everhart, Ernest Martin, Lawrence Arnold, Allie Samson and Paul Swift. Burial was in Brookside cemetery. Friends and relatives attended from Washington ,D. C., Flint, Detroit, Toledo, Grayling, Blissfield, Jackson, Hillsdale, Ypsilanti and Tecumseh.

Mrs. Margaret Horvath, home economics teacher in Tecumseh high school, is a graduate of Tecumseh high school and attended Michigan State College where she graduated with a Bachelor of Science Degree in Foods and Nutrition. She is a member of the Alpha Tau chapter of Sigma Kappa Sorority. Mrs. Horvath has taught one year in a rural school and did substitute teaching. She, her husband, Joe, and two sons, Dick and Mickey, make their home in Macon.

6th Band Festival Hailed By Throng

An enthusiastic throng hailed the sixth annual Lenawee Band Festival as the year's outstanding musical presentation at Recreation field Wednesday night.

The individual bands did a splendid piece of work in upholding their tradition for novel effects in this musical spectacle. Packed with surprises, the show featured beautiful music, colorfulj pagentry such as the elephant and the donkey, the cannon serenade and Biblical themes.

The great cross was wonderful to behold and the playing of the crusaders hymn by 500 musicians in formation was something to be remembered.

Tecumseh is to be congratulated that it has the facilities and can accommodate the talent to produce this great drama.

Thanks go to the band masters of the county and all of those who in any way contributed to the success of "This Is America."

The event was sponsored by the Chamber of Commerce with Clare Camburn arranging details. Bands represented Tecumseh, Blissfield, Hudson, Morenci, Adrian, Sand Creek, Addison, Onsted, St. Marys, Cement City and Clinton.

EXCHANGE CLUB HEARS GUEST SPEAKER

Frank Shultz of the advertising department of Standard Oil Company of Detroit was the guest speaker at the Tecumseh Exchange Club meeting Wednesday evening at the Tecumseh Country Club. Mr. Shultz gave a very interesting talk and showed a film on "Crossroads of the U. S. A." He was a guest of James Barton.

Progressive Bank Displays New Face

Another new face appeared on main street recently as a further indication of Tecumseh's forward stride in progress.

This time the far-sighted United Savings Bank wears the "new look" as shown in the picture above.

An attractive new yellow-brick front adorns the building which has long been a local landmark. For many years it served as a prominent southern Michigan hotel on the downtown corner of Chicago and Evans. The hotel still operates at the side and above the bank.

United Savings Bank was only established in comparative recent years as the building's history dates back in early Tecumseh times .

In addition to the new brick outer dress, the bank now has a pair of new heavy glass motorized doors which open onto the lobby.

Further plans for improvement were announced by vice-president John R. Thompson who said the bank will expand westward and sometime early in 1953 include new offices in the building currently occupied by the Green clothing store.

Harold Green has also announced plans to put a new modern front on the building to his west now occupied by Tecumseh Electric which will soon move into the Weatherman Building.

Mr. Thompson said the brick will be extended to have a new front on the recently acquired building. An archway will be cut inside to open into this structure. New offices and bookkeeping facilities will be established.

Founded in 1893, United Savings Bank has grown to now show a capital and surplus of $600,000. The last financial statement reveals that total bank assets have been expanded over $10,000,000, thus ranking it with the leading banking institutions in this area.

Mr. Thompson also added that plans are underway to enlarge the vault and install modern interior fixtures.

Howard Truesdale, local contractor, put on the brick front and installed the new automatic doors.

At present 16 employees perform the bank's daily business.

Scouts Receive Foundation Gift

A gift of $200, presented to the Tecumseh Boy Scout Association by the Herrick Foundation has been made public by E. M. Campbell. Mr. Campbell announces that Troop Four, Troop 73, and the Explorer Troop will share equally in benefits from the money. Plans are being made to purchase camping and hiking equipment.

The Cub Scouts also are in receipt of $100 from the Herrick Foundation to be used in furthering Cub Scouts in Tecumseh.

New School Named After C. F. Patterson

Regular school board meeting of the Tecumseh Public Schools was held Tuesday evening at the high school. During the business meeting the state fire marshall who inspected the school buildings by request of the board, reported that the Public Library where one of the first grades meet, taught by Mrs. David Faling, will have to have another exit at once, also the Brownville kindergarten school taught by Miss Pat Hammack, will have to have a rear exit at once.

It was also voted to officially call the new school which will be erected at the end of Democrat and on North Union street the "Patterson Elementary School," honoring the late C. F. Patterson, who served on the school board for several years.

GOP WOMEN HEAR REP. R. G. CONLIN

State Rep. Rollo G. Conlin, Tipton, pointed out the importance of each voter's understanding the three amendment proposals in the forthcoming election, at a meeting of local Republican women last week.

Conlin favored the first proposal which permits law enforcing officers certain new powers to fight narcotic traffic.

He expressed an oppostion to the second amendment change which would reapportion the state legislature with an emphasis on population in contrast to territory and thus put state government control in the hands of a few large counties.

A third proposal, which would give a balanced distribution of seats to all 83 counties, was approved by Conlin.

Republican women will meet every Wednesday night prior to election at the local GOP headquarters, Mrs. Robert Stone said.

Fund Workers Eye $7,865 Goal

HOUSE TO HOUSE DRIVE FOLLOWS KICK-OFF WED.

With nearly $1,000 early contributions already in Tecumseh's 1952-53 Community Fund, general drive chairman George Green, jr., encouraged house-to-house workers to "leave no stones unturned" in an attempt to swell the $7,865 goal.

He emphasized the need to reach every home at a kick-off breakfast early Wednesday morning at the American Legion Home.

Mr. Green talked to 110 workers plus the Community Fund board of John R. Thompson, Rev. Edward Escolme, Owen Partridge, Howard Diedrich, Mrs. Frank Smith, Mrs. Richard Preston, and Ned Rosacrans. The general chairman also explained the use of solicitation kits.

Following a breakfast served by the American Legion auxiliary directed by Mrs. Kenneth Herrick, Thomas Best, Lansing, and Rev. Escolme, spoke. Rev. George Walworth delivered the invocation. The Tecumseh Products Union furnished the tasty breakfast.

The $7,865 goal which must be reached before October 29 closing date, is earmarked for the following organizations and activities.

Girl Scouts, $300.00.

Boy Scouts, $700.00.

Tecumseh Scout Cabin Maintenance, $365.00.

Tecumseh Recreation Program—a summer recreation program for children and adults, $1,200.00.

Tecumseh Service Club—for food and clothing for those families who are in need, $500.00.

Herrick Memorial Hospital Auxiliary, $350.00.

American Cancer Society — to provide dressings, X-ray treatments, etc. for local Cancer patients, $500.00.

Salvation Army—provides food and clothing for families in the surrounding rural areas, $450.00.

United Health and Welfare Fund of Michigan, Inc., Tecumseh's way of giving aid to 27 worthy organizations, eliminates the necessity of separate door to door canvases, $2,000.00.

Tecumseh Health and Education Committee—for remedial health work for children needing partial and temporary financial assistance, $100.00.

Aid to the Blind, $100.00.

Tecumseh Community Parties—a Hallowe'en celebration and a Santa Claus parade and celebration including treats of candy, etc., $300.00.

Emergency Relief Reserve, $1,000.00.

Total, $7,865.00.

VOTING MACHINES NOT EXACTLY NEW HERE!

Automatic voting machines are far from "new" to Leon Rosacrans who vividly recalls elections right here in Tecumseh back in 1906-07 when such intricate robots were in use.

"Back in those days I was township clerk," he tells, "when we locally introduced an Abbott Voting Machine which was manufactured in Hudson."

So the brain-like tabulating wizards on display for trial use at Democratic and Republican headquarters and at Butler Sales are only 1952 versions of a half-century old idea.

State Welfare Up To Voters

BY ROLLO G. CONLIN

In writing on the subject of reapportionment I find that I am confronted with the difficult problem of providing adequate background of present apportionment and reflecting the contrasts that exist between the amendments that will confront the voters this coming election in the form of Proposals No. 2 and No. 3.

While each of these proposals deal with the matter of representation in the State Legislature, each approaches the subject in a different manner and with widely differing conseqences.

The present Legislature is composed of two houses, the Senate and House of Representatives. The Senate consists of 32 Senators, each of whom are elected from 32 separate Senatorial Districts, which range in size from 1 county (Wayne) with 7 districts, to a (28th) Senatorial District, which is composed of ten counties.

The House of Representatives is composed of 100 Representatives elected from Districts ranging in size from 1 county (Wayne) with 7 Districts and 27 Representatives (21 of which are from the City of Detroit) to a District composed of 7 counties with one representative.

The present difficulties attending the problem of reapportionment rest with the fact that the population of the state has shifted to the point where more than half of the inhabitants live in only four of the most highly industrialized counties, and that a reapportionment on a strict popula

Halloween Plans Are Underway

Eyeing Tecumseh's past record of no vandalism or property damaged on Hallowe'en, the joint committee of Chamber of Commerce, Rotary and Exchange are going ahead with their annual Spook's Night party.

First phase of the affair will be a pre-Hallowe'en painting of downtown store windows by amateur artists of all school ages.

Then on Hallowe'en night the fun reaches a climax with youngsters vieing for prizes in a costume parade and finally a theatre party for the younger set.

RETURNS TO U. S.

After six months' duty in the Mediterranean area Billy R. Howell, seaman, USN, son of Mr. and Mrs. Emmett C. Howell of 119 S. Ottawa st., has returned to the U. S. aboard the heavy cruiser USS Baltimore.

While serving with the Sixth Fleet, the crew of the Baltimore visited such foreign countries as Algeria, France, Italy, Greece, Turkey, Malta, and North Africa.

This Paper For Sale!

That's right, this copy of the Tecumseh Herald which you are now reading is like any other manufactured product that reaches the final consumer through the important channel of "sales."

In order to continue a progressive, modern publication with a variety of news about yourself and your friends, the Herald must look to you, the final consumer or better known in newspapering as "the reader," for cooperation.

Note the date on your mailing label. Are you paid in advance as national postal regulations require of second class mail matter that includes newspapers? Does your date read sometime in 1953? If it does please disregard this appeal, for you are one of the Herald's many true friends who renew regularly.

But if you have been busy, like many of us are in this modern age of hustle and put-off, and find that your expiration time has past—please make it a point to renew now. Have your Herald delivered on a paid in advance basis and help the publisher by keeping it that way.

For like any tangible, consumer's item, this newspaper is for sale, five cents a single copy across the counter, $2.00 per year by mail in Tecumseh or anywhere in Lenawee county or $3 to distant points.

If by chance you are not a regular subscriber and want to join the growing number of enthusiastic Herald readers, please contact our office and your subscription will be started at once.

Observe Golden Wedding Date

Mr. and Mrs. John H. Jones of Onekama, Mich., celebrated their golden wedding anniversary Wednesday, Oct. 15, with open house at their home.

John H. Jones of Elkhart, Ind., and Henrietta S. Dibbert of Dundee were married Oct. 15, 1902 at the home of the bride's parents, the late Mr. and Mrs. William Dibbert of Dundee. They went to Elkhart to live. They were attended by Mrs. Minnie Johnson of Dundee, a friend of the bride, and Carl F. Dibbert, brother of the bride.

Mr. and Mrs. Jones have four children, Rev. Lyman E. Jones of Alberta, Canada, Lyle A. Jones at home, Mrs. Paul (Laurell) Hoffman of Tallman and Mrs. Henry (Lucille) Kregel of Monroe. They also have eight grandchildren, Luther, Lynnette, Lauria, and Lorne Jones in Alberta, Garland V. Hoffman of Tallman, and Henry D. jr., Frederick and Sue Marie Kregel of Monroe.

Mr. Jones has one sister, Mrs. Beulah Standard of Greenville and Mrs. Jones has two brothers, Albert H. Dibbert of Elkhart and Carl F. Dibbert of Bear Lake. One sister, Mrs. Anna Everett of Noblesville, Ind., and several nephews and nieces.

Mr. and Mrs. Jones and son, Lyle, live at Onekama at the present time. Mr. Jones is 77 years old and Mrs. Jones 73. Both are enjoying good health.

SOIL CONSERVATION TOUR OCTOBER 22

Clarence Kleidinst, chairman of the Soil Conservation District, is announcing the Lenawee Soil Conservation Tour to be held Wednesday, October 22, beginning at 9:30 a.m.

This year the District plans to conduct a tour in the southeastern section of the Lenawee district. During the tour, there will be discussions of problems on flat land and practices needed on flat land. Paul J. Rood, soils specialist from Michigan State College, will be present to assist with the discussions.

The tour will start at 9:30 a.m. at the Arthur J. Ingold farm located on U.S. 223, two miles east of Blissfield. Among other farms to be visited will be the Gerald Emmons farm and John Soff and son farm both in Riga township. A noon sack luncheon will be held on the lawn of the E. J. Fatchett farm. At 1:30 the group will make a tour of the Driggs Dairy Farm at Palmyra, and then visit the Drake farm with dismissal at 3:15 p.m.

V.F.W. REQUESTS OVERSEAS ADDRESSES FOR PACKAGES

Each year the V.F.W. Post and Auxiliary send Christmas boxes to all Tecumseh Township service men overseas. All families are requested to mail overseas addresses at once to Mrs. Glenn Kohler, 203 Iroquois St., Tecumseh. The V.F.W. must have these addresses by Oct. 25, and cooperation in this matter will mean happiness for your service man overseas at Christmas time.

The Editor Says

WE HAVE TO AGREE — Yes we have to agree with the many local voters who already express a growing concern over the importance of all three amendments on next month's ballot.

Amendments in the past have rated a poor second to main issues, with many ballots marked NO for fear of an added tax expense, or for pure lack of knowledge. Probably just as many were passed.

This year the proposals are. simple of issue, though involved in presentation. If you read the amendments as printed on sample ballots you'll never know what the issues are (a lawyer is said to have made this statement at a church meeting and we have to agree with him).

No. 1 is the simplest and in brief permits the use of new evidence in narcotics prosecutions. It is unquestionably worthy of a "yes" or favorable vote.

No. 2 is far more controversial and already a political question though amendments are generally non-partisan. The Democrats are reported in favor of a redistribution of state legislative seats (both houses at Lansing) to put more control of Michigan government in four counties. The Republicans are gathered on the other side, to more evenly distribute legislative seats and are opposing amendment two.

We have to agree with the latter. For to pass amendment two would be to limit all of the northern peninsula and a portion of the uppermost area of the lower peninsula to possibly one single senator, obviously unfair. As one Republican leader pointed out in Tecumseh recently, "There are two letters in NO, so vote No on amendment two."

In the same light, there are three letters in YES so vote YES on amendment three, which would give a balanced distribution of seats in Michigan Legislature to all 83 counties, House on population, Senate on area and population.

So in this campaign of personalities, when we follow men like Ike or Adlai, Williams or Alger as names that leave a vivid picture in our minds, think a moment for the sometimes unforgotten amendments which could change the state's entire system of representation.

THANK YOU GUEST EDITOR — Last week's guest editorial "The Big Fellow In Knee Pants" has been read, reread and praised by many Herald readers who found an inspiration in the thoughts of Rev. George Walworth.

And that is as it should be. There are many would-be writers in our community who could give a brief message or thought of inspiration to all of us — if the Herald could only ask them to step in, week by week.

This being physically impossible, the paper points to the Communications Column, elsewhere entitled Letters to the Editor, Mail Bag, etc., where signed letters are printed for the public interest, providing of course they are fair and not liablous.

TODAY'S THRIFTY THOUGHT — What would Ben Franklin say to people in 1952 who are deeper in debt than they ever were? And that are far from worried about it?

Franklin, you remember, had a lot to say about thrift and was the American father of saving. He said, "A penny saved is a penny earned."

So what would the George Washington of economy say to a Labor Statistics report that claims the average family is spending $400 a year more than it earns.

Unfortunately the government sets the example for the people in spending and in indebtedness, and the example it sets is a bad one. The Government spends much more than it takes in, and it owes a debt of about $260 billions. Since the Government is supported by taxes from the people, it means that the people owe that much more.

A government, like a family, is on shaky economic ground when it spends more than it takes in. It may look like prosperity, but if there's nothing in the sock, the sheriff usually comes right behind the rainy day. A nation in debt is only millions of families in debt and the one thing worse is for both to be in debt at the same time. The planners say this is all wrong, but old Ben Franklin knew it for the truth.

THEY SING ABOUT IT — The Canadians haye a song about the tiny maple leaf, their testimony to this small wonder of creation in "The Maple Leaf Forever."

No one in Tecumsehland, no matter how busy or how idle, how rich or how poor, can overlook the exhilarant beauty of the autumn hues as splashed on our maple leaves from the easel of a great master painter.

The same leaf the Canadians praise in song can change in autumnal beauty to such vivid new shades that even the biggest of us humble to the work of a mightier power above.

W.S.C.S. HOLDS BENEFIT LUNCHEON

A benefit luncheon was served to forty members of the Woman's Society of Christian Service and their friends last Wednesday in the social room of the Tecumseh Methodist church. Mrs. Edna Codling acted as chairman of the committee and was assisted by Mrs. Victor Peterson, Mrs. Julian Vincze, Mrs. Jennie Temple, Mrs. Clifford Adams, and Mrs. George Green, sr.

At one-thirty o'clock Mrs. Robert Bonner, the president of the society, opened the business meeting with devotions led by Mrs. Ed Harper who later presented an interesting program entitled, "Home Missions Winning Human Rights." Mrs. Harper also arranged an appropriate worship center for the occasion.

Mrs. Clarence Beach, the new secretary of christian social relations and local church activities, with the assistance of Mrs. George Wittrup, Mrs. Owen Partridge, Mrs. H. H. Loveland, Mrs. F. E. N. Thatcher, Mrs. Walter Beck, Mrs. Don Martin, Mrs. Earl Greene, and a representative of the Methodist Youth Fellowship were appointed to work out the detailed arrangements of a bazaar to be held early in the month of December with all circles participating. Announcement of the Fall Activities will be made soon.

Mrs. Don Martin presented the society with a gift of dish towels from the Guild Circle. The society is invited to attend the fall meeting of the Detroit Conference in Flint on Friday, October 17th. Mrs. T. Rentschler, the Ann Arbor District secretary of promotion, will attend this meeting.

C. of C. president Moore said he feels the poles would not give the town a progressive appearance and that the trend now is away from wooden poles for illumination. He said they do not conform with civic advancement.

That was the general sentiment among store owners. After the first pole went up their whispers of protest grew louder until Tuesday morning it was evident that the majority desire a metal pole which parallels their individual store improvements.

Many of them approve the metal fixtures attached to the pole and also the more modern type fixture itself. They did not realize the council had OK'd the outdated supporting pole.

On the other hand, Tecumseh's village council points to many advantages in the black-jack pole and supports their earlier decision on the basis of thrift and proven use in other communities.

Councilman Joe Rohweder who had many years of experience with Consumers, said he believes these poles are best for the village at this time. He said a special committee had found them in satisfactory use in Manchester, Sylvania, Brooklyn and Grass Lake. They are in use in Adrian on North Winter street.

He explained that the creosote is specially treated and will not rub off.

Another important feature which influenced the council in their earlier decision was Consumers' offer to give the poles at no cost to the village. He thought the cost of metal poles would be almost prohibitive at this time, in fact they are hard to obtain in quantity lots.

Another councilman, Archie Porter who was active on the same committee that investigated the poles before a decision was made, thought that once the objectors had seen the pole a few times their protests would subside. He said the poles will be serviced from a truck and not climbed by workmen with spikes.

Porter said he also likes steel poles but their cost is just plain too high right now. He pointed out many advantages to the new fixtures and said all this would be clearly explained by electrical experts at the public meeting Monday.

He further pointed out that objections to anything new are only natural and compared the opposition to that given parking meters when first installed here.

Village President Ed Heilman also invited a large attendance to the open forum which starts at 8:30 p.m. Monday.

auction at the Lenawee County Fair were purchased by the Committee for this event and that these steers have now been killed and dressed and are being made ready for the ox roast which will take place on Fred Alger Day. Mr. Rosenthal announced that Clyde Duncan and Duke Piotter of Adrian, Michigan, are in charge of the barbecue on that day and that Charles Muldary, Lenawee County Coffee Master, will be in charge of the coffee. Arrangements are being made for entertainment which will be held throughout the day and as soon as final details have been arranged a public announcement of the form of entertainment will be made.

Mr. Rosenthal further announced that Mr. Alger will make a short talk and emphasized that the purpose of the day is so that the people of Lenawee County can meet Fred Alger and talk to him and get his views on subjects that are important to them. He further stated that he believed Mr. Alger's speech would be made as late as possible in the day to allow the maximum number of people to be present to hear him.

James Beardsley, chairman of the Young Republican Club of Lenawee County, reported on the progress of his organization and assignments of duty on election day were given to the Young Republicans.

Mr. Rosenthal made a further announcement to the effect that plans have been made to seat approximately 3000 to 4000 people on Fred Alger Day and urged that everyone try to get as many as possible to come to hear the candidate for Governor of the State of Michigan.

HARVEST HOME SERVICE ATTENDED BY 240 SUNDAY

Harvest home services were held last Sunday at the Tecumseh Friends Church with special services at 10:00 a.m. and 7:30 p.m. with a total atendance of 240, and an attendance of 202 at Sunday [illegible].

The church was beautifully decorated with autumn foliage, flowers, and farm and garden produce. All the produce together with all of the offerings throughout the day were given to Cleveland Bible College. These included 112 quarts of canned fruit, 114 quarts of canned vegetables, a crate of eggs, 275 pounds of sugar, a ton of flour, and other useful articles of food.

This was the 19th Harvest Home Day, and each year the second Sunday in October has been observed as Harvest Home Day. Dr. Byron L. Osborne, president of Cleveland Bible College was the speaker Sunday morning. Special musical numbers were sung at this service by the Bible College girls' trio, the members of which are Joyce Kopka, Josephine Powell, both of Tecumseh, and Vervalee Gray of Canton. At the evening meeting Gerald and Marjorie Teague of Cleveland presented special music, and Mr. Teague was the speaker.

HOSPITAL AUXILIARY TO HELP WITH BLOOD MOBILE

Herrick Memorial Hospital Auxiliary met in the Fellowship Center of the Presbyterian church Tuesday evening with some 50 members and guests in attendance. Mrs. Paul Keyser presided at the business meeting. Devotions were read by Mrs. Lynn Hubbard. Six new members were welcomed, Mrs. George Wilson, Mrs. Archie O'Connor, Mrs. Fred Mendez, and Mrs. Guy VanDorn, all of Clinton, and Mrs. Lee Purkey and Mrs. William Hanna.

It was announced that the Auxiliary would help with the canteen for the Blood Mobile November 13 at the American Legion Home. Also that the Future Nurses' Club were planning on sending six delegates to the Future Nurses' Club Rally at Flint Friday, October 17.

Mrs. Donald Nixon, chairman of the Health and Defense Survey of the Auxiliary, reported the project was nearly completed in the northwest section of town. Mrs. Ralph Helzerman, chairman of the card party, announced that it will be held Thursday, October 23 at the American Legion Home and that tickets could be obtained from any members of the Auxiliary. Mrs. Ned Baldwin was appointed general chairman of the Holiday Ball which will be held early in December.

Miss Gertrude Spaulding, chairman of the program, introduced Dr. M. R. Blanden, who gave a very interesting and educational talk on gereatrics.

Refreshments were served by Mrs. James Barton assisted by Mrs. Frederick Dickinson, jr., Mrs. Wellington Wotring, Mrs. Helzerman, Mrs. Gerald Griffin, and Mrs. John Kurth. Mrs. H. H. Hammel and Mrs. R. T. Hammel poured.

Macon

Mr. and Mrs. Wade Scudder spent Sunday in Dansville visiting her parents, Mr. and Mrs. Walker.

Elwin Camburn of Battle Creek recently called on his cousins. Mrs. Carrie Payne and Mrs. Marion Spitler.

Mr. and Mrs. Dewey Thomas of Detroit called on William Camburn Sunday afternoon. Arthur Alamey of Ann Arbor was also a Sunday guest in the Camburn home.

Mrs. Percy Cadmus entertained the Extension Club chairmen of the northeast part of the county Thursday afternoon. The group planned the District Fall Tea to be held Friday, November 7 at two o'clock in the Macon Methodist church. The hospitality, program and refreshment committees were appointed. There were sixteen ladies present. Mrs. Cadmus and Mrs. Gobba served refreshments.

The Macon Youth Fellowship met Sunday evening with 18 members in attendance. The Misses Phyllis and Alice Gilbert were leaders. Games were played at the close of the evening. The group will have charge of the candy and popcorn booth at the chicken supper and bazaar to be held Friday, October 17.

Mr. and Mrs. Bert Bruder and Mr. and Mrs. Asle Reynolds of Adrian spent Sunday in Lansing visiting Mr. and Mrs. Clifford Bruder and family.

Donald Moore entertained the freshmen class Friday evening following a hayride. Everyone enjoyed games, dancing and refreshments in the former Miller school house. There were forty present.

Mr. and Mrs. Charles Bigelow will be hosts to the Macon Community Club on Tuesday evening, October 21. Mrs. Herbert Morden and Mrs. Walter Morden are the program committee.

The Macon Women's Society of Christian Service will meet Thursday afternoon at 1:30 with Mrs. Clarence Hall. Week of Prayer and Self-Denial offering will be taken. The offering goes to help build a nurses' home at Brewster Hospital at Jacksonville, Florida, and to the African Congo Protestant Council.

Rev. O. E. Priest was guest pastor Sunday while Rev. Vaughn Whited was preaching in Haven Methodist church in Jackson. They are having their evangelistic mission meetings this week. They will start in Macon on November 2.

Mrs. Clayton Bigelow and Mrs. Herbert Morden spent Monday in Adrian, learing to make small electrical repairs.

Miss Janet Crittenden is recovering from a tonsil operation.

Mrs. William Underwood, Mrs. Betzoldt and Mrs. Moore accompanied twelve Cub Scouts of the Macon den to Ann Arbor Friday afternoon, where they went through the University Museum and Zoo. They saw the color film on the Monach Butterfly story.

HAND WEAVING PROGRAMS ENJOYED BY D. A. R.

An interesting program on "Hand Weaving" was presented last Friday afternoon at a meeting of Abi Evans chapter, D.A.R., in the home of Mrs. C. D. Branigin with 32 members and guests in attendance. Mrs. Burtsel Claus, regent, presided at the meeting. Mrs. Frances Stone acted as chaplain. The chapter will again sponsor a Girl Scout troop which they have done previously and voted to send two American Flags for Girl Scout Troops in Germany. Mrs. Winifred Bates has a daughter in Germany and the flags will be sent to her.

Mrs. Branigin, program leader, introduced Mrs. William Stockings and Mrs. Homer Clark of Detroit who presented the program on hand weaving. Mrs. Stockings demonstrated spinning with a low spinning wheel and Mrs. Clark demonstrated hand weaving. She brought for display several different sizes of looms. They also had on display articles of their own hand weaving including shopping bags, knitting bags, place mats, stoles, luncheon sets, also a Jacquard bed spread oven in 1864, a family heirloom.

Tea was served from a table covered with a white handmade appliqued cloth, owned by Mrs. Branigin. Lighted silver candle holders and chrysanthemums decorated the table. Mrs. E. T. Armstrong of Adrian poured and the assisting hostesses were Mrs. J. Floyd Elliott, Mrs. Charles H. Williamson, Miss Edith Ingersoll, Mrs. R. S. Moore and Mrs. Frederick H. Terry.

Rev. Edward Escolme has announced that the world's first Christian western film, "Mr. Texas" will be shown Tuesday at 8 p.m. in the Friends church.

Mrs. George Quick and Mrs. T. Rentschler attended the Regional Meeting of the National Foundation for Infantile Paralysis in Chicago last Saturday. They have both good and bad news to report. The good news is that the crippling effects of the disease have been greatly reduced due to prompt diagnosis and improved treatment sponsored by the March of Dimes. The fight against polio seems to be on the road to scientific success at last. However, the bad news is that the number of cases for the past year has almost doubled and will total between 50,000 and 55,000.

Dr. and Mrs. Robert Bowers attended the Hillsdale College Homecoming over the weekend. They were the guest of Dr. and Mrs. C. J. Howe, jr., who held open house.

Mrs. Opal Brady and her mother, Mrs. Delbert Beevers visited Mrs. Brady's daughter, Mrs. Helen Burchell, a patient at the Toledo hospital. Her condition was slightly improved.

James Murray visited Mr. and Mrs. L. E. Brown Tuesday evening on his return from a business trip in New York. Mr. Murray left Willow Run Wednesday noon for his home in Los Angeles. He is the husband of the former Geraldine Brown.

Robert Bailey of Saulte Ste. Marie spent the weekend with his parents, Mr. and Mrs. C. O. Bailey.

Mrs. Martha Rockwood moved Tuesday to her home in Ann Arbor.

Mrs. Charles Howe, Mrs. Percy Bowen and Mrs. Lyman Curtiss attended the 8-40 meeting in Adrian Monday evening at the home of Mrs. Clyde Duncan. Mrs. Curtiss was installed as the new La Chapeau.

LEGION REQUESTS OVERSEAS ADDRESSES

The American Legion Auxiliary has requested all relatives and friends of service men of the Tecumseh area who are overseas and in the states to please notify Mrs. Charles Osburn, phone 465M giving their correct addresses so that the Christmas greetings may be sent them by the American Legion Auxiliary. The addresses must be sent to Mrs. Osburn on or before November 15.

COUNTY AGENT GIVES SILO FILLING TIPS

An ounce of silo-filling precaution is worth more than a pound of accident insurance, cautions Louis G. Hall, county agricultural agent.

Carbon dioxide lurks in silos to choke off oxygen and snuff out a life or make someone sick. Broken silo ladders invite troubles. Cutters and blower blades are hard on fingers of the unwary.

A suggestion from David Steinicke, Michigan State College farm safety specialist, is passed along by the county agricultural agent. He advises lowering a lighted kerosene lantern, with a rope tied to the handle, into a silo as a check. If the light goes out, watch out for carbon dioxide.

Farmers who play safe will repair silo ladders before silo filling, notes the agent. They should remove or cover bottom ladder rungs so that young children will not climb up and be hurt.

A farmer's fingers are worth more than the time lost in putting machinery out of gear when stalks clog the cutter rollers during silo filling, the agent reminds. Housing over the blower blade should never be opened to unplug the blower while the machine is running, the agent warns.

MISSION GUILD HEARS TRAVEL TALK

The Florence Weld Mission Guild of the Presbyterian church met at the home of Mrs. Lynn Harris Monday evening with Miss Marie Koernig assisting. Mrs. Margaret Kidman was in charge of the program on "Brazil." She introduced William Davenport, an engineer at the Meyers Aircraft Co., who at one time was stationed in Brazil. Mr. Davenport gave a very interesting talk on his travels which covered all over the world.

During the business meeting the Guild voted $60 toward redecorating the manse and completed plans for the rummage sale Friday and Saturday to be held in the Fellowship Center of the church, beginning at 8:30 Friday morning. Any friends who have articles to donate are to contact Mrs. Thomas Hamilton, sr., or Mrs. Harris.

The trade magazine The Spinnit says that if the people who paid $11,300,000,000 for automobiles in 1951 had turned the money over to the government, it would have paid Federal expenses for only 48 days.

TECUMSEH INDIANS SUFFER SETBACK

Bill Benham, half-back, sustained double injuries in the Morenci-Tecumseh game last Friday night. He suffered a deep cleat cut in the calf-muscle of his right leg and a chipped bone in the left arm at the elbow. These injuries will remove him from the Tecumseh lineup for the next three games.

Starkey, Hart and Wilson are still out of the lineup because of previous injuries, and Alroy Vanderpool returns after injuries received during the practice game with Dundee.

PEP MEETING GALLOPS AROUND TOWN

All students of T. H. S. were excused from school at 2:30, Friday, October 10, to attend a Pep Meeting on the Athletic Field. The cheerleaders ran through several yells and the band accompanied the songs.

The band then led the students up through main street, to get the townspeople as enthusiastic as the students. The cheerleaders concluded their rally at the four corners and school was then dismissed.

TECUMSEH BOY TAKES PART IN PLAY

Carl Freckelton, Tecumseh freshman at Michigan State College, will take part in "Simple Simon," a play for children to be presented this fall by Children's theatre of the Michigan State College department of speech, dramatics and radio education.

The first performance will be Nov. 6, at the Michigan School for the Blind. The troup will tour several Michigan cities and return to Lansing Nov. 22.

A GAME FOR THE SUGAR BOYS

Bands Search For Holidays

One of the biggest events of the year in Lenawee county is the annual band festival held in Tecumseh. Each year the bands of Lenawee County meet at the Tecumseh Recreation Field to demonstrate their skill and spirit.

This year as in the past the band festival was based on the theme, "This Is America." Each band was assigned an American Holiday which they represented at the festival. They did so by playing appropriate music and by making various formations.

The program began with the raising of the flag by the V.F.W. colorguard and the playing of the "Star Spangled Banner," by the Addison high school band. The Sand Creek band was the first to perform and did so by thrilling the audience with their representation of New Year's Day. Onsted band displayed Valentine's Day with the outstanding formation of a heart pierced by Cupid's arrow. The third band to perform was the Hudson-Cement City band. They marched onto the field with the tune of "Red, White and Blue" in honor of Memorial Day.

The fourth band on the program was the Morenci band. They presented Independence Day and one of the biggest thrills for the capacity audience was the presentation of the American Flag in actual fire works.

The Tecumseh band represented Labor Day and one of their outstanding features was the formation of the wheels of a train, as symbolic of the "wheels of progress in labor." While in formation of the train wheels, the Tecumseh band played the old familiar "I've Been Working on the Railroad."

The Adrian band presented their version of Hallowe'en and made such spooky formations as the witch and the Jack-O-Lanterns. The Clinton band was next with Armistice Day. One of their formations was that of a cannon which fit the holiday perfectly. The St. Mary's band represented Thanksgiving. One of their formations was that of a church symbolic of the day we give thanks for the things we have.

The Addison band was ninth on the list and presented their version of Christmas and all the gayities and Holy spirit that go with it.

The eighty-five piece band of Blissfield was the last to perform. They represented Easter and played appropriate music.

The band festival was brought to a thrilling and spectacular climax with the massed band formation of the Great Cross and the playing of the "Crusaders Hymn" by the combined bands. The Tecumseh Band Festival was sponsored by the Tecumseh Chamber of Commerce and this year was under the direction of Clare Camburn, which is one of the few festivals of its kind in the United States. Congratulations to the bands of Lenawee county, to Mr. Camburn, and to the Tecumseh Chamber of Commerce, for their splendid work this year.

INDIANS AT BEDFORD WITHOUT BILL BENHAM

Tecumseh's Indian eleven goes back on the S. E. Michigan grid conference warpath this week with a Friday night game at Lambertville where coach Victor Lawson's lads meet Bedford Agricultural school.

Lost to the local high school squad is ace halfback Bill Benham who was one of the bright lights in last week's gallant stand against Morenci. Though the Lawsonmen came out on the short end of a 19-14 score despite lop-sided odds, it was a game where the score was secondary and the brilliant stand by Tecumseh foremost.

Benham suffered a leg injury and a chipped elbow during the clash and will be out for at least a month. Albert Hart, who sustained a shoulder separation in an earlier game, may rejoin the squad in time for limited action this week.

After the Bedford game, coach Lawson returns to Recreation Center field for a game next week against Hillsdale. In November Addison and Blissfield invade the Tecumseh gridiron.

SCHOOLS CLOSED THURSDAY AND FRIDAY

The Tecumseh Public Schools will be closed Thursday and Friday while the teachers attend the Teachers Institute in East Lansing. School will be resumed Monday as usual.

Beaten But Unbowed

The Tecumseh Indians threatened Morenci's winning streak here Friday night but Morenci managed to eke out a 19 to 14 victory.

The first two periods of the game were scoreless.

The first touchdown came in the third period when Marcus Cisco intercepted a pass and ran 70 yards for paydirt. The try for the extra point failed and Morenci lead 6-0. Shortly after, Roger Butler recovered a fumble on the 30 yard line and on the next play, Bill Benham ran around left end for a touchdown. Benham then ran around the right end for the extra point and Tecumseh led 7-6. Morenci scored on a 70 yard sustained drive with Cisco running 10 yards on a line plunge. The extra point was good and Morenci led again 13-7. Tecumseh had the ball on the Morenci 46 yard line, as the third quarter ended with Morenci leading 13-7. On the first play of the final quarter Greenwald caught a pass for a first down on the Morenci 12 and on the next play Betzoldt passed to Benham for a touchdown. Lynn Hunt ran for the extra point to surge Tecumseh into the lead 14-13. Morenci took over on their own 30 and succeeded in marching all the way, with Cisco scoring his third touchdown. The try for the extra point failed as Morenci led 19-14. Although Tecumseh started another drive an intercepted pass stopped the drive, Morenci ran out the clock and won their 38th game straight. It was Tecumseh's third defeat this year.

PARENTS INVITED TO BAND MEETING MONDAY

How would you like your son or daughter to play in the Lenawee County Band Festival? Participation in such an impressive event is one of the most outstanding experiences a boy or girl can have.

The ability to play a band instrument is a most worthwhile ability, because it provides a constructive use of leisure time, teaches discipline and concentration, and develops the child physically and emotionally. As one band teacher used to say, "Kids who blow horns don't blow safes."

A meeting of parents and children interested in the new grade school band will be held at the Central Auditorium at 8:00 p.m., on Monday, October 20. At this time many different types of band instruments will be displayed and demonstrated.

DEBATERS TRAVEL TO ANN ARBOR

Six Tecumseh High debaters, accompanied by their debate coach, Mr. D. K. Furbush, traveled to Ann Arbor Saturday, October 11, to the Sixth Annual High School Debate Assembly held at the Rackham Lecture Hall on the U. of M. campus. Those persons who went were Gretta Porter, Janet Bashore, Mary Lou Burleson, Carl Henkel, Robert Francouer and Gary Hizer.

The day's program included a symposium on the high school debate question: "Resolved: That the Atlantic Pact Nations should form a Federal Union."

Chairman, N. Edd Miller, Assistant Professor of Speech, University of Michigan, introduced the panel members: Henry L. Bretion, Instructor in Political Science, U. of Michigan; Marshall Knappen, Professor of Political Science, U. of M.; Wayne L. Whitaker, associate professor of Anatomy, Sec. of Medical, U. of M.

In the afternoon a demonstration debate was presented on this year's question with University debaters participating, following which a critique was given by G. E. Densmore, Professor of Speech, U. of M.

An important debate meeting will be held next Tuesday, October 21, in room 26, at 3:30 p.m.

Homecoming Activities

Early next week an election will be held to determine the Homecoming Queen. The candidates for queen from the senior high grades are:

Twelfth—Nancy Treby
Eleventh—Doris Tressler
Tenth—Daine Woodword
Ninth—Sherry Moore

Next Thursday, October 23, 1952, the Junior and Senior High Classes, Varsity Club, F.F.A., and Cheerleaders will enter floats in a contest. School will be dismissed at 2:30 p.m. and a parade with the floats will be held. The grades will march behind their class-float and the different organizations will follow their floats. The floats will be judged at this time. Due to an error of one of the Student Council members the winning float will be given a $5.00 prize instead of a $50.00 one.

In the evening on the Athletic Field there will be a pep meeting. A large bonfire will be built and yells directed by the cheerleaders. Also a snake dance will start at the bottom of the field and will come to an end up-town at the four corners. Here the cheerleaders will again lead a few school cheers. The school band will help in building the schools' spirit at the pep meeting as they will play songs arouid the bonfire.

Friday, October 24, 1952, 8:00 p.m. at the Athletic Field the **Big Event** takes place. The Homecoming Game with Hillsdale, a member of the new South Eastern Michigan League of which we recently became a member of, will be played.

During the half-time the floats will parade across the field in order of their merit. At this time the winning float will receive the $5.00 prize.

Also the Homecoming Queen and her court will be driven in a convertible across the football field and the queen will be presented with a dozen red roses.

The game will be followed by a dance in the Central Schools' gymnasium from 10:00 p.m. to 1:00 a.m. with the queen being crowned the Queen of the Homecoming at 12:00. She will also be given a small present. The charge for the dance is $1.25 if you drag or $.75 if you come stag. The Tecumseh Products Orchestra will play the music.

All of these Homecoming Events are sponsored by the Student Council and the Varsity Club.

The American Way

The words "Michigan" and "fishing" are practically synonymous at this time of the year. And after a day's fishing, it's the "American Way" to enjoy a glass of cool, refreshing Michigan brewed beer.

For beer belongs . . . to pleasant living, to good fellowship, to sensible moderation. And our right to enjoy it, this too, belongs . . . to our own American heritage of personal freedom. *Beer Belongs . . . Enjoy It*

Look what a FEW EXTRA DOLLARS will buy

WE'LL be the first to admit that you can buy a car for less than the price of a Buick.

But not so much less as most people think.

And just to save those few extra dollars, you'll miss a fortune in fun.

For the few extra dollars you pay for a Buick, you get the ginger and thrill of a lot more power than you'll get in any other car of its price and pounds—plus the big miles-per-gallon figures of Buick's famed high-compression Fireball 8 Engine.

You get size and room and looks to do you proud—comfort you'll hardly believe—and that good sense of security that only ample weight can impart.

You get the all-coil-spring ride that a million dollars couldn't duplicate. You get handling, steering, braking, turning—all with an ease that women especially appreciate.

We could go on at length about a lot of other things, including a fair-sized list of items you get in every Buick but which cost extra on lesser cars.

But why go on? The fun and fine feeling and wondrous comfort you enjoy in a Buick are things you shouldn't be missing for just a few extra dollars. And the value—you just can't pass that up.

Got a little time to drop in and let us prove our points?

REMEMBER MOTHER'S PIES?

Perhaps one's tastes do change, but they never change when it comes to remembering those delicious pies that Mother baked.

And that's just the reason we have copied Mother's recipes — they're so delicious! Of course, they call for plenty of eggs, milk, sugar, and shortening . . . but you can't build anything of quality and scrimp on the ingredients.

If you'd enjoy pies like Mother's, we'd like to have you try the ones we make.

ATOM ROCKET SEEN HITTING MOON

Oak Ridge, Tenn.—An atomic-powered "space ship," envisioned by a nuclear physicist at a conference of natural scientists here, theoretically could reach the moon on 30 pounds of fuel.

Dr. George Gamow of George Washington University, who worked on the atomic bomb at Los Alamos, discussed atomic rockets before a three-day conference on nuclear and reactor physics. His was the only "non-secret" talk of the conference.

A comparatively small atomic rocket theoretically could circle the earth 60 times, or go to the moon and back on 60 pounds of uranium-235, Dr. Gamow said, but would be unable to carry passengers.

"The radioactivity would kill them," he said. He added, however, that such a rocket probably could be controlled by radio.

To show the advantage of using atomic fuel, Dr. Gamow said a rocket using gasoline or other conventional rocket fuel would have to be a giant, three-stage device weighing 4,210 tons.

Former Resident Married In Massachusetts

Friends here have received announcement of the recent marriage of Miss Nancy Anne Eaton of Swampscott, Mass., and Robert Wesley Page, of Dallas, Texas, both of whom served until recently with the U. S. State Department Foreign Service at the American Embassy in Tehran, Iran. The Church of the Holy Name in Swampscott was the scene of the lovely fall wedding.

The bride is the daughter of Mr. and Mrs. A. Wilber Eaton, of Swampscott and Mr. Page is the son of Mr. and Mrs. B. David Benfer, jr., of Dallas, Texas. The new Mrs. Page was formerly of Tecumseh.

Mr. and Mrs. Page will make their home after Oct. 15, at 7634 Eastern Ave., in Dallas, where Mr. Page is associated with the O'Rourke Corporation. He is an alumnus of Texas A. and M. and his bride is a graduate of Swampscott high school, Boston University and Katherine Gibbs Secretarial School.

These Men

are leading the crusade to clean up government, eliminate wasteful spending and reduce taxes.

But they cannot do it alone against the opposition of entrenched Democrat office holders whose duty it is to cover up the mess.

THE REPUBLICAN PARTY IS PLEDGED TO—

- Lower taxes, both direct and indirect.
- Wipe out government corruption, graft and scandal.
- Reduce the cost of government by stopping all wasteful spending.
- Rid the government of Communists and fellow travelers.
- Curb inflation and cut the cost of living.

If you want honest government, clean government, intelligent government that works for *all* the people, then

Senate shall consist of thirty-three members elected from single member districts created according to population formulae in amendment, and house of representatives shall consist of ninety-nine members elected from districts created according to population, formulae in amendment, with three representative districts allocated to each senatorial district, senate and house members to be elected for two year terms.

Shall Sections 2, 3 and 4 of Article V of the State Constitution be amended to provide for decennial reapportionment of the senate and house of representatives by the secretary of state?

(PROPOSAL NO. 3)

Proposed Amendment to Sections 2, 3 and 4 of the Michigan Constitution to establish Senatorial Districts and to provide for Decennial Reapportionment of Representatives by Legislature or by State Board of Canvassers.

Initiatory petition proposing to amend Sections 2, 3 and 4 of Article V of State Constitution to provide for apportionment of the state legislature. Provides for a senate consisting of thirty-four members elected for two year terms from single member districts established in the amendment. Provides for a house consisting of not to exceed one hundred and ten members elected for two year terms from districts created by the legislature according to population formulae in amendment. Legislature shall reapportion house according to latest federal census. If legislature fails to reapportion, state board of canvassers must do so.

Shall Sections 2, 3 and 4 of Article V of the State Constitution be amended to establish senatorial districts and to provide for decennial reapportionment of representatives by legislature or by state board of canvassers?

Notice Relatives To Opening And Closing Of The Polls

Section 1. On the day of any election the polls shall be opened at 7 o'clock in the forenoon and shall be continued open until 8 o'clock in the afternoon and no longer. Every qualified elector present and in line at the polls at the hour prescribed for the closing thereof shall be allowed to vote.

NEW DYES PERMANENT AND WATER REPELLANT

East Lansing—Development of new dyes which increase the water repellency of wool 60 times and cotton 12 times has been revealed by Dr. C. C. DeWitt, director of the Michigan State College Agricultural Experiment Station.

Dr. DeWitt revealed his new dye-making process before the annual meeting of the American Chemical Society in Atlantic City, N. J.

The M.S.C. scientist said the dyes—which contain some of the properties of mineral oil—have possible immediate application in the manufacture of such items as tents, awnings and umbrellas, although their use in clothing may take a little more time.

Dr. DeWitt said that the dyes can make cotton and wool clothes water repellent and more durable without any change in the texture or composition of the materials.

One of the greatest advantages of the new dyes is their permanency. Dr. DeWitt said that the water-repellent qualities will remain in the material as long as the dye. This is a definite improvement over most of the present waterproofing methods by which cleaning with any liquid removes the waterproofing and it must be replaced after each cleaning.

It may be necessary, Dr. DeWitt added, to change the composition of present dry cleaning liquids in order to clean fabrics colored by these dyes in a satisfactory manner.

NURSES HEAR HOSPITAL TECHNICIAN

The Lenawee Districtt Nurses' Association met at the Fellowship Center of the Presbyterian church, Monday evening. The Woman's Association of the church served a chop suey dinner to 36 members and guests. Tables were centered with pumpkins, autumn leaves, and corn. The favors were of pumpkins and black cats.

Abraham Charmov, laboratory technician from Bixby Hospital in Adrian was the speaker. He discussed the work in a hospital laboratory and its importance to a patient's welfare. Mr. Charmov also told about the blood bank recently put into operation at Bixby hospital.

After a short business meeting, the group packed Christmas boxes to be sent to overseas Lenawee nurses. Hostesses for the evening were Mrs. Alice Williams, Mrs. Jeanne O'Neil, Mrs. Maxine Wilson, Miss Beth Satterthwaite and Miss Myrtie Kempf.

NEVILLE HART SPEAKS TO CHILD STUDY CLUB

The Child Study Club met at the home of Mrs. Wilbur Andrews Monday evening with Mrs. Norman Bailey and Mrs. Hersel King as co-hostesses. Mrs. Herbert Dillon read the constitution and by-laws of the club. Mrs. Keith Barron, program leader, introduced Neville Hart, principal of the local high school and he gave a very interesting talk on "Counselling and Guidance in the Local Schools."

The children's favors of Hallowe'en suckers with faces and colorful bows, were in charge of Mrs. David Dick, Mrs. Owen Partridge and Mrs. LeRoy Titley.

"Operation Salt Shaker" Under Way On World's Largest Block of Salt

New York—The biggest block of salt in the world—ten miles long, a mile wide and from 120 to 350 feet deep—capable of filling the world demand for many years to come will be modern-mined in a large scale in Barahona, Dominican Republic, beginning next month, the Dominican Republic Information Center, 507 Fifth Avenue, announced.

Annual production will reach a million tons in 1953. In order to ship the product world-wide in bulk in steamships large-scale harbor instalaltions, docks, portable cranes, a railroad and mechanization are being built at a total cost of $3,400,000.

Currently the salt is drilled and chipped by crews with pneumatic drills at the rate of only 15,000 tons annually and transported by trucks to the port of Barahona.

By a geological trick of nature the salt deposits are on the north side of a huge hill and a massive gypsum deposit, estimated at more than one billion tons, is on the south side.

An extensive survey initiated in 1951 by former President Rafael L. Trujillo, resulted in the current large-scale investment of millions by Dominicans in "Operation Salt Shaker."

The quarries, called "Cerro de Sal," are located at Las Salinas in the southwest province of Barahona and rise 120 to 350 feet along the ten-mile stretch. The government-owned Banco de Credito Agricola e Industrial increased its capitalization to finance the operation which, until recently, was done on a small scale, the Center reports.

According to the Center, when mechanization is completed, salt will be extracted automatically at below standard costs which gives rise to great hopes for sales abroad. Experts estimate that there are at least 175,000,000 tons of salt above roadbed level or "on hand," the Center states, aside from 600,000,000 tons easily accessible under ground. Soundings revealed one area of pure salt to be 2,000 feet deep. The gypsum deposits are considered to rank among the world's largest. Processing of gypsum, like salt, is expected to be profitable as facilities are located at the site of the mines.

Tipton Church Dedicates A New Addition

PROGRAM MARKS END OF OVER CENTURY'S PROGRESS

If the Man from Galilee who built the first Christian church could have been among the throng that gathered in Tipton Friday night to dedicate an extensive addition to the Community Church, He would have seen the results of the same faith he taught the disciples many centuries ago.

For the growth of Tipton's only present day church spans many years of rigorous obstacles as its history dates back to log cabin days of 1836, one year before Michigan became a state.

But the dreams of early northwest Lenawee county pioneers who founded the First Church of Franklin were answered after 116 years with the dedication last week of a new, modern basement, rear annex and numerous new equipment and furnishings.

Early history of the First Church which later became the Community Church of non-sectarian worship, is vividly traced in a paper prepared by Arthur R. Joseph, clerk.

The present building program, just completed, was started in May 1951 under the church's beloved pastor Rev. Arthur E. Jervis, Ph.D. and D.D. Under his leadership the faithful church members found that cooperative effort could answer their prayer.

After a fund drive and approval of plans a full basement, 38 by 90 feet, was excavated and a beautiful social hall was constructed. Then a much needed annex was added to the back and finally a parking lot for 60 cars was laid out. Extensive furnishings were also made within the church.

The membership turned out 100% in cooperation with the following committee directing the work: Herbert Munger, Lester Baker, Chester Baker, Dick Platte, Don Hunt, Don Hamel, Herman Titley, Howard Luce and Earl Luce.

Gifts flowed in to complete the early founder's dreams and fill the present member's hearts with gratitude.

These were all blessed by Rev. Jervis in his invocation message at the dedication last week. Herbert Munger, chairman of the board, gave the welcome and Ray W. Herrick delivered the address.

Among the numerous gifts were a beautiful altar made by Dean Cook out of local cherry wood, it was praised as an outstanding creation. Kenneth Couture and wife gave a memorial altar set. The Jervis family gave the kitchen, the Ladies Aid presented a gift of 20 tables and chairs.

The Herrick Foundation gave the new organ and a permanent endowment.

Other gifts were far more numerous than ever hoped for.

The dedication program was complete with a dinner served under the direction of Mrs. Vera Driffill.

Britton

Gephart—DuBois

At 2 p.m. Saturday in the Britton Baptist Church before an altar decorated with baskets of mixed flower arrangements, Faith Lois DuBois became the bride of Sgt. James Milton Gephart of Quantico, Va., formerly of Adrian, Rt. 4. The bride is the daughter of Rev. and Mrs. E. H. DuBois and Mr. and Mrs. E. W. Gephart of Adrian, Rt. 4 are the bridegroom's parents.

Preceding the ceremony, nuptial music was played by Richard Lower who later accompanied Gene Mackey of Deerfield as he sang "Because," "Ah Sweet Mystery of Life," and "The Lord's Prayer."

The double ring ceremony was performed by Rev. E. H. DuBois assisted by Rev. E. A. DuBois, father and brother of the bride respectively. The bride and groom were served holy communion by Rev. E. A. DuBois directly following the singing of "The Lord's Prayer."

Gene Nelson and Ronald Reagan find lovely Virginia Mayo is a top student in the technicolor musical "She's Working Her Way Through College." Tues., Wed., Thurs., Oct. 21, 22, 23 at the Strand Theatre.

The bride, who was given in marriage by her brother George DuBois of Detorit, was attractive in her ballerina length gown of nylon net with lace bodice and high net yoke with long sleeves extending to points over the hands. Her finger tip veil fell from a seed pearl tierra. She wore a pearl necklace the gift of the groom. She carried a white Bible topped with white orchids with ribbon streamers and ivy entwined hanging from it.

The bride chose Miss Sallly Prielipp as maid of honor. She was in pink net over a pink taffeta ballerina gown and wore a headdress of white baby mums and carried a bouquet of green mums.

The bridesmaids were Mrs. Kenneth Pawley of Oxford and Mrs. Charles Hamilton of Leonard. Mrs. Pawley wore green net over a green taffeta ballerina gown and carried a bouquet of pink mums. Mrs. Hamilton wore yellow net over yellow taffeta and carried a bouquet of blue mums. Each wore a headdress of white baby mums.

Sherry Lynn Hamilton, niece of the bride was flower girl and dressed in a blue organdy dress with hoop skirt. She preceded the bride strewing rose petals along the aisle. Larry Pawley, nephew of the bride, acted as ring bearer, carrying the rings on a white satin pillow. The rings were surrounded by white baby mums.

Best man was William Gephart of St. Clair Shores. The ushers were Jack Robinson of Tecumseh and Richard Rhoback of Adrian.

The bride's mother chose a navy blue nylon dress for her daughter's wedding and with it she wore blue and white accessories. Mrs. Gephart wore a dress of wine crepe with black and beige accessories. Each had a corsage of white roses.

The bride graduated from Britton High School with the class of 1951, and for the last four and a half months has been employed by Kaiser-Frazer in Ypsilanti. The groom graduated from Adrian High School and attended Adrian College and is now with the Marines stationed at Quantico, W. Va., where the couple will reside until Sgt. Gephart is discharged.

The women of the Baptist church served refreshments at the reception held at the I.O.O.F. hall for about 200 guests following the ceremony. The four-tiered wedding cake was made by Mrs. Elmer Rockwell of Adrian.

Mr. and Mrs. Clyde Brown were weekend guests of their daughter and husband Mr. and Mrs. Robert Goetz in Ann Arbor and attended the Michigan-Indiana football and band day at the University of Michigan stadium, Saturday.

Kroger Co. Offers 3 New Schools

SCHOLARSHIPS DIVIDED BETWEEN HOME ECONOMICS AND AGRICULTURE STUDENTS

Kroger scholarships will be offered at three additional colleges for the 1952-53 school year, Joseph B. Hall, Kroger president, announced today. The company previously announced continuation of the Kroger Scholarship Plan, which for several years has offered 86 scholarships of $200 each at the land-grant colleges of 17 states.

The new schools are Arkansas Agricultural, Mechanical and Normal College, Kentucky State College, and Tennessee Agricultural and Industrial State College. The scholarships will be divided between students planning to major in home economics and those specializing in agriculture.

Scholarship committees at the colleges will select winners on the basis of high school scholastic achievement and evidence of leadership qualities demonstrated in school, church, 4-H Clubs, New Farmers of America, or similar organizations.

Addition of the new scholarships will bring the total offered annually by the retail food company to 93. Colleges participating in the plan, and the number of scholarships awarded at each are: Ohio State University, 12; University of Illinois, 6; Purdue University, 6; Michigan State College, 6; University of Missouri, 6; Alabama Polytechnic Institute, 4; University of Arkansas, 4; Kansas State College, 4; University of Georgia, 4; University of Kentucky, 4; Mississippi State College and Mississippi State College for Women, 4; North Carolina State College, 4; Pennsylvania State College, 4; University of Tennessee, 4; Virginia Polytechnic Institute, 4; West Virginia University, 4; University of Wisconsin, 4; Tennessee Agricultural and Industrial State College, 3; Arkansas Agricultural, Mechanical, and Normal College, 2; Kentucky State College, 2; and West Virginia State College, 2.

State's Welfare

(Continued From Page 1)

tion basis (as proposed in Amendment No. 2) would give these 4 industrial counties complete control of both houses of the Legislature. Previously, this dangerous situation did not exist, because the population of Michigan was in a more balanced ratio to the widely diversified economic interests that existed throughout the area of the state.

Any group powerful enough to control 4 counties could by restrictive methods wield a tremendous influence in our educational system. The industry, trade and commerce, of Mich., is very dependent on an adequate highway system, here again the funds that are used in construction and maintainence of not only state highways, but also for most of the city and village streets and county roads, we find so essential in pursuit of our every day lives, are provided by a formula of distribution written by the legislature. Supose that Proposal No. 2 were effective. Again 4 industrial counties could decide to distribute highway money on a population basis only, then approximately 52% of all highway funds would go to 4 counties. What then would happen to the highways in the balance of the state.

There are dangers to the structure of Michigan's Constitutional Government under Proposal No. 2, as the Legislature forms the basis of representation in a Constitutional Convention, which under this proposal, would give these 4 industrial counties control of writing a new constitution. This dangerous proposal reaches into the National Government itself for under it, a legislature controlled from within these 4 counties, could redistribute completely the Congressional Districts in Michigan. So whatever group could gain control of 4 counties would become all powerful.

Proposal No. 2 also places in the hands of only one individual (Secretary of State) the sole authority to reapportion both house and define the boundaries of senate and house districts. The pressures that would thus be placed upon one elected official would become intolerable, and if he chose to yield to expediency, his opportunity to trade or deal with pressure groups would be unlimited.

Proposal No. 3 would establish a house of not more than 110 members (10 more than present) elected from single districts. Except where a city or township is entitled to more than 5 representatives, it must be divided into equal districts, but may not have less than two or more than 3 representatives. It establishes a senate of 34 members, 2 more than present, the two would go to the more populous areas and the senate districts would be outlined in the Constitution.

Thus Proposal No. 3 gives consideration to equal representation on a population basis in the House of Representatives. It further guarantees equal representation of economic interest and area in the Senate producing a much fairer balance of legislative consideration to all the people of all of Michigan.

This writer believes that No. 2 is a dangerous proposal and that it should not be ignored. Abstaining from voting on it will not defeat it. It requires a NO vote. On the other hand, although he believes that a better solution could be reached by a constitutional convention, he will support the No. 3 proposal with a Yes vote to insure a plurality over No. 2 in event that both No. 2 and No. 3 should each gain sufficient votes to pass. No. 3 having the largest vote would then become effective.

Voters regardless of affiliations, will do well to realize that their schools, their highways, their everyday welfare, can be affected by the outcome of these proposals.

Donna M. Martin
Bride of George Hawkins

The Baptist church was the scene of an informal wedding Saturday evening at 7 o'clock when Miss Donna M. Martin, daughter of William D. Martin and Edna M. Martin, became the bride of George C. Hawkins, son of Mr. and Mrs. Carl Hawkins. The Rev. B. O. Bashore performed the ceremony before an altar banked with chrysanthemums. The ceremony was witnessed by the immediate families, and they were attended by Mr. and Mrs. William D. Martin, jr., brother of the bride.

A reception was held in the church parlors following the ceremony for 150 relatives and friends.

Council Tables Wooden Light Pole Question

Chamber To Work With Council After Public Forum Monday

Monday night's public forum meeting, though sparsely attended, gained one major accomplishment—the desires of the village citizens will guide the Council in its future street lighting decisions and not the wishes of Consumers Power.

In fact the New England type public hearing united the council and the Chamber of Commerce closer than they have been in many years. This was a major accomplishment and points to a progressive and coordinated growth of the village in time to come.

More noticably, the outcome of the public meeting resulted in the Council's tabling of the wooden light pole question.

Secondly, the village's lone black jack spar is to be removed after a week's stand on the United Savings Bank corner.

Now the Council, the Chamber and interested businessmen are set on plans to exchange street lighting ideas until a satisfactory plan can be worked out.

Main issues under consideration are wooden poles vs steel poles, overhead wiring vs underground wiring. There was also a sug-

Billy Still Family Fund Established

Citizens of Tecumseh and Clinton came through at a time of distress in their usual Golden Rule manner to establish a Billy Still Family Fund to complete a home for the wife and four children of a polio victim.

Billy Still, 28, was stricken with polio Aug. 15 and has been in an iron lung since.

His family has been living in a garage house which Billy temporarily built until he could erect a regular house. The children range in age from nine months to five years.

As the garage house is unfit for winter living, neighbors and friends are pitching in to complete the dwelling which Billy started during the summer. He was beginning on construction when stricken.

This work was done in addition to working at the Kaiser-Fraser plant plus working part time in a restaurant.

Now the citizens of Clinton and Tecumseh have established the Billy Still Family Fund to finish the house located on the east side of M-52 half mile south of Clinton.

Several skilled laborers have donated their time and worked weekends. At present they have the walls erected up to the roof.

The committee for The Billy Still Family Fund are trying to raise $4,000 to complete this house for Mrs. Still and children, and have a home for Billy to come home to, as Billy would not be allowed to live in the garage when he leaves the hospital.

Any donations should be made payable ot the Billy Still Family Fund and sent to the Tecumseh United Savings Bank, Tecumseh, Mich.

The women of the community furnish the dinner for the men working on project.

Billy served his country in World War II, 14 months with the merchant marines and 22 months with the navy.

FLYING SAUCERS STAY UP LATE

Most Tecumsehites were probably "sawing wood" when a socalled flying saucer—be there such a phenomenon—visited the skies hereabouts Sunday morning at an early 1:30 a. m. hour.

It hovered in the northern sky for a reported three quarters of an hour before moving to a more lively atmosphere. Some who were awake to see it say the saucer was about half the diameter of a full moon and emitted a yellow light.

Anyone who was up at that hour Sunday and saw this yellowish spheroid is asked to contact George H. Adamson who has for several years made a study of celestial bodies, saucers and the like.

DRUNKEN DRIVER FINED

John Applegate, 28 years old of Tecumseh was arrested Friday evening at 10:30 by the local officers while driving under the influence of liquor. He was arraigned Saturday morning before Justice Robert L. French and pleaded guilty. He was ordered to pay a fine and costs of $58.60 and to spend five days in jail, in default of payment 30 days in jail.

Harold "Hop" Anderson, likeable Teucmseh grocer, stands be fore the business which his grandfather founded in 1850.

Edgar Edmundson Dies of Heart Attack

Edgar Lee Edmundson, age 53 years old, a Tecumseh resident for the last seven years, died suddenly of a heart attack in a downtown service station Saturday morning at 10 o'clock. He resided three miles south of Tecumseh on Occidental Rd. Mr. Edmundson was the son of Elwood and Flora B. Edmundson. He was a veteran of World War I and was employed at the Tecumseh Products Company.

Surviving are one son, Edgar Lee Edmundson, jr., of Connecticut; two sisters, Mrs. Martha Jane Smith of Ypsilanti and Mrs. Gladys Woosley of Fair Hope, Ala. Several nieces and nephews also survive.

Prayer services were held at the Green Funeral Home Monday evening at 7 o'clock with the Rev. Ronald Brunger, pastor of the Methodist church officiating. Mrs. Murray Day sang, "Nearer My God To Thee," and "The End of a Perfect Day." The body was taken to Pennville, Ind., where funeral services were held Tuesday afternoon at the Friends church. Burial was in the Odd-Fellows cemetery at Pennville.

Rules Deceased Name on Ballot

Voters Face Name Of Former Tecumsehite

An election precedent will be set in Lenawee county when voters face the name of former Tecumsehite Bernard N. Williamson, deceased, on the Nov. 4 ballot.

For election officials believe that this is the first contest involving a deceased candidate.

Williamson's name will be run against Lavon Kuney for the nonpartisan office of probate judge.

A review of the background by Mrs Charles Williamson, Tecumseh, mother of the deceased, who will never understand the state's ruling that the name of her son must appear, starts with the appointment of Bernard to fill the vacancy of Judge Tripp.

Williamson then entered the August primaries and defeated Kuney and Betz with more votes than nearly the other two combined. Betz was eliminated.

Five days after the election Williamson died suddenly of a heart attack.

County election officials asked the Attorney General in Lansing for a ruling which set a precedent as it was announced that the deceased candidate must be run against the runner-up.

If the voters favor Williamson over Kuney the Governor can fill the vacancy by appointment.

At present, veteran Probate Judge assistant Miss Hazel Gregg is handling the routine business of the office with circuit court judge J. Arthur Rathbun assisting.

BODY ENROUTE TO U. S.

Russell Starkey, sr., of Russell Road, received a telegram from the War Department last Friday informing him that the body of his gallant son Pfc. Rusell Starkey, jr., was enroute to the United States. Requested information was telegraphed to the War Department by Mr. and Mrs. Starkey and Mrs. Pearl Meyers. Other arrangements will be made after the arrival of the body in the states.

Anderson Family Operates Grocery Here 102 Years

There was no OPS ceiling on coffee back 102 years ago when Albert Anderson recorded a sale of "4 lbs. coffee 50c" in the day book of his newly found general store in Tecumseh.

This was the beginning of a business that has been handed down in the same family to be one of the community's oldest and from the interest that young Harold Anderson Jr. shows it is not going to change for some years to come.

But it's Harold Sr., known to many as "Hop," who proudly cares for the museum-piece day book which recorded such early sales as four pounds of 1850 coffee for 50c, broom 20c, half pound pepper 6c and many others that are "slighted" off present day ceilings.

"It was a general store that grandfather Albert founded," Hop recalls, "located somewhere north on Red Pond.

"Sometime around 1875 it was moved to the present sight on East Chicago.

"From a general store that sold buttons, calico and the like we have eventually grown into a modern grocery," he tells.

"Now Hoppo is out of the Marines and indicates that the 102 year old firm will carry on under the same name."

Incidentially that first day book of 1850 contains many early Tecumseh family names, many of which are still here, such as Rosacrans, Williamson, Van Tyne, etc.

APPRECIATION DAYS SHOWING INCREASED INTEREST LATELY

Tecumseh's Appreciation Days program, now operating in a new phase of the program which started Oct. 1 is showing a large increase in public interest. It is sponsored by the Chamber of Commerce.

Last week's award went to Ted LeBounty. At present the total award amounts to $701.

The fifty-three local merchants who are participating are:

Palmans Dept. Store, Baldwin Hardware, Porter Printing Co., Sluyter Electric, Hoyt E. Whelan Co., Freez-It-Lockers, Fred Rosacrans, Greens Clothing Frenchs Market, Osbornes Dept. ALFRED J. ALLEN DIES AT FARM HOME

Alfred James Allen, age 92 years old, died at his farm home east of Clinton Wednesday morning, Oct. 15, at 2:30. Mr. Allen was born Nov. 16, 1859, in Bridgewater township, the last of five children born to William and Louisa Lincoln Allen. He moved with his parents from the homestead to his present residence October 1, 1879.

Mr. Allen, a pioneer resident of the community, married Carrie Knight November 4, 1885, at the bride's home in Bridgewater township. His wife died July 22, 1920. On July 15, 1925, he married Mana Coder of Napoleon, who survives. He was a farmer all his life and was an active member of the community. Mr. Allen was a member of St. John's Episcopal church, president of the Clinton school board for more than 25 years, president of the Riverside Cemetery Association, Clinton township supervisor, justice of the peace, a past member of the I.O.O.F., Clinton Farm Bureau and the former Clinton Grange.

Survivors besides his widow are three children; a daughter, Mrs. Viva Riker of Mason; two sons, Charles W. Allen of Tecumseh and Frank K. Allen of Clinton; five grandchildren; five great grandchildren and a number of nieces and nephews.

Funeral services were held Saturday afternoon at 2:30 at the Proctor Funeral Home. Lay-Minister Jack E. Warner officiated and burial was in Riverside cemetery.

Bridge Finish Seen By Feb. 1

Steel Coming, Work To Continue Over Winter

Foot traffic now passes over Evans creek via a temporary wooden bridge, but if present plans continue on schedule Mr. Motorist will be driving across a completed Mill Street span after February 1.

Among the "ifs" that lie in the path of completion is a possible coal strike which might further delay shipment of steel now due to arrive early in December.

The encouraging prediction by bridge officials that the main span will be constructed this winter is pending the promise of steel, originally due in Tecumseh last August, but was delayed by strikes.

My Vote Counts Is Drive Title

Tuesday was kickoff day at the local Quaker Oats plant as another Tecumseh firm launched a drive to assure an all out vote on Nov. 4.

Headed by Donald T. Nixon, the Quaker Oats committee unveiled a giant 16-foot thermometer to measure the number of pledges among its 50-plus employees.

Nixon hopes the mercury will soon rise to the 100% mark on the gauge outside the main building.

All the employees must do is pledge to vote, regardless of political affiliations.

The drive is labeled "My Vote Counts" and is part of a national Quaker Oats program, Nixon explained.

CIVIC GROUPS PLAN HALLOWEEN PARTY FOR TECUMSEH KIDS

Blackcats, witches and pump-pumpkins will soon leer from downtown store windows as the amateur artists of the village paint up for what should be an "all time gala Halloween".

Under direction and financing through the Chamber of Commerce by the Community Fund, Rotary, Exchange, VFW and Village Council, these juvenile artists will first go to work with paint brushes on 57 designated store windows.

An enlarged painting program is seen with more art supervision by instructor Mrs. Dorothy Westdyke. Pupils of the fifth, sixth, seventh and eighth grades will vie for three prizes going to each grade.

Judges will be Mrs. O. W. Laidlaw, Mrs. James Beardsley and Mrs. Al Merz.

Store window decorating is only a small part of the gala Halloween festivities ahead next week. A parade with children in costumes led by the Tecumseh high school band will form on S. Pearl st. in front of Dr. H. H. Hammel's office and march through the business district to Ottawa st. passing twice in front of the judges' stand which will be located on the corner of Evans and the Boulevard. Three grand prizes for costumes will be awarded and ten consolation prizes.

Immediately following the parade a free show for all children will be presented at the Strand theater. Favors will be given to all before entering the theater or leaving the parade.

Committees from Rotary and Exchange will actually carry out the details of this program and will be on hand to aid and assist everyone. All children of the village are invited to participate in this gala Halloween program.

High school age students will journey to Clinton for the football game on Halloween evening.

LAY SERVICES AT PRESBYTERIAN CHURCH

Arthur Schwartz and Frederick Dickinson delivered joint sermons as part of lay services Sunday at Presbyterian church. "God's Arithmetic" and "God's Personal Problems" were their topics.

Also participating in the lay services were Mel Partridge who gave the invocation and opening prayer, Otto Meisers, scripture reading; Dr. R. F. Helzerman, responsive reading; James Gabler, pastoral prayer; Richard Purkey, dedication prayer.

New School Name Honors C. F. Patterson

Thirty-one years of continual service was recognized by Tecumseh's board of education when they named the proposed grade school after Charles Francis Patterson.

When ground is broken next spring for the Patterson Elementary School, tribute will be paid to a man who served continually on the school board from 1910 to 1941.

Charles Patterson

And was secretary of the board to boot! A one-man job in those days that meant doing most of the detailed work personally.

Mr. Patterson was born in Tecumseh during the closing days of the Civil War in 1865. His grandfather was Michael Alexander Patterson, Tecumseh's first doctor.

As a young man Charles Patterson found a liking in sports and photography. He started in the hotel business and then in 1904 moved into the house on No. Union now occupied by his daughter and family, Mr. and Mrs. Harold Naser and sons Tom and John. Mrs. Naser was the former Katharine Patterson and is a junior high teacher.

At this house he went into the poultry business and then in 1910 went on the school board. He served an outstanding term of 31 years to 1941 when he resigned in favor of Jens Touborg.

Mr. Patterson died in January 1949 at the age of 85.

His untiring service to the community has many times been praised, but last week's naming of the elementary school leaves a permanent remembrance to the man who dedicated 31 years to aiding the education and training of young people he loved so well.

EXCHANGE CLUB HEARS CONVENTION REPORTS

Tecumseh Exchange Club met at the Tecumseh Country Club Wednesday evening with George McCombs presiding at the business meeting. Reports of the National Exchange Club Convention in Atlantic City recently were given by Leon Williamson, past president and Russell Garno, vice president. Mrs. Williamson and Mrs. Garno also attended the convention. Dr. R. E. Dustin and John Saling gave an interesting explanation of the three amendments.

GUN SHOT WOUNDS HUNTER

Jules Mobley of 104 Fox Ave. Battle Creek, was accidently shot by his gun Monday afternoon. He was treated at Dr. Ralph Helzerman's office Monday afternoon for scalp wounds when the barrel of his gun split and the shot backfired and glazed his skull. Some 40 stitches were required to close the wound. He was brought to the doctor's office by his brother, Hubert Mobley of Tecumseh whom he was hunting with. The accident happened on the Don Marrs farm north east of Adrian.

Early Community Drive Tally Reaches $3,978

Chairman Geo. Green Urges Workers To Meet 29th Deadline

Tecumseh's 1952-53 Community Fund reached the $3,978 mark midway in this year's two-week campaign to raise $7,865, chairman George E. Green announced after a portion of block workers reported early.

Green pointed to the October 29 closing date in urging all workers to complete their solicitations.

Mrs. Richard Preston and Mrs. Frank K. Smith, residential chairmen, are directing the drive with assistance from the following block captains: Mrs. James McDowell, northeast; Mrs. C. A. Staulter, southeast; Mrs. Charles Stephenson and Mrs. Chester Beach, southwest; Mrs. Waldo Mohr, northwest; Mrs. Jack Curtiss, Herrick Park; Mrs. Glenn Driscoll, Brownville; Mrs. Max Brandt and Mrs. Robert Smith, North Union; Mrs. Grenval Spangler, Paul's Trailer Park; Mrs. Joe Springer, Tecumseh Acres; Mrs. A. W. Merz, Kissing Hallow; Mrs. Fred Bell, Quaker Oats area. For the township L. H. Titley has appointed Mrs. J. W. Smith, northeast; Mrs. Vearl Osburn, northwest; Arthur Eaton, southeast; C. D. Branigin, southwest; Mrs. Donald Geringer, Herrick Park; and Mrs. John Wintersteen, S. W. Section A.

The block workers who are assisting the block chairmen in the

Blood Bank In Tecumseh Nov. 13

The Michigan Department of Health with the co-operation of the American Red Cross will conduct a blood bank at the Legion Club on Thursday, November 13 from 2 to 8 p. m.

A six bed unit will be sent to Tecumseh with a physician and registered nurses in charge. In order for the work to run smoothly and efficiently 150 doners must be registered in advance.

Mrs. Lawrence Larsen and Mrs. Vincent Haight, Tecumseh representatives on the board of the Lenawee County Chapter of the American Red Cross, request the co-operation of all adults in Tecumseh and surrounding communities from 18 thru 59 years of age. The requirements are simple and the actual giving of the blood is painless and safe. Application blanks may be obtained by calling Mrs. Larsen, 311 or Mrs. Haight 241R.

This blood is essential not only to our armed forces but to our county hospitals. The blood products available by your contribution include: plasma, immune globulin, serum, antithemophilic globulin (control of hemorrhage) and resuspended blood cells. ganizations are urged to present

The presidents of all local or- this information to their members at the first opportunity. If registration cards are desired please call either of the above numbers and the cards will be delivered.

The Legion Club has again offered the use of their fine club rooms and the Hospital Auxiliary will operate the canteen. Nurses aids and volunteer registered nurses are needed to assist the unit.

This is a Tecumseh Project!

Mrs. Donald Groeb Victim Of Hunting Accident

Mrs. Donald Groeb, 36 years old, wife of Ernest L. Groeb of Tipton, was accidentally killed Monday evening while hunting in the field back of the Groeb barn. She and her husband were returning from hunting about 5:45 p.m. when the gun accidentally went off hitting Mrs. Groeb in the face and head. She was taken to Bixby hospital in Adrian by ambulance, but died soon after admittance.

Mrs. Groeb was a member of the Tipton Grange, Clinton Methodist church, and the Tipton Ladies Aid Society.

Survivors besides her husband are one daughter, Carol, 13; three sons, Ernest, jr., 16, Victor, 10, and Phillip, 9; her parents, Mr. and Mrs. Ralph Hardy of Jerome; two sisters, Mrs. Walter Sneary of Jerome and Mrs. John Wisner of Addison; two brothers, Ralph Douglas Hardy of Tipton, and Boyd Hardy of Jerome.

Funeral services will be held today (Thursday) at 2 p.m. at the Green Funeral Home. Burial will be in Tipton cemetery.

PURCHASES BEAUTY SHOP

Mrs. Adalene MacKenzie announced that she has purchased the Brown Wig from Ernest Gove. Mrs. MacKenzie will continue to operate the beauty shop under the same name. She has been employed at the shop for five years.

The Editor Says

LIKE THE SPIRIT OF '76—If an Armed Forces recruiting officer had set up shop outside last week's Lenawee county band festival, he could have done a land office enlistment business.

Like the feeling that pounds within the human breast when the flag comes passing by to strains of Battle Hymn of the Republic, there's something about the stirring music of a marching band that makes every American want to sign-up and fight for the home of the free.

That same feeling is portrayed in the famous painting, Spirit of '76—a three man regimental band that blared forth with the nation's first notes of liberty.

Next year's seventh annual county festival is already in the making although the modest mastermind, who completed all the backstage arrangements, has not announced a theme. He is, of course, Tecumseh's dean emeritus of band music, Clare Camburn, who scored a smashing hit with the "Holidays Theme" this year.

Tecumseh can also be proud of its own band which portrayed Labor Day. Other bands from all corners of the Lenaweeland carried the theme out with Sand Creek presenting New Year, Onsted, Valentine Day; Blissfield, Easter; Hudson, Memorial Day; Morenci, Fourth of July; Adrian, Halloween; Clinton, Armistice Day; St. Mary's, Thanksgiving, and Addison, Christmas.

At the close of the program all ten bands brought the crowd up with Beautiful Saviour.

NO QUESTION ABOUT IT—The National Safety Council makes a very worthwhile appeal to people to quit worrying, especially about two things they have no control.

There's no question about their being right, for these two things are two DAYS which should be kept free from fear and worry.

One of these days is yesterday, with its mistakes and cares, its faults and blunders, its aches and pains. Yesterday has passed forever beyond our control. All the money in the world cannot bring it back. We cannot undo a single act we performed; we cannot erase a single word we said. Yesterday is GONE.

The other day we should not worry about is tomorrow with its possible adversities, its burdens, its large promise and poor performance. Tomorrow is also beyond our immediate control. Tomorrow's sun will rise, either in splendor or behind a mask of clouds. But it will rise. Until it does, we have no stake in tomorrow, for it is as yet unborn.

This leaves only one day—today. We can fight the battles of just one day. It is only when you and I add the burdens of those two awful eternities, yesterday and tomorrow, that we break down.

It is not the experience of today that drives men mad; it is the remorse of bitterness for something that happened yesterday and the fear and apprehension of what might happen tomorrow.

Let us, therefore, live but one day at a time.

— o —

GOOD OLD COOPERATION—There's nothing like old fashioned cooperation; whether it be in the office, at home or anywhere along the byways of life.

And cooperation isn't always an involved procedure of doing complicated things for other people, it can be a simple word of uplifting encouragement, a verbal pat on the back for a job well done.

The Herald is operating after the shocking loss of its pilot whose mark was left indelible on the community he loved.

Anything that is written now about this loss to the paper, to Tecumseh, to the world would be anti-climatic. His work speaks for itself, his friends know the many years of inspiring association he left.

Your continued cooperation with the Herald, whether you be an important member of the big family we call "readers," an advertiser, a source of news or just a plain friend with a well spoken word—will be appreciated.

— o —

BIG THINGS AHEAD—Indications at Monday night's town meeting point to big things ahead for Tecumseh. Things that mean continued strides in progress. Things that mean modern and healthy growth. It is easily recognized that the village is bursting at the seams with growth.

Constant callers at the Herald office seek homes to rent, apartments or even rooms. Anything to establish here so they can go to work and someday move their families to town.

In the course of this growth the village must expand, offer new facilities and perhaps someday give all the benefits of a modern city.

Town meetings should play an important part in this development to keep the people close to their community, close to their local government and close to their leaders.

Flowers Mean More Than Beauty Alone

They convey the respect and regard of associates and friends. They are the love and affection of dear ones. They are the living symbol of the good done on this earth by the soul departed.

Flowers have through the centuries been an emblem of regard at time of burial — one of the finest traditions of the Christian world.

Hayden's Feeds Lead In Disease Control . . .

No one factor affects chicken profits more than disease. Healthy flocks gain weight faster, lay better, and have fewer losses.

Practically every authority credits lower chicken losses and higher health standards prevalent in Lenawee County to advanced feeding care. In this, Hayden's Feeds have contributed much. It is little wonder that so many stick to Hayden's feeds as best for their flocks.

David Crosby, Larry Dean Flowers, Roger Fox, Ellery Fergason, Gary Hicks, Robert C. Holmes, jr., John Johnson, Jerome Kemp, Barry Kroner, James Marsh, Richard Meads, Kent Naugle, Raymond C. Osburn, Bruce Parrett, David Quick, Robert Richards, Michael Rohrer, Tommy Smith, Ross Stephenson, Eugene Verrier, John Whitney, Robert Wilbar, and Gordon Williams.

During the month the Cub Scouts have been working on their achievements and electives, and to show their work five dens had exhibit tables. Dens 6 and 10, with Mrs. Dan Betzoldt and Mrs. William Underwood, den mothers, showed their scrapbooks. Den 4, led by Mrs. Wilbur Andrews and assisted by Mrs. Donald Beevers, featured handicraft. Den 9, Mrs. Harold Morey, den mother, assisted by Mrs. Anna Grigg, presented their collections. Knots were shown by Den 11, led by Mrs. R. C. Osburn, assisted by Mrs. Robert Bonner.

A skit on pets was given by Den 8, Mrs. Donald LaBounty, den mother, assisted by Mrs. Luther Kemp. Den 3, with Mrs. Charles Stephenson, den mother, assisted by Mrs. George Meads, showed a map of Tecumseh made for the "Know Your Neighborhood" achievement. The "Reading" achievement was featured in a skit by Den 5, led by Mrs. Paul Eddy, assisted by Mrs. Ralph Helzerman.

The parents were shown a film on the Cub Scout achievement program, which was presented by Donald LaBounty and Gilbert Nighswander, and a discussion period followed. Mr. Smith told the parents that Pack 4 has grown so large that it should be divided into two packs, but additional help is needed from the parents in order to accomplish this. Mrs. Anna Grigg asked that anyone having used Cub uniforms to sell should contact her.

Awards were made to the following Cubs: Charles Baird, bear badge, gold and five silver arrow points; Ralph Helzerman, silver arrow under the bear rank; Sheldon Nichols, lion badge, gold and one silver arrow; Teddy Kempf, one silver arrow under the lion rank.

Five new den chiefs were presented with their den chief cords and leadership warrants. The boys are Jerry Robinette and Ronald Butler of Troop 73; David Rutherford, John Conklin, and Greg Mason of Troop 4. Den chiefs who worked with the pack last year and are continuing this year are Jerry Butler, Richard French, Max Smith, and Barry Packard of Troop 4, and William Lopshire of Troop 73.

Mr. Smith introduced the new pack committee consisting of Samuel Whitney, cubmaster; Gilbert Nighswander, assistant cubmaster; Reginald Dixon, chairman of the pack committee; J. W. Naugle, award chairman; Donald LaBounty, secretary; Virgil Tucker, treasurer; Bobby Robison, property chairman, and Donald Beevers and William Underwood, pack committeemen. Mrs. Harry Crosby will act as pianist for the pack.

Den 7 with Mrs. Max Smith, den mother, assisted by Mrs. Al Williams was the winner of the attendance award, with 93% of its Cubs and parents present. The meeting closed with Den 7 showing the "Living Circle," and urging the parents to get out and vote on November 4th.

gestion at the meeting that fluorescent lighting be considered against incandescent.

Keynote speech of the evening was Village president Ed Heilman's request to Bob Moore that the Chamber work hand in hand with the light committee.

The public airing followed a routine discussion of bills by the Council. Henry Pennell, Jackson, Consumers Power lighting engineer, was first and principal speaker.

He outlined the background of Tecumseh's electric lighting history and told of the need for "more light in the downtown area."

With the new lighting, he explained, you could read a newspaper downtown and driving safety would be increased.

Pennell went on to tell of lighting in other towns and of the acceptance of wooden poles though opposition was raised at first.

He said Consumers were generously giving these poles free to Tecumseh and would maintain them at no cost to the village while steel poles would be expensive, hard to obtain and as they would be village property, they would be maintained at the tax payer's expense.

There was a general exchange of opinions on the looks of wood poles vs metal poles with Mr. Moore climaxing the discussion with a summary of local opinion that wooden poles are a definite "step backward for a community that is going ahead."

He told of visiting Blissfield which has high poles but dimmer light. He said that when his party returned here that this was the "best looking lighted place" they had seen.

Joe Rohweder told a little of underground wiring in the village, of its condition after 30 years use and of the high cost of upkeep.

Moore said the people he had talked to favored underground wiring vs overhead wires. He said the C of C recommends that wires be left underground and the old poles remain. Possibly a new type fixture could be put on the old poles, just what fixtures he was not ready to propose. The question deserves consideration.

So in conclusion, the group of citizens and the village Council were agreed on a more united action for the street lighting question which was temporarily tabled and will come up for final decision in a month or so.

Bridge Finish

(Continued from page 1)

Present phase of construction includes final completition of all work except laying the main span. This will be done by the end of October when workmen will return to their Ft. Wayne homes for a month.

They will return when steel is delivered and work right through the winter to finish the entire job with an eye on opening the new $100,000 M-50 bridge Feb. 1

TRUCKERS STRIKE HALTS PAVING

Meanwhile construction work on highway M-50 which is rapidof town was delayed by another strike. This time a trucker's walk out forced a shut down of operations when the paving crew ran out of cement.

A half mile remains to be paved before the Knapp road contracting firm completes the entirely nearing the end of paving east east stretch opening Tecumseh's first main artery of traffic after a summer's detouring.

The giant paver will then move west as plans call for November work on the gap between west city limits and Billington's corners. Weather permitting, the job will be completed early in December.

OVER-FIFTY GROUP ENJOYS YESTER-YEAR PROGRAM

The "Over-Fifty" group held a potluck luncheon meeting in the Tecumseh Methodist church last Thursday. Following the luncheon at twelve o'clock a short program was presented on the elections of yester-years. Much interest was shown in the subject as many recalled the torch light parades which preceded the rallies held in the old opera house which is now the Strand Theater. The candidates or their representatives would be present to meet the people and make their promises. Also many homes would display the pictures of their candidates and would be serenaded by the respective political party during the parades. However, the picture changed somewhat when women were given the right to vote because, in some cases, there aren't enough windows or space to display pictures of both parties. Following the elections there would be huge bon-fire celebrations promoted by the men and boys while the women looked on.

Democrat street in Tecumseh was formerly called Sycamore street but the name gradually got changed because so many democrats once lived on that street.

Another part of the program was group participation in a game called Information Please in which they answered questions regarding the presidents, their wives, and incidents in their lives. Mrs. A. W. Kopke gave a group of readings by popular request. Mrs. Fred Rector, Mrs. George Wittrup, and Mrs. T. Rentschler served as a committee for the occasion. Mrs. Gerald Dunn of Grand Rapids and Mrs. Mabel Wilson of Burbank, California were out of town guests.

ST. PETER'S AUXILIARY PREPARES FOR BAZAAR

Sixteen members of the Woman's Auxiliary of St. Peters Episcopal church met in the parish house last Thursday afternoon. Mrs. O. W. Laidlaw presided at the business meeting. Plans were completed for the Country Store booth at the Bazaar October 30 and the beef supper. Mrs. Richard Dewey is chairman of the dinner; Mrs. Wilbur Andrews, chairman of the dining-room; Mrs. Lavern Russell, the tickets and Mrs. Lynn Hubbard, publicity chairman. The Auxiliary voted to purchase drapes for the parish house which is being redecorated.

Seven members attended the Southwest Convocation in Ann Arbor October 3 and gave reports. The November meeting will be an election of officers.

Hillsdale Next For Indians After 59-7 Defeat By Bedford

All the color and thrills that go along with a Homecoming football game will be displayed by Tecumseh's victory hungry Indian rooters Friday night when Hillsdale invades for a conference clash.

Tecumseh is still searching for grid victory number one after Bedford Agricultural buried the Lawsonmen last week 59-7. The Indians were brave in their fourth straight setback but they needed more than bravery as the score shows.

With Bedford monopolizing the first three periods, Jack Betzoldt, late in the final stanza, passed to Bill Beardsley for the Indian's only TD. Betzoldt added the extra point.

Line-ups for the game:

Bedford

Center: Shepard; guards: Afkins, Connor; tackles: Neiderhauser, Ahrendt; ends: Myers, Winteringham; backs: Trychell, Estes, Ocenbaugh, Spotts.

Touchdowns: Ocenbaugh, Estes (4), Fulecky, Rollman (2), Meyers.

Extra points: Spotts (2), Winteringham, Eff, Fulecky.

Tecumseh

Center: Binns; guards: Stutsman, Baldwin; tackles: Butler, Boltz; ends: Greenwald, Beardsley; backs: Hunt, Vanderpool, Betzoldt, Hart.

Touchdown: Beardsley.

Extra point: Betzoldt.

Score by quarters:

Bedford	20	13	19	7—59
Tecumseh	0	0	0	7— 7

Officials: Reeves, Toledo; Waring, Dundee; Powers, Ida.

INDIANS STAMPEDED BY MULES

The Tecumseh Junior Varsity football team fell prey to the Bedford Reserves, 36 to 0 on the Athletic Field here Monday at 3:30 p.m. Bedford turned an early score into a rout as our J.V.'s blocking and tackling failed.

(A Story)

The weekly meeting of the Goggeldegook Club was held in room 407 of Tecumseh High School on Wednesday, October 22.

The main topic in the business part of the meeting was to determine how the group could earn money to visit the famous Mule Ride ranch in Nevada. The group approved the idea of Mr. Doubletalk. The idea was to sell glazed donuts in the downtown district on Saturday mornings.

After the business meeting was over, the president of the club introduced Mr. Whip, an instructor at the Mule-Ride ranch. Mr. Whip gave a talk on the importance of the mule and how it should be treated. One of the highlights of his talk was on the use of the mule in mountainous countries as a pack animal. The group enjoyed Mr. Whip's talk very much.

After the serving of punch, the meeting was adjourned.

Britton

O'Hara — Brown

Mr. and Mrs. Clyde Brown are announcing the marriage of their daughter, Beverly Mae to Norbert O'Hara, son of Mr. and Mrs. Thomas O'Hara of Tecumseh. The wedding took place Oct. 17 at the Chapel-In-The-Garden, Angola, Indiana. Doris Tarran and Allen Johnson of the Michigan State Normal College, Ypsilanti, attended the couple. Mr. O'Hara is attending Michigan State College at E. Lansing and will graduate in December.

The Britton-Macon Agricultural School has made arrangements with the Jimmy Hunt Dance Studio of Ypsilanti to send a dancing teacher to Britton one afternoon a week to give dancing instructions to pupils of school age. The teacher, Miss Jane Helveston who will give instructions in tap, ballet and ballroom dancing will be here each Monday afternoon starting Oct. 20 for a period of ten weeks.

The Dorcas class of the Congregational Christian church met Thursday at the home of Mrs. Carrie Murphy for a luncheon served by Mrs. Camilla Downing and her committee to the 30 members and guests present. A busines meeting conducted by Mrs. Florence Gibson followed the luncheon. The program included group singing led by Mrs. J. Morgan Reese; two interesting readings by Mrs. Gibson and Mrs. Sylvia McElroy. Rev. Reese gave a short talk on the new version of the Bible. A song closed the meeting.

Mrs. Ernest Maschino, Mrs. Charles Ricicia, Mrs. Julia Kutzner and Mrs. Andrew Crutchfield accompanied by the ten varsity and reserve cheerleaders were in Toledo Friday where the girls purchased their cheerleaders' outfits.

Mrs. Ed Rodgers and Mrs. Ford Exelby were at Birch Run, recently to attend the funeral of John Fisher. Mrs. Fisher is the father of Belva Weichener of Corvallis, Oregon, formerly of Britton.

On Friday Rev. and Mrs. J. Morgan Reese of the Congregational Christian church took 18 young people and three adults on a well planned and interesting tour of three of the largest Toledo churches, a Protestant, a Catholic Cathedral, and a Jewish Synagogue.

Mr. and Mrs. Louis Finsel and son, Mr. and Mrs. Edmund Johnson and sons and Mr. Wendell McAllister of Detroit, Mr. and Mrs. Robert Billeau and family of Tecumseh and Mr. and Mrs. Robert Rainey and daughter of Onsted were recent guests of their parents, Mr. and Mrs. William Gottschalk for a potluck dinner in honor of their father's birthday anniversary. He received many nice gifts.

Rev. and Mrs. J. Morgan Reese have been attending the midwest regional meeting of the Congregational Christian churches which consisted of delegates, ministers and laymen from several states at the First Congregational Christian church in Toledo.

Mr. and Mrs. Wayne Dunbar and son and Mrs. Andrew Crutchfield and children were Sunday callers on Mr. and Mrs. Leonard Cundiff and family in Weston and Mr. and Mrs. Leland Richardson and daughters near Adrian.

Mrs. Robert Gibson fell in Kuster's grocery store Saturday evening and suffered a fractured left wrist.

Sunday guests of Mr. and Mrs. George Forsyth and family were Mr. and Mrs. Walter Johnson and Mr. and Mrs. Robert Wright of Detroit.

Rev. Eula Utman, formerly of Britton, who has been residing in the state of Virginia for the last 21 years, has returned to Ann Arbor to make her home and was a Sunday guest of Mr. and Mrs. Byron Covell. Afternoon callers in the Covell home were Mr. and Mrs. Harold Covell and son, Bobby, of Clinton.

Mr. and Mrs. Gerald Benedict and son Gerry and Mr. and Mrs. Ronald Frayer were in Detroit. Sunday, and attended a football game at Briggs stadium. Later they called on Mrs. Margaret McCarbery and children in Dearborn.

Mr. and Mrs. Lawrence Dunning, Mrs. Jennie Lowe and Miss Louella Haynes of Ypisilanti were Sunday callers in the G. L. Gripton home.

Sgt. and Mrs. James Gephart who were recently married and have been visiting in the Rev. E. H. DuBois home left Thursday for Quantico, Virginia, where Mr. Gephart is stationed with the Marines.

Mr. and Mrs Charles McNamara and sons of Detroit were Sunday guests of Mrs. Flora Exelby.

Mr. and Mrs. Clarence Exelby were in Dearborn over the week-end the guests of their son and wife, Mr. and Mrs. Donald Exelby.

Mrs. Fred Rieve and daughter Marian and Mrs. Robert Brady of Whitmore Lake spent the week-end in the northern part of the state.

B. P. W. C. TO MEET

The October meeting of the Business and Profesional Woman's Club will be held in the Fellowship Center of the Presbyterian church Monday evening, October 27. The tour of the Clinton Woolen Mills has been cancelled until a later date, so the program committee, Mrs. Margaretta Brisbin and Mrs. Harry Stanifer, have planned a surprise program. The hostesses are Mrs. Edna Staulter, Miss Elizabeth Chase and Mrs. Lela Colson. For those who do not have telephones please contact one of the hostesses.

HOSTESSES FOR LUNCHEON

Hostesses for the one o'clock ladies luncheon at the Tecumseh Country Club Wednesday, October 29 will be Mrs. M. G. Partridge, phone 144J and Mrs. Owen Partridge, phone 303R. Reservations are to be made not later than Tuesday noon.

1st Quarter Savings Set Postwar Record

Washington — Americans saved more money during the first three months of this year than in any first quarter since World War II, reports the Securities and Exchange Commission.

The total of $2,700,000,000 represented savings in currency and bank deposits, in savings and loan associations, private and government insurance, securities and time repayment of mortgage and other consumer debts.

The SEC noted that individuals made the largest net purchases of U. S. Government securities during the period than they have since the first quarter of 1949, increasing $900,000,000.

What Makes The Wheels Go Around?

Look around you and you can plainly see American industry and labor at work creating our military and civilian needs at a faster and faster pace to meet the requirements of our present situation. But behind it all are the investments of all Americans, investments that buy the equipment and the materials needed to keep our factories going. It is your savings, deposited and earning interest, such financial institutions as ours that power the wheels of industry spinning. All Americans who save are part of this picture. Are you?

Parsons Gives Dairy Pointers

FORMER TECUMSEH TEACHER LISTS THREE METHODS FOR IMPROVEMENT

Many farmers aren't making full use of the profit-making opportunities provided by dairy herd improvement association records.

There are three methods of improving the efficiency of Michigan dairy herds through information provided in DHIA records, says George E. Parsons, Michigan State College extension dairy specialist.

For one thing, DHIA records provide a reliable record from which a dairyman can retain or cull animals from his herd. "There are two kinds of cows," Parsons explains, "those which keep the dairyman and those which the dairyman keeps." These records will help put the non-profitable animals in the slaughter house where they belong.

The DHIA records also provide a basis for a sensible feeding program. In addition the yearly records provide the basis for a sound breeding program. This third value of DHIA records is a big one.

Parsons explains that by reporting all of the lactation records, a proof will be assembled and reported on the herd sire. To further make use of these records the dairyman should refer to the back section of the DHIA book for instructions on how to make a herd analysis.

A herd analysis will show in an easy-to-read graphic form what has been happening in the herd during the years while it was on test. Parsons says it will show certain families of cows within the herd which have consistently good. From such a family you will want to save heifer and bull calves.

Dwight D. Eisenhower

PROSPERITY with PEACE is the GOP GOAL

Let's Have a Government People Can Trust!

Under the leadership of Dwight D. Eisenhower, the United States can build a wholesome prosperity based on peace — not war.

That is one of the fundamental objectives of the Republican nominee for President as the GOP fights to sweep out of office a Democrat administration which has bungled the nation into the Korean war and close to World War III.

The first step must be to get rid of the mess in Washington by getting rid of "the wasters, the bunglers, the incompetents and the boss politicians who created it," says Eisenhower.

"We will win this battle for peace only after we have won the battle of Washington," declared the GOP presidential nominee.

"The real issue of this campaign is the mess in Washington."

Alger Urges Lower Costs, Not More Tax

Fred Alger

Fred Alger insists that lower costs of government — not higher taxes — are the answer to Michigan's present financial crisis. "The State of Michigan, like you and me, can go broke too. And the State will go broke if it keeps on spending more than it takes in," Alger insists.

KEEP MICHIGAN FROM GOING BROKE.

THE TECUMSEH HERALD

ONE HUNDRED SECOND YEAR — NUMBER 4 TECUMSEH, MICHIGAN, OCTOBER 23, 1952 5 CENTS A COPY

Mary Ellen Coy Weds Virgil Bales Jr.

The United Brethern church in Adrian was the scene of a lovely informal fall wedding Sunday afternoon at 2 o'clock when Miss Mary Ellen Coy daughter of Mr. and Mrs. Homer F. Coy of 20 West Brown st. became the bride of Virgil W. Bales, jr., son of Mr. and Mrs. Virgil W. Bales, sr. of Route 1, Adrian. The Rev. H. B. Peter performed the double ring ceremony. The church was decorated with baskets of palms and tiered candlebra.

Mrs. Roy Waldfogel of Adrian, played nuptial music while the ushers seated the guests. They were Wade Gehring and Merrill Bales. Mrs. Waldfogel accompanied Miss Norma Lee Pifer as she sang, "Because," and "The Lord's Prayer," during the ceremony.

The bride given in marriage by her father, chose for her wedding a light blue suit with black accessories and carried a whitet Bible topped with a white orchid and white satin streamers with mumbuds attached. She was attended by her sister, Mrs. Guy Gillin, as matron of honor, who wore a light brown suit with brown accessories and a corsage of white mums.

Herbert O'Haver, jr., attended Mr. Bales as best man. Both wore white carnation bouttonairen.

Mrs. Coy, mother of the bride, wore a blue-gray suit wiwth black accessories and a corsage of gold mums. Mrs. Bales, mother of the groom, wore an aqua dress with black accessories and a gold mum corsage. The grandmother of the bride wore a black and white dress and a gold mum corsage.

A reception was held at the home of the groom's parents immediately following the ceremony for 110 guests, registered from Toledo, Stryker and Cleveland, Ohio, Fort Wayne, Ind., White Pigeon, Munith, Jonesville, Luna Pier, Onsted, Brooklyn, Adrian and Tecumseh.

Mrs. Jimmie Gifford of Adrian cut the cake, Miss Judy Jasmound served and Mrs. Wade Gehring was in charge of the gifts.

Mrs. Bales wore the suit she was married in for traveling and wore the orchid from the Bible. After a short wedding trip Mr. and Mrs. Bales will reside near Adrian until Mr. Bales leaves for California for navy reassignment. The bride will then make her home with her parents. She is a graduate of Adrian high school with the clas of 1951 and is employed at Herrick Memorial Hospital. The groom attended Adrian high school and is now serving with the U. S. Navy.

Mario Lanza and Doretta Morrow blend voices in this scene from M-G-M's musical "Because You're Mine." James Whitmore co-stars. Tues., Wed., Thurs., Oct. 28, 29, 30 at the Strand Theatre.

WOMAN'S ASSOC. PLANS FALL FESTIVAL

The regular meeting of the Woman's Association of the Presbyterian church was held Wednesday evening in the Fellowship Center of the church with 30 in attendance. Mrs. Frank Smith presided at the meeting, with Mrs. Glenn VanDenbergh in charge of devotions. Members were reminded by the Fall Festival committee to get their tickets for the dinner November 6, which will be served from 5 o'clock until all are served. Tickets will be on sale at Sluyters, Ousterhouts, Porters and Bancrofts. The festival doors will be open at 10 a. m. Thursday morning, November 6. Mrs. Jessie Sluyter made a request for all Gold Medal coupons to be returned at once so the spoons may be ordered to match the knives and forks. The Association agreed to send one Christmas box to Rev. and Mrs. Herbert Peters of Tamarack, Minn., missionaries in a lumber camp there. Christmas greetings will also be sent to all service men of the church. Pie baking day will be held at the church today (Thursday) from 9 a. m. with lunch at noon. Coffee will be furnished. Plans are to bake 85 pies and members are asked to bring their own equipment.

Rev. George Walworth showed the film "Feed My Sheep," for part of the program and the remainder of the evening was spent sewing on the projects for the Festival. Refreshments were served by Mrs. Charles Stephenson as chairman assisted by Mrs. Frederick C. Dickinson and Mrs. Earl Baldwin.

The December meeting will be a joint meeting with the Men's Club in the Fellowship Center December 10, instead of the regular meeting date Dec. 17.

-so are we!

RECENT PRISON RIOTS cost you and your fellow Michigan citizens about $2,000,000! The supervisor of Michigan State Prisons—appointed by the Governor—and the Governor himself, failed to act in time to prevent these costly riots. Later, a "truce" was made with the surly prisoners and YOU bought them steak, ice cream and other favors for their promise to be "good boys" in the future!

WHO CONTROLS OUR GOVERNOR? Find out who ordered him to open the prison gates for a goon-squad leader convicted of destroying property. Find out who ordered him to veto the "Good Roads Program" to take Michigan out of the mud. Find out who ordered him to veto the loyalty board charter amendment to Detroit's city charter and told him not to let the legislature consider anti-communist laws in a special session.

THESE SPECIAL GROUPS can get favors and privileges from the Governor's office because they "control" the Governor. He owes allegiance to them because they are the back-bone of his support. They are not interested in what is good for the State of Michigan but only in what will further their own ambitions and lust for power. These groups are controlled by a few men who dictate policy and act as political advisors to the Governor. They are responsible to nobody but themselves. This secret political bossism in Michigan must end!

SURE, YOU'RE BURNED UP! Well, do something about it, this time! Get Michigan State Government back in working, do-something order! Show them you *mean* it, by voting straight Republican . . . on November 4th!

From where I sit ... *by* Joe Marsh

Wonder How Miss Gilbert Is in "Histery"?

By now I guess you've heard about the spelling errors in the kids' report cards this week.

A typical card looked like this:

Arithmetic............B
Geography............B–
Spelling..............C
Grammer..............B

I don't know if Miss Gilbert, the principal, actually wrote those cards, but she took full responsibility. This morning I hear she got up in the Assembly Hall—before all the students—and started writing GRAMMAR with two "a's" on the blackboard 100 times!

From where I sit, I'll bet this makes her even more popular with the students. It's nice to see an expert admit she occasionally makes a mistake. Too many so-called "experts" claim they're *never* wrong on such subjects as what you or I ought to eat . . . what we should wear . . . whether we should enjoy beer or buttermilk. A really wise person never claims to "know all the answers" all the time.

AGRICULTURAL AGENT CAUTIONS FARMERS ON FIRE LOSSES

Smoking and gasoline, lightning and electricity and overheated stoves and haymows cause many thousands of dollars of Michigan farm fire losses, cautions L. G. Hall, county agricultural agent.

The real villian in farm fires, however, according to the agent, is negligence on the part of farmers.

Careful checking against things that will burn coming in contact with things that set fires will pay off all year long, advises the agent

Hotels have rules against smoking in bed and it's good advice on the farm too, according to Hall. Every day 10 people die in fires and many of them are on farms, ter.

Gasoline, used in tractors and many other ways around farms, can be a wonderful friend of the farmer but also a great enemy if not stored properly, explains the county agricultural agent. Lightning rods are not put on homes for decorations, he continues, but if they are not put up right, are not built right, are not grounded against a bolt from the blue, they aren't even good decorations.

The farmer who plugs one appliance and piece of electric equipment after another on to the same circuit is looking for trouble greater than a blown fuse, according to Hall. Electricity must be handled properly or it enslaves its master and burns his home and barn, he warns. Defective fire-pots or defective chimneys are good invitations also to a disastrous fire and the agent urges farmers to check up now for winter.

Hay in the barn may not be as cool as it looks, he stresses, and if a farmer has a friend with a hay prod thermometer, take its temperature and don't wait for a case of spontaneous combustion, he concludes.

POLIO GAMMA GLOBULIN NOT AVAILABLE NOW

The Michigan Department of Health has notified local health officers and practicing physicians that it will not distribute its limited supply of gamma globulin for use in preventing polio because there is not enough evidence of its effectiveness to warrant such action.

The supply available from the state health department is restricted to the proven use of preventing or modifying measles.

The Department's statement on the use for which its gamma globulin is distributed was issued in response to numerous requests from physicians who are being besieged by parents who want their children to have the gamma globulin treatments.

The health department also stated that it "does not encourage the use of gamma globulin in the prevention of poliomyelitis."

Each time a farmer leaves the tractor seat during corn picking, he's that much nearer to being an accident statistic, notes David Steinicke, safety specialist at Michigan State College.

"Best Seller" that's too good to miss

Yes, this is a Riviera. Sleek and swift-lined, like a convertible. Solid-topped like a sedan. Six-passenger roomy—and just about the smartest number that's made its bow in years.

And how folks love it. The day it was first displayed, orders started rolling in.

The rest of the industry too': a look—and decided to make a carbon copy.

Over the years, these "hard top" jobs have spread to every price range—including the big-volume, lower-priced three.

But this Buick version has forged ahead in popularity—and today it's the "best seller" in the whole "hard top" field—bar none.

What's the reason?

Well, it is—as you can see—a smoothie to look at and a smoothie to drive.

It's a Buick—with Buick's famous Fireball 8 Engine—Buick's marvel Million Dollar Ride—Buick's exclusive Dynaflow Drive* — Buick room — Buick's Power Steering† — Buick comfort, Buick style—and Buick durability.

And when it comes to price — you will find out this: What you pay for a Special, a Super or a Roadmaster Riviera will shine by comparison with the price tag of anything in their fields.

Isn't that enough to make you want to try out a Riviera today?

*Equipment, accessories, trim and models are subject to change without notice. *Standard on Roadmaster, optional at extra cost on other Series. †Optional at extra cost on Roadmaster and Super only.*

LOUIS BUSH AWARDED COMBAT BADGE

Cpl. Louis F. Bush, son of Mr. and Mrs. Leland D. Bush, Route 2, Tecumseh, has been awarded the Combat Infantryman Badge while serving with the 25th Infantry Division in Korea.

The badge is a symbol of the frontline fighting man. It consists of a miniature Revolutionary War rifle mounted on a blue rectangle with a silver wreath.

Corporal Bush, who arrived in Korea in June of this year, is a squad leader in Company I, 14th Infantry Regiment, 25th Division.

A 1950 graduate of Michigan State College, he was engaged in farming before entering the Army in March 1951.

FARMERS WARNED OF "PICKER" ACCIDENTS

Corn picker operators can take their choice between playing safe and helping swell the accident statistics, offers Louis Hall, Lenawee county agricultural agent. Casualties can result in barns, in fields or on highways, he warns, and during adjustments as well as in operation.

An estimated more than half million mechanical pickers will be used in the 1952 corn harvest and the National Safety Council expects accidents to be both gory and costly, Hall advises. Accidents can be held to a minimum, he contends, with careful operations.

TUESDAY, NOVEMBER 4TH

A Day For Profound Judgement

By A. C. "Bill" Hamaker

In the maze of claims and counter-claims, charges and counter-charges, it is easy to lose sight of the real issues at hand in our National Election next Tuesday. But the fact remains that the American people appear to be in ernest at this time in seeking out the truth, and will vote accordingly. A brief summary of considerations is therefore in order.

Of the political parties from which a choice will be made, little can be said now that is not already well known. The Republican party had a slim majority in Congress for but two years of the past twenty years. As a minority group, it has served well in aiding constructive and progressive legislation, and has been an effective counter-weight in checking in time many impractical and unfair measures. Even the Democratic Congress has rebelled at many proposed laws and acts advanced by administration forces.

But not so with Senator Blair Moody, the Connecticut squire wheedled into the Senate to represent Michigan by the accident of death. His antics in attempting to split his own party at the Chicago convention for personal advantage are too fresh in the minds of Michigan voters to give him even an outside chance for election. A political progeny of Gus Scholle and the teamsters union, he has failed in every test as a representative of the people of Michigan.

The Democratic administrative forces in Washington have a sorry history. A continuous procession of graft, dishonesty, influence peddling and corruption that has shocked the world has often had the approval and blessing of the Attorney-General, the State Department, and the President himself. It's record for waste, dishonesty and scandal has probably never on this earth been equalled. Usurping dictatorial powers and seizing private property for the benefit of pressure groups eventually drew the wrath and power of the Supreme Court—a performance that is forever a blot on the decency and dignity of our Presidents. The parade of thousands upon thousands of one kind or another through these government jobs, many remaining but for days or weeks is proof enough of the disorganization present.

Now look at the men involved. Of Harry S. Truman little need be said. Reared in the Pendergast school of Kansas City gutter politics, he is playing them to the last, indelibly branding the man he has chosen as his successor with the foul principles and prac-

Work Continues On Still Home

FUND REACHES $341. RACE AGAINST WINTER

Citizens of Tecumseh and Clinton who started the Billy Still Family Fund eye the calendar on one hand and the partially completed home on M-52 a mile south of Clinton, on the other and hope for continued contributions to complete the job before winter arrives.

To date the fund has swelled to $341 with the home without a roof.

Billy, 28, Navy and Marine Corps veteran of World War II, is in an iron lung. A polio victim, he has been in a "lung" since Aug. 12.

He hopes to return soon, to a modern home, winterized and warm. The Stills have been housed in a garage type dwelling which Billy constructed. He had just started erecting the present house when stricken.

A sign is on the highway marking the home where workers will again gather Sunday for a bee to add partitions and put on a roof.

Further contributions to the Billy Still Family Fund can be made to either Junior Stoner at the United Savings Bank, Tecumseh, or to W. L. Sproull, State Bank, Clinton.

NOTICE

Curb and gutter petitions should reach the council before January 1, 1953, so that the program may be included in the budget. Full block petitions with at least 50 per cent signatures must be filed. Owners may send or refer the petitions to Robert Kroner, village clerk for handling, so that proper legal procedures may be followed when the petitions are accepted.

My office will be closed on Election Day so that I may vote Yes—No—Yes on the amendments, for King and Kuney as Judges, and Ike all the way; and so I may spend the rest of the day urging fellow citizens to do likewise. J. C. Beardsley. 10-30

Bishop Emrich

The rite of holy confirmation will be administered to a class of eleven members of the St. Peter's Episcopal church Sunday afternoon by the Right Reverend Richard S. Emrich, bishop of Michigan. Immediately following the 4 p.m. confirmation service a reception and tea will be held honoring the visiting bishop and members of the confirmation class. The public has been invited to the service and reception.

Parade Tops Halloween Fun

Hallowe'en will be ushered into Tecumseh Friday evening by costumed members of the younger set who will gather at 6:45 p.m. to form a parade from the corner of Ottawa and E. Chicago.

The line of march for sub-teen spooks proceeds from the meeting corner through the business district and ends with an entrance to the theatre where favors will be given to every youngster in costume. The theatre party starts at 7:30.

During the parade a committee of judges from the American Legion Auxiliary under the direction of Mrs. Dwight Drake will select outstanding outfits.

Announcement of winners in the fifth, sixth, seventh and eighth grade window painting contest had not been made by press time this week as the judging team of Mrs. O. W. Laidlaw, Mrs. Mabel Beardsley and Mrs. Al Merz had probably found the unusual displays of youthful art talent a judge's problem. Announcement will follow later.

PRESBYTERIANS GO AHEAD WITH PLANS FOR TURKEY FEED

Members of the Presbyterian Ladies Aid received the "go ahead sign" for their annual turkey dinner to be held in conjuction with the church's Fall Festival Nov. 6.

C. H. Niggeman, Lenawee county representative of the state department of public health, told the committee in charge of preparing food to "keep hot food hot, cold food cold and not to cook too far ahead".

Niggeman inspected the facilities for preparing food and gave the church group a clean bill of health. He advised the dish washing committee not to towel-dry dishes and to use no disinfectant in washing or rinsing.

He said that turkey dinners have been held for many years and will continue to be held without alarm if church groups will only take "common sense" precautions.

Niggeman withheld any opinion on the cause of food poisoning at the recent Cambridge Junction church incident.

AUXILIARY TO PURCHASE ICE-MAKING MACHINE

Forty tables for bridge, canasta and other games were filled for the annual benefit party of the Herrick Memorial Hospital Auxiliary Thursday evening in the Legion Home. Fifteen door prizes donated by members of the Auxiliary were awarded during the evening. Miss Gertrude Spaulding, superintendent of the hospital, and Miss Gloria Walton, assistant superintendent, were in charge of the tea and coffee services when refreshments were served preceding the games.

Mrs. R. F. Helzerman reports a profit to date of $215 which will be used toward the purchase of a much needed ice making machine for the hospital. Mrs. Helzerman was general chairman of the evening, assisted by Mrs. James Barton, Mrs. Vincent Haight, Mrs. J. H. Rohweder, Mrs. Herbert Dillon, Mrs. Laine Holden, and Mrs. Ray Sluyter.

Warn Against Shooting BB's

BIKES RULED OFF DOWNTOWN SIDEWALKS

A two-fold law enforcement program was launched by Tecumseh police this week in an effort to stop outdoor light bulb destruction by BB-gun marksmen and to allow pedestrians more safety on downtown sidewalks by ruling off bicycles.

"There are ordinances covering both these actions", police chief George Kilbourn pointed out in flatly stating they will be enforced in the future.

This drastic step against air rifles follows nearly $100 damage last week to flood light bulbs at Recreation field. Just before the Hillsdale game it was noticed that 10 bulbs had been shot out at a cost of $9.75 per bulb.

Police officers are ordered to confiscate BB-guns whenever found in use anywhere in the village limits in the future.

Chief Kilbourn announced the new policy to enforce an old ordinance which prohibits sidewalk bike riding in the downtown business district after a number of complaints by pedestrians.

"It is dangerous to shoppers to have kids whizzing up and down the walks," he said. Announcement of this action has been made through the schools. Offenders will be punished following the warning.

Funeral Services Held For Mrs. Donald Groeb

The funeral services for Mrs. Donald Groeb of Tipton, who was accidently killed last Monday evening, Oct. 20 while hunting, were held Thursday afternoon at 2 p. m. at the Green Funeral Home. The Rev. R. Simmons of Clinton officiated. Burial was in Tipton cemetery. The bearers were Glenn Harrison, Clifford Rogers and Bedell Williams all of Clinton, George Allen of Tipton, Hamilton Moore and Charles Bigelow of Macon. Friends and relatives attended from Detroit, Flint, Britton, Macon, Saline, Clinton, Addison, Jerome, Adrian, and Tecumseh.

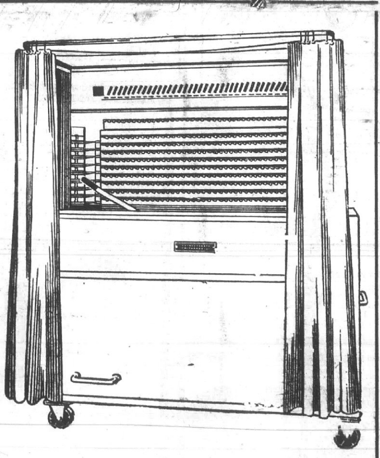
Mills Swick and Clifford Curran are pictured jointly breaking the first ground at Tecumseh Baptist church in an expansive building program. Actual excavation and construction started Wednesday following ground breaking ceremonies at noon Sunday before some 230 people. According to Rev. B. O. Bashore the building program includes construction of an annex directly south of the church which will provide a social hall on the first floor and Sunday school rooms in the basement. Floor space will cover 35 by 60 feet for classrooms to accommodate 225 pupils. The photo by Coller shows a portion of the throng which attended ceremonies Sunday.

METHODISTS ASK FOR CHURCH PICTURES

Members and friends of the Methodist church are asked to bring in new pictures of the Tecumseh Methodist church, before Nov. 9. A new and better picture is desired by the anniversary committee, for use on souvenir plates which will have a picture of the church. Pictures will be judged by a committee, and the owner of the best picture will be given a new souvenir plate.

LUTHERANS TO HAVE NEW ADDITION

Ground breaking ceremonies for the new addition to the Grace Lutheran church will be held Sunday morning immediately following the main service. The new addition will make the present church nearly twice as large. Bert Filter, president of the church council, will break the dirt.



Although Tecumseh township voters used automatic tabulating machines in the primary election, supervisor LeRoy Titley reviews the simple operation of casting a ballot in the following nine steps. "Follow these step by step and you will find voting Tuesday to be simpler, quicker and more accurate", he advises.

1. Move the RED HANDLE to the RIGHT and leave it there. This closes curtains and unlocks machine.
2. To Vote a STRAIGHT TICKET: Pull the lever of your party to the Right. Your party Ticket has now been registered. — **Straight Ticket Levers DO NOT cast a vote for presidential candidates.**
3. TO VOTE FOR PRESIDENT (Presidential Electors). YOU MUST TURN DOWN the Pointer over the Names of the Candidates of the Party for whom you wish to vote.
4. To Vote a SPLIT TICKET: Pull Your PARTY LEVER to the RIGHT. TURN UP the Pointer over the Candidate's name you wish to eliminate and TURN DOWN the Pointer over the name of the candidate for whom you desire to vote for THAT office.
5. To Vote a MIXED TICKET: DO NOT Pull any Party Lever but TURN DOWN the Pointer over the name of each candidate for whom you wish to vote.
6. To Vote the NON-PARTISIAN JUDICIAL BALLOT: TURN DOWN the Pointer over the name of each candidate for whom you desire to vote. Vote for the number of candidates to be elected, as indicated under the title of the office.
7. To Vote on STATE CONSTITUTIONAL AMENDMENTS: TURN DOWN the Pointer over the "YES" or "NO" on each proposition in the column at the top of the machine.

COUSIN OF LOCAL WOMAN DIES IN CLEVELAND HOME

Mrs. Charles F. Rogers, of Cleveland, Ohio, died at 2 o'clock Thursday morning, October 23 at her home. She was the former Lillian Amanda Vershum, born February 10, 1880 in Elinsport, Penn., Lycombing County. She moved with her family 70 years ago settling near Wellsville. In 1910 they moved to Chicago and in 1917 moved to Cleveland. Mrs. Rogers was a member of the Palmyra Presbyterian church.

Survivors besides her husband, Charles, are one daughter, Marion E. Rogers, a missionary in India; one son, Ronald, at home; two sisters, Mrs. A. B. Montgomery of Peidemont, Calif., and Mrs. W. T. Martin of Oakland, Calif. She was the cousin of the late Fred Rector and Mrs. Florence Whelan of Tecumseh.

Funeral services are being postponed indefinitely because of the illness of the son.

Funeral services for Mrs. Rogers were held at the Palmyra Presbyterian church. The Rev. Malcolm McCullough officiated and burial was in the Palmyra cemetery.

FUND SHORT OF GOAL AT DEADLINE

Continued financial support of ten local civic groups is threatened by $1,000 shortage in Tecumseh's Community Fund drive at deadline Wednesday.

However general chairman George Green reports many workers still "out" and hopes are high for reaching the $7,865 goal by the end of the week.

Wednesday morning the fund totaled $6,831. An urgent appeal was issued by Mrs. Richard Preston and Mrs. Frank Smith to workers who have not reported in to "finish up by noon Saturday".

Green said the drive was actually progressing "very well with contributions coming in better than hoped for."

FINAL SERVICES FOR MRS. LULU RUTHRUFF

A former Tecumseh school teacher, Mrs. Lulu K. Ruthruff was buried Monday afternoon in Brookside cemetery.

She died of a heart attack at 2:15 a.m. Saturday morning in her home at 215 N. Union street.

Born in Somerset, Mich., Aug. 19, 1873 the daughter of the late Jay E. and Sophia E. Reed Pulver, she married Charles S. Ruthruff in 1901 after teaching school here. He preceeded her in death in 1937. Two brothers also died previously, Allen W. in 1938 and Benjamin J. Pulver in 1942.

Surviving are a sister Bessie E. Pulver, Tecumseh; two daughters Miss Dorothy Ruthruff, Marshall, Mich., Mrs. Elizabeth Wilson, Newark, N. J.; also several cousins.

Mrs. Ruthruff had been living here for the past 18 years with her sister. She was active in the Baptist church, the Monday Club and the Music Club.

Funeral services were held at the Collins Funeral Home Tuesday afternoon at 2:30 with the Rev. B. O. Bashore officiating. The bearers were Perry Satterthwaite, Floyd Bryan, Glenn VanDenbergh, Jay Stearns, Ellis Amerman and Cyril Amerman. Burial was in Brookside cemetery. Friends and relatives attended from Bellville, Jackson, Cement City, Marshall, Adrian, Newark, New Jersey, Clinton, Manchester, and Tecumseh.

Blaze Battlers Busy In Brush Before Ball ! !

Just a week before Tecumseh's volunteer fire department breaks out with its annual public benefit party, the Fireman's Ball, local blaze battlers suddenly become so busy they are wondering if the force will be dancing or dragging on Nov.7.

"'Tain't fair," one of the younger volunteers exclaimed after three fires Tuesday as the group sat down to make final plans for the come-one-come-all dance at Products Union Hall next Friday.

For the three fires Tuesday were a carbon copy of Sunday's triplicate order. Monday was a day off with a lone blaze.

Each fire, large or small, is an ordeal for the local force of 20 which prides itself in getting out of the fire hall in 45 seconds after the siren sounds.

"'Tain't easy either," relief driver Lester Collier adds after 41 years of continual service. Coller is looking forward to the dance with music furnished by the Products orchestra just as eagerly as some of the younger fox-trotters though the recent three fire routine gives him a reserved spot in the stag line.

Members of the force now include chief Cecil Alderdyce, first assistant Burnell Moon, 2nd assistant Lee Purkey, drivers Chas. Manley and Bob Purkey and reliefer Coller.

On the volunteer list are Leo Alderdyce, Marvin Barber, Max Brandt, Harold Easton, Frank Gray, John Hamilton, Gale Hooten, George Kempf, Roger Linger, Jack Curtiss, Don Purkey, Bob Randall, John Saling and Irving Shaw.

Grass and woods fires have kept the department on the run though a car, a truck and a blaze at the village dump filled out the last three day's routine.

To curtail rural fires no township permits to start fires will be issued during the recent dry spell. These four day permits are issued at the local fire hall and required by the state conservation department.

In fact a general fire prevention request has been issued to hunters, automobile drivers and rural residents to take every possible precaution in avoiding outdoor fires during this dry period.

Frank D. Feight Buried In Tipton Cemetery

Frank D. Feight, age 70 years, of R.F.D. Tipton, died Oct. 21 at his home after a five months illness. He was born April 20, 1882 in Ottawa, Ohio, the son of Mary and William Feight. Mr. Feight married Mabel Townsend August 17, 1904, in Ohio and moved to Michigan in 1911. He has been a farmer in this area for 41 years. Mr. Feight was preceded in death by one brother and two sisters.

Survivors besides his wife Mabel are five daughters, Mrs. Kenneth Dowling and Mrs. John Norcross of Clinton, Mrs. William B. Walker of Onsted, Mrs. Paul Schramm of Jackson, and Mrs. John Braden of Tecumseh; two sons, Brooks at home and Maurice of Onsted; two sisters, Mrs. Alice Heffelfinger of Bethlehem, Pa., and Mrs. Lena Pickens of Lepsic, Ohio; three brothers, Oren of Tecumseh, Harry of California, and Fred of New Orleans; thirteen great-grandchildren and several nieces and nephews.

Funeral services were held at the Proctor Funeral Home Friday afternoon at 2 o'clock. The Rev. F. D. Hague of Onsted officiated. Burial was in Tipton cemetery. The bearers were Thomas Boyd, Gilbert McKnight and Bernard Baldwin of Onsted, Earl Williams, Fay Dowling and Lloyd Crane of Tipton.

Mr. Citizen Speaks Here On V-Day

3,000 JOIN NATION TUESDAY TO SELECT FREE MAN'S GOV'T.

Tuesday will be V-Day in Tecumseh township as local voters join an expected throng of 65,000,000 Americans to select a free man's government.

Voting is an undeniable right of every citizen, a heritage of the republic, a testimony to the responsibility of every individual, rich or poor.

A ballot can be defined as Mr. and Mrs. Citizen's voice in the government. This year every effort has been made to hear this voice.

Locally there are 3,000 voters in Tecumseh township which is divided into two precincts. The NYC railway divides the township. All voters living east of the railway vote in the Tecumseh Council Building. Voters west of the railway go to the Weatherman building.

Polls open at 7 a. m. Tuesday and close at 8 p. m.

To get the vote out, numerous aids have been offered the citizen who in modern times has showed decreased interest in this great American heritage.

First, voting machines were installed to simplify the ballot, speed up casting and assure quicker and more accurate tabulation.

Secondly, business firms and civic organizations have stimulated voting with "Get Out the Vote" programs.

Finally free rides to the polls and free baby sitting will be offered on Tuesday.

There has been more literature, more advertising and more discussion of personalities and topics this year than during any previous election.

For in addition to the party battle which matches Stevenson and Eisenhower for president, Williams and Alger for governor, there are three amendments which have been given considerable emphasis. Amendments two and three could change the state's entire system of legislative proportionment.

Countywise there are six contests for prosecuting attorney, county clerk, treasurer, register of deeds, coroner and drain commissioner. Also on the ballot is a contest for supreme court justice and probate judge. In the latter former Tecumsehite Bernard Williamson, deceased, is slated against Lavon Kuney.

Though both parties differ on political principals, they agree on the importance of "getting out the vote" and of voting early. Locally voters, especially housewives, are urged by election officials to vote in the morning or before 3 p. m. at the latest.

A final instruction from Supervisor L. H. Titley to all voters who have not tried the voting machines prior to election day, "Be sure to follow the instructions on the sample ballot, you must vote individually for president and for each amendment. A straight vote is only good for state and county offices".

METHODIST MISSION TO BEGIN SUNDAY

A United Evangelistic Mission will begin in the Tecumseh Methodist church and all Methodist churches in eastern Michigan, on Sunday. The Mission will combine visitation with teams of laymen doing calling and a preaching mission. Evening services will be held in the local Methodist church each evening next week, Sunday through Friday, at 8 p. m.

A district youth rally will be held in the Ypsilanti Methodist church, Saturday evening at 7:30 p. m. at which Howard Ellis, well known youth leader, will speak. The mission will close with a great mass meeting in the Ann Arbor First Methodist church at 3:30 p. m. on Sunday, November 9, at which Bishop Brashares will preach.

Guest pastor here next week will be Rev. Robert Geiger of Martin, Michigan. Rev. Geiger was a chaplain in World War II. The evening services will feature informal singing of favorite hymns, special music, and preaching. The public is cordially invited.

MAKING OF BRICK AND TILE EXPLAINED AT EXCHANGE

The Tecumseh Exchange Club met at the Tecumseh Country Club Wednesday evening with a large attendance. Ralph Comfort, of the Comfort Brick and Tile Co., was the guest speaker and gave a complete description of the manufacture of brick and tile.

The Editor Says

THE BATTLE OF WASHINGTON—"The first step toward winning a peace that we can trust to endure is to establish in Washington an administration which we ourselves can trust. We will win this battle for peace only after we have won the Battle for Washington."—Dwight Eisenhower.

DON'T LAUGH IT OFF—A disgruntled school teacher handed in her resignation with the following comment: "In our public schools today, the teachers are afraid of the principals, the principals are afraid of the superintendents, the superintendents are afraid of the board, the board members are afraid of the parents, the parents are afraid of the children, and the children are afraid of nobody."

— o —

TWO FRIENDLY NEIGHBORS—The hand that turns the newspaper press has long been known to extend with mutual assistance to neighboring editors in a time of need.

Such has been recently extended to the Herald by next door publisher Duane DeLoach of Blissfield and Adrian Daily Telegram business manager H. F. Baily.

Thus after one hundred and two years of continued publication, week in and week out since 1850, the Herald still finds the Golden Rule a by-word among printers.

— o —

TIME OF DECISION — Just at a time of great decision when your editor was engulfed in the problem of trying to say something new, something inspiring, something earthshaking about the forthcoming election, Bill Hamaker came through with a guest editorial that sums the whole thing on page one.

Read his contribution. It is another step in the trend to arouse voters to go to the polls next Tuesday. Manufacturing concerns, service and community organizations, automobile dealers and others are uniting in this movement to get out the vote, or as the Quaker Oats firm labels their drive "My Vote Counts."

It is hard to believe that in 96,000,000 votes that just one single ballot counts so much, but three presidents, Adams, Jefferson and Hayes were elected by one vote. Military conscription was passed in the dark days of 1941 by one vote. Five states, three governors and ever so many other events were admitted or enacted by just o-n-e vote.

So thanks to Bill for his inspiring contribution to page one. The Herald invites these, or any other kind of constructive offerings anytime. They must be signed. Some come in annonymous which we cannot print, although every rule has its exception. This week an unsigned note arrived on the editor's desk that carries a thought which allows such exception.

"On a small lot in the older part of Brookside Cemetery is a Killarney single petal rose bush which a mother planted as a marker for her little daughter who died in 1857. This beautiful rose bush blooms profusely every June with nothing but nature to furnish it with nourishment and drink,"

THOUGHTS WHILE SHAVING — The volunteer fireman's ball on November 5th is a worthwhile event . . . . the mark of a real sportsman in the field is his permission from the farmer . . . . Monday was Navy Day, though not a holiday was locally observed by two flags on main street, one at Wrights, the other at Rosacrans . . . . Siberia is full of people who would like to vote . . . . 51% of registered voters went to the polls in '48 . . . . they expect 63% this year . . . . 80% voted 100 years ago . . . . late October's Indian Summer finds the farmer badly in need of moisture . . . . and after a dry summer alfalfa production is down 60% . . . . any red fox killed by local hunters out for pheasants? . . . . don't miss the costume parade Friday evening . . . .home gardeners and farmers who want to up production next summer can have their soil tested for 50c a sample by sending a specimen to either MSC Soil Science Dept. or to Lenawee county Ag Agent Louis Hall. . . . . overseas package deadline is Nov. 15 . . . . new subscribers are just as welcome to the Herald as renewals . . . . what a difference cooperation makes!

A Day For

tices that have flourished in Washington for the past 7½ years. God forbid that the people of the **United** States are ever again as **blind** as on the day they elected Harry S. Truman as President.

Comparatively few people voted for Adlai Stevenson in the primary election. Millions had never heard of him. Born with the well-known silver spoon, he swung influence enough to keep a swivel chair job in Washington through the war. It is to his everlasting credit that his honesty was never questioned. He was selected as "safe" by the Chicago "Jake" Arvey gang to run for Governor of Illinois. Not found wanting, he was adopted by the Pendergast machine, now headed by one Harry Truman, as the Democratic nominee. He was to run—holes in the soles and all—whether the party liked it or not. Still directed by the irresponsible Truman, Mr. Stevenson has now abandoned any pretence of dignity and has embraced the Truman gang, parlor pinks, five per centers and all, and is their boy.

Throughout the past ten years, a beacon of honest light and strength, Dwight D. Eisenhower has served the American people as have few in history. In the words of the great Cardinal Spellman, Eisenhower is "the man of our generation to whom America entrusted the guardianship; a man known and respected throughout the country and the world . . . who has a place among the all-time great men in American history."

One has only to listen to Eisenhower but once to sense the superlative qualities of this great man. His orderly thinking, his deeply human understanding, and his humility in this greatness stamp him as the one person to head our nation for the future years, and to re-establish respect and honesty in our Federal government. We believe that a vast majority of our people believe in Eisenhower, and will vote for him.

Next Tuesday is not just another election day. It is a day when every American citizen is priveleged to state exactly how he thinks, to vote as his heart and mind dictates. It is a day upon which every person should pause and ask God to guide him in the task at hand, to make careful use of sound reason, to consider what is best for America, and through the ballot to pass solemn judgment.

Revolving Corruption

By Congressman GEORGE MEADER

2nd District, Michigan

"We were on a regular rat race. Sometimes we were running through doors bumping into each other. When you get into one of those spirals you just can't get out of it." (Theron Lemar Caudle, former Assistant Attorney General in charge of the Tax Division, testifying September 18, 1952 before the House Judiciary Committee on the failure of the Justice Department to prosecute the Kansas City vote frauds.)

The Democrats in this campaign have tried a variety of defenses, excuses and explanations for the corruption of the Truman administration. They have claimed their corruption is not as bad as was that of the Harding administration. They have claimed that the scandals exposed involve only a very small fraction of the employees of the administration. They have tried to place the Republicans in a position of condemning all federal employees as dishonest. They claim they have forthrightly exposed and punished wrong-doers. And they argue that the Republicans would probably be just as bad anyway.

These dodges will not deceive any one. The evidence of breaches of public trust and the instances of use of public power for private profit reveal a rottenness so far-reaching that the American people will not again trust the New Deal grafters even though Truman's face has been changed for Stevenson's.

Stevenson protests he is an honest man. Truman has not been shown to be personally dishonest. Stevenson, unlike Kefauver, was not the choice of rank and file Democrats in a free primary. He was the hand-picked choice of Truman and the machine bosses. Just as Truman owed his political life to the Pendergast Kansas City machine, Stevenson owes his to the Arvey Chicago machine. Stevenson can no more separate himself from the characters who make up the big city machine, his friends to whom he owes his election, than Truman could separate himself from his friends. Indeed, there is grave doubt whether Stevenson can separate himself from Truman's friends.

The defenses and explanations of the Democrats fall flat. It is true that only a small fraction of the 2½ million employee bureaucracy built up by this administration has been shown to be dishonest. But the exposures of graft have been in the top positions—the granting of RFC loans, the prosecution of criminal offenses generally, the sale of government tankers, the storage of government grain, the settlement of tax assessments, the prosecution of tax evasions and the granting of favors of one kind or another all of which require higher echelon decisions.

Only a fraction of the corruption has been exposed so far. The administration has done everything in its power to keep the stench bottled up. Truman called the Fulbright RFC report "asinine" and asserted his associates were honorable men until he was forced to eat his words.

After admitting corruption in his administration Truman promised to clean it up. Newbold Morris was appointed. After a few weeks of headlines and no clean-up, McGrath fired Morris and Truman fired McGrath. He replaced him with a political hack, McGranery. The "clean-up" was buried.

The only exposure of corruption has been by Congressional committees. The Democratic members of these committees have gone no farther than they have been pushed by Republicans, the press and public opinion. The administration has shut up like a clam, has denied documents to committees and has hampered the exposure of truth at every turn.

Trying to get away from their scandals and sins is truly for the Democrats like being in a revolving door. As Caudle so aptly said, "When you get into one of those spirals you just can't get out of it."

MISS SPAULDING SELECTED "CLUB WOMAN OF YEAR"

The Business and Professional Woman's Club met Monday evening at the Fellowship Center of the Presbyterian church with 43 members and six guests enjoying a chicken dinner served by ladies of the Presbyterian League. The tables were decorated with pumpkins filled with chrysanthemums and other decorations in keeping with Hallowe'en.

Miss Mabel Lockwood president, presided at the business meeting. The club voted $10 to the Community Fund Drive and Miss Gertrude Spaulding was selected by the members as "Club Woman of the Year" to represent them on a radio program March 5. Mrs. Helen Stanifer was appointed to serve as treasurer for the balance of the club year replacing Miss Anna Carson.

The program was in charge of Mrs. Margaretta Brisbin and Mrs. Stanifer who presented Miss Wanita Cleveland who played two piano solos, "The Hungarian Rhapsody" and "Aragonaisse". Mrs. A. W. Kopka gave several readings. Mrs. Daisy Thatcher, the only woman candidate on either ticket in the present election, gave an informative talk on women in politics. She stated that 53% of all votes cast are by women, and urged all to be sure to vote next Tuesday.

Mrs. Hilda Will showed two films, "The Price of Freedom," and "Joe Turner, American," which were very much enjoyed. She introduced John Saling who displayed a large sample ballot and explained some of the things to watch when operating a voting machine. He also explained the meaning of the three amendments which will be voted upon at this election.

The hostesses for the evening were Mrs. Edna Staulter, Mrs. Lela Colson and Miss Elizabeth Chase. The next meeting will be November 24 and will feature a style show, with Mrs. Cecil Smith, Mrs. Anna Hardenburg and Mrs. Vevia Anderson in charge of the program.

Senior Play Once Showed On Broadway

The senior play to be presented Wednesday and Thursday, the third and fourth of December is the well known Broadway comedy, "The Man Who Came To Dinner," by M. Hart and G. Kaufman. It is a comedy in three acts with a cast of twenty. It is the story of a family whose house is invaded by a world famous lecturer. The lecturer had the misfortune of falling and breaking his leg in the front steps of their home. This proves to be very humorous to the audience but very tragic to the household.

Copies of the play book for the large cast have arrived. Tryouts were held Monday and Tuesday evening at 7:15 at the Central school auditorium. Mrs. June Macbeth is the director.

Tecumseh Suffer Fifth Straight Defeat

The Tecumseh Indians lost their fifth straight game, here last Friday night, at the hands of the Hillsdale Hornets, 26 to 13.

In the first period Hillsdale drove 72 yards with Dietrich climaxing the drive on a 13 yard run. Harring's try for the extra point failed and Hillsdale led 6 to 0.

In the second quarter, Reamer ran 68 yards for pay dirt after his teammates had taken over on a Tecumseh punt. Harring booted the extra point and Hillsdale led 13-0.

Later in the period, an intercepted pass moved the way for another Hillsdale T. D. with Oberlin scampering 55 yards. Harring kicked the extra point and Hillsdale led 20 to 0 which proved to be the halftime score.

In the third period, Oberlin intercepted a Tecumseh pass and Hillsdale began a 60 yard drive which ended when Oberlin ran the final 2 yards for Hillsdale's final tally, Harring missed the extra point and Hillsdale led 26 to 0, at the end of three periods of play.

In the final stanza, Bob Binns clicked on a pass to Jack Betzoldt which was good for 55 yards. On the next play, Binns again hit Betzoldt for 18 yards and Tecumseh's first touchdown. Betzoldt's try for the extra point failed and Hillsdale led 26 to 6.

Hillsdale took the kickoff and found they could not advance and attempted to punt, but Bob Binns blocked the punt and Binns also fell on the ball on the Hillsdale 5 yard line. Lynn Hunt then found a hole and scored for Tecumseh's second and final tally. Hunt also made the extra point and Hillsdale led 26 to 13 which was the final score.

Lineups

Tecumseh — Centers, Henkel; guards, Stutesman, Baldwin; tackles, Butler, Boltz; ends, Hooton, Beardsley; backs, Betzoldt, Hunt, Binns, and Tingley.

Yea! Team!

There was a hot time in the old town Thursday night, October 23, when a Pep Rally was held at 7:30 down on the Athletic Field.

The cheer leaders were full of pep, the bonfire was blazing, the band played and the crowd cheered.

After the cheer leaders did a few yells, the band played a rousing march. The cheer leaders then led the parade with the Tecumseh band following. The huge crowd brought up the rear. They all went up to the four corners. The cheer leaders then led the crowd in yells.

The Pep Rally was ended with a big Yea! Team! and when the band played "Tecumseh High," our school anthem, everyone joined in and sang.

"LITTLE INDIANS EDGE SUGARBOYS!"

The Tecumseh Junior Varsity edged the Blissfield Junior Varsity 6-8 last Wednesday, October 22, at 4:00 p.m.

This was one of the Junior Varsity's best performances of the season.

o

TRICK OR TREAT

Yes, that's the first call of Halloween. Along with that go ghosts, goblins, jinxs, and superstitions, but all that will be absent Halloween night when Tecumseh vs Clinton battle it out on the Clinton field at 8 p.m.

Everybody get out and have fun but let's leave the destructive pranks (soap, etc.) at home.

United Foundation Drive In School

The United Foundation Torch Drive will begin in T.H.S. on next Monday, November 3rd. It is being sponsored by the Sophomore class. Members from the class will be in the upstairs and downstairs halls during both noon-hours and in the morning.

We hope we can reach a goal of $100.00. Everyone is asked to contribute generously. Let's go over the goal!

o

Wind-Up of Homecoming

Friday, October 24, became the end of the Homecoming activities. Friday afternoon was the parade of class floats which was won by the Sophomore class. Their theme was "A Toast To The Team." A prize of fifteen dollars was presented at the half-time of the homecoming game with Hillsdale to the class by Merlin Wagner, Student Council President. The Homecoming queen was Doris Tressler of the Junior class. She received a bouquet of roses during the half-time of the game and was crowned officially at the dance by Merlin Wagner. Homecoming week ended with a dance in the attractively decorated gym. The dance was held from 10 p.m. until 1 a.m.

o

Another Indian Injured

Last Friday night another Indian football player was injured in the final meet of the Southeastern Michigan Conference with Hillsdale. Dale Tingley, a junior, who plays right half-back, broke his left arm between the wrist and elbow. He will be out for the rest of the season.

Bill Benham who was injured in the Morenci-Tecumseh football game underwent an appendectomy at Herrick Memorial Hospital Monday morning.

Vere Hart, a member of our team, is also a patient at the hospital for an appendectomy.

o

In Sympathy

The faculty and pupils of Tecumseh High School wish to send our sincerest sympathy to Ernest Groeb Jr. and the Groeb family on the death of Mrs. Groeb.

o

NEW CAR FOR DRIVER EDUCATION

A new car was appreciatively received at the Tecumseh High School on October 20, for the Driver Education class. Mr. Dick, the instructor of the class, was as glad as the 10th and 11th grade students who take the course.

It is a dawn gray color, gray upholstering with maroon stripes, tinted windshields, tudor custom vcV-8. It has dual-control (so we won't ruin the car by running into something that can't or won't move out of our way).

Britton

The Britton-Macon Agricultural School met recently for their October meeting. In the absence of Mrs. Harold Prielipp the business was conducted by Douglas Palmer. It was voted to have a carnival in the school gymnasium Hallowe'en night following the masquerade in the business district. Mr. Henkel, superintendent, reported the dance program under way with about 120 enrolled. An invitation was read from Deerfield P.T.A. to attend an open house in December.

A panel composed of Mrs. Walter Prill, Mrs. Gerald Benedict, Harold Rohrback and Andrew Crutchfield started an interesting discussion on the topic, "What do you expect your school to do about citizenship training?" In conclusion refreshments were served by the committee.

The Britton Fire Department answered two calls Sunday afternoon. Both were grass fires, one on the Albert Bailey farm on the County Line and the other on the Dick Walper property north of the village. There wasn't any damage in either case.

Mr. and Mrs. Andrew Crutchfield and children were Saturday evening guests of Mr. and Mrs. Alvin LaGore and children of Onsted. Other guests in the same home were Mr. and Mrs. Stanley Bausehka and children and Mr. and Mrs. Roy VanDorn of Adrian. During the evening Mrs. Merle Crutchfield called by phone from Las Vegas, N. M. Mr. and Mrs. Merle Crutchfield and children were former Britton and Holloway residents and friends of the group that were gathered at the LaGores, Saturday evening.

Mrs. Leland Bush assisted by Mrs. Embrey Howson entertained 20 women in the former's home Tuesday evening honoring Mrs. Richard Lower with a cradle shower. Games and contests were enjoyed and the prizes won were presented in turn to the honored guest. The prizes for the contest fell from a chandalier on pink and blue streamers and showered around a stork which sat on a lace covered table surrounded by many lovely gifts. The hostesses served refreshments. Mrs. Rudolf Keuzman of Dundee was an out of town guest.

Mrs. Henry Filter and Mrs. Harold Prielipp who have been attending the four day national convention of the Women's Missionary Federation of American Lutheran churches at the civic auditorium in Milwaukee, Wis., returned home Friday evening.

A church orchestra has recently been organized in the Congregational Christian church under the leadership of Mrs. J. Morgan Reese.

Mr. and Mrs. Charles Lawhead and family entertained the former's brother R. E. Lawhead and wife and Mr. and Mrs. Paul Lawhead and two children from Des Moines, Iowa, recently.

Mrs. Carl Glancy of Tecumseh, Mrs. Ida Miller, Mrs. Charles Fairbanks, Mrs. Wm. Cundiff, Ben Beasley and Fay Hindes returned home Wednesday evening from Bay City where they attended the three day session of the Rebekah and Odd Fellow Assembly. Mrs. Cundiff was one of 144 to receive the Decoration of Chivalry. Mrs. Fairbanks served as representative and Mrs. Cundiff as alternate from the Britton Rebekah Lodge. Mr. Hindes was the delegate from the Britton I.O.O.F. Lodge.

Mr. and Mrs. R. B. Kanous accompanied Mr. and Mrs. Edward Kanous and daughters Mary Ann and Linda to Roseville, Sunday, where they called on Mr. and Mrs. Carl Brablec in the afternoon and were supper guests of Mr. and Mrs. Louis Allegrina and sons, Rodney and Roger of Detroit.

Could You Go Broke? State Could Too!

Fred Alger

Michigan is nearly broke. During the last four years under a Democrat governor, the State has spent 89 million dollars more than it took in.

You and I can't spend more than we take in without going broke. Neither can the State!

That's Fred Alger's solution to the State's financial crisis—

LESS SPENDING NO NEW TAXES.

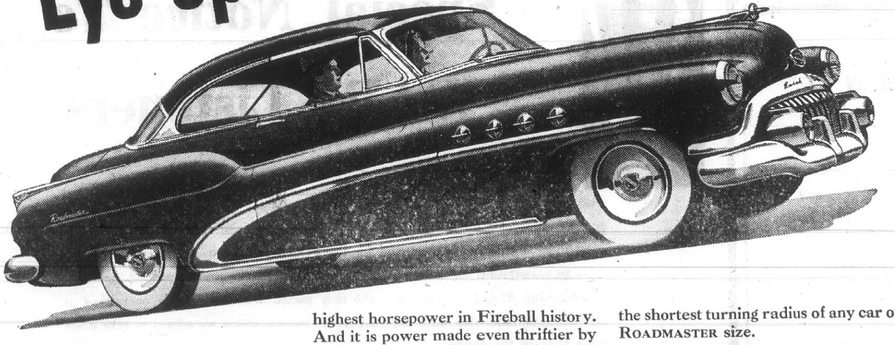
Eye-opener for the hard-to-please

POWER STEERING on the Roadmaster and Super



THIS is an invitation to a new experience.

It is an invitation to people who demand something more than the usual automobile can deliver—an invitation to try a ROADMASTER.

And let us assure you, when this big, roomy, sweet-riding thrill-maker starts taking its orders from you—mister, you're a new man.

You get a tremendous kick from the power you command here—more power than you will ever need or wish for—the highest horsepower in Fireball history. And it is power made even thriftier by Airpower carburetion.

You get a lift in spirit from the ride here—a ride so extraordinary, even a million dollars couldn't cover the cost of its engineering alone.

You find a new serenity in Dynaflow Drive as it silks your way and frees you from driving strain and tension.

You feel a sumptuous satisfaction in the handling ease that goes with this eager traveler—a superb ease that traces to a host of exclusive Buick engineering advances, and to Power Steering,* plus the shortest turning radius of any car of ROADMASTER size.

Above all, you know a very special excitement at the helm of a ROADMASTER—a sense of commanding something alive and eager and tremendously able.

May we seat you at the wheel and let you judge things for yourself?

*Equipment, accessories, trim and models are subject to change without notice. *Optional at extra cost on Roadmaster and Super only.*

This is to advise all WABJ listeners that on or about October 27 we will operate on 1490 kilocycles instead of 1500 on the dial for a period of thirty (30) days. This constitutes a test period required by the FCC (Federal Communications Commission) in preparation for our permanent shift to 1490 kc and expanded hours of broadcasting. At the conclusion of the test period we will resume operations at 1500 on your radio dial until the permanent switch, which we expect to take place some time in the Spring.

We felt such a public notice necessary in order to dispel any fears that your radio wasn't working properly should you tune to 1500 and find the reception not as clear as heretofore. When this happens, simply turn your dial manually very slowly to the left until the signal clears. The same will apply to push-button receivers. We ask your indulgence during this testing operation.

Senate shall consist of thirty-three members elected from single member districts created according to population formulae in amendment, and house of representatives shall consist of ninety-nine members elected from districts created according to population, formulae in amendment, with three representative districts allocated to each senatorial district, senate and house members to be elected for two year terms.

Shall Sections 2, 3 and 4 of Article V of the State Constitution be amended to provide for decennial reapportionment of the senate and house of representatives by the secretary of state?

(PROPOSAL NO. 3)

Proposed Amendment to Sections 2, 3 and 4 of the Michigan Constitution to establish Senatorial Districts and to provide for Decennial Reapportionment of Representatives by Legislature or by State Board of Canvassers.

Initiatory petition proposing to amend Sections 2, 3 and 4 of Article V of State Constitution to provide for apportionment of the state legislature. Provides for a senate consisting of thirty-four members elected for two year terms from single member districts established in the amendment. Provides for a house consisting of not to exceed one hundred and ten members elected for two year terms from districts created by the legislature according to population formulae in amendment. Legislature shall reapportion house according to latest federal census. If legislature fails to reapportion, state board of canvassers must do so.

Shall Sections 2, 3 and 4 of Article V of the State Constitution be amended to establish senatorial districts and to provide for decennial reapportionment of representatives by legislature or by state board of canvassers?

Notice Relatives To Opening And Closing Of The Polls

Section 1. On the day of any election the polls shall be opened at 7 o'clock in the forenoon and shall be continued open until 8 o'clock in the afternoon and no longer. Every qualified elector present and in line at the polls at the hour prescribed for the closing thereof shall be allowed to vote.

Hugh H. Hanna,
Township Clerk.

LEGAL NOTICE

Bridge carrying M-50 (Relocated) over the Raisin River at the east limits of the Village of Tecumseh, Lenawee County.

PROJECT: M B1 of 46-21-4, C2

Net classification required for this project is 14 Fa.

Sealed proposals for the construction of this project located in the Village of Tecumseh, Lenawee County, will be received from contractors having 1952 Michigan State Highway Department prequalifications, in the Veterans' Memorial Bldg., 213 South Capitol Avenue, Lansing, Michigan, until 11:00 a.m., Eastern Standard Time on Wednesday, November 12, 1952, and will then and there be publicly opened and read. Proposals may be mailed to the Contract-Estimate Office, 222 Townsend Street, Lansing, Michigan.

The work will consist of the construction of a new reinforced concrete and steel bridge; 0.13 mile of approach grading, drainage structures and concrete surfacing; removal of the old bridge; and incidental work. All pavement reinforcement required for the project will be furnished by the Highway Department from storage location at Tecumseh.

Completion date for entire project July 31, 1953.

The Department's Standard Specifications (1950 Edition), its current Soils Manual, the plans for this project, the special provisions governing subletting and assigning the contract and the employment and use of labor, and the proposal blanks (all of which are essential parts of the contract) may be examined at the district office of the Department at Redford, Michigan, and at the Michigan Road Builders Association, Lansing, Michigan, but may be obtained only at the office of the Contract-Estimate Engineer, 222 Townsend Street, Lansing, Michigan, up to 5:00 p.m. of the day preceding the opening of bids. A fee of three dollars will be charged for furnishing plans or proposal blanks, which will not be refunded.

Full cooperation in carrying out the special provisions will be required. Minimum wage paid to labor employed on this contract shall be as outlined in the proposal.

A Certified or Cashier's Check, Bank Money Order, and Certificate of Deposit, properly endorsed, on an open, solvent bank, in the sum of $7,000.00, payable to Charles M. Ziegler, State Highway Commissioner, must accompany each proposal. All such checks will be returned promptly after the bidding, except that of the lowest bidder will not be returned until execution and delivery of the contract to the State Highway Department.

The right is reserved to reject any or all proposals.

CHARLES M. ZIEGLER
State Highway Commissioner

"A HOME OF YOUR OWN IS YOUR BEST SECURITY"

A new house is a product of the private enterprise system. It is constructed by a private builder, operating under American free enterprise. You are able to buy it because you have worked and saved to have a home of your own. How much better it is than to depend upon the government to provide regimented subsidized housing for its citizens and to have a government bureau for a landlord. Only in America is a man's home still his castle.

We now have several 3 bedroom ranch style homes under construction that we are pleased to show you.

ONE HUNDRED SECOND YEAR — NUMBER 5 TECUMSEH, MICHIGAN, OCTOBER 30, 1952 5 CENTS A COPY

"Men of Trees" to Attempt To Plant Forests in Sahara

London—Four bronzed Britons have left London for the Sahara to plant forests in the desert.

For three months the four "Men of Trees" are to survey the Sahara and set up pilot tree plantations, hoping to stop the desert from swallowing up more valuable agricultural land.

The little expedition is led by Richard St. Barbe Baker, forestry expert and founder of the "Men of Trees," a 20,000-member, worldwide organization devoted to forest conservation and planting.

Mr. Baker and his companions will chart the remains of former forests, survey the possibilities of reforestration, and look for a site for a school of land reclamation.

Mr. Baker said the Sahara is encroaching on arable land faster than ever before, about 30 miles a year.

The four will try to gain support from the Arabs, providing them with seeds to plant their own trees, and hiring them to liik after the pilot plantations.

The four will also visit Kenya for the 30th anniversary of the founding of "Men of Trees." Mr. Baker, at that time Assistant Forestry Commisioner of Kenya, banded the natives together to plant forests which the little group now is to inspect.

Mr. Baker has frequently visited the United States and Canada to "spread the gospel" of the "Men of Trees." In talks with Franklin D. Roosevelt, then Governor of New York, he sowed the seed which later flowered as the Civilian Conservation Corps.

This year the tax collections of the Federal government alone are as much as the total gross revenues for 1950 of all the governmental units in the country, Federal, State, county, city, town, school district, etc., according to an NAM study.

GET SOIL TESTED NOW, HALL ADVISES

Home gardeners and farmers who want better gardens next spring can act on it now, recommends Louis Hall, county agricultural agent. He advises that they take soil samples and have them tested this fall. That will give them time to obtain valuable advice and order fertilizer, or lime, as needed in plenty of time, he explains.

Amounts of phosphorus, potassium and acidity in soil affect the vegetables grown on the plot, notes Hall. Only a soil test will give the correct answers on what to do, he stresses.

Advice on soil test procedure is passed along by the county agent from Robert E. Lucas, in charge of soil testing at Michigan State College:

Dig seven-inch-deep holes in about eight locations in the garden, advises Lucas, and remove a thin slice of soil from one side of each hole. Dry the soil at room temperatures, he continues. Then, crush the soil and mix it thoroughly. From the mixture, take about a pint of soil for the sample. Pack the soil in a paper sack and then in a box or can, suggests Lucas. Finally, label it with your name and address and mark it "Vegetable Garden."

Samples can be mailed to your county soil testing laboratory, care of Agent Hall, who is located at Court House, Adrian.

Samples also can be sent to Soil Science Department, Michigan State College, East Lansing.

In a separate envelope, gardeners should send a check or money order made out to Michigan State College for the correct amount. The cost is 50 cents for each sample.

Private postal services competing with the U. S. Post Office in the early days of our Republic "usually rendered superior service, often at much lower rates," says a review of Post Office history by the Council of State Chambers of Commerce.

V. F. W. HELP BILLY STILL FUND

The regular meeting of Hall Slater post, V. F. W., was held last Wednesday evening at the post rooms. During the meeting the post voted $25 and the club offered $25 more making a total of $50 to the Community Fund Chest. $25 was voted toward the Billy Still fund toward his home. Richard Butler was appointed chairman for the Christmas packages to be sent to members overseas. Any addresses may be sent to the V. F. W. Auxiliary, the Post or Richard Butler, 302 West Patterson street. The packages must be sent this month in order for them to be received by Christmas.

V. F. W. AUXILIARY PLANS YULE PARTY

The V. F. W. Auxiliary at its meeting Thursday evening welcomed two new members, Mrs. Richard Beasley and Mrs. Harold Meade. Plans were also made for the annual Christmas party with the Post Dec. 17. Mrs. Harlan Boyes was named general chairman. Mrs. Waldo Mohr was appointed chairman of the Post dinner November 12.

The Auxiliary voted to send five dollars to the National Home in Eaton Rapids for the children's Christmas party and to contribute to the Billy Still building fund. Refreshments were served by Mrs. Warren Filter and Mrs. Grace Coffey.

MONDAY CLUB TO MEET

The Tecumseh Monday Club will meet at the home of Mrs. Earl Wood at Wamplers Lake on Monday, Nov. 23 at 2 p.m. Mrs. E. J. Aebersold will have charge of the American home program, "What is it that thou hast in thy hand?" Mrs. Floyd Bryan will be the leader. Hostesses will be Mrs. Edward Boss, chairman, assisted by Mrs. Ronald Harris, Mrs. Don Cleveland, Mrs. Veva Conner, Mrs. Gale Fisher, Mrs. David Gibson, Mrs. Oscar Snyder, Mrs. Nina Heath, and Mrs. B. B. TurnBull. Anyone having cars available or desiring transportation call Mrs. R. J. McCoy, 236-M.

CAUTIONS BROILER RAISERS ON DISEASE

Michigan broiler raisers should keep their eyes open for air-sac disease, a new poultry menace that is moving into the Midwest from the East, warns Victor E. Cronk, assistant county agricultural agent.

Losses in the East were so heavy among broiler growers that five state agricultural experiment stations in the East have joined with the U. S. Department of Agriculture to conduct research. Cronk understands that work is being concentrated now where losses were heaviest.

So far there has not been any serious trouble in Michigan, advises Henrik J. Stafseth, head of the Michigan State College bacteriology department. First an Eastern problem in 1950, air-sac disease may rival Newcastle disease, a big threat about five years ago.

Good general sanitary practices are recommended by Stafseth against the disease, about which little is known so far. Strict flock isolation, keeping visitors out and separating hens and pullets all help. Symptoms are watery eyes, nasal discharge and gasping. Losses come from deaths but more from reduced gains in weight and poor carcasses, broiler raisers report.

Agent Cronk cautions broiler men to be careful in their marketing to prevent spread of the disease by crates, trucks and workers.

Tecumseh Shows GOP Trend

Local Voters Add To Ike's National Margin of Victory

FULL REPUBLICAN SLATE APPROVED HERE BY BIG TECUMSEH TURNOUT

By Neil Hunter

Tecumseh's small electoral voice sounded in harmony Tuesday with clamors from other precincts throughout the county, state and nation for a unified Republican rule.

In a record local turnout of nearly 2,600, Tecumseh township went GOP all the way giving Ike a 3 to 1 margin as he swept into the White House.

Other Republican candidates received the same local backing. Both precincts favored Alger and the GOP state slate plus county Republicans right down the line.

Tecumseh favored Lavon Kuney for probate judge, Charles King for supreme judge and followed the pattern of yes-no-yes on the three amendment proposals.

It was the biggest Grand Old Party day since 1928 and although the final totals are far from complete at press-time Wednesday it looks like the 22-year Democratic monopoly is snapped from the Congress right on down.

Here's how Tecumseh voted in the main issues of the election:

Prect.		1	2	Total
Eisenhower		679	1118	1797
Stevenson		249	356	605
Alger		676	1127	1803
Williams		311	448	759
Potter		692	1118	1810
Moody		290	439	729
Conlin		696	1141	1837
Metcalf		271	404	675
Kuney		449	781	1230
Williamson		214	330	544
Amdnt. 1	Yes	693	1067	1160
	No	63	130	193
Amdnt. 2	Yes	124	214	338
	No	639	1000	1639
Amdnt. 3	Yes	615	976	1591
	No.	166	241	307

Other contests found Republicans gaining wide local victories as Bartlow won over Dean for prosecuting attorney, King defeating Morden for county clerk and Warner out-polling Mrs. Thatcher for register of deeds.

An outstanding feature of the local election was the early turnout and the absence of voters at closing, a reverse of previous years. Approximately 3,050 voters are registered in Tecumseh township with nearly 2,600 casting ballots either directly or absentee.

Mrs. Blanche Travis Dies At Home In Macon

Mrs. Blanche Cole Travis, age 80 years old, died at 4 a.m. Friday morning at her home in Macon. She was born, February 19, 1872, in Ingersoll, Ont., Canada, the daughter of the late Lemuel and Martha Scott Cole. She came to Macon in September 1931, from Toledo with her husband, the late Jerome Travis, who taught school in the old Stone school at Macon, later reconstructed by Henry Ford. While in Toledo she was a past president of the Women's Educational Club, a member of the old Readers Dramatic Club, the Nautilus Club and the old Westminster Presbyterian church. After coming to Macon she attended the Methodist church and was a member of the W.S.C.S., the Community Club and past president of the Macon Woman's Club. She also was a member of the Tecumseh Monday Club.

Survivors are one son, Melvin of Macon; two step-daughters, Mrs. Marie A. DeCew of Bakersfield, Calif., and Miss Claribel Travis of San Francisco.

Funeral services were held Monday afternoon at 2:30 at the Macon Methodist church with the Rev. Vaughn Whited of Clinton officiating. Burial was in Macon cemetery. The bearers were Charles Gorton, Joseph Sheward, Clarence B. Hall, Carl Thomas, Elwyn Bugbee, and Ronald Morden. Friends and relatives attended from Toledo, Tecumseh Macon, Jackson Center, Ohio, Anna, Pemberton, Dexter and Ridgeway.

Former Tecumseh Resident Dies In Ohio

Mrs. Matilda Reeves, age 95 years old, died last Thursday afternoon at the home of her daughter, Mrs. George Dobbins in Hamilton, Ohio. Mrs. Reeves had been ill for about four years and had been confined to a wheel chair for the last year. She was born May 15, 1857, near Azalia in Monroe county, the daughter of Nathan and Lucinda Austin. In 1878 she married Theodore Reeves and they lived in Azalia until 1910 when they moved to Tecumseh where Mr. Reeves died a year later.

Survivors are one son, Alfred of Tecumseh; four daughters, Mrs. Lydia Lewis of Adrian, Mrs. Dobbins of Hamilton, Mrs. Myrtle McDaniels of Indianapolis, Ind., and Mrs. Jeanette Truesdale of Detroit; a sister, Mrs. Cora LeBarron of Tecumseh; 13 grandchildren and 23 great-grandchildren. A son, Edward and three daughters, Minnie, Alta and Bertha preceded her in death.

Funeral services were held at the Collins Funeral Home Sunday afternoon at 2:30 with the Rev. A. S. Dimbat officiating. The bearers were Dewey Vescelius, Flave Vescelius, Francis Hite, Dorman Vescelius, Jack Hanger and William Petrovich. Burial was in Azalia cemetery. Friends and relatives attended from Hamilton, Ohio, Dixon, Ill., Detroit, Adrian, Ypsilanti and Los Angeles, Calif.

CHRISTIAN T. REINHARDT BURIED IN DETROIT

Christian T. Reinhardt, husband of the late Maybelle E. Rinehardt, died Sunday evening, October 26 at the home of his daughter and husband, Mr. and Mrs. Maurice C. Miller, 213 S. Oneida street where he had made his home for the last ten years. He was born in Detroit, April 8, 1881.

Survivors are two daughters, Mrs. Miller, and Mrs. Arthur W. Lawrencelle of Detroit; two sons, Christian T. Jr., of Birmingham and Marvin of Rochester; a sister, Mrs. Herman Borch of Dearborn. Mr. Reinhardt was the grandfather of Mrs. W. H. Semelroth, Christian T. III, Lynne, Marvin Jr., and Rita Reinhardt; great-grandfather of Gary, Jan and Gregg Semelroth.

Funeral services were held at the A. G. Rigley Funeral Home on Livernois Ave., in Detroit Thursday afternoon Oct. 30 at 1:30. The Rev. Jefferies officiated. Burial was in Forest Lawn cemetery.

NATIONAL EDUCATION WEEK TO BE OBSERVED

National Education Week will be observed at the five schools of Tecumseh Public Schools Thursday evening, November 13. There will be no regular Parent-Teacher Association meeting but all parents are invited to visit the schools from 7:30 until 9 o'clock. All teachers will be in their classrooms where work by the children will be displayed and the parents may consult with the teachers.

RECEIVE PROPOSALS FOR NEW CONSTRUCTION

Sealed proposals for the construction of a new elementary school and additions to the high school building are being received by the Tecumseh Board of Education until December 4. Proposals will be received on the work of the general contract, the plumbing and heating contract, and the electrical contract for each project and for the combined projects. The board reserves the right to reject any or all bids or accept the bid that, in the opinion of the board, will serve the best interests of the school district.

SAMARITANS FURTHER BILLY STILL FUND

Members of the Good Samaritans volunteer organization which has pushed the Billy Still home to near completion, will meet tonight in the Clinton public library to further plans for finishing the dwelling on M-52 just south of Clinton.

It is a race against the winter, members of the committee pointed out as volunteer workers are asked to call or contact either Floyd Carpenter, Clinton phone 31; Kenneth Pender, Adrian phone 7221J12 or Freez-It Lockers in Tecumseh.

Construction will continue on Saturday and Sunday with meals furnished workmen. The house is just south of Clinton.

Publicity and financial chairmen of the Samaritan organization are Virgil Flint, Harold House, Clarence Heimerdinger, Frank Daehne and Mr. and Mrs. Clarence Keller.

MAIL OVERSEAS CHRISTMAS PACKAGES BY NOV. 15

Postmaster Jack Metcalf has issued a reminder to the people of Tecumseh to mail overseas Christmas packages by Nov. 15 or earlier to insure Christmas delivery. Mr. Metcalf stated that few packages have been sent up to date.

The post office will be closed Nov. 11, Armistice Day. There will be one mail dispatch, with pickup at 4:30 p.m. on that day.

Red Cross Blood Bank Here Nov. 13

Red Cross workers will be at the United Savings Bank Friday and Saturday afternoons to make appointments for anyone wishing to contribute blood to the Red Cross blood bank which will be held at Legion Home Thursday, Nov. 13 from 2 to 8 p. m. Those who wish to volunteer may also call Mrs. Vincent Haight, 241-R or Mrs. Lawrence Larsen, 311. Registration cards may be filled out at Bancroft Cleaners, Hanna Insurance office, or the Baldwin Hardware anytime up to Nov. 10.

The Michigan department of health with the cooperation of the Lenawee chapter of the American Red Cross is bringing a six bed unit with physician and nurses to Tecumseh. The need for blood is urgent both for wounded in Korea and for our local hospitals. One hundred and fifty donors are necessary so that the unit can function efficiently.

Mrs. Haight and Mrs. Larsen urge everyone between the ages of 18 through 59 to volunteer.

Miss Hutson

Miss Ella Ruth Hutson, field secretary of the Friends Rescue Home, Columbus, O., will speak at the worship service at 10 a. m. Sunday morning at Tecumseh Friends Church. Miss Hutson, a former Friends missionary to China, was compelled to leave that land when the communists took control. The Friends Rescue Home is an old established institution that has rendered a Christian ministry to unmarried expectant mothers irrespective of whether they had any church connections or not. The offerings at the morning and evening services at the local Friends Church, together with the Sunday School offerings will be given for the work of the Rescue Home.

RECORD TURNOUT FOR APPRECIATION DAYS

Saturday night's Appreciation Days turnout swelled beyond any previous record, officials of the Chamber of Commerce pointed out and an even larger throng is forseen this week after four awards were made to Mrs. Donald Brees, Mrs. J. D. Service, Mrs. Homer Colson and Mrs. Amelia Creger.

Last week's large response shows the increased public interest among people in distant points who are coming here in larger numbers each week to enjoy Tecumseh's cosmopolitan shopping district and attend the Appreciation Days announcement.

FFA FATHER-SON MEETING MONDAY

Wesley Prine, state vice-president of region two will address the Tecumseh high school FFA annual father-son meeting Monday night. Supper will be served in the cafeteria before the business meeting and speech.

Decision With Cooperation

Granddaddy of Tecumseh voters, 94-year-old Charles H. Kemp stands by a "new fangled" automatic voting machine with local GOP office secretary Mrs. Robert Stone during an instruction session prior to Tuesday's election. Likeable Mr. Kemp who is "Charley" to his host of friends, has voted straight Republican since his first election in '81 when Garfield was elected. In the lower photo Mr. and Mrs. Earl Updike, other visitors to Republican headquarters prior to the election, are shown after a practice round.

Cooperation was the by-word with Tecumseh voters Tuesday as a record 80% turned out early, in their proper precincts and reported the automatic voting machines to their liking.

Even a 94-year-old veteran of over a dozen presidential campaigns postponed a Florida vacation trip to make sure his continual chain was not broken. He is Charles Kemp, born in 1858 near Tipton and has voted every four years after he become of age. "Charley" made a point to study the ballot, get used to the automatic tabulating machines and then turn out bright and early to give the other fellow a chance. Right after the election he departed for Eustis in the Orange Juice state.

Among reminisces, he recalls attending the Buffalo exhibition where President McKinley was shot.

Another voting enthusiast, Earl Updike, a filing station owner, escorted his wife to the polls to cast their ballots. He said, "Just like father James Updike always did, we voted Republican. He's dead for 30 years but a lot of folks remember father."

But your roving Herald reporter had an eye on reasons rather than facts as he circulated among the shifting line of waiters at both precincts.

Why the big turnout? Television? Advertising? Free rides? Issues? Personalities?

It was a day of decision with voters, rich or poor, party affiliated or otherwise, agreeing on the need for cooperation in successful government.

LUTHERANS BREAK GROUND FOR NEW ADDITION

Ground breaking ceremonies were held at Grace Lutheran church Sunday morning for an addition which will be located east of the present church. Bert Filter, president of the church council, broke ground for the new construction which will double the present basement enlarging the classrooms, kitchen, and dining room. The junior choir sang several numbers and the pastor, Rev. A. Jeschke spoke briefly. Actual excavation began Monday. Funds are being raised among members of the church.

MINOR ACCIDENTS REPORTED BY POLICE

Several minor accidents have been reported by the local police office this past week. Donna Walker of 309 W. Pottawatamie street was issued a summons for driving with no operators license and Donald Buffinger owner of the car was issued a summons for letting Miss Walker drive without a license. Miss Walker was driving south on Maumee and John A. Wantuck, 202 Cummins street was driving north on Maumee. As she attempted to pass she failed to see the approaching car and sideswiped the Wantuck car. Damage to the Wantuck car amounted to about $100.

Cars driven by M. W. Wilson and Ludwig Blosfelds of Dundee collided on North Pearl street as Mr. Blosfelds pulled out of a parking space into the side of the Wilson car. Damage to the Wilson car was about $50. Mr. Blosfelds was issued a summons for failure to yield the right of way.

Cars driven by Robert Francouer of N. Union street and Dan Schultz of W. Cummins street collided on North Union as Mr. Francouer attempted to make a right turn and Mr. Schultz was passing on the right. Mr. Francouer received a summons for driving without an operators license and Mr. Schultz for improper passing on the right side. Both cars were damaged to the extent of $50.

Howard L. Rathke of R.F.D. Dundee and Thelma Purdy of R. F.D. Adrian collided at the intersection of S. Maumee and Pottawatamie streets when Mrs. Purdy's vision was blocked by parked cars. No summons was issued. The Rathke car was damaged to the extent of about $300 and the Purdy car $200.

FIRES PROHIBITED IN DUMP GROUNDS

A temporary restraining order was issued by chief of police George Kilbourn prohibiting fires in the village dump grounds. Persons starting any type of open fires, large or small, will be prosecuted the chief warned.

Fund Drive Soars Mark

Overwhelming support of Tecumseh's Community Fund drive was revealed by chairman George E. Green Jr., who said this week that a total of $9,556.24 has been received soaring over the original goal of $7,865 by 21 per cent. Scattered contributions are still being received.

Green outlined the receipts by divisions as follows:

Business and Professional Downtown Area	$1,228.00
Clubs and Fraternal organizations	290.00
Township Donations	176.25
Outlying Business Professional and Industrial	3,934.00
Residential	3,722.99
Pledged	205.00
Total	$9,556.24

Cost of this year's drive was held to a minimum of $12.40, Green reported, as the kick-off breakfast was donated by the Products union.

Green spoke highly of the 130 Tecumseh-minded volunteers who put the drive over the top. He thanked all who participated in any way.

He said the $1,691 overage would go into an emergency fund along with any future contributions.

Deborah Holden Won Halloween Costume Award

POLICE REPORT VERY ORDERLY OBSERVANCE OF SPOOKS DAY HERE

Dressed as an unusual lighted pumpkin, seven year old Deborah Holden was selected from several hundred entries in Tecumseh's annual costume parade Friday night as the outstanding presentation of a Halloween tradition.

The daughter of Mr. and Mrs. Laine Holden, second grade Deborah worked two long weeks with her dad assembling wire and newspapers with batteries and lights.

Seven judges from the American Legion auxiliary named Suzanne Rohweder and Sandra Ross second, Terry Beland third, after the parade of youthful witches and goblins strutted through the business district and filed into the Strand theater.

Honorable mention prizes went to Jackie Dick, Scott Edwards, Ricky Johnson, Linda Conklin, Nanette Walper, Rodna Jepson, Joyce Wilbar, Ida Gale Murdock, Willis Kilbourne, Diane Zoss, John and Carol Ann Trefry. Judges were Mrs. Dwight Drake, Mrs. Warren Peck, Mrs. George Wittrup, Mrs. Ned Rosacrans, Mrs. R. C. Carey, Mrs. L. A. Curtiss, and Mrs. Purnell Osburn.

Another phase of the annual Halloween festivities sponsored in the village by the Rotary and Exchange service clubs plus the Council and Community Chest, was the decorating of 77 windows

Willard Gray Dies At Farm Home

Willard Gray, age 93 years, a lifelong resident of Raisin township, died Wednesday morning at 3 a.m. at his farm home one and one half miles south of Holloway on Bihlmeyer Road. Mr. Gray was born February 20, 1859 in Raisin township and lived on the present farm nearly his entire lifetime.

Mr. Gray was a member of the Tecumseh Methodist church and the past few years attended the Tecumseh Friends church.

He is survived by two nieces, Mrs. Ray Lister of Holloway and Mrs. Grace Powell of Pueblo, Colorado., also several other nieces and nephews survive.

Funeral services will be held Friday afternoon at 2:30 at the Collins Funeral Home. The Rev. Edward Escolme will officiate and burial will be in Brookside cemetery.

Edson R. Mackey Buried In Romulus

Edson R. Mackey, a former resident of Tecumseh, died at Beyer Hospital in Ypsilanti Wednesday night, October 29. Mr. Mackey was 62 years old and was the oldest son of the late Alva and Olla Mackey. Besides his parents he was preceded in death by a sister, Mrs. Vern Harris.

Survivors are his widow, Clara; two daughters, Mrs. Marvin Manning of Bellville and Mrs. Forrest Frayer; a son James Mackey of New Boston; four grandchildren; two brothers, David Mackey of Tecumseh and Glenn of Plainwell; four sisters, Mrs. Martin Frazier of Petersburg, Mrs. Irving Shaw, Mrs. Harold Kent and Mrs. Wenton Murphy all of Tecumseh.

Funeral services were held Saturday afternoon at the Methodist church in New Boston. Burial was in Romulus cemetery.

Fireman's Ball Friday Is Annual Social Event, Fund Raising Affair

One of Tecumseh's annual social events is the long looked forward to Fireman's Ball which will be staged Friday night in Products Union hall with the Union orchestra providing dance music. A volunteer organization, the local fire fighters annually stage their public good time get-to-gether with an eye on raising money toward the purchase of new blaze battling equipment. This gear has seen double duty in the past few weeks as the department operated on a three-fire-a-day basis during the hot, dry fall.

Pictured during a recent meeting, the group includes the following members, seated, left to right Gale Hooton, George Kempf, John Hamilton, Irving Shaw, Marvin Barber, Leo Alderdyce and Cecil Alderdyce. Standing, left to right, Frank Gray, Harold Easton, Jack Curtiss, Max Brandt, Burnell Moon, Lee Purkey, Bob Randall, Charles Manley, Roger Linger, Robert Mohr, and Donald Purkey. Absent are Bob Purkey, Lester Coller, John Saling. (Coller photo.)

The Editor Says

IN FOR A GROWTH—By the year 1999 all of southeastern Michigan will be a vast suburban area, a future census forsees, with a tremendously increased population. The trend points to a steady development in the area centered around Tecumseh.

This means a need for township zoning in this immediate area and an expansion of the present perimeter bounding the village to answer increased human needs of safety, protection, utilities and the like. For the already thickly populated Tecumseh area is doomed for a steady and healthy future development with continued 10-year population jumps up to 1999.

Along with a balanced growth must go a far-sighted plan to extend public services and educational facilities to outlying Tecumseh areas which someday soon must face the facts of incorporating with the village and advancing into a more modern type of city government.

LETTER FOR PEACE—Though we have no names to verify this editorial report, it has been mentioned that a local chain letter for peace is being circulated in this area by some who know that man's greatest battles can be best settled by the great Peace Maker above.

The chain letter is said to read something like this, "I am asking you to join in a prayer for world peace. It is not hard to do. Say the Lord's Prayer and the Twenty-third Psalm every day for nine days. I am hoping you will not break the chain. On the fourth day after you receive this you will feel some good. Make four copies and send to four friends within four days. This letter was sent to me by . Be sure to mention who sent this to you. Please notice what happens on the fourth day after you receive this. Signed ."

Not a UN approved project, this appeal to God for peace might somehow have more influence in a Russian military chamber than a year of so-called truce talks.

MICHIGAN'S GREAT HERITAGE—Governor Williams recently said that Michigan is the greatest state in the Union, and for the benefit of young people who may not be aware of the tremendous heritage that is their's here are a few of the facts that back up the Governor's claim.

The state's population has increased 21% in the past ten years, tops in the nation. Michigan now ranks seventh among states with 6,371,000 souls.

Michigan is often thought of as being an inland state yet Detroit is the second largest port in the United States in dollar value of imports and exports and Michigan has the longest shore line of any state in the nation, a total of nearly 3,000 miles. The mainland shore exceeds that of Florida and California. Michigan is the second largest state in land area east of the Mississippi River. It is as far from Ironwood to Detroit as it is from Detroit to New York City.

The state actually has four major sources of income—industry, agriculture, recreation, and natural resources. Michigan is known to the nation as a great manufacturing state. It also stands high in such industries as wookworking, machinery, cereal preparations, pharmaceuticals, salt, beet sugar, paper products, specialized types of furniture, and sporting and athletic goods.

Michigan stands first in the nation in the production of sour cherries, cantaloupe, celery, cucumber pickles and strawberries for marketing. It stands second in the production of field beans, cauliflower and plums. One of the most important fruit belts in the United States is found along the eastern shores of Lake Michigan.

Michigan's natural resources are known the world over. Our production of calcium and magnesium chlorides, gypsum and salt ranks first in the nation. The state ranks second in the production of iron ore, sand and gravel; third in metal magnesium products; and fourth in stone. The world's largest limestone mining operations are conducted in our state.

Michigan has 36,000 miles of streams, 3,600,000 acres in state forests, 2,400,000 acres in national forests, and 92,000 acres in state game acres open to the public for hunting, fishing and camping. While one of our neighboring states brags about the fact that it has 10,000 lakes and advertises this fact on its license plates, we have 11,000 lakes in Michigan and accept this fact without much ado. The state's 46 state parks and 13 large down-state recreation areas annually attract about 12,000,000 visitors. Michigan usually sells more hunting and fishing licenses each year than any other state.

Power Steering on the Roadmaster and Super

Like your travel with a JOYOUS THRILL?

WE HAVE NEWS for a lot of folks who want more fun from driving than they get from their present cars.

There's a trim bundle of eager high-powered energy that's just the ticket for you—a spirited automobile that can give you thrill after joyous thrill, for mile after fleeting mile.

Why not come in and try the Buick we have in mind?

The excitement starts with your first look at it, your first sitting in it, your first fingering of its slender wheel.

But wait till Dynaflow Drive* begins working its magic—and its constant and complete smoothness fills you with never-ending wonder.

Wait till you feel the bubbling exuberance of taking your first hill with a high-compression Fireball 8 Engine doing the honors. That's when you get a man-sized sampling of the tremendously able and instantly responsive power you command here.

Wait till you feel the serene satisfaction of skimming over rough roads, cobbles or ridged crossings. That's when you know, better than words can tell, what a million dollars' worth of ride engineering can do in the way of magnificent comfort.

Wait till you jockey into a real tight parking space and note the fun and ease that Power Steering** brings to a once-tough job.

But—why wait?

There's a Buick that can do all this—and more, far more—all ready for you to try it.

And listen: *If you can afford a new car, you can afford a Buick.*

How about coming in this week for a real sampling of this joyous travel?

*Equipment, accessories, trim and models are subject to change without notice. *Standard on Roadmaster, optional at extra cost on other Series. **Optional at extra cost on Roadmaster and Super only.*

From where I sit... by Joe Marsh

Left Ham Sandwich —40¢

Ambled over to Bob's Restaurant Tuesday for lunch and noticed a new sign "Left Ham Sandwich, 40¢ ... Right Ham Sandwich, 30¢."

"Why the sign, Bob?" I asked. "Don't tell me you believe hogs scratch more with their right leg than with their left—so's the left ham is more tender?"

"No," he says. "I don't take any stock in it. But, some people *have* ordered those 'left' sandwiches. When I explain to them that there's nothing to that fable, that the sign is just a business-getter, and I've only *one* price, they enjoy a regular, old fashioned, plain ham sandwich all the more!"

From where I sit, stories like "right" hams being tougher than "left" ones are with us because some people get ideas into their head and hang onto them for dear life. It's like those who think an adult like myself hasn't the right to a glass of beer with my supper. I say let's keep our opinions free from being "sandwiched-in" by misinformation.

CENTRAL KINDERGARTEN
Mrs. Heimerdinger, Teacher

The Kindergarten classes have had a unit on the farm. We have studied about the farm and the important part it plays in our lives. We made a cardboard barn, silo, and fence. We filled the fields with spool animals. We are planning a field trip to a nearby farm soon.

Halloween has brought a great deal of activity in our room. Each child made a mask and helped decorate the room with black cats, jack-o-lanterns, witches and a black and orange chain. All of the children enjoyed the Halloween party.

FIRST GRADE LIBRARY
Mrs. Faling, Teacher

We are learning our alphabet. We enjoy working on our ABC books.

In our reading groups we are learning about toys and pets. Some o us are making pet scrapbooks.

Last week we took a walk. We visited Mrs. Pearson's garden. We are going back next spring to see the flowers that are now "asleep." We enjoyed our walk and learned many things about fall.

In our room we have a wooden birthday cake with candles. We have had many birthday parties this year.

We hope more of our mothers will come and visit us soon.

SECOND GRADE
Mrs. Puffer, Teacher

All 36 chilren in our room are busy preparing work to show our mothers and fathers on Parents' Night, Nov. 13. We also are happy to be reading in our new books.

One day we made funny masks from paper sacks which we wore during our Halloween party. The boys furnished the refreshments for our party.

On Wednesday Mrs. Van Winkle's second grade invited us to their room to see a Halloween play. They sang a song and recited a poem for us, too. We enjoyed their program very much, so the next day we wrote them a thank you note.

THIRD GRADE
Mrs. Colson, Teacher

We have been busy getting ready for our Halloween Party. The room is decorated with jack-o-lanterns and autumn leaves. A committee is planning games for us to play at the party.

In social studies class we are learning how to get our food; in science class we have talked about how animals get their food.

Many of our parents have joined the P.T.A. We hope that all of our parents will join.

FIFTH GRADE
Miss Hopkins, Teacher

We had an election to choose the chairman for the Halloween Party. Roger Mead was chosen. He is being assisted by David Weakly and Lee Britton. They are very busy making decorations for the room. Roger brought a big pumpkin which weighs about 15 pounds. The boys are furnishing everything for the party.

Carol Ann Wotring was in Ann Arbor, Oct. 29 for treatment.

Richard Curtiss and Sandra Howard have been out of school due to sickness.

There are eight of us who are taking band lessons this year, the others from the room are having piano lesson.

SIXTH GRADE
Mr. Kaiser

Members of the class have received cards from Gary Elliott who is visiting Washington, D. C. We will be glad to have Gary back with us so that we can hear about his trip.

On Friday, October 24th, we enjoyed the fine puppet show presented by the Antrim Bureau Puppets under the direction of Mr. and Mrs. Butler.

Thursday, October 30th, our class took a very interesting and worthwhile trip to see how the Tecumseh Herald is printed. Many of us feel that working on a newspaper would be an interesting job. We did not know that it took as much time to make up a newspaper. On our way back we stopped to see the windows painted by the following members of our class: Janet Osworth, Teddy Kempf, Ronald Butler, James Mangrum, Richard Gregory and Vero Beattie.

We had a good time at our Halloween Party. Richard Gregory was the general chairman. The room decoration committee was Margaret Harris, Kathleen Shirley and Shirley Furgason. Refreshments of ice cream and fudge were served by Janet Osworth and Shirley Gurtzweiler. Entertainment in the form of bingo and comic acts was presented by Robert LeBaron, Ronald Butler and Jerry Fox. The clean up committee of Lloyd Watson, David Holden and Marjorie Chase did an excellent job of sweeping and straightening up the room. We certainly thank these committees for the fine party them gave us.

Oblate Fathers of Mary Immaculate

Daily Masses at 6:00 and 8:30 A.M.

Daily Evening Exercises at 7:30 P.M.

Mission is a course of spiritual exercises conducted by specially trained missionaries. Its purpose is to bring back souls to God—to help the weak, to raise the fallen, to convert the sinner—in a word, to strengthen all in virtue and to bring down upon all the blessings of Almighty God. It is the CALL OF CHRIST to all—young and old; to good, bad, and indifferent. It is as all-embracing as the Arms of His Mercy out-flung upon the Cross to save the world.

First prize winners in each division were Lavonne Lister, 5th grade, East Side Market; Astride Friejmanis, 6th, Kroger store; Joe Hayden, 7th, Palman's; Janet Martin, 8th, Gambles.

Other winners were: fifth grade, Mary Seager, Mary Roberts and Roger Mead; sixth, Richard Gregory, Donna Parrett, Suzanne Rohweder, Lanny Greenwald and Sandra Ross; seventh, Joyce Wilbar, and Mary Tressler; eighth, Bruce McDowell, Charles Foreman and John Naser.

The civic planned festivities were such an overwhelming success this year that police chief George Kilbourn reported a "quiet" Halloween here. Without exception, he reported it to be one of the most orderly observances in village history. There was not a single complaint to the police department although one motorist found three tires without air on the morning after.

WESTMINSTER LEAGUE ELECTS OFFICERS

The Westminster League of the Presbyterian church enjoyed a potluck supper Tuesday evening at the home of Mrs. Rolland Reister. Twenty-four members and one guest were in attendance with Mrs. Wellington Wotring and Mrs. Earl Baldwin assisting Mrs. Reister. The annual candle light service sponsered by the League will be held December 14. During the election of officers Mrs. James Gabler was elected president; Mrs. Douglas Murdoch, vice president; Mrs. Reister secretary and Mrs. Charles Stephenson, treasurer. Mrs. Jean O'Neil was in charge of the devotions. The December meeting will be held at the home of Mrs. Gabler

U-M FINDS SPEECH DEFECTS DECLINE IN PAST TEN YEARS

ANN ARBOR—The number of speech defective students admitted to the University of Michigan is decreasing, but a sizable group continues to appear each semester, results of a 10-year survey reveal.

Of some 33,339 freshmen and transfer students given speech examinations at the U-M Speech Clinic from 1941-51, some 3.85 per cent were found to have a speech difficulty.

Of these, about half were articulation cases, slightly over 25 per cent were stutterers and about 15 per cent had a voice disorder. The remainder were miscellaneous cases, such as cleft palate and foreign accent.

The report was prepared by D. E. Morley, associate professor of speech.

Purpose of the examinations, also given to students who entered the University this fall for the first time, is to find such persons and advise them as to what can be done to overcome their handicap. This may range from a suggestion of medical attention in one of the special speech classes the University conducts.

LEND A HAND

Students, it is our duty to help our community meet or exceed its goal for the United Foundation Torch Drive, sponsored by the Sophomore Class. There are 556 students in the Junior and Senior High School and don't you think each of us can give on the average of eighteen cents to help us meet our goal of $100. The money from the drive goes to help fight diseases and also the young people of the town by helping pay for their recreation.

Come on, students, let's do our best! Only one more day—Let's go over the top.

HEARING TESTS GIVEN AT T. H. S.

Pure Tone Screening Tests in hearing were given in T. H. S. and other schools in Lenawee County under the direction of the State Department of Health. Hearing tests were given Friday, October 31, and finished Monday November 3 by Mrs. Mildred Robinson, who has all the Western and Northern sections of Lenawee County, Tecumseh High School being the largest she has tested.

Tests were given to every pupil, then after being corrected if errors were found retests were given. If both tests then proved unsatisfactory a later date was announced for an individual hearing test.

Indians Lost To Redskins 20 to 13

The Clinton Redskins edged the Tecumseh Indians 20-13 at Clinton last Friday night in one of the most exciting encounters of the season.

In the first period the Redskins' ace halfback, Dick Frolick, ran 30 yards to the Indians' 15-yard line from where quarterback, Roger Waltz, scampered for paydirt. The pass attempt for the extra point was blocked making the score at the end of the first period 6-0.

In the second period the Indians drove the Redskins back to their own 18 yard line. The Indians blocked the Redskins' punt and halfback, Bob Binns ran 15 yards for the touchdown. Binns ran off left tackle for the extra point making the halftime score 7-6.

The third period was scoreless.

In the beginning of the fourth period the Indians drove the Redskins back to their own 30 yard line from where halfback, Dick Frolick ran 75 yards for paydirt. Jerry Goldsmith split the uprights for the extra point.

Later in the same period Indian halfback, Bob Binns passed to fullback, Lynn Hunt for a 52 yard touchdown. Binns' try for the extra point failed tying the score 13-13.

With less than a minute to go Redskin fullback, Ray Covell passed to end, Jack Nortley for a 70 yard touchdown. Goldsmith booted the extra point making the final score 20-13.

Tecumseh

Center: Youkum; guards: Baldwin, Stutesman; tackles; Boltz. Butler; ends: Hooton, Bowser; backs: Hunt, Binns, Hart, J. Betzoldt.

MSC TO STUDY SCHOOLS, PRESS AND RADIO

East Lansing—Michigan State College, in cooperation with the University of Chicago, will embark in October on the nation's first research project designed to take stock of relations between public education and the press and radio.

The M. S. C. department of journalism will coordinate an extensive study of education-press-radio-cooperation. Working with M. S. C. will be the Michigan Communications Council, a group representing the Michigan Press Association and the Michigan Association of School Administrators.

Earl A. McIntyre, assistant professor of journalism at M. S. C., will coordinate the program. He will use the facilities of M. S. C. and also the skills of the press association and the school administrators.

The major objectives of the study will be to evaluate present public opinion trends toward education; carry out an education information program based upon the opinion study, and then measure the effectiveness of the information program.

The project is expected to take about four years, McIntyre said, and at the end of that time the researchers hope they will be able to determine how the public can best be informed about the problems and projects of American education.

R. A. Brunger, and Rev. Robert Geiger. Those who were numbered among the 500 atttendants at this great mass meeting, were spellbound as Howard Ellis painted Sallman's orginal conception of Christ, with chalk meanwhile giving a pointed sermon. The service concluded with a committment service which was unusually impressive.

Orval Minney has received a telegram from Spiritual Mobilization, informing him that the sermon preached by Mr. Minney on June 28 on "Freedom Under God," and entered into the national sermon contest for laymen, has received an award of merit. As previously announced, the companion sermon of that Sunday preached by Rev. Brunger, received an award of merit. It is felt that this is an unusual honor, that two sermons preached in a small town church in the same service, should win national distinction.

The gift they never gift-wrap

The simple little box you see above contains a very special gift. It holds a doctor's prescription . . . an important aid to better health.

Each time your physician prescribes a medicine for you, you benefit from the practical application of that physician's knowledge, and the training and skill of your pharmacist. Often, too, you benefit from some recent and hard-won discovery by men of research.

Because of the continuing advances in the field of medicine, there are happy endings today to many illnesses that would have been real tragedies only a few years ago. But although these gifts of modern science are now available, too many of us neglect to take advantage of them *in time*.

New drugs, new skills in diagnosis, better methods of treatment —all are most effective during the *early stages* of illness.

If you are not feeling as well as you should, visit your physician and take advantage of his professional advice. Don't wait until it is too late to reap the full benefits of the gifts that medical science has brought within your reach. *Reprinted from a copyrighted advertisement published by Parke, Davis & Company, Detroit 32, Michigan.*

SAVING HABITS OF SCHOOL CHILDREN GROW

An official report from Washington indicates that since 1949-50, cooperation by educators and the Michigan Congress of Parents and Teachers throughout the state (setting up arrangements whereby school children may purchase U. S. Defense Stamps and Bonds each week at school) has placed Michigan fourth in the nation dollar-wise in the sale of Defense Stamps and Bonds to school children.

The report for each year is: 1949-50, $612,799; 1950-51, $726,205; 1951-52, $930,488. States which exceed Michigan are Pennsylvania, New York, and Massachusetts. It is expected that 1952-53 will be a banner year for School Savings in Michigan as a result of the increased interest shown by parents, students, school authorities, and the Michigan Congress of Parents and Teachers.

GIs in Germany Get Special Taxi Service

Bonn, Germany—United States troops have changed more than $119,000,000 of their military script into marks for private purchases on the German market in the past year, economic officials report.

The officials also report that $10,200,000 had been spent in the year ending June 30 on a special "export taxi" service. This entitles service personnel and their families to ride in one of a fleet of 40,000 taxis at fares 30 per cent below the regular taxi rate. The reduced fare taxi service is a German-run organization.

CAUTIONS ON DANGER OF GRAIN HEATING

Heating of grass and legume seed in storage can affect its quality and germination, cautions L. G. Hall, county agricultural agent. Heating is the major danger to stored grain, he points out. Heating may come from grain not being completely ripe and dry or from green plants and trash not screened out in threshing.

Farm crops specialists at Michigan State College suggest spreading harvested seed in a shallow layer over bin floors. If grain is heating, it can be turned to cool it and make it dry faster. Cleaning seed before storing also is recommended.

Performance of your automatic washer will depend upon proper loading, sufficient hot water supply and suitable detergents. Check those factors if your automatic washer is not operating efficiently, suggest Michigan State College home management specialists.

If its news, phone 476.

HOSTESSES FOR LUNCHEON

Hostesses for the one o'clock luncheon at the Tecumseh Country Club, Wednesday, November 12 will be Mrs. L. E. Brown, phone 393W and Mrs. Faye Whelan, phone 432J. Reservations are to be made not later than Tuesday noon.

The U. S. Department of Commerce budget for 1940 was $51,500,000; for 1953 it proposes to spend $931,200,000 — and that would be an increase of 1,709 per cent!

With taxes what they are, one doesn't have to pass a Civil Service examination to work for the Government.

ONE HUNDRED SECOND YEAR — NUMBER 7 TECUMSEH, MICHIGAN, NOVEMBER 13, 1952 5 CENTS A COPY

Need Seen For New City Gov't

Planning Group Notes Growth At First Meeting

Like Rome, Tecumseh was not built in a day—but if members of the Citizen's Planning committee for a Greater Tecumseh find an answer to their future vision, the village will enjoy an orderly, well planned growth under a modern, efficient type of government.

Such were the views of the committee in meeting this week, the first meeting of a winter series that will decide Tecumseh's future with Town Hall meetings and an eventual balloting of opinion.

Under the chairmanship of Rev. B. O. Bashore, the meeting at the Country Club Tuesday night went into such matters as new boundaries, health and sanitation, water, public service, protection and education along with organized zoning.

The group generally suggested and approved the extended boundaries of Occidental Road, Airport Road, Grange Road, Russell Road and Rogers Road.

On hand were Robert French, James Beardsley, John Zeigler, Ralph Comfort, LeRoy Titley, and Bob Moore. Absent were Paul Breitenwischer and C. O. Butler.

Moore pointed out the need to obtain facts and figures on the entire proposition of extending the village limits and modernizing the form of government. He said these facts would be presented by a panel of experts at a public Town Hall meeting..

UNDERWOOD-ORR POST BURNS MORTGAGE ON LEGION HOME

Mortgage burning ceremonies were witnessed by more than 200 members and guests of the Underwood-Orr Post, American Legion and Auxiliary, Thursday evening at the Legion Memorial Home. The Home was built in 1948 at a cost of more than $65,000. Dinner was served by Mrs. Duncan Meyers with guests seated at long tables decorated with streamers of blue and gold. Joe Caruso entertained with accordion selections during the dinner.

Robert Lowe, commander of the Post introduced Louis S. Schneider, a past commander, who in turn introduced Charles J. Malone of Metamora, O., master of ceremonies. Rev. Fr. Michael Collins gave the invocation and Mrs. C. W. Howe and Mr. Malone led the assembly singing accompanied by Mrs. Roma Waters. Mr. Malone introduced Mayor E. C. Heilman and Judge G. A. Rathbun and gave recognition to L. E. Brown, first Legion Club manager and Don Bammer, present manager, and members of the club board.

Dr. H. H. Hammel, first commander of the Post, Mrs. Louis Schneider, first president of the Auxiliary, and Mrs. Kenneth Herrick, president of the Auxiliary entended greeting to the guests. The main addresses of the evening were given by J. Addington Wagner of Battle Creek, national vice commander and Eugene Houck of Lansing, department commander. "The Work of the American Legion" was the theme of the very interesting talk given by Mr. Wagner. Mortgage burning ceremonies were conducted by Louis S. Schneider assisted by Dr. Hammel. The remainder of the evening was spent dancing.

STEEL HERE FOR BRIDGE PROGRESS

An initial load of heavy construction steel rolled into Tecumseh this week to brighten hopes for an early completion of the Mill street bridge.

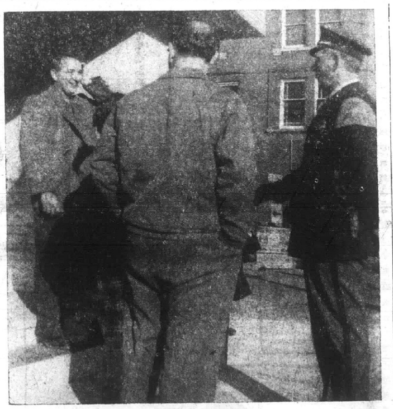
The contracting Ruckman-Hanson firm from Ft. Wayne expects the balance of materials to arrive from the steel mills within two weeks to put workmen back on the job, weather permitting.

Traffic may be traveling over the new span around the first of the year.

Funeral Services Held Friday For Willard Gray

Funeral services for Willard Gray, who died at his farm home Wednesday morning, November 5, were held at the Collins Funeral Home Friday afternoon at 2:30 with the Rev. Edward Escolme officiating. Burial was in Brookside cemetery. The bearers were Roy Cadmus, John Calhoun, Harvey Lewis, Harry Dewey, Clarence Hunt and Howard Swift. Friends and relatives who attended from away were from Holloway, Ridgeway, Britton, and Tecumseh.

CLOSE SEASON HOME FRIDAY —— Tecumseh's Indian gridmen seek victory number one Friday night when they entertain rival Blissfield in the season's wind-up game. Though the local eleven has fallen before seven consecutive foes, they eye an upset in the final "game of games" under Recreation Bowl lights. Pictured on the Tecumseh 1952 eleven, are front row, left to right, Tom Baldwin, Jack Betzoldt, Jim Stutesman, Melvin Boltz, Bob Binns, Lynn Hunt, Roger Butler, Albert Hart, and Douglas Hooton. Second row, Ed Lewis, Charles Owens, Bill Dean, Charles Phillips, Alroy Vanderpool, Ernie Graeb, Max McClure, Erwin Pennington, and Buzz Betzoldt. Third row, manager J. J. Walper, Bill Brown, Marvin Yoakum, Bob Benham, Dick Mohr, Jim Whitecotton, Phillip Stutesman, Carl Henkel, Jim Bowser, and Manager Gary Hizer. Fourth row, Coach Victor Lawson, Bill Benham, Wayne Patton, Bill Beardsley, Jack Greenwald, Jim Wilson, Assistant Coach Douglas Murdoch. (Coller Photo.)



"WHERE'S YOUR LICENSE?" —— Adlai Stevenson wasn't the only man who lost on election day, for among his boosters are many who paid off bets at the mercy of Ike's backers. Among the former is Jack Osburn, left background, who peddled apples from a stand in front of the bank last Thursday. He is shown smiling under the demand from police chief George Kilbourn, for a license. Louis L. Schneider has his back to the camera and hides the apple stand. "I told you we'd be selling apples if the Republicans won," might have been Osburn's explanation of the goofy election bet payoff.

THREE CAR ACCIDENT REPORTED SATURDAY

Mrs. Anna Catherine Berry, age 60 years old of Detroit, is a patient at Herrick Memorial hospital after a three-car accident Saturday morning at the intersection of Maumee and Kilbuck street. Mrs. Berry is suffering from internal injuries. Cars involved in the accident were driven by Mrs. Berry and Lloyd H. Smith of 316 S. Ottawa street. The Berry car was moving east on Kilbuck and the Smith car south on Maumee. Albert L. Minor of Clinton, driver of a third car, going north on Maumee, saw the danger of a collision and stopped. The left front of his car was damaged. Mrs. Berry was the only casualty. Damage to the cars was minor. No tickets were issued.

Local police answered an accident call Monday afternoon at 5 o'clock for the State Police force, one and one-half miles north of Tecumseh on M-52. John W. Brooks, 110 W. Albert street, Clinton was driving north and Max E. Harter of Wamplers Lake also driving north on M-52 attempted to pass Mr. Brooks as he was making a left hand turn. Mr. Brooks stated to the local officers that he signaled before turning and Mr. Harter stated that he did not see the signal. Damage to the Brooks pickup was $25 and to the Harter car about $300. No summons was issued.

FORMER TECUMSEH RESIDENT DIES IN MONTPELIER, OHIO

R. W. Mead has received word of the death of his sister, Mrs. Bertha Steele, widow of the late Dr. W. W. Steele of Montpelier, Ohio, whose death occurred Friday evening, November 7 in Montpelier General hospital. Mrs. Steele was born July 11, 1876 in Tecumseh, the daughter of the late Mr. and Mrs. Louis K. Mead. She attended Tecumseh high school and in February 1901 married Dr. Steele of Mt. Clemens.

Survivors are one son, Dr. Walter Steele of Royal Oak; one brother, R. W. Mead of Tecumseh, and two grandchildren, Bessie and William Steele.

Funeral services were held Monday afternoon at 1:30 at the Wilson Funeral Home in Montpelier. The Rev. Russell Hawk of the First Evangelical U. B. church officiated. Burial was in Brookside cemetery in Tecumseh.

FIRE DEPARTMENT ANSWERS TWO CALLS SATURDAY

The rural fire department answered a call to the Eldon Colhurst home on the Clinton-Tecumseh road Saturday morning at 11 o'clock where an overheated chimney caused minor damages. Baseboards on the interior of the house were burned. At 3 o'clock in the afternoon the department answered a call to the Ernest Harris farm to extinguish a grass fire.

Sunday afternoon at 2:25 the rural department answered a call for a grass fire on Mill Road in Macon where a fire was out of control and was endangering the mill. No damage resulted in either grass fire case.

Ask For Early Petitions On Curb And Gutter

51% Of Block Must Sign Up, Village Pays Share

With an eye on the 1953 budget, village clerk Bob Kroner made an appeal to property owners to file petitions for curb and gutter installation now.

"First petititoners will be the first to have work done next spring", he said.

Petitions must be entered in the budget as the village pays 40 per cent of the cost. He estimated roughly the cost would be $2.00 per running foot, thus costing the property owner $1.20 per foot, the village paying 80c as its 40% share.

"This is slightly over the cost of curb and gutter installation this past year", Kroner pointed out. He felt sure the cost would not exceed the two dollar figure which he felt to be a maximum to measure by.

The youthful village clerk, who guides the finances of the council, estimated that only 10% of the village residential area is curbed. interest, however and predicts an extension of many blocks next spring and summer.

Only 51% of the property owners are needed to complete a petition. This would give curbing to the entire block.

Work is done on a block basis, the clerk explained, by village workmen.

A further appeal was made by village president Ed Heilman who asked "everyone to come down and look over the advances made at the sewage disposal plant. Heilman said this was going along very satisfactorily though it will not be completed until next spring.

The council holds its second November meeting Monday night

George J. Armstrong Buried In Brookside

George J. Armstrong, age 57, died Tuesday morning at 10 a.m. at the Michigan Veterans Facilities Hospital in Grand Rapids, where he had been since March of 1952.

Mr. Armstrong was a veteran of World War I. He was born September 22, 1895 in Illinois, the son of Walter Lee and Mary Sevearns Armstrong.

Survivors are one son, Lee of Tecumseh; three sisters, Mrs. Clair Taylor of St. Louis, Mo., Mrs. Mildred Gilchrist of Princeton, Ill., and Mrs. Edith Winters of LaMoille, Ill. Several nieces and nephews also survive. He was preceded in death by his parents, one brother and three sisters.

Funeral services will be held Thursday afternoon at 2 o'clock at the Green Funeral Home. The Rev. A. Jeschke, pastor of Grace Lutheran church, will officiate. Burial will be in Brookside cemetery.

TECUMSEH MARINE BACK IN ACTION AFTER 2ND PURPLE HEART AWARD

Pfc. Richard L. Beasley, First Marine Division, graduated from Tecumseh high school in June 1951. He enlisted in the Marines July 3rd, 1951. Richard received his boot training at Parris Island, S.C. and then was sent to Camp Pendleton, Calif.

He was sent overseas Feb. 23, 1952 and has been in the front lines in Korea since March. Dick was wounded in action May 27 and convalesced on the U.S.S. Constallation off the coast of Inchon, then was transferred to the U.S.S. Haven at Pusan. He returned to front line duty July 7 and was wounded the second time August 13.

A letter received recently by his parents, Mr. and Mrs. Richard J. Beasley of 207 N. Democrat St., said he was now at a rest camp after seventy-eight days front line duty, but will be returning soon to front line duty again. He says it's raining there now, but that it's cold enough to snow.

He was very pleasantly surprised recently to receive a visit from Marine Cpl. Harlon Ruhl, son of Mr. and Mrs. Harold Ruhl, 214 W. Bidwell St., and it sure seemed good to see someone from home.

Mr. and Mrs. Beasley have received his second purple heart with a gold star.

TECUMSEH ELECTRIC MOVES, GREEN BEGINS REMODELING

Tecumseh Electric co-owners Forest Abner and George Derby made a quick weekend shift of their business location while Harold Green started a two month's remodeling project on the building formerly occupied by the electric firm.

Green said that he plans to move his men's clothing store into the building which he purchased, sometime "around the first of the year". United Savings Bank will extend west at that time to establish offices and additional bookkeeping facilities in the building now used by Green.

Abner and Derby, meanwhile, have relocated in the Weatherman building.

Funeral Rites Saturday For Pfc. Russell Starkey, Jr.

The body of Pfc. Russell Starkey, Jr., 28 year old Korean war veteran, will arrive in Jackson, Friday morning and will be brought to the Green Funeral Home. Pfc. Starkey entered military service in World War II, Feb. 2, 1942, at Kalamazoo. He received his training at Shreveport, La., Company M-343 Infantry: Fort George, Meade, Maryland; Fort Sheridan, Illinois; and Fort Bliss, Texas.

Pfc. Starkey entered the European theater of war April 7, 1944, where he served until Dec. 7, 1944, in General Patton's 3rd Army Division, as heavy motar crewman. He received schrapnel wounds in his left arm and right hand in France Sept. 14, 1944, and was returned to the United States, Jan. 4, 1945, for hospitalization until his discharge Jan. 29, 1947. Pfc. Starkey received the Purple Heart, the Good Conduct Medal, the Victory Medal, the European, African and Middle East theater ribbon with one Bronze Battle Star.

He reenlisted in the United States Army March 25, 1947, and was sent to Losey Field, Puerto Rico. He was then sent to Anchorage, Alaska. In March of 1952 he was to have been discharged but reenlisted for six more years. Pfc. Starkey arrived in Japan March 17, 1952. He then went to Korea and entered full combat at Koje Island. He was later moved to Willmado Island where he had been placed in command of a section. Pfc. Starkey lost his life in the line of duty Aug. 3, 1952.

He was a member of VFW, Hall Slater Post, 4187, in Tecumseh. In his civilan life Russell Starkey, jr. attended school in Norvell and Tecumseh and had been employed at Chelsea, Clinton and at the Tecumseh Products Company. He had made his home with his father and stepmother since he was 10 years old.

He is survived by his father and stepmother, Mr. and Mrs. Russell Starkey, and his mother, Mrs. Alta Hendrickson of Adrian, five half-sisters, Beverly Ann and Joan Hendrickson of Adrian, and Linda, Jean and Jeannette Starkey of Tecumseh. He was preceded in death by two sisters, Mary Jane Starkey and Mrs. Donna Jean Seitz.

Military funeral services will be held Saturday at 2 p.m. at the Green Funeral Home, the Rev. George Walworth and the Veterans of Foreign Wars, Hall Slayter Post No. 4187, having charge of the service. Burial will be in Brookside Cemetery.

SON IS RELEASED FROM THE ARMY

Corp. Richard Pearson, son of Mr. and Mrs. Neil Pearson, received his release from the army Nov. 4 at Fort Custer, Battle Creek. Richard has accepted a position in the personnel and industrial relations department of the Pontiac Division of General Motors Corporation and left for Pontiac immediately. Mr. Pearson served two years at Fort Richardson, Anchorage, Alaska, as unit chief of the finance department. He arrived from Fort Richardson last September.

Seaman First Class Gordon B. Pearson, brother of Richard, is a radar operator on the aircraft carrier Franklin Delano Roosevelt and is on maneuvers with a fleet of ships in the NATO and Mediterranean areas. He has visited Scotland and Lisbon, Portugal, and was recently at Monte Carlo where he visited a perfume factory while on leave.

LUTHERANS TO OBSERVE FAMILY NIGHT

Family night will be observed at the Grace Lutheran church Thursday evening, (tonight) with a potluck supper at 6:30. Members are asked to bring their own table service and a dish to pass. The young people will present a play for their part of the program. The harmonica players and Saturday school children will take part in the program.

No Further Road Work Until Spring

East Roadway Now Complete, County Given West Stretch

Looking back over the irregular progress of "Operation Dundee to Billington's Corner," project engineer William J. MacCreey noted this week that "13,000 barrels of strike-delayed cement were all that stood between Tecumseh and completion of its east-west travel arteries."

(MacCreery explained there are four average sacks in a barrel making 52,000 too few bags for Knapp Construction company's finishing the job.)

This much-neeeded cement was held up by a strike at the plant and will not be delivered until next spring, the engineer explained, when work will resume on M-52 over the three-mile stretch west of Tecumseh.

"Everything east of town, however, will be done by the end of this week with the exception of some sodding," MacCreery predicted.

This means travel will flow over the 12-13 miles of new concrete from Tecumseh to Dundee—a stretch of the road from Ridgeway to Britton was in such good shape that it was not resurfaced.

Final touches to curb and gutter work in Britton marked the last stages of fall work on Thursday. After this barricades will be torn down and equipment tucked away for the winter allowing Mr. Motorist to drive from

VOLUNTEERS NEEDED FOR RED CROSS BLOOD BANK

Volunteers are still needed to contribute to the Red Cross blood bank being held at the American Legion Home today (Thursday).

Mrs. Vincent Haight reports that the goal of 150 donors has fallen short and urges that Tecumseh residents contribute even though an appointment has not been made. The unit will be open from 2 to 8 p. m.

The Michigan department of health with the cooperation of the Lenawee chapter of the American Red Cross has brough this six bed unit with physician and nurses to Tecumseh. Need for blood is urgent both for wounded in Korea and local hospitals.

OPEN HOUSE AT SCHOOLS THIS EVENING

"National Education Week" will be observed Thursday (tonight) by the Tecumseh Parent-Teachers Association with all five schools open for inspection by the parents and consulation with the teachers. Various rooms will have work on display.

Mrs. Harry Beland, chairman of the P.-T.A. membership drive, announced that the closing date of the drive will be Thursday evening. She will be at Principal Earl Green's office in the Central Building for collection of dues. Last year the membership was 336. This year through the cooperation of the children, the membership has gone over the 500 mark. The committee wishes to thank all those who assisted in any way.

FOUR APPRECIATION DAYS AWARDS GIVEN

A. J. Eaton, a farmer living east of town, was presented the leading award Saturday night in Tecumseh's Appreciation Days. Other awards went to Lavern Austin, Robert Smith and Armando Gomez, all of Tecumseh.

Appreciation Days are now in its second year here and showing an increased interest, Fay Whelan, general chairman said, though road conditions are far from favorable.

EXCHANGE CLUB HOST TO FOUR DISTRICTS

The Tecumseh Exchange Club was host to four districts of Exchange clubs Wednesday evening with dinner served at the American Legion Home. The districts included Ann Arbor, Manchester, Monroe, and Adrian. Russell Garno presided and Leon Williamson was in charge of the program.

AMERICA LIKES IKE—For the next four years, at least, the official acts of this nation will be sealed by the signature "Dwight David Eisenhower." But to all America he will still be "Ike"—President Ike, now that he's received the ultimate promotion that only the people, by their individual, soul-searching decision could confer.

Few men in the world's military history have risen from obscurity to the pinnacle of their profession as swiftly as our President-elect. And probably no general before him ever commanded such a mighty host under such organizational difficulties and in the face of so many national prejudices and jealousies. But through it all as his authority grew and his prestige mounted, he remained just plain "Ike."

Because he's just plain Ike, his fellow citizens have made him President. That's why they listened respectfully to his efforts to become an orator. But they didn't want words. They hungered for leadership and thirsted for forthrightness. They want a man who can face squarely the bleakness of Korea, the rising tide of Communism that threatens to engulf the globe, foreign aid policies that can destroy the aider without giving strength to the aided, and domestic policies that undermine the self-respect, the strength, the very freedom of the last really free people on earth . . . and bit-by-bit build a battle plan and execute it in the face of the terrible odds appeasement has raised against us.

In Ike, let us, the American people, hope and pray that we have such a man!

WHERE YOU SPENT $1648—Do you know what happened to $1648 of your money last year? If your family is an average one, with four members, that much of its income went for taxes, Federal, state and local, according to Commerce Department figures. And things are getting worse instead of better. The total tax take of government in 1951 was $63,600,000,000. This year the combined total will be around $80,000,000,000.

Taxes now account for at least 30 per cent of the whole national income—which means that one-third of our working time is spent to support government, not ourselves and our families. A very large part of the cost of everything we buy—from so small an item as a loaf of bread to so large a one as a new car—is represented by taxes. It's literally true that you can't walk a block without kicking in to the tax collector—at least, you'll cause some wear on your shoes and when you have to replace them taxes will enter into what you must pay for the new pair!

ROAMING AROUND THE KEYBOARD—Farmers will have a good year if they watch their costs and strive for full production in 1953 . . . . . the state highway department advertised in a recent issue of The Herald for bids on the bridge carrying M-50 relocated over the Raisin river just east of town . . . . . a hundred years ago a doctor's diary shows farm visits 50c, sarsaprilla roots extra, baby delivery $5, cash on hand at end of year $25 . . . . . avoid comparing your child with another member of the family or with other children in the neighborhood or classroom, it hurts them to grow in their own way . . . . . . television families are away from home less frequently and attend fewer commercialized amusements than those without TV . . . . . . Sonja Heine, skating's golden game of the week . . . . . . reminding you that a community's girl, opens her 1953 Ice Revue in the State Fair Grounds Coliseum Nov. 14 for 16 days . . . . . . your county agent advises farmers to harvest timber crops from their woodlots now, cutting should equal the annual growth . . . it was a long election day for the following precinct clerks Mrs. Harold Sisson, Mrs. Jennie Satterlee, Mrs. Cecile Smith, Mrs. John W. Smith, Mrs. Glen Hendershot, Mrs. Charles Manley, John Saling, R. M. Mead and Charles Branigin, Mrs. Duane Service, Mrs. Ruth LaPrad, Mrs. Edna Codling, Mrs. Oscar Bryan, Mrs. Edna Staulter, E. M. Campbell, Fred Dickinson, Sr., W. G. Waldron, H. H. Hanna and James Hatch . . . . don't forget the Nov. 15 deadline for mailing overseas packages . . . . a community's life blood is in its weekly newspaper, and its newspaper's life blood is in its readers!

The Funeral At The Lowest Cost . . . .

We welcome every family who must have the funeral at the very lowest cost possible. We welcome every such opportunity for service.

The Green Funeral Home is happy to enjoy the confidence of many hundreds of such families. We serve them well, and within their means.

Grade School News

KINDERGARTEN
West Branch

Dorothy Updike, Teacher

We have our play house and grocery store nearly finished. We all have had turns being carpenters and painters. Now it is fun playing in them.

Many of us can count all of the days on the November calendar. We have six birthdays to celebrate this month. They are Tommy Smith, Franklin Boike, Billy Burch, Donald Hughes, Christine Pence, and Raymond Schmidt.

FIRST GRADE
West Branch

VanValkenburg, Teacher

The First Grade in West Branch is delighted that they are able to read. In fact, we have about completed the first pre-primer. We are sorry that Linda Duval is leaving our room to join her daddy, Alvin Duval, in Addison.

SECOND GRADE
West Branch

Bertha LaPointe, Teacher

Jane Arnold, daughter of Tracy and Ann Arnold has gone to DeKalb, Ill., where her parents have moved from Georgia.

Deborah Holden won first prize at the Hallowe'en parade. She was dressed to represent a large pumpkin.

On election day our room voted. The result was twenty-four for Eisenhower, and ten for Stevenson.

KINDERGARTEN
Brownville

Pat Hammack, Teacher

Our first year at school and we are certainly having fun. We have new tables and chairs and all kinds of new toys to play and work with.

We had our first holiday party on Friday, Oct. 31. All sorts of strange things were here and we fixed our room up real scary. We called it Hallowe'en.

We've enjoyed some birthday parties, too. Linda Easton, Dick Brown, and Shirley Fielder brought us treats on their birthdays.

We had a guest in school one Wednesday. The prettiest white kitty stayed all afternoon and slept in our doll buggy. We had to tiptoe so as not to wake him.

Right now we're learning about the Indians and we're making feather head-dresses and beads and everything that real Indians make and do.

SIXTH GRADE
Central School

Maxine Runk, Teacher

Early in the year our room elected officers to serve for the first six weeks of school. They were Greg Mason, president; Nancy Day, vice-president; Joanne Wing, secretary and Anne Preston, treasurer. During that time they served we had a paper drive and made about forty dollars. David Champanois' father, Mr. Clarence Champanois, and Sherry Tucker's uncles, Mr. Albert Todd and Mr. Robert Todd took their time and trucks to take our paper to Adrian for us. Our second group of officers are David Champanois, president; Karen Golat, vice-president; Karen Marine, secretary; and Nancy Day, treasurer. We added to our room treasury by winning four dollars for selling the most tickets to the Band Festival. We competed with the other sixth grades. The money we are earning will be used to pay for our trip to Greenfield Village in the spring. We are enjoying this experience in working together for the benefit of the group, and in doing our own planning. We are going to open a bank account so that we can have banking experience, too.

In collecting papers for our paper drive we found some Greek newspapers. They were especially interesting to us because we were studying Greece in our social studies class. We were fascinated by the Greek writing, and were surprised that the advertisements are so similar to those in our papers.

We have arranged a display of our work in our room for the Open House tonight from 7:30 to 9:00. We invite you to come in and see it.

WHEN BETTER AUTOMOBILES ARE BUILT
BUICK
WILL BUILD THEM

NUMBER ONE item on most anyone's list of automobile "musts" is power—the life and lift of your going.

In this Buick Special you get a valve-in-head high-compression Fireball 8 Engine that can pour out a wealth of the thrillingest power you ever held rein on—more power per dollar than you'll find elsewhere.

Number Two is ride—the way you go—the comfort and steadiness and luxury of your travel.

Every Buick has big soft coil springs on each wheel to cushion your way—and an unyielding torque-tube that firms and steadies your ride. Yet these are just two of the fifteen Buick ride features that cost, literally, more than a million dollars to engineer.

Then there's style, there's room, there's visibility, there's handling ease—all part of your travel—all helping to make the difference between good going and great going.

But price is very much part of the picture, too—what you pay for what you get.

So when you add in the big horsepower rating you get in a Buick, plus the extra thrill and thrift of its Fireball performance . . .

When you measure the inches of room, count up the many hours of comfort through the years, check off things like durability and solid satisfaction and high trade-in value . . .

And when you put this total against the price of a Buick—you're going to say, "Man! That's great going all the way!"

Come in and see us today or tomorrow, won't you?

Equipment, accessories, trim and models are subject to change without notice.

Two great television events: The *TV Football Game of the Week* every Saturday and *Buick Circus Hour* every fourth Tuesday.

The Home Economics Extension tea of the northeast district was held Friday afternoon at the Macon Methodist church. There were 113 registered guests present. Mrs. Ernest Gobba had charge of the program. The opening song by the group was led by Mrs. Harold Prielipp, accompanied by Mrs. Roger Richards. The group repeated the Michigan extension women's creed, led by Mrs. Percy Cadmus. Organ selections were played by Mrs. Richards. Miss Jo Brighenti, home demonstration agent, spoke on her interest in starting glee clubs and quartettes among the different extension clubs. Mrs. John Quigley was elected to take the place of Mrs. Percy Cadmus on the executive board. Tea was served in the church dining room with autumn flowers in pumpkin vases and leaves decorating the tables.

Mrs. Ida Maude Tingley and son Clifford spent Sunday with her mother Mrs. Mary Howell.

Mr. and Mrs. Edward Furlong spent Sunday afternoon with Mr. and Mrs. Bert Bruder.

Mrs. Lilburn Burleson entertained 24 ladies Friday evening in honor of her niece Mrs. Elec Waldron, a bride of three weeks. The evening was spent playing games. The bride opened many lovely gifts. Refreshments were served at the close of the evening.

Mr. and Mrs. Hamilton Moore and sons spent Sunday afternoon and evening with Mr. and Mrs. Chalmer Bruder and family of Belleville.

The Macon Homemakers Extension club will meet at 12:30 Thursday Nov. 20 with Mrs. Verl Sanch instead of Mrs. Carrie Betzoldt. Roll call will be your favorite candy receipt and samples if possible. The lesson will be on family fun.

The Macon Community Club will meet Tuesday, Nov. 18 at 7 p.m. for a potluck supper with Mr. and Mrs. Hamilton Moore. Anyone in the community is welcome.

Mr. and Mrs. Melvin Travis spent the weekend in Toledo.

The Macon Women's Club annual banquet was held Thursday evening in the Tecumseh Grange hall. About 65 enjoyed the banquet and program. The husbands and families were the women's guests.

GAY COMEDY TO BE ACTED BY SENIOR CLASS

"The Man Who Came to Dinner," one of the gayest comedies our stage has seen in years, will be the next presentation of the Senior Class, opening at the Central Auditorium for two performances on December 3-4. A kind of stage picnic which ran for 93 weeks when first produced in New York, this farce from the pen of George S. Kaufman and Moss Hart serves up bright sayings and sophistication, inside stuff, gossip, well-known names to talk about, and, of course a touch of romance.

Its story deals with Sheridan Whiteside, a witty radio celebrity with a glitter in his eye and venom on his tongue, who is deposited on a small-town family when he is invalided by a fall on the icy steps of their home. As he proprietarily takes complete charge of the house, pandemonium reigns. He entertains a great variety of his celebrated friends, including Harpo Harx, Noel Coward, a famous actress, a murderer and other assorted jail-birds. As for those friends who are unable to visit him, he either telephones them—in Paris or Calcutta — or receives their presents, ringing from penguins to cockroaches. He almost makes a mess of the lives of his host's children and of his faithful girl secretary, and does succeed in driving his nurse from her profession into a munitions factory. After attending Whiteside, she no longer believes the human race is worth saving.

On the other hand M-50-52 was turned over to Lenawee county road commission for maintainence this winter. The stretch will remain open and improved with grading and chloriding.

"This would have all been avoided," MacCreery repeated," if the cement had been delivered."

The 13,000 shorted barrels were required for the three mile stretch of paving 22 feet wide and eight inches thick. The job requires "5.5" mix, meaning five and a half sacks to the yard. With this is mixed No. 2 natural sand plus two grades of stone. Water is added in accordance to the moisture content of the materials.

MORNING GLORY TROOP ELECTS OFFICERS

Morning Glory troop 17 of Brownies with Mrs. Gerald Griffin and Mrs. Victor Peterson as leaders met in the Methodist church Tuesday afternoon. New officers for two weeks were elected with Linda Griffin as president; Camilla Grigg, vice president; Carol Greiman, secretary and Helen Hicks, treasurer. Final plans were made for the investiture service for the Brownies and the new leaders to be held at the Methodist church, Thursday evening, November 20 at 7:30. The Brownies will be in charge of the refreshments. They will receive their pins at this time. The mothers are invited to attend.

OVER FIFTY GROUP TO MEET

The Over Fifty group will meet in the Tecumseh Methodist church next Thursday, November 20, for a potluck luncheon at twelve o'clock. A birthday cake will be a feature of the luncheon inasmuch as the group has been meeting once a month for the past year. All men and women who are fifty years of age or older are cordially invited to attend these informal meetings. Each one is asked to bring his table service and food to pass while those who do not have house-keeping facilities may use the church dishes and pay toward the incidentals of the luncheon.

The program beginning shortly after one p. m. will be built around the theme of "Gadgets and Gimmets". All are invited to bring something along this line for display. Mrs. Emma Mault, Mrs. Russell O'Hara, and Mrs. T. Rentschler will be in charge of the arrangements. The Temple Dependable Circle will act as hostesses.

DOLORES SUMLEY AND DR. LEE CLARK MARRIED IN FLINT

The Oak Park Methodist church in Flint was the scene of a lovely fall wedding Saturday evening at 7 o'clock when Miss Dolores Adele Sumley, daughter of Dr. and Mrs. A. L. Sumley of Flint, became the bride of Dr. Lee Edwin Clark, son of Mr. and Mrs. Edwin Clark. The Rev. William O. Moulton performed the double ring ceremony. The church was decorated with hampers of chrysanthemums and greenery and lighted candelabra.

The bride, given in marriage by her father, chose a waltz length gown of white satin embroidered in scroll design, fashioned with a portrait neckline outlined with narrow lace, and three-quarter length sleeves. Her veil was suspended from a halo of orange blossoms and she carried a cascade of snow-white roses and pom poms. Lois Jean Tali of Flint was maid of honor and wore a rust gown of tulle over taffeta with narrow ruffles edging the tulle bodice, with matching bolero. Mary Sanderson and Nancy Short of Newburyport, Mass., bridesmaids, wore similar ensembles of peacock blue and all wore Juliette caps and carried Johanna Hill roses and yellow gold bebe chrysanthemums. Little Deborah Lee Cheever of Tecumseh, niece of the bridegroom was flower girl and wore a gold tulle dress over taffeta and carried a similar bouquet. Raymond Sumley, brother of the bride was the ringbearer.

Kenneth Maves of Tecumseh attended Mr. Clark as best man. The ushers were Alvin Sumley of Flint and Richard Schmidt of Milwaukee, Wis.

Immediately after the ceremony a reception for 200 guests was held at the D.A.V. hall in Flint. Dr. and Mrs. Clark left later on a trip through the southern states. Mrs. Clark for traveling changed to a beige wool ensemble with brown accessories. They will make their home at 7701 Floussant Road, St. Louis, Mo.

The bride is a former student of Flint Junior College and is now attending Logan Chiropractic College in St. Louis, Mo. Dr. Clark is a graduate of Tecumseh high school and attended Michigan State Normal College. He is also a graduate of Logan Chiropractic College where he received his doctor's degree last June.

BAPTIST LADIES UNION MET

The Baptist Ladies Union met at the home of Mrs. Garland Gove last Thursday afternoon with eighteen in attendance. Mrs. E. H. McConnell presided at the meeting. Mrs. Jesse Arnold was in charge of devotions and Mrs. Floyd Bryan in charge of the program on work of the American Baptist Association among the Negroes, stressing the Mather School in Beaufort, Ky., and also of outstanding Negro personages. Members brought personal Christmas gifts for the girls of the Mather School. Refreshments were served by the hostess following the program.

The December meeting will be held at the home of Mrs. Charles Stevenson with Mrs. C. C. Beland in charge of the program.

Torch Drive Goal Reached By Students

SPEARHEADED BY SOPHOMORE CLASS

The United Foundation Torch Drive sponsored by the sophomore class of T.H.S. met its goal of $100. The drive lasted from November 3 through the 10th. The tenth grade won the class competition by contributing the most money. Individual classes gave as follows: 48% of the students of the 12th grade contributed, 49% of the 11th grade, 85% of the 10th grade, 38% of the 9th grade, 53% of the 8th grade and 55% of the 7th grade.

A check for the full amount was turned over to George Green, chairman of Tecumseh Community fund, Incorporated, who expressed thanks to the students for their generosity.

o

"SLEEP YOUR WAY TO BETTER GRADES"

No, not in the classroom, but in your bed at night. Fatigue, caused by lack of sufficient sleep, is responsible for many failures in school, according to many researchers. That's understandable, because if you're tired and restless, you simply can not concentrate. Allow for a good nine hours sleep at night with a remembrance of opening your window, without a draft. As fresh air makes good sleeping, and sleeping is a headway for better grades.

PANTHERS CHEW-UP INDIANS

Tecumseh lost its seventh straight game here Friday night when the Addison Panthers moved in and scored a 14 to 6 win over the Indians. The Indians minus the help of many first stringers, lacked blocking and tackling.

In the first period neither team could score although Tecumseh took the opening kickoff and marched straight down the field to the Addison 22 yard line before a fumble ended the drive.

In the second quarter Addison took over on a punt on their own 24 yard line and started a 76 yard drive for their first touchdown. McCallum converted for the extra point. Tecumseh was not one to be left behind as Lynn Hunt took the kickoff and streaked 75 yards for paydirt. Hunt's attempt for the extra point failed.

The third period was scoreless although Addison was driven back to their own one yard line before they began a drive that took them to Tecumseh's 29 yard line where another fumble ended the drive. In the final stanza Addison intercepted a Tecumseh pass on the Tecumseh 22 yard line and the next play Addison ran for the first down on the five. Dart then cracked off tackle for his second touchdown and McCallum booted his second extra point with Addison out in front 14 to 6. Later in the period Tecumseh drove to the Addison 7 before running out of downs. A minute later the final gun sounded.

FEEDER LAMBS

SANITATION NEEDS 'PLUG'

Sanitation in raising hogs, or any livestock, needs stressing, urges Dr. Glen W. Reed, Michigan State College extension veterinarian. Outbreaks of vesicular exanthema, VE disease, in southern Michigan bring headlines, but insanitary practices cause more livestock losses annually than these spectacular diseases.

o

BEEKEEPERS

Michigan Beekeepers' Association will have its annual meeting December 13 in the Union Building at Michigan State College. Nonmembers who are beekeepers may attend, invites E. C. (Bert) Martin, MSC bee specialist and association program chairman.

Hogs Plus Grain Alone Don't Make Profit . . . .

Figure it any way you will—feeding grain alone to your hogs brings very little more money than grain price.

But with Hayden's 40% Hog Balancer, it's a different story. Hayden's 40% Hog Balancer is the proper protein—Mineral—Vitamin balancer to add extra pounds of weight—and fast. Pork profits are certain profits with Hayden's 40% Hog Balancer and following the Hayden Feeding Program.

ONE HUNDRED SECOND YEAR — NUMBER 8
TECUMSEH, MICHIGAN, NOVEMBER 20, 1952

Petition For Curb, Gutter Is Withheld

17 SIGNERS SEEK IMPROVEMENT ON BROWN ST. WEST

A petitionn for construction of curbing and installation of gutters on West Brown street between Mill and North Union streets was temporarily tabled and earmarked for "tabulation of footage concerned" by the village council at a meeting Monday night.

The council heard reports of opposition to the petition and thus postponed decision on the matter to figure if the petitioners or the opposers controlled the larger number of property footage.

Signers of the petition were Neville L. Hart, Vera and Glenn Driscoll, Lucy D. Terry, C. W. Gilman, J. A. Dolis, Ogland Lay, Mr. and Mrs. Lawrence Mohr, Mr. and Mrs. Lawrence Vanderpool, Aden E. Mead, Warren [illegible] and Mrs. Harry Richard, Mrs. Blanche Cashbaugh, L. D. Randall, Don Martin, Homer Coy, Robert M. Gillespie and Roger Linger.

The council will take steps to find the accurate amount of footage involved. Fifty-one per cent of the property owners are required to force curbing on any opposers. City workmen do all the construction and take on only a full bolck at a time. Petitions are available at the village office and petitioners are asked to complete forms as soon as possible as the city pays 40% of the work and seeks to include costs of curbing in the 1953 budget.

Other council business Monday night included discussion of renewing the garbage collection contract of Lowell Maynard whose six month's franchise is up for renewal. There has been some complaint about the service so council members put the question off until the next meeting in December. Complaints against the service should be directed to village engineer Ed Nelson or clerk Bob [illegible]

Council members also passed on routine village expendatures, accepted the hospital report and heard sales presentations by two fire hose representatives who were referred to fire chief Cecil "Baldy" Alderdyce.

HERALD AD MAKES LONG TRIP BACK

Norman Bailey brings a true story to the Herald office this week of an ad which made the long trip to California, returned back to Tecumseh and was answered by a "sale"—ultimate dream of every ad.

Mrs. Lee Settle, the former Mary Lenore Oliver, one time Tecumseh girl who is now living with her family in Vista, Calif., noted a recent Bailey Shoe Service ad for "Totes."

She clipped the ad sent it with instructions to her mother, Mrs. Helen French, with proper instructions to make a purchase at Bailey's.

"Those Herald ads sure get around," the more than satisfied Bailey declared.

Humane Society To Procure Shelter

Seeks Funds For Homeless And Injured Animals

Lenawee County Humane Society plans to secure a permanent shelter and is launching an immediate drive for funds, estimated at about $11,000 for this purpose. This was announced today by George Bean, Adrian, newly-elected president.

"The members of the Society have for 31 years cared for destitute animals in their own homes. At times these have exceeded our ability to care for until new homes could be secured. As a result, hundreds of fine cats and dogs have been put to a merciful death because of restricted facilities," according to Mr. Bean. "Our new shelter will care for homeless and injured animals about 100 cases a month from all parts of Lenawee County."

The Society plans to purchase a farm property of about 20 acres on Tipton Road, with a home for the caretakers and two buildings suitable for the housing of the animals. The cost of the property is $8500, and the cost of cages and outfitting will be $2500.00 additional. Several bequests and gifts already reported indicate interest that will carry the project through.

Donations are asked from individuals, churches and all social groups. In Tecumseh, donations may be given to Mrs. A. C. Hamaker, 44 Mill Street, or may be sent directly to Mrs. H. E. Luchenbill, 105 E. Maumee St., Adrian.

Two undentified state health department nurses and a local nurses aide, Mrs. Joe Rohweder, right, are shown taking care of an early rush on the mobile blood donor's unit which was set up in the American Legion hall last week. The early afternoon rush dropped off as only 80 pints were received, short of an expected 125 pints, thoughstate officials praised Tecumseh for its good turnout at a time when hunting season and fall colds interferred. Dr. R. J. Bowers is shown in part at the left, an unifentified woman is pictured on the center bed.

MRS. MARGARET WILSON FUNERAL HELD MONDAY AFTER SUDDEN DEATH

Mrs. Margaret Wilson, 73, wife of Edward Wallace Wilson of 507 W. Cummins St., died at University hospital, Ann Arbor, 9:15 a.m. Friday after a brief illness of nine hours.

Born in Inverness, Scotland, January 22, 1879, she was the daughter of the late William and Elizabeth Murry McCulloch. In 1909, she was united in marriage to Edward Wallace Wilson in Scotland before moving to Lenawee county. The Wilsons had resided in Tecumseh 20 years. She was a member of the Presbyterian church.

Surviving are the husband, Edward Wallace Wilson; three daughters, Mrs. Donald Dunn of Fenton, Mrs. Albert Ackley of Ovid, and Mrs. Erwin Uhl of Dundee; one son, Edward Jr., of Harvey, Ill.; thirteen grandchildren; four sisters, Mrs. Donald Monroe of Quillota, Chile, Mrs. Peter Mathison of Melbourne, Australia, Mrs. James Marchant of Inverness, Scotland, and Mrs. William Noble of Detroit; three brothers, James McCulloch of Lima, Peru, Donald McCulloch of Glasgow, Scotland, and William McCulloch of Inverness, Scotland.

Funeral services were held Monday afternoon at 2:30 at the Collins Funeral Home, the Rev. Edward E. Escolme officiating. Burial was in Brookside Cemetery. The pallbearers were Donald Dunn Sr., Albert Ackley, and Erwin Uhl, sons-in-law of Mrs. Wilson; Donald Dunn Jr., Douglas Ackley, and Roderick Ross Uhl, grandsons.

Friends attended from Fenton, Ovid, Detroit, Coral, Azalia, Dundee, Macon, and Tecumseh, Waterville, Ohio, and Harvey, Ill.

FINAL RITES FOR GEORGE J. ARMSTRONG

Funeral services for George J. Armstrong, 57, who died Tuesday morning, November 11 at the Michigan Veterans Facilities hospital in Grand Rapids, were held at the Green Funeral Home Thursday afternoon at 2 o'clock with the Rev. A. Jeschke officiating. Burial was in Brookside cemetery. The bearers were William Biers, Donald Bement, Ralph Luttermoser and Ed Jacobson. Friends and relatives atended from Detroit, Grand Rapids, and Tecumseh.

RECEIVES WORD OF COUSIN'S DEATH

Mrs. Fred Rector has received word of the death and funeral of her cousin Frances Doty who had visited here several times.

Frances Doty was also the cousin of Mrs. Frank Rector and had made her home in Sedgewick, Kansas. Death occured Nov. 8 and burial followed Nov. 11. Aslo surviving is a sister Grace Burton.

PVT. D. M. MURPHY BASED IN AUSTRIA

Pvt. Duaine M. Murphy, whose wife, Eris, and parents, Mr. and Mrs. Merrill Murphy, live in Tecumseh, has joined U. S. Forces in Austria.

After landing at Leghorn Port of Embarkation in Italy, he was processed at Camp McCauley, near Linz, Austria, and assigned to the 70th Engineer Combat Battalion.

Private Murphy entered the Army last April and arrived in Austria in October.

"Nuthin' To It," Blood Donors Tell

That seemed to be the by-word around Tecumseh's American Legion hall last Thursday, "Nothing to it at all", as 80 local blood donors added to the state's shrinking supply of much-needed plasma.

The blood goes into a reserve bank at Lansing and can be called back to Lenawee county at any time of need, or sent in part to Korea when in demand by the Armed Forces.

Mrs. Vincent Haight and Mrs. L. W. Larson were general co-chairmen of the Red Cross organizing group that completed arrangements on the local level. The Legion provided the hall and the kitchen, while the hospital auxiliary maintained the canteen..

Doctors M. R. Blanden, R. E. Dustin and R. T. Hammel gave their medical services as did a number of nurses aides.

The co-chairmen, Mrs. Larsen and Mrs. Haight, had nothing but words of praise for everyone who helped. They declared it a success in every way and expect the mobile unit back next spring.

K. OF P. PLANS SPEAKING CONTEST

More than 100,000 high school boys and girls throughout the United States, Canada, Hawaii and Alaska are expected to participate in the Eighth Annual Public Speaking Contest sponsored by the Fraternal Order Knights of Pythias, it was announced by Henry F. Kempf, Tecumseh District Deputy of District No. 17 of Michigan.

ANOTHER NEW FACE ON MAIN STREET

Another new face on Tecumseh's main street is in the making as Halsey Eggleston is busy with a crew of workmen installing a new, modern brick and glass front on his dry cleaning establishment.

The 21-foot front on the former Campbell building will be completed early in December so that the Eggleston Jewelry firm, operated by son Dick, can move into the east portion of the newly-fronted structure.

Twenty-eight feet is also being added to the rear of the building for a work shop.

UNION THANKSGIVING SERVICE WEDNESDAY, NOV. 26

The annual union Thanksgiving Service, sponsored by the Tecumseh Ministerial Association, will be held on Wednesday evening, Nov. 26 at 8:00 p.m. in the Presbyterian church. The service will be in charge of the Rev. George Walworth, host pastor, with the ministers of the cooperating churches participating. Rev. A. S. Dimbat will preach. Special music will be a feature of the service. The public is cordially invited to this Thanksgiving service.

SPECIAL SERVICES AT ST. PETER'S

Thanksgiving Day will be observed at St. Peter's with two celebrations of the Holy Communion, one at 7 a.m. and another celebration at 9 a.m. At these services special prayers of Thanksgiving will be offered to Almighty God for the Fruits of the Earth and all the other Blessings of his merciful Providence.

EXCHANGE HEARS OF OLD TECUMSEH

The Tecumseh Exchange Club met at the Tecumseh Country Club Wednesday evening for the regular meeting and was well attended. After a short business meeting, James Beardsley, local attorney, gave a talk on "Old Tecumseh" going back to the 1866's.

UNABLE TO RISE . . . This United Nations soldier who was wounded in the grim and bloody battle with the Chinese Communists for Triangle Hill, is unable to rise from the ground as corpsmen come to his aid to help him to a medical station.

HERALD TO PUBLISH TUESDAY NEXT WEEK

As has been the custom for many years, The Herald next week will be published on Tuesday instead of Thursday, because of the Thanksgiving holiday. The early publication permits distribution of the newspaper before Turkey Day and allows The Herald staff to enjoy the holiday at home.

Correspondents are urged to bear in mind the early publication date. Advertisers, too, are asked to cooperate by having their copy in the office not later than noon Monday.

Billy Still's Morale Zooms

Game Swells Family Fund To $1,532.11

Morale—that important factor in the progress of every hospital patient—zoomed sky high this week with polio-stricken Billy Still when news reached him that the Boysville-St. Mary's football game swelled his home building fund to $1,532.11.

The game, won by Boysville 25-0, was played here Sunday and realized $404.50 for the Good Samaritans who are authors of the Billy Still Family Fund.

Billy, incidentally, has shown considerable recent improvement at Ann Arbor University hospital and eagerly awaits his first visit to the home now under construction near Clinton. It may be sometime early in 1953. He has seen pictures of the house as it progressed from the original foundation youthful Still made last summer.

Fifteen to 20 workers continue to turn out each Saturday and Sunday to work on the "inside" of the house which is now completely enclosed. Work continues this weekend. Labor, materials or direct money contributions will be warmly received by the Good Samaritans.

Floyd Carpenter, Clinton, is in charge of the house building. Mrs. Susie Werth, Clinton, is treasurer of the Fund and W. F. McCann, Tecumseh, publicity chairman.

Much of the credit for last minute arrangements which brought Boysville and St. Mary's together in Sunday's football game is due to Father Collins, Tecumseh, Father Samson, Adrian, and Brother Hillarin, Macon.

STATE PRESBYTERIAN LEADER INTERESTS LOCAL MEN'S GROUP

Ted Nanz, Grand Rapids, Michigan synod Presbyterian president, inspired members of the Tecumseh Presbyterian men's club at a monthly meeting last week with his interesting talk on "Balance Sheet of Humanity".

Another Presbyterian leader, John Sebastian, also from Grand Rapids and vice-president of the synod, told of practical Christian experiences he had encountered in this country. Sebastian also told of swimming on a Hungarian Olympic team before World War II.

Douglas Shaw, Plymouth, another state leader, introduced the speakers after a supper served by the ladies' aid.

Members of the local church who were on the program were Mel Partridge, invocation; Clair Rozelle, business meeting; Fred Dickinson, Sr., singing; Garth Hall, piano; Bob Ries, introduction of visitors from Palmyra, Blissfield and Adrian.

The next meeting of the Presbyterian men will be during the second week in December.

ANNUAL HUNTING PILGRIMAGE NOW IN FULL SWING

Tecumseh is doing its part to make Michigan's 16-day a whopping success and if local nimrods harvest their share of the state's expected 250,000 deer kill, the village will enjoy an ample supply of venison this winter.

But whether the throng of home town sportsmen return with their bag limits or just a memory of two happy weeks in the north woods, this 1952 hunting season will go down in the outdoorman's diary as a "restful retreat from the worries of the passing world."

Stories and pictures of hunting camps and kills are always in demand at The Herald. Among the early reports of success comes from Dr. W. S. Britton who bagged a 250-pound black bear near Grand Marais.

ROTARY TOLD OF VISION IMPORTANCE

"There is a distinct difference between vision and sight," Dr. C. J. Howe, an optometrist from Hillsdale, told members of the Rotary club at a meeting Tuesday night.

The speaker, a guest of Dr. R. J. Bowers, told how important proper vision is in education.

Among the guests were Percy Sherman, Adrian, and Fred Washburn, former Adrianite, who is now in politics in New York. He knows Gov. Tom Dewey.

Exchangites Hail District Meeting As Big Success

Members of the Fourth Michigan district who attended the Exchange club dinner meeting here last week hailed the gathering as one of the most entertaining and interesting such gatherings held in many years.

Those were the sentiments of 125 enthusiastic Exchangites who came from Ann Arbor, Adrian, Dundee, Manchester and Monroe to hear state president Victor Ferguson, Benton Harbor, speak on "Our Covenant in Exchange and What it stands for".

He told of his visits with clubs about the state, in Grand Rapids, Kalamazoo, Pontiac, Cadillac, Battle Creek, Sturgis and Muskegon and reported on the civic work being done in aviation, eye clinics, dental clinics and projects designed to build citizenship among the younger people in the state.

Maurice Cole of Ferndale, past state president, read the commerce and industry report of Dorr Gunnell, regional vice president; which was given at the national convention in Atlantic City.

Ralph Adams, a representative of National Exchange in Toledo, spoke on the value of increasing membership.

Russell Garno, vice president of the Tecumseh club, welcomed the district members to the meeting. Leon Williamson acted as toastmaster for the program. The Adrian Exchange chorus directed by Ruben Kamprath, sang a group of three numbers. John Nixon of the Adrian club and Wallace Whiting of Tecumseh directed group singing.

The fine session was conducted by the Rev. Raymond Taylor of Adrian and Rhea Henkle of Tecumseh. During the program Mr. Ferguson inducted three new members into the Tecumseh club, urging them to become active in the Tecumseh group in the interests of "unity for service." The new members were Clarence Brock, Alfred Pope and Earle Green.

Among the guests were Henry Baker of Battle Creek, state secretary; Albert Wilmont of Pontiac, state treasurer; Ernest Ray of Detroit, past state president; H. J. Daley of Adrian, past state president and member of the national board of control; and Walter Morgan, president of the Metropoliton club of Detroit.

District governor Leon Williamson was general chairman of arrangements. It was a project of the Tecumseh Chamber of Commerce and held in the American Legion hall.

CONTINUED INTEREST SHOWN FOR TECUMSEH'S APPRECIATION DAYS

Saturday night's large turnout for Appreciation Days showed the continued interest to sponsoring members of the Chamber of Commerce.

Awards went to Lowell Maynard, Maxine Wilt, Mrs. James Gabler and Everett L. Fielder, all of Tecumseh.

Consolation awards have been sent to the following former winners, Jimmy Mack, Robert Meads, Mrs. Roy Bramel, Joe Naugle, Art Hyde and Jeanne Callihan, all of Tecumseh.

SCHNEIDER APPOINTED TO LEGION NAT'L COMMITTEE

During a three day meeting of the national executive committee of the American Legion in Indianapolis, recently, Lewis K. Gough, National Commander, appointed Louis S. Schneider of Tecumseh, as member of the national Distinguished Guests Committee for the term ending fall of 1953.

In choosing Schneider—one of 121 Michigan Legionnaires similarly honored—to fill a key position on his "big" team, Commander Gough stated his choice of Schneider was based primarily on his outstanding contributions to the community of Tecumseh to which he has dedicated his interests toward sustaining liberty and assuring continuance of the American Way of Life.

COUNTRY CLUB PARTY PLANNED FOR NOV. 20

The annual Tecumseh Country Club party will be held at the Club Thursday evening, November 20 at 9:30. Those arriving before that hour will be awarded door prize tickets. THE TECUMSEH HERALD

Estate of Earl L. Wickwire, Publisher

Lenawee county's oldest newspaper. Established in 1850. Member, Michigan Press Association.

Published every Thursday morning. Offices at 127 West Chicago Boulevard, Tecumseh, Michigan. Telephone 476. Entered at the Post Office at Tecumseh, Michigan, as second class matter. Subscription rates, payable in advance: $2.00 a year in Lenawee county; $3.00 a year outside of Lenawee county. Advertising rates furnished on application.

UNFIT TO READ — Exchange club president George McCombs has mailed a signed letter to proprietors of business places which sell among other types of books and magazines those which might be commonly classed as "unfit." Well worth passing along editorially, it represents the true reason why service clubs are in business, so to speak.

"It has been brought to the attention of the Tecumseh Exchange Club that certain types of periodicals and pocket book editions are being sold to the young people of this community. These books contain material of a type which can be termed lewd and indecent.

"It is the contention of our membership that such material has no place in the lives of our young people, and therefore should not be made available to them.

"We, therefore, are asking your co-operation in our drive for higher moral standards among our youth, by removing from display and refusing to sell the type of literature heretofore mentioned."

— o —

PROJECT PAYS OFF — There was a gleam of satisfaction in the eyes of Tecumseh high Ag instructor Paul Burns last week when he explained the three major projects his classes are undertaking. For just as the curly red-haired farm teacher was speaking, the 120 guests were digesting the last of a chicken dinner — the chickens coming directly from the classes' broiler project.

Burns explained that the Ag group has three undertakings a pig chain which provides registered Duroc breeding stock for youthful herdsmen, a broiler project which raises 150 broiler chickens every 12 weeks, and a corn plot on the school grounds which netted the group $366.00.

Even more important than the profitable and practical projects is a "father-and-son farm partnership" relation which Burns is promoting behind his likeable Boston accent.

— o —

HUNTERS BEWARE — Though statistics show it to be a good thing, the last three days of hunting season, Nov. 28, 29, and 30, will be a free shooting spree as an expected record army of sportsmen go for "any deer" in the north half of the lower peninsula.

The white-tailed deer have increased at such a rapid rate that the state can withstand a heavy harvest of does, which means more hunters than usual during this wide open finale.

— o —

WORDS TO REMEMBER — "I am for a government rigorously frugal and simple, applying all possible savings of the public revenue to the discharge of the national debt; and not for a multiplication of officers and salaries merely to make partisans." — Thomas Jefferson (1799).

— o —

OFF THE EDITOR'S CUFF — Members of the Citizen's planning committee for a Greater Tecumseh, still in the embryo or project stage, took another look at the village's future at an encouraging meeting Wednesday night . . . . the average person walks 200,000 miles in a lifetime . . . . a doctor hoofs off an average of 18 miles a day, a schoolboy covers 15 miles a day, a farmer strides 25 per day, a housewife goes 11 miles from morn til dark . . . hit with 6,144 new cases of TB last year, Michigan needs a big TB Christmas seal sale . . . yes Christmas is just around the corner, postmaster Jack Metcalf has already handled letters for Santa Claus . . . . if your hubby brings home a deer, dear, remember venison is a rather dry meat and its flavor will be improved with addition of suet, butter or other fat . . . . parents, if your adolescent thinks more of his friends's ideas than he does of your opinions, don't worry, he's only normal . . . . sleet and snow are coming, so your traffic officer shouts a clear "slow down this winter" . . . . Lake Michigan dropped 7.5 inches in October . . . . Time Laboratory is receiving some good free publicity from a number of newspapers, one reporting, "life is less complicated for the lazy man who now can buy an electric calendar made by a Tecumseh firm" . . . . Eisenhower will be the 11th general to serve as president, the others were Washington, Jackson, Taylor, Pierce, Hayes, Garfield, Arthur, Harrison, and Grant . . . .

The gift they never gift-wrap

The simple little box you see above contains a very special gift. It holds a doctor's prescription . . . an important aid to better health.

Each time your physician prescribes a medicine for you, you benefit from the practical application of that physician's knowledge, and the training and skill of your pharmacist. Often, too, you benefit from some recent and hard-won discovery by men of research.

Because of the continuing advances in the field of medicine, there are happy endings today to many illnesses that would have been real tragedies only a few years ago. But although these gifts of modern science are now available, too many of us neglect to take advantage of them *in time*.

New drugs, new skills in diagnosis, better methods of treatment —all are most effective during the *early stages* of illness.

If you are not feeling as well as you should, visit your physician and take advantage of his professional advice. Don't wait until it is too late to reap the full benefits of the gifts that medical science has brought within your reach. *Reprinted from a copyrighted advertisement published by Parke, Davis & Company, Detroit 32, Michigan.*

BUY-WORD in the field of travel

When was the last time you priced the new cars?

When was the last time you matched feature against feature, size against size, horsepower against horsepower — and discovered for yourself which car really tops the value parade?

We'll tell you this—

If you put any Buick—SPECIAL, SUPER or ROADMASTER—against other cars of comparable cost, you'll find it the buy-word in the automobile market today.

Not alone on room, and power, and ride—and equipment included in the list price.

But also—and this is where your senses must be judge—in the thrill per dollar you get in a Buick.

There's no other way to know the lift in spirit you get when a great Fireball 8 Engine is pouring out its high-mileage power, when Dynaflow Drive* is at its silky work, when a million dollars' worth of ride engineering is cradling your travel in ever-level comfort.

We'll tell you this too—

If you can afford any new car you can afford a Buick. For Buick prices start way down where the so-called "low-priced three" really worry.

Drop in and let us show you the big-thrill buy called Buick.

*Equipment, accessories, trim and models are subject to change without notice. *Standard on Roadmaster, optional at extra cost on other Series.*

WHEN BETTER AUTOMOBILES ARE BUILT BUICK WILL BUILD THEM

ATTEND ANNIVERSARY IN MILAN, SUNDAY

Mr. and Mrs. Lawrence Welch of Milan entertained at a family dinner in their home Sunday honoring the 40th wedding anniversary of his parents, Mr. and Mrs. Robert Welch. The table was centered with a wedding cake topped with a miniature bride and groom, baked by their granddaughter, Eleanor Kuder of Ypsilanti. Relatives were in attendance from Toledo, Clinton, Tecumseh, Adrian, Saline and Ypsilanti. The honored guests was presented with many lovely gifts.

Mr. and Mrs. Welch were married November 16, 1912 in Adrian by the Rev. Simpson, pastor of the Baptist church. They have four children, Lina Kuder of Ypsilanti, Roderick Welch of Clinton, Maxine Figy of Lansing and Lawrence of Milan and thirteen grandchildren. Among those from town here who attended the anniversary celebration were Mr. and Mrs. Albert Tonneberger, Mr. and Mrs. James Tonneberger and children, Mrs. R. S. Bumpus and Mrs. Burl Bumpus.

The November meeting of the Abi Evans chapter, D.A.R., was held Friday evening at 8 o'clock at the home of Mrs. F. C. Dickinson on North Maiden Lane street. Mrs. Burtsel Claus presided at the business meeting. During the meeting the chapter voted a rummage sale in January. The nominating committee appointed was Mrs. Charles Williamson, Mrs. Francis Stone and Mrs. J. Floyd Elliott who are to hand in their reports at the January meeting. Mrs. H. H. Loveland was in charge of devotions.

Mrs. Francis Stone, program leader on "approved schools," which are the D.A.R. Approved Schools, read information concerning the two schools in Alabama and South Carolina which is entirely supported by the D.A.R. and thirteen schools in the south partially supported by the chapters. Mrs. O. W. Laidlaw read "The Legend of Ponassee" and Mrs. Brown a poem on "Ponassee," which is one of the approved schools. Don Hunt of Tipton, showed a film on the schools, buildings and their surroundings. After the program refreshments were served by the hostess assisted by Mrs. Ivan Hunt, Mrs. Kenton Hunt, and the Misses Irene Wisner and Isabel Tripp.

The December 12 meeting will be an afternoon meeting at the home of Mrs. Hoyt E. Whelan. Mrs. Louis S. Schneider will be the leader of the program on "Colonial Christmas in Costume."

o

ALTAR SOCIETY WILL SEND CHRISTMAS GIFTS

FISTICUFFS AT HOUSING HEARING . . . Los Angeles Mayor Fletcher Bowron (back to camera at right) was the puncher in a one-blow battle outside superior court in Los Angeles where the mayor had been subpenaed as a witness in a condemnation suit brought by the city housing authority. The encounter involved six-foot-two John Hogya (center), property owner, whom the mayor accused of calling him a representative of Joe Stalin, Lloyd Taber (left), the mayor's executive assistant, separates the pair. Hogya said that Bowron hit him just above the heart, but "it was like a woman's blow—a powder puff punch."

You may not suspect it, but you or one of your friends will kill somebody pretty soon—on the highway.

Miss Aileen Wintersteen Is, Bride of Lloyd W. Goon

Christ Evangelical Lutheran church in Monroe was the scene of a lovely fall wedding Saturday evening at 7 o'clock when Miss Aileen Joanne Wintersteen of 734 Smith St., Monroe, daughter of Mr. and Mrs. John C. Wintersteen of Tecumseh, became the bride of Lloyd W. Goon, son of Daniel H. Goon and the late Mrs. Goon of 2756 Inwood Dr., Toledo. The Rev. Raymond A. Heine, pastor of the church performed the double ring candlelight ceremony before an altar decorated with white baby chrysanthemums, palms and candelabra.

The bride, given in marriage by her father, was lovely in her gown of ivory slipper satin, sweetheart kowknot design fashioned on empress lines, with full skirt, long sleeves coming to a point over the hands, with a sweetheart bowknot design fashshaped train. Her only jewelry was a four-strand pearl choker, a gift of the bridegroom. She wore an original matching ivory slipper satin, sweetheart bowknot hat with seed pearl trim. Her veil of French imported silk was two-tiered and of fingertip length. She carried an arm bouquet with garlands of white pompoms and chrysanthemums with matching satin ribbon.

Miss Marie Wintersteen of Tecumseh, sister of the bride, was maid of honor and her only attendant. She wore a floor length gown of champagne satin and nylon net and carried a bouquet similar to the bride's of yellow pompoms and chrysanthemums with brown sation ribbon.

Harold Althaver, organist played nuptial music during the ceremony and accompanied Mrs Warren Waltz, soloist as she sang, "The Lord's Prayer." Daniel H. Goon assisted his son as best man The ushers were George H. Lane of Toledo and Donald E. Beck of Monroe, friends of the groom.

Mrs. Wintersteen chose for her daughter's wedding a black nylon net dress with a peacock blue velvet hat with black accessories. She wore an orchid corsage.

Immediately following the ceremony a reception was held at the Hoffman Hunt Room in Monroe for 150 guests registered from Detroit, Tecumseh, Brooklyn, Marshall, and Toledo, Wauseon, McClure, and Napoleon, Ohio. The bridal table was centered with the traditional wedding cake topped with a minature bride and groom. Punch was served from a large silver fountain. Mrs. William Henzler was in charge of the guest book and Miss Shirley Sterling of Monroe also assisted at the reception.

For a two week wedding trip through the south, Mrs. Goon changed to a blue-grey two piece ensemble with black velvet accessories and a red three-quarter length coat with beaver trim. She wore a white bebe chrysanthemum corsage. Mr. and Mrs. Goon will make their home at 2756 Inwood Dr., Toledo.

The bride is a graduate of Tecumseh high school and is employed by the Ford Motor Company in Monroe. Mr. Goon graduated from DeVilbiss high school in Toledo and also attended Toledo University. He is a photographer in Toledo.

Mr. and Mrs. Wintersteen entertained at a rehearsal dinner in their home Friday evening for fifteen members of the bridal party.

Corporate profits taxes have been increased three times since mid-1950, the Committee for Economic Development (CED) says, pointing out that the average Federal tax load of all corporations is approximately 60 per cent of their net income.

GOOD CHEER CLASS PLEDGES TO BUILDING FUND

The Good Cheer Class of the Baptist church met at the home of Mr. and Mrs. Roscoe Hewlett last Friday evening. During the meeting the class voted to pledge to the building fund and made plans for a bake sale December 5. Good cheer friends for the year were chosen at this time. The December meeting will be held at the home of Miss Edna Gamboe and she will be assisted by Mrs. Anna Morse.

Refreshments of cookies and coffee were served and a lighted birthday cake honoring the Rev. B. O. Bashore centered the table as a surprise.

A Senate sub-committee estimated that one Federal agency spent $10,000 getting rid of 32 employees—an average of $312 per employee for red tape.

AUTO ACCIDENTS AND DEATHS DECREASE

There were 149 traffic deaths in Michigan during July, 21 less than were killed in the same month last year but 17 more than the July average of 132 for the five-year period of 1946- to 1950.

According to the State Police monthly statistical report, injury and accident figures also were below July of last year. There were 4,317 persons injured, a decrease of 485, and accidents totaled 12,539, a decrease of 1,023.

Available traffic data indicate a leveling off of the upward trend in motor vehicle mileage which has prevailed since 1945. Travel for the first six months of 1952, the latest figure available, was down a little less than one per cent, or 11.4 billion miles as compared with 11.5 billion miles for the same period in 1951.

BALDWINS OPEN HUGE TOY STORE

The past week has seen a brand new point of interest for the two thousand or more children of Tecumseh. The Baldwin Hardware Co. has proudly opened its second floor toy store, a glittering show of gifts for the small fry.

"This is believed to be the largest showing of toys assembled in Lenawee County" according to Ned Baldwin. "It represents a large investment and should attract hundreds of visitors to Tecumseh."

Mrs. Mary Drake is in charge of this new department for Baldwins. She pointed out that hundreds of Christmas gifts have already been selected and placed in the lay-away by alert patrons.

MUSIC CLUB ENJOYS JUNIOR CLUB PROGRAM

Tecumseh Music Club met at the home of Miss Bess Pulver Tuesday evening with the Junior Music Club as guests and in charge of the program. The Junior Music Club, under the sponsorship of the Tecumseh Music Club organized this fall and adopted the name "Fiddle Sticks." The following officers were elected: president Betty Day; secretary, Judy Kempf; treasurer, Nancy Day. The membership includes, Sharon Muhn, Roger and Carol Finnegan, Brenda Porter, Sylvia Busche, Lynda Johnson, Yvonne Morningstar, Joan Johnston, and Marilyn Manley. The desire of the young musicians is to continue the interest of music in young people so to support the endeavor and worthwhile efforts of the new organization. They wish to increase their membership in both boys and girls. Mrs. Arthur Schwartz and Mrs. Lester Runk are the leaders.

The Club repeated the Federation collect and the hymn of the month was sung. Susan Day opened the program by singing "Shortening Bread" accompanied by her sister Betty; Marilyn Manley played a piano solo, "Widow Waltz;" Joan Johnston sang, "I Went To Your Wedding," accompanied by Mrs. Runk; "Faith of Our Fathers" and "America" were played by Sharon Muhn and Nancy Day on cornets; Roger and Carolyn Finnegan played their ukulele and sang "The Chicken Song;" Yvonne Morningstar sang, "Walking My Baby Back Home;" Judy Kempf played a piano solo, "Melody of Love;" Betty Day, two solos, "Scarf Dance" and "Arkansas Traveler;" Linda Johnson, piano solo, "Whispering Wind," and Julia Boyce closed the program with a piano selection from "Sweethearts."

After a short business meeting refreshments were served by Mrs. Wilbur Boyce, Mrs. Schwartz and other members as Miss Pulver was unable to assist because of illness. Mrs. Perry Hayden and Mrs. Maynard Mulvaney poured.

ENTERTAINS BRIDGE CLUB

Mrs. George Green, Jr., entertained her bridge club Tuesday evening in her home. The rooms were attractively decorated with fall flowers. Honors during the evening were awarded to Mrs. W. D. Hite, Mrs. Keith Barron, and Mrs. George Elliott. The December 9 meeting will be held with Mrs. Dwight Hodges.

If the ratio of Federal expenditure to national income kept increasing at the rate it has done in the past 40 years—almost doubling every decade—in a few more decades it would "swallow the whole economy," Sen. Douglas of Illinois declared.

The payrolls of all government employes — Federal, State and local—were at the annual rate of $32,000,000,000 during the first half of 1952, the Department of Commerce announces.

Annual Seal Sale Helps Fight TB

By Jane Smith

You—the citizens of Tecumseh should become familiar and concerned about the dread disease TUBERCULOSIS.

There are many questions and answers connected with this disease that should be discussed. But do you know the answers to these questions (which are only a few of the important ones).

1. What causes Tuberculosis?
2. What are the symptoms of Tuberculosis?
3. What can you do?

Let's take these questions one at a time.

First—Tuberculosis is caused by a germ called tubercle bacillus. You have to come in direct contact with someone who has tuberculosis before you can catch TB. It is most likely for you to catch tuberculosis when you are over tired, undernourished, or you live in a crowded neighborhood. Tuberculosis can not be inherited. You aren't born with it. It can only be caught from someone having TB. There are three ways in which you can catch tuberculosis.

1. By breathing air with TB germs in it.
2. The germs can be carried into you mouth on your fingers, eating utensils, and other articles.
3. By kissing someone with active TB.

Please understand this—an ex-tuberculosis patient can not spread TB if the patient's doctor has recommended his discharge from the TB hospital. The doctor would not discharge the patient unless the disease was healed or unless the patient can be safely treated at home.

There are several symptoms of tuberculosis. But in the early stages there is no warning. A yearly chest X-ray is the best way of finding out whether or not you have TB. Tuberculosis can be cured more quickly in its earliest stages. Advanced TB appears such as fatigue, loss of appetite and weight, frequent colds, chronic cough, fever, indigestion, night sweats, and spitting up of blood. There are three methods that your doctor can use to find if you have tuberculosis.

1. A chest X-ray of the lungs.
2. A tuberculin test which is a skin test that shows if you have living TB germs in your body.
3. A thorough check-up consisting of laboratory tests and a reference of your medical history.

What can you do? Everyone must work together. A tuberculosis program should be conducted in Tecumseh. This program which include:

1. Teaching the public facts of tuberculosis and interesting them in doing something about it.
2. Try to improve the living conditions.
3. Help to find the persons with tuberculosis when it is in its early stages.

One way in which we can really help in the fight against TB is to buy Christmas Seals. Let us remember that 94 percent of the money raised by the annual Christmas Seal Sale is spent in the community and state in which it is raised. When these stamps with the double barred cross come your way, just don't drop them in the waste paper basket, but dig as deep as you can.

Remember that tuberculosis can destroy and kill. You may have to spend months or years in the hospitals. Tuberculosis can break up homes, have families thrown on to public support, and it can tear the heart right out of the family. Please recall that tuberculosis can be cured and prevented. We are winning the fight!

THE SEASON IS ENDED

The Blissfield Sugar Boys did not sweeten the Tecumseh Indians' football record last Friday night when the Sugar Boys beat the Indians 27-6 in this their last game of the season.

The first period was scoreless.

In the second period the Sugar Boys marched down to the Indians' 2 yard line from where halfback, Noel Miller plunged for the touchdown. Willard Hockin ran for the extra point.

Later in the same period the Sugar Boys recovered an Indian fumble on the Indians' 35 yard line. Quarterback, Dale Sinclair, passed to end, Fred Hall for the second touchdown. Hockin again ran for the extra point making the halftime score 14-0.

In the third period halfback, Willard Hockin scampered 33 yards for paydirt after a 47 yard drive. Denny Travis ran for the extra point making the score at the end of the third period 21-0.

In the fourth period the Indians marched 40 yards to the Sugar Boys' 14 yard line from where Bob Binns passed to Jack Betzoldt for the touchdown. Bill Benham's kick for the extra point was blocked.

The Indian kick-off was caught on the 26 yard line by Willard Hockin, who ran 74 yards for the point failed making the final score 27-6.

THEATRE A 3-RING CIRCUS AS SENIOR CLASS REHEARSALS CONTINUE FOR "THE MAN WHO CAME TO DINNER"

The fabulous Sheridan Whiteside, in the person of Jerry Barron, is blasting and roaring abuse, invective and insults upon the rest of the senior class company during rehearsals for "The Man Who Came To Dinner" at the Central Auditorium, where the uproarious comedy by George S. Kaufman and Moss Hart will open a two performance engagement on December 3-4. The title of the play, as just about everyone knows by this time, refers to Mr. Whiteside, a lecturer famous for his sugary literary tastes and carbolic disposition, who tosses off words as if they were no more than hand grenades.

Whiteside "came to dinner" as a guest of a family in a small town in Ohio—and stayed to recuperate from a fall suffered on his host's icy steps. While he is marooned with the Stanleys, he takes over their house with increasing petulance and bullying, infesting it with secretarys, actresses, actors, radio engineers and cockroach colonies, but paradoxically performing his Christmas broadcast for Cream of Mush surrounded by six choir boys.

In the senior class production of "The Man Who Came To Dinner", Jerry Barron will be seen as Whiteside, a man who is full of what we call temperament when applied to genius and a dirty disposition when applied to ordinary mortals. Suggested to the comedy's authors by the fantastic foibles of their friend, the late Alexander Woollcott, the character of Sheridan Whiteside has been acted at various times by Woollcott, Monty Woolley, Clifton Webb and by the authors themselves, Kaufman and Hart.

Anything but a one-character play, the mischevious comedy is peopled by some of the maddest eccentrics yet conceived by the authors of "You Can't Take It With You" and "George Washington Slept Here." Under the skilful direction of Mrs. June Macbeth, Bill Beardsley will be seen as Beverly Carlton, the self-styled English genius reminiscent of Noel Coward; Jack Betzoldt as "Banjo," a refugee from Hollywood who creates more havoc than all three Marx Brothers combined, and Nancy Kinietz as Lorraine Sheldert, the trouble-making actress whom the authors insist is no one in particular but whose identity audiences have no trouble guessing.

Others in the large cast of this dizzy farce include Wayne Patton, Melvin Boltz, Ernest Kollar, and Barbara Cornell.

ORANGE AND BLACK

The cheerleaders of T. H. S. sponsored color day on Friday, November 14th. All students were dressed in the school colors of orange and black in some way. To climax color day, and to show school spirit, the last pep meeting of the football season was held at 3:10 on the bank of the atheletic field.

The students gathered in a large circle while the cheerleaders lead them from the center. The band also added their part by playing several selections, among them, our school athem.

BAND SEES FILM

On November 17th the Tecumseh Senior Band went to Clinton to see a film on the University of Michigan band. The film was through the courtesy of Mr. Fitzpatrick, the theatre manager, and the attending bands were Clinton, Manchester, and Tecumseh. The film showed some of the training procedures of the marching band and also some of its formations. One formation was of a dancing hula girl, while another depicted a moving locomotive with real smoke. It also showed a rocket with real smoke and some of the U. of M. Band drills. The film was very effective as the teaching aid it was meant to be.

NO REGULAR LUNCHEON WEDNESDAY

There will be no luncheon at the Tecumseh Country Club for the ladies, November 26, do to the Thanksgiving holiday. Hostesses for Wednesday, December 3 will be Mrs. Ralph Hodges, phone 101-M and Mrs. Richard Jennings, phone 365-W.

V.F.W. CHRISTMAS PARTY DEC. 22

The regular meeting of the V.F.W. Post 4187 was held Wednesday evening, November 12 in the hall proceded by a 6:30 supper for 30 members and fourteen Korean veterans and other guests. The post voted to change the date of the Christmas party to December 22. They also voted to share the expense of sending Mrs. John Hanna of Britton to the hospital once a month to see her son who is a patient.

If its news, phone 476.

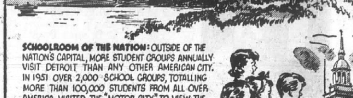
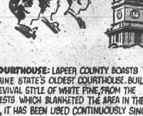
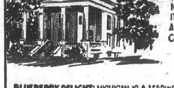
Meet Your Michigan



DO YOU KNOW: MICHIGAN'S HIGHEST AND LOWEST POINTS OF ELEVATION ARE LOCATED ONLY A FEW MILES APART IN ITS FOREST-CLAD UPPER PENINSULA. IN ONTONAGON COUNTY'S PORCUPINE MOUNTAINS, ONE PEAK REACHES SKYWARD MORE THAN 1,850 FEET. NEARBY, THE BOTTOM OF LAKE SUPERIOR, DEEPEST IN THE GREAT LAKES, LIES 1,020 FEET DOWN. THIS IS 418 FEET LOWER THAN SEA LEVEL.



SCHOOLROOM OF THE NATION: OUTSIDE OF THE NATION'S CAPITAL, MORE STUDENT GROUPS ANNUALLY VISIT DETROIT THAN ANY OTHER AMERICAN CITY. IN 1951 OVER 2,000 SCHOOL GROUPS, TOTALLING MORE THAN 100,000 STUDENTS FROM ALL OVER AMERICA, VISITED THE "MOTOR CITY" TO VIEW THE WORLD'S LONGEST AUTOMOBILE PRODUCTION LINES, GREENFIELD VILLAGE, AND DETROIT'S OTHER TOURIST ATTRACTIONS.



OLDEST COURTHOUSE: LAPEER COUNTY BOASTS THE WOLVERINE STATE'S OLDEST COURTHOUSE. BUILT IN GREEK REVIVAL STYLE OF WHITE PINE, FROM THE VIRGIN FORESTS WHICH BLANKETED THE AREA IN THE MID 1900'S, IT HAS BEEN USED CONTINUOUSLY SINCE ITS CONSTRUCTION IN 1839. ONLY CHANGE HAS BEEN A NEW FOUNDATION AND BASEMENT. ITS ORIGINAL COST WAS $3900.

BLUEBERRY DELIGHT: MICHIGAN IS A LEADING STATE IN THE PRODUCTION OF BLUEBERRIES. IT OWES THIS PROMINENCE LARGELY TO RESEARCH WORK CONDUCTED AT THE MICHIGAN STATE COLLEGE AGRICULTURAL EXPERIMENT STATION. Grade School News

The news this week was prepared by Mrs. Uckele and her sixth grade students.

First Grade, Mrs. Garlick, Teacher.

We celebrate each person's birthday by singing our birthday song. We composed this song ourselves. Sometimes we have a treat for a birthday.

We are not afraid of the sound of the fire gong since we have had some fire drills.

We went to the Athletic Field for a hike. We were looking for butterflies, grasshoppers and crickets.

We saw a marionette show called "Here Comes the Circus." We enjoyed it very much.

We saw the parade on Homecoming Day. Some of our brothers and sisters were in it and we called to them.

Almost everyone in first grade dressed up for our Halloween Party. We had difficulty guessing some of the people.

We have been making Halloween and Thanksgiving decorations for our room in our Art Class.

We like school very much and are happy to be in school all day.

Second Grade, Mrs. VanWinkle, Teacher.

We are happy to have two new girls in our Second Grade. Their names are Elaine Lohrman and Gloria Teegarden. Elaine came from Terre Haute, Ind. and Gloria from Ypsilanti, Michigan. We now have 19 girls and 19 boys.

We have a little visitor in our room. We have named him Fuzzie Caterpillar. He hides in all the corners. We feed him grass and twigs. Letha Kimerer brought us a large cocoon. We hope a beautiful moth will come out of it soon.

Larry Harper, Ronnie Baxter and Jack Dick cut logs and we are building a little Pilgrim Village. We think it looks like America must have looked many years ago when the Pilgrims spent their first winter here.

Fifth Grade, Mrs. Boltz, Teacher.

The Class and teacher are enjoying a sight seeing tour of some of our southern cities. A few of the cities already visited are Miami, Jackson, New Orleans, Jacksonville, Elpaso, and St. Augustine. One child is responsible for guiding us through a particular city and telling us of its points of interest.

Jonathan Cook has moved to Harpster, Ohio and is much missed in our room. Several of us have written letters to Jonathan as part of our language work.

The American Way

The holiday season in Michigan is cherished by us all. It is a friendly time . . . a time when we like to relax in "The American Way" . . . with a glass of Michigan brewed beer.

For beer belongs . . . to pleasant living, to good fellowship, to sensible moderation. And our right to enjoy it, this too, belongs . . . to our own American heritage of personal freedom. *Beer Belongs . . . Enjoy It*

From where I sit ... by Joe Marsh

Going . . . Going . . . Almost Gone

Granny Robinson put on quite a show the other night at the annual White Elephant auction held at the Women's Club.

Towards the end of the evening, she had the ladies battling for anything she put up. "What am I bid for this woman's lovely black coat here—good as new? Who'll say ten dollars?" she asked.

Granny held the coat up, and commenced describing the coat's lining, sleeves, buttons — really "selling hard." Then, suddenly, she took a *close* look and blurted out "Land sakes, no more bidding please—this is *my own* coat!"

From where I sit, what almost happened to Granny was good for a laugh, but sometimes when people "get carried away" with their own talk it's not so funny. I prefer a glass of temperate beer while listening to my favorite radio program—you may like soda pop—or cider. I suggest we hold on to our personal opinions — and believe in them—but take a good close look at them before we try to "sell" them to our neighbor!

65,000 Nurses Needed Today

TOLEDO—Barbara Vonder Embse, a student nurse at the Toledo Hospital school of nursing, studies material telling of the many opportunities for professional nurses today. It is estimated that 65,000 additional nurses could be used in the following five major fields: hospitals, private duty, doctors' assistants, public health, and industry.

Because of this great need, the Toledo Hospital school of nursing plans to admit a 25% larger class next fall, according to Edna E. Sharritt, director.

METHODIST W.S.C.S. ENJOY NOVEMBER MEETING

The November meeting of the W.S.C.S. was held in the church parlors last Wednesday afternoon at 2 o'clock with Mrs. Robert Bonner presiding at the meeting. Mrs. Truman Rentschler was in charge of devotions and she and Mrs. Bonner presented a skit on "Presidential Timber" as part of the devotions. An invitation was read and accepted from the Macon W.S.C.S. to be their guests Thursday afternoon, December 4. Transportation will be provided for those desiring to attend if they will be at the church at 1:30. The recently organized study club reported that it has completed a study of "Understanding the Bible" and presented accomplishments at the family night supper. Wed, night, Nov. 19. The Society also voted to take charge of the dinner for the 125th anniversary of the church January 28.

Mrs. Clarence Beach, secretary of social relations and local church activities, reported that plans for the Christmas Tree Lane, the societies one big gala event of the year, are nearly completed. The Lane will be open to the public at the church at noon December 6. On Friday, December 5, a story hour will be held for children of all ages and will be under the direction of Rev. Ronald A. Brunger, Mrs. Lenore West and Mrs. W. G. Waldron. After the reports Mrs. Rentschler presented a program of "Fruits of Evangelism."

Refreshments were served by Mrs. F. E. N. Thatcher and Mrs. H. H. Loveland. The lace covered table was centered with an arrangement of fall fruits surrounding with fall leaves. Mrs. Loveland poured.

The next meeting will be held December 10 and members are asked to bring gifts for the church kitchen. A potluck luncheon will be served at 12:30 with Paul Hadsell, Mrs. Mertie Waring and Miss Arlene Sherman the committee in charge.

OBSERVE EDUCATION WEEK WITH OPEN HOUSE AT SCHOOLS

National Education Week was observed last week Thursday evening, with open house in all the school rooms.

This was an open meeting for the Tecumseh Parent Teachers Association. Mrs. Frank Verrier and Mrs. Richard Eggleston chairman of the room mothers of the Elementary grades, had the room mothers of various rooms act as hostesses and greeted the parents. A total of 602 parents visited the buildings. Many additional interested people also were among the visitors.

The teachers had arranged samples of each pupil's work. This afforded the parents an opportunity to examine the work of the child and to discuss with the teacher the work of the child.

Tests were given to the 9th graders in the Junior high rooms. Neville Hart reported that over 100 parents in the high school building attended and was pleased with the interest shown. A consultation was held with the teachers.

The next P.-T.A. meeting will be held at the Central Auditorium Thursday, December 11 and will be a musical program under the direction of Mrs. Skipper, music teacher.

A20 Thomas Mitchell, son of Mr. and [illegible] Hugh Mitchell arrived home Saturday evening from Japan and Korea where he has been stationed for the past two years. He is on a delay-on-route leave and will report to the air base in Florida.

Fireman first class Bill German, son of Mr. and Mrs. Walter German left Sunday afternoon for Norfolk, Va. after spending a short leave with his parents.

Mr. and Mrs. Marshall Drouillard were pleasantly surprised when Mr. and Mrs. Harry McNutt, Mr. and Mrs. Karl Dell, Mr. and Mrs. Henry McNutt and Jim McNutt of Toledo and Mr. and Mrs. Guy Phills and children of Sand Creek brought a potluck dinner and gifts to help the couple observe their birthday anniversaries.

CUB SCOUTS RECEIVE AWARDS AT MEETING

One hundred seventy-five Cub Scouts, their parents and friends attended the November meeting of Pack 4 held Monday evening in the Baptist church. As the audience, accompanied by Mrs. Leo Smith sang "Come Ye Thankful People, Come," the Cubs brought in the canned goods they had contributed to the Billy Still family.

A series of Pilgrim scenes was then presented by the Cubs, who have been studying the early history of our country this month. "Pilgrims in England" was portrayed by Den 7 led by Mrs. Max Smith, assisted by Mrs. Al Williams. The narrative was read by Tim Whitney. Dens 6 and 10 of Macon, led by Mrs. Dan Betzoldt and Mrs. William Underwood showed "The Crossing on the Mayflower," with Raymond Howell reading the narrative. "The Landing on Plymouth Rock" was depicted by Den 8 with Mrs. Donald LaBounty, den mother, assisted by Mrs. Luther Kemp. Greg Mason, den chief, read the script for the scene. Den 3, with Mrs. Charles Stephenson, den mother, assisted by Mrs. George Meads, showed "The First Thanksgiving," with John Conklin, den chief, reading the story.

Three new Cub Scouts were taken into the Pack in a ceremony conducted by the cubmaster, Samuel A. Whitney. The boys were James LeBaron, Jon Aho, and Elmo Rucker. The cubmaster then presented the following awards: under the Wolf rank, Wolf badges to David Brooks, Billy LaPrad, and David Quick, a gold arow point to Billy Truesdale, David Quick, and Charles Mueller, and a silver arow to Daniel Morey, Patrick Holdridge, David Grigg, Richard Moore, and David Quick; under the Bear rank, Bear badges to James Creger, Kenneth Beevers, and a gold arrow point to James Creger. The Webelos badge, highest award in Cub Scouting, was presented to Teddy Kempf, who also received a graduation certificate into Boy Scout Troop 4.

"Cubby" was awarded to Den 3 until the next pack meeting. This award is given to the den having the highest percentage of Cubs and parents present at the pack meeting. The next meeting, the annual Christmas party, will be held Monday, December 15.

There Is A Way To Triple Poultry Profits

That is correct—ordinary poultry profits can be tripled by use of the Hayden Feeding Plan. Most important is to feed Hayden's Egg Krumbles—known as the world's finest egg-producing feed. Bring those 150 egg layers up to 250 or 270. Get a hundred EXTRA eggs from 20 extra pounds of feed—if it's Hayden's EGG KRUMBLES.

Hayden's Egg Krumbles, for years the leader as a highly successful egg producer, is now better than ever.

Tecumseh Families Unite Thursday To Express Thanksgiving's Many Blessings

Thanksgiving, a day for family gatherings and sumptuous feasts, again this year finds Tecumseh pausing in reverent observance of a great American tradition.

Business, professional and government offices will be closed on the national holiday which annually falls on the last Thursday in November.

Among the many local people who plan a special day Thursday are Mr. and Mrs. K. C. Heflin who will entertain for Thanksgiving dinner, Mr. and Mrs. L. H. Jolly of Anderson, Ind., and Mr. and Mrs. George Hay and daughter, Beverly.

Mr. and Mrs. A. C. Hamaker will have as guests Mr. and Mrs. Bert Jasper of Dearborn, Mr. and Mrs. Louis Abbott, Fred Ammerman, and Mr. and Mrs. Joseph Stack, all of Detroit.

Mr. and Mrs. Carl Stevens and sons Lee and Terry of Grosse Ile will spend Thursday with Mr. and Mrs. P. G. Heidenreich. Mrs. Stevens and sons will remain for the weekend.

Mr. and Mrs. E. J. Aebersold will have Thanksgiving dinner at the home of their daughter and family Mr. and Mrs. H. K. Smith. William Aebersold of Pontiac will also be a guest in the Smith home.

Mr. and Mrs. Charles Allen will hold the same family gathering that they have had for many years. Their guests will be Mr. and Mrs. Albert Dorr, Mr. and Mrs. John Dorr and sons, Mrs. A. J. Allen, Mr. and Mrs. Frank Allen, and Lynn Lindsley all of Clinton, Mrs. Viva Riker of Mason, Mr. and Mrs. J. T. Callihan of Tecumseh, and Mr. and Mrs. C. W. Boussum and family of Bay City.

Mr. and Mrs. Forest Abner and family will be with her brothers and sisters, the Vershum family in Britton.

Mr. and Mrs. Clyde Bailey will spend Thursday in Ann Arbor with their daughter and family Mr. and Mrs. Royce Beal.

Mr. and Mrs. Kennard Wise, Lowell Wise and sons Stanley and Gregg, Mrs. Elona Barber and Mrs. Etta Wise will be entertained by Mr. and Mrs. Gibbs Barber and family.

Thanksgiving guests of the Ned Baldwins will be their daughter and family Mr. and Mrs. Arthur Williams.

Mr. and Mrs. Norman Bailey and son Dexter will be in Toledo for Thanksgiving dinner with Mrs. Bailey's aunt and uncle, Mr. and Mrs. Frank Dexter.

Thanksgiving will be family day in the home of Mr. and Mrs. Harold Anderson when they entertain their children and their families. Among those coming for the day will be Mr. and Mrs. Don Filter and family of Celina, Ohio, Mr. and Mrs. Robert Retter and family of Clark Lake, Mr. and Mrs. Kenneth Johnston and family of Ridgeway, and Mr. and Mrs. Seymour Barrett and family.

Mr. and Mrs. Glenn VanDenbergh will entertain Miss Margaret VanDenbergh of Grand Rapids, Mrs. Walter Sauer and children Linda and Jean of Sturgis, and Mr. and Mrs. William Hancock and children of Grand Rapids.

Mr. and Mrs. L. H. Titley and family will attend the Ruesink family reunion Thursday to be held at the Tecumseh Grange hall. The Herbert Munger family and the Albert Ruesink family will be hosts. About 100 members of the family are expected to be present.

Mrs. Albert J. Todd and sons Robert and Albert will entertain Mr. and Mrs. Virgil Tucker and children, Mr. and Mrs. Max Skinner and sons of Macon, and Mr. and Mrs. Kenneth Herrick and family.

Mr. and Mrs. J. H. Rohweder and son Tom and daughter Susan will be with Mr. and Mrs. James Rohweder of Toledo on Thursday.

Planning Group Furthers Plans

Members of the Citizens Planning committee for a Greater Tecumseh—which is actually a project committee for the Chamber of Commerce—took another step in the direction of changing the village government to a city form which would include expanded boundaries, at a meeting last week.

It was the second meeting in a series to be held this winter with the objective of offering a change over when proper information can be gathered.

Under the chairmanship of Rev. B. O. Bashore, who received a vote of confidence from the group attending, the committee decided to contact the Michigan Municipal League and prepare a detailed prospectus of information for public presentation. A public town hall meeting will follow to explain the proposals of the group.

In attendance last week were M. G. and Owen Partridge, L. H. Titley, James Beardsley, C. O. Butler, Bob Moore, John R. Zeigler and Neil Hunter from The Herald.

The two Partridges represented the Exchange and Rotary service clubs. The VFW, American Legion and United Products Workers were not represented.

TURKEY TIME IS SAFE DRIVING TIME, POINTS OUT CHIEF KILBOURN

"It's time to talk turkey," Chief of Police George Kilbourn pointed out this week.

The chief was talking about Thanksgiving, but the turkey he referred to was straight talk about coming winter driving conditions.

"Thanksgiving time is homecoming time for many American families," Chief Kilbourn pointed out, "and roads will be crowded with motorists going home for the holiday."

The chief pointed out that Thanksgiving comes at a time when winter may let loose with its bag of tricks.

"You can't depend too much on good weather in late November," he said. "A sudden snowfall or an unexpected freeze can play havoc with motorists' safety."

Euchre party—December 4, at 8:30 p.m. V.F.W. Hall. Prizes and refreshments. Sponsored by Tecumseh Conservation League.

ST. PETER'S TO INITIATE EVERY MEMBER CANVASS

St. Peter's Episcopal church will initiate their Every Member Canvass with a cooperate Communion of the entire parish on Sunday, November 30 at 8 o'clock. On that day, there will be no late morning service at 11:15. The regular session of the church school, the nursery and kindergarten at 9:45, will also be omitted that morning. Instead entire families are asked to be in church for a short Family Service of Evening Prayer at 5 p.m.

BAPTIST LADIES UNION TO MEET DECEMBER 4

The Baptist Ladies Union will meet Thursday afternoon, December 4 at 2 o'clock at the home of Mrs. Charles Stevenson. Mrs. Fred Sheldon will be in charge of the devotions and Mrs. Clare Beland in charge of the program.

Brownie Scout Troop 17 Enjoys Investiture Night

Investiture services were in order last week when members of the Brownie Scout troop 17, Morning Glory, met at the Methodist church on Thursday night.

The program opened with presentation of colors under the direction of Mrs. Gerald Griffin and Mrs. Victor Peterson, leaders.

Mrs. Griffin presented four new Brownie pins to Barbara Close, Carol Greiman, Susan Harris and Vickel Baughey. Melody Smith received a cluster pin for a year's active membership.

Mrs. Lyle Grigg, Mrs. Roger VanValkenburg, Mrs. Robert Lowe, committeewomen, were also presented with pins during the investiture.

The program, prepared by the Brownies, was presented with Karen Butler as leader. The Star Spangled Banner was sung by Judy Mangrum, Carol Greiman, Melody Smith, Barbara Close and Helen Hicks; piano solo by Cynthia Poley; vocal solo by Camilla Grigg accompanied [illegible] mother, Mrs. Lyle Grigg; a puppet show by Ann Wilson and Betty Bishop, narrator; piano solo, Marjorie VanValkenburg; ballet dance by Linda Griffin; a duet by Barbara McKenzie and Susan Harris. The program closed with a pantomine by Vickey Baughey and Vickie Peterson.

Refreshments was served to the mothers and friends by the girls. The long table was decorated in keeping with Thanksgiving.

Mamie Thanks Mrs. Pocklington

In a wonderful letter of appreciation, America's first woman-elect, Mrs. Dwight D. Eisenhower expressed her humble words of simple thanks to Mrs. Guy T. Pocklington for a letter of encouragement received during the recent presidential campaign.

Mrs. Pocklington is probably the "dean" of local political women taking an active part for many years in county and state Republican activities.

She attended the national GOP convention last July in Chicago.

Here is Mrs. Eisenhower's Letter:

Augusta, Georgia
Nov. 17, 1952

Dear Mrs. Pocklington,

If you could only know what a wonderful morale booster your letter of support was to both of us! In the few moments my husband and I have had alone with each other since learning of our glorious victory, we spoke of our many friends who wrote us grand letters of encouragement. We both agree that your efforts and loyalty were the inspiration we needed to carry our crusade to success.

Now that the American people have decided to entrust General Eisenhower with the grave responsibilities of leading our government, I hope you will continue to stand with him in the difficult days that are sure to follow.

The General joins me in sending our very warmest regards!

Mamie Doud Eisenhower

Mark Randall, Well Known Macon Resident Dies

Mark E. Randall, age 77 years, a well known resident of Macon, died last Thursday at 12:30 p.m. in Eustis, Florida, of a cerebral hemmorhage. Mr. and Mrs. Randall had recently gone to Florida to spend the winter.

He was born October 12, 1875 in Britton, the son of the late William and Olive Randall, and lived for 35 years on the farm two miles southwest of Macon. He married Addie Hendershot December 21, 1898 and they celebrated their 50th wedding anniversary in 1948.

Survivors besides his wife Addie are one daughter, Mrs. Ethel Hammack and one son, Lee Randall, both of Tecumseh; two grandsons, three granddaughters, one great-grandson and one great-granddaughter; two brothers. Lavern Randall of Manitou Beach and Frank Randall of Saline. Several nieces, nephews and cousins also survive.

Funeral services were held Tuesday afternoon at 2:30 at the Collins Funeral Home. Burial was in Brookside Cemetery. The bearers were Ernest Eggert, Will Swick, James Johnston, Boldt Sarvey, Victor Voorhees and Lilburn D. Burleson.

NOTICE

My office will be closed from Nov. 6 to Dec. 1, inclusive. H. H. Hammel, MD. 11-27

My office will be closed Nov. 13 to Nov. 30 incl. Office open for collections and refills.
R. F. Helzerman, M.D. 11-26tf

Seeing spots in front of his eyes is getting to be an old story for Edwin Gove, above, who launched into the turkey business on his Green road farm, just south of Tecumseh, last May. Now he's ready for the holiday market — in more ways than one.

TUESDAY PUBLICATION

To allow its editorial, business and mechanical employees a full Thanksgiving day Thursday with their families, and to distribute the week's news and advertising before the holiday, The Herald is published this week on Tuesday instead of Thursday. Normal Thursday publication will be resumed next week on Thursday, Dec. 4. The Herald staff further joins in wishing each of its many readers a happy Thanksgiving day after a year of bountiful rewards.

Humane Society Interest High

Gifts Indicate That County Will Provide For Animals

At the end of it's first week of the drive for funds, the Lenawee County Humane Society reports contributions of more than $2,000 toward the $11,000 goal.

"These came from every part of the county, and in donations of all sizes," reports Mrs. H. E. Luchenbill, vice-president of the Society. "The interest has astounded us. More people than ever are askingf for animals, too."

The Society reports more than 100 contributions, ranging from 50c to $500, Noteworthy is the fact that 21 of these are in excess of $20. Mrs. Verna Hamaker, chairman for Tecumseh reports that some contributions have come in totaling about $100 thus far. Mrs. Hamaker states that on the basis of the use that has been made of the Society's help over the past years, the Tecumseh share should be at least $700, and is hoping that the people will respond to that amount.

The members of the Society have in recent years cared for as many as 150 injured and homeless dogs and cats within a month. Mrs. Luchenbill points out that since some new cages were purchased about three years ago, no animals have been put to death which could possibly be saved for a healthy life. "People will readily take a healthy looking dog or cat," said Mrs. Luchenbill, "but they shy away from the animal if sick or injured. Our job is to feed and restore these homeless and injured animals to health, and make them desirable as pets."

The Society has taken an option on the property required for a shelter, and hopes to complete the purchase early in December.

FORMER METHODIST PASTOR DIES IN NORTHERN MICHIGAN

Friends here have received word of the sudden death of the Rev. E. F. Hildebrand, who died of a heart attack while hunting in northern Michigan last week Tuesday, November 18. Mr. Hildebrand was 79 years old and a former pastor for several years at the Tecumseh Methodist church. He visited here recently and occupied the Methodist pulpit once during the summer. Mr. Hildebrand had been making his home with his daughter at Howell.

Thanksgiving Is End Of Talking Turkey For Gove

Standing in a surging sea of 500 mixed black and white turkeys, Tecumseh part time farmer and Products worker Edwin Gove shouted something to the visiting Herald reporter last week that was drowned in the deafening "gobble - gobble - gobble" of his always hungry flock.

"It's no use trying to talk out there," Gove said back near his farm house on south Green road just south of Occidental, "gets louder every day.

"But soon they'll go to market," the young farmer said thankfully after six months of touchy handling, "no simple task, those turkeys."

It all started for Gove back last May, it was the 20th when he paid 89c apiece for 500 turkey poults from the Zeeland hatchery. The first eight weeks were his hardest, for poultrymen have first to teach young turkeys to eat. They were kept inside a brooder house except for an occasional stroll on a sun porch. He had boughs about half and half White Hollands and Broad Breasted Bronze.

In July the flock went outside and changed from Hayden's turkey starter to regular feeding mash, plus oats and corn.

When fall rolled around the turkeys really went to work on feed until today they are consuming mash and grain at unbelieveable proportions.

Gove buys mash in ton lots (it costs around $5.20 cwt). Three bushels of shelled corn and 100 pounds of oats a day have depleted his own supply and sent him elsewhere to buy feed.

But Thanksgiving means at least a partial end to the constant deafening drum of an always hungry flock as the young, ambitious farmer, who is the son of Garland Gove, has an eye on unloading at Detroit's public market. He kills the turkeys at home, keeps them soaked over night in cold water and delivers them New York dressed (dressed but not drawn) for an expected 55c-65c per pound.

Some of the flock will probably be held over for the Christmas market.

Gove's farm, incidentally, is known to old timers as the "Doc" Waldron place where Edwin lives with his wife (the former Lavonne Perrin) and two daughters.

EARLY LOCAL RESPONSE TO TB SEAL SALE

In sheets of 100, the 1952 tuberculosis Christmas Seal which started arriving in Tecumseh homes this week brought "immediate response" from many.

According to the Michigan Tuberculosis Association, the "first" Tecumseh return envelopes opened at Christmas Seal headquarters carried contributions from: Vern Manwaring, 202 Iroquois; Miss Mary Whitelock, 502 W. Chicago Blvd.; G. R. Halberstadt, Route 1; Mrs. Joe L. Springer, 411 S. Adrian St.; Hal Culberly, 303 E. Shawnee St.; S. E. Lawrence, 23 Mill St.; Miss Anne Carson, 509 E. Logan St.; Mrs. Veva H. Connor, 305 W. Chicago Blvd.; Russell Lawhead, 4950 Russell Road, and Ambrose C. Hamaker, 44 Mill St.

Churches Observe Thanksgiving With Services

A union service for all denominations will be held at the Presbyterian church on Thanksgiving eve with Rev. A. S. Dimbat, Assembly of God pastor, delivering the sermon "Giving Him Thanks."

Also participating in the Wednesday evening service which starts at 8 p.m. are host pastor Rev. George Walworth, Rev. Edward Escolme, Rev. Ronald A. Brunger and Rev. Richard O. Petersen.

This union Thanksgiving service has long been a tradition in Tecumseh. The offertory will be turned over to the Ministerial assocation which is composed of the six participating churches, Assembly of God, Baptist, Friends, Methodist, Presbyterian and St. Peter's Episcopal churches.

St. Peter's Episcopal will also celebrate their own Holy Communion at 7 a.m. and 9 a.m. on Thanksgiving day.

Rev. A. Jeschke will hold a Thanksgiving service at Grace Lutheran church on Thursday morning, 10 a.m.

High mass at 7:30 will be celebrated at St. Elizabeth's Catholic church.

As is customary in all Christian Science Churches, a special Thanksgiving service will be held on the eve of Thanksgiving in Tecumseh at 8 p.m. Following the usual order of service there will be a brief period in which members of the congregation may express their gratitude for healings and other help which they have received during the past year.

B. & P. W. Enjoys Style Show

Old and New Fashions Shown Monday Night

A gay and colorful time was enjoyed at the Fellowship Center of the Presbyterian church Monday evening by 66 members and guests of the Business and Professional Woman's club. An excellent dinner was served by the Westminster League with the tables decorated with colorful oak leaves, double candles and fruit.

The hymn of the month, "Home Sweet Home" was sung by the group accompanied by Mrs. Edna Staulter. It was voted to send $1 for membership in the County Child Welfare and also to contribute $5 to the Welfare for Boarding Children's Christmas. Fifty-four answered to roll call, twelve guests were present.

Mrs. Cecile Smith, Mrs. Anna Hardenburg and Mrs. Vevia Anderson were in charge of the program, which opened with assembly singing of "Over the River and Through the Woods" which was followed by Miss Ardis Drewyor, whistling, "You Belong To Me" and "I'm in the Mood for Love," accompanied by Mrs. Arthur Schwartz.

The outstanding feature of the evening was a style show with Mrs. Peter McGee as narrator,

ROTARY MARKS 25TH ANNIVERSARY WITH PROGRAM NEXT WEEK

Plans were announced this week for Tecumseh Rotary club's silver anniversary meeting next Tuesday night at the Country Club with guests attending from Blissfield, Clinton and Adrian.

Harold Kelso, president, said Rev. Bob Richards, Detroit, will give the 25th anniversary address. Judge G. A. Rathbun will act as toastmaster.

The following past district governors have indicated their intentions to attend, Jack Maynard and Cass Piotrowski, Detroit, and Jack Smith, Windsor. The newly elected district governor, taking office in July, Hugh Williams, Detroit, will also be on hand.

Twenty-five years ago the local Rotary club was organized with 25 charter members. Adrian's club acted as sponsor.

Original charter members who survive include Orville Laidlaw, Perry Satterthwaite, H. H. Hanna, Guy Belding, Louis S. Schneider, Percy Bowen, Ed Braun, Dr. A. H. Brown, Leslie Marlott, Robert S. Moore, Dr. R. G. B. Marsh and Judge Rathbun.

One hundred fifty are expected for the anniversary dinner and program.

EXCHANGE CLUB TO HEAR OF OLD MEXICO

Walter Nichols will be the guest speaker at the regular meeting of the Exchange Club to be held this (Wednesday) evening at the Tecumseh Country Club. Mr. Nichols will talk on his recent trip to Mexico, where he and Mrs. Nichols toured for a month. George McCombs, club president, will be in charge of the program.

AMERICA'S VERY OWN — Thanksgiving is one Christian holiday which America can call its very own. For unlike Christmas and Easter — which were handed down through the course of history to all nations from earliest Bible times — Thanksgiving is a western hemisphere creation by the forefathers of America. They paused on a bleak November day, 331 years ago, to say "Thank You God" for a bountiful harvest delivered in a time of great need.

There had been a long year's distress in the wilderness of New England. But the same Christian God we know today, answered their prayers and gave renewed hope to the sturdy band who fought to establish a cornerstone for this great land of ours. That first Thanksgiving was a pure expression of gratefulness for the many needs which a gracious Providence had so generously provided. The first thought of the Pilgrims may have been of their physical needs, but let us never forget that these brave people had suffered most because of religious and political persecution. The Pilgrims left their homes, their native lands and struck out on a voyage of hardship, danger and to many of them, death itself, but freedom was their goal and they held steadfastly to it.

For a while Thanksgiving became a football game and a big turkey dinner, but in more recent years the holiday has a renewed Christian meaning and, though a comparative newcomer to the church's observances, it is again a day of saying "Thank You God" for the blessings of the past year.

We should all eat well of the fatted turkey and be merry with the beloved members of our family groups, but at the same time we must remind each other—and particularly the younger ones among us—that Thanksgiving is a "real" American heritage, consecrated, continued and cherished by those who know that God is the Great Provider of our blessings bountiful.

EDITOR'S FAVORITE — What's wrong with the editor passing on his favorite Thanksgiving breakfast treat this week? It's just a pancake menu, but oh what pancakes, could eat a dozen of 'em.

Ingredients: 2 cups ready mix pancake flour, 2¼ cups milk, 1 egg beaten and 2 tablespoons melted shortening. But that's not all, they're called Flaming Cherry Pancakes, so you must make a flaming cherry sauce from No. 2 can dark sweet cherries, ¼ cup corn syrup, a stick of cinnamon, tablespoon lemon juice, 3 teaspoons corn starch, 1½ teaspoons cold water, lemon flavoring and sugar cubes.

To make the cherry sauce, drain the cherries. Place the juice in a saucepan and add corn syrup, cinnamon and lemon juice; simmer 10 minutes. Remove cinnamon. Mix corn starch and water, slowly stir into hot cherry juice until it boils; add cherries and bring to boil. To make the pancakes, add milk to pancake ready-mix and stir lightly. Fold in egg and shortening. Bake on hot lightly greased griddle, turning over once. Roll up and place on large platter; cover with hot cherry sauce. Dip sugar cubes into lemon flavoring and place at edge of cherry sauce. Light cubes with a match. When flames die out, serve immediately. Serves eight average people or one local editor.

NO NEWS IS GOOD NEWS — Plans are afoot, we understand, to shroud General Eisenhower's Korean trip in the most complete news blackout since the Normandy landing. Detailed plans are being perfected to provide equal opportunity for 300 correspondents, photographers and radio men to cover every angle of the visit, and for all copy to be withheld by the Army for release when the ban is lifted.

An earlier report that South Korean President Syngman Rhee would receive President-elect Eisenhower at the most brilliant affair ever given in Seoul, has been somewhat revised. Instead, it is expected that the two will meet in the utmost secrecy at an unstated point near Seoul.

All this, we believe, makes a lot of sense, and even suggests that we are to have an administration in Washington that will regard Korea as a very real and very tough war. And further, in view of our previous inability to protect our arms secrets (as indicated again last week in reports of H-bomb blasts in the Pacific) it would be a reassuring experience to discover that we really can clam up where American lives are at stake.

Even though it comes in the better-late-than-never category, we believe the American people as a whole will applaud effective, leak-proof military censorship, and the American press will cooperate whole-heartedly and with a new respect for our national leadership.

We Thank Our God For His Bounty . . .

It is not only a day set apart for Thanksgiving. It is not alone a tradition handed down from our forefathers.

Thanksgiving Day is one of the most beautiful of our holidays — when men pause in their calling to enjoy the bounty of God, and to acknowledge and render thanks, for all things are His.

ST. PETER'S AUXILIARY ELECTS OFFICERS

St. Peter's Episcopal Auxiliary met in the parish house Thursday afternoon for the annual meeting and elected Mrs. Hugh Browne as president, who succeeds Mrs. O. W. Laidlaw. Other officers elected were, Mrs. L. W. Larsen and Mrs. Alan Russell, vice presidents; Mrs. Lawrence Blum, treasurer; Mrs. Richard Dewey, recording secretary; and Mrs. Arthur H. Brown, corresponding secretary.

The Auxiliary sent a layette to the Indian Mission school in South Dakota. The bazaar committee reported a profit of nearly $500 from the recent bazaar and dinner. It was also reported that contributions to the UTO envelopes amounted to $132. The Auxiliary voted to give its support to the annual Sunday School Christmas dinner and to serve a buffet lunch in the parish house immediately following the Family Service Sunday evening.

Jack Warner, lay-minister of St. John's Episcopal church of Clinton, told of his recent visit to the General Trienniel convention in Boston, Mass., and showed pictures in color which he had taken while there. Mr. Warner was presented with a check from the Auxiliary toward the new parish house being erected in Clinton.

FAMILY NIGHT OBSERVED BY METHODISTS

Family Night was observed at the Tecumseh Methodist church last Wednesday evening with 66 in attendance enjoying a potluck supper and program. The Reliable Circle of the church was in charge. The program opened with a two-piano number "Lustspiel" by Mrs. W. G. Waldron, Mrs. Herbert Dillon, Mrs. Arthur Schwartz and Rev. Ronald Brunger. Mrs. Truman Rentschler related the accomplishments of the recent Bible study group of the W.S.C.S. which just completed a series of studies on the Bible under her direction. She presented a recorded selection of Handel's Messiah and reports on Bible characters were given by Mrs. Ellsworth Collins on Jeremiah; Mrs. Jennie Temple on Isaiah; Mrs. Waldron, Hosea; Mrs. George Green, Amos; Mrs. Brunger, Ezekiel. Mrs. Rentschler then presented two recorded spirituals, "These Bones Will Rise Again" and "Dry Bones." The Circle sang a Thanksgiving hymn and presented a sketch from "The Courtship of Miles Standish" with Mrs. Edna Codling as Priscilla and Edward [illegible] as John Alden and Mrs. [illegible] was the narrator. Waldrons' old spinning wheel was used for this sketch.

Britton

A $2,400 note signed by the church in 1945 to provide funds for an extensive remodeling program was burned at a service Sunday evening at the Britton Congregational church.

The Rev. Coral Badder of East Lansing, assistant state superintendent was the speaker.

The church choir and recently organized orchestra under the direction of Mrs. J. Morgan Reese participated.

The debt was found by the Rev. J. Morgan Reese upon assuming the pastorate in May 1951.

A debt liquidation committee was appointed with Charles Patterson as general chairman.

Other members were Mr. and Mrs. Gerald Benedict, Mr. and Mrs. Lee Keeling, Mr. and Mrs. Lawrence Ash, Mr. and Mrs. Laurence Hoagland, Mr. and Mrs. Edwin Spohr, Mr. and Mrs. Glen Gripton, Mr. and Mrs. Elmer Eberhardt, Mr. and Mrs. Edward Rogers, Mr. and Mrs. Harold Rohrback and Mr. and Mrs. George Forsyth.

The Brittton-Macon P.-T.A. met recently with Mrs. Harold Preilipp conducting the business meeting at which it was voted to have a treat for the children at the annual Christmas program in December. It was also voted to start a project to earn money toward uniforms for the band. The committee for this project is Mrs. Lowell Monigan, Mrs. Norris Dartt and Mrs. Earnest Machino. A reminder to attend Deerfields open house December 11 was given. Group singing followed the business session. After the parents visited the classrooms, refreshments were served.

The Britton Woman' Club met Tuesday afternoon at the home of Mrs. Doris Exelby with the music committee in charge of the program which included a saxaphone solo by Judy Kniffen, an accordian selection by Barbara Seidel, piano solos by Mary Ann Kanous and Peggy Jo Pocklington and a vocal duet by Margaret Kimerer and Mary Bush. Mrs. Mildred Wiggins gave three Thanksgiving readings. Five new members were added to the membership. Refreshments were served by the committee.

W. S. C. S. PLANS BAZAAR FOR DEC. 6

The Woman's Society of Christian Service of the Tecumseh Methodist church is busy working out the details of its Christmas Tree Lane which will be held at the church on Saturday, December 6. The social room, class rooms and halls will be decorated with greenery of all kinds. A variety of booths will be set up. Sales will begin at ten o'clock in the morning. A special tea with Mrs. Willis Porter in charge is planned for two-thirty o'clock in the afternoon and will be followed by a Christmas program which is being arranged by Mrs. T. Rentschler and Mrs. Wilfred Waldron. The children's Christmas story hour is scheduled for four-forty five o'clock the same day instead of Friday as originally planned. Among the story tellers will be Rev. Brunger, Mrs. Lenore West, and Mrs. Rentschler.

Mrs. Clarence Beach, secretary of Christian social relations and local church activities, and her co-secretaries, Mrs. Owen Partridge and Mrs. George Wittrup, are in charge of the arrangements with all circles participating. The proceeds from this affair will be used about the local church and for Christian work around the world.

An additional holiday festivity planned by the society under the direction of Mrs. Beach will be a Smorgasbord on Saturday evening, December 13 with Mrs. T. Rentschler as chairman. Both affairs are open to the public.

OVER FIFTY GROUP OBSERVES FIRST ANNIVERSARY

The Over Fifty Group observed its first anniversary with a potluck luncheon and program last Thursday in the Tecumseh Methodist church with the Temple Dependable Circle as the hostesses. A cake with a lighted candle was a feature of the luncheon.

During the informal program conducted by Mrs. T. Rentschler, the group planned a Thanksgiving menu such as was popular when they were young. A decided contrast is expected in the present day holiday dinner. The group discussed gadgets and gimmicks of the past and present. They also told of their experiences with "plank roads" and recalled that Lenawee county had several of them and that there was toll to be paid for using them. When asked what they would like to see come to pass in the near future, one person wants homes heated with sun rays, another wants to see food grown without soil, while another wants better mouse traps manufactured.

Mr. and Mrs. R. C. Leonard, temporarily of Hillsdale and formerly of Tecumseh and California were introduced and Mr Leonard told briefly of his experience in the earthquake of 1906. As a closing feature of the program, the group prepared and recited in unison a Thanksgiving Litany.

Mrs. Emma Mault, Mrs. Russell O'Hara and Mrs. Mertie Waring were in charge of of the luncheon. The group will meet again on Thursday, December 18.

who will be leaving soon with her daughter to join her husband, Dr. McGee in Japan. What a show it was for the past, present and future. Mrs. Earl Baldwin and Mrs. John Truesdale modeled for Rosacrans. Mrs. Harry Stanifer, Mrs. Ogland Lay, and Mrs. Fay Whelan for the Watkins Shop. Mrs. Kenneth McEnroe, and Gail, Linn and Ann Lohrman, daughters of Leo Lohrman, manager of Palman's, modeled for Palman's Department Store.

Mrs. Lay modeled a gown worn by Mrs. Glenn Driscoll's great-great aunt. A gown believed to be the wedding dress of Miss Beth Satterthwaite's great-grand-mother, Anne Comfort was modeled by Miss Drewyor with Miss Mabel Lockwood reading a poem. Mrs. Baldwin modeled a gown in the possession of Mrs. Leon Rosacrans, and said to have been worn by Mrs. John Studebaker at the inaugural ball of Abraham Lincoln in 1860.

Mrs. Nina Heath modeled a dress made by her sister Mrs. Jennie Satterlee which she wore at her brother's wedding. Mrs. Duaine Servic wore a gown belonging to Miss Mary McWilliams. They sang songs, "In The Good Old Summertime," "Shine On Harvest Moon," "When You Wore A Tulip," "Let Me Call You Sweetheart," "Sweet Adeline" and "Daisy, Daisy." Mrs. Stanifer moleded a gown owned by Mrs. Charles Allen which was a wedding dress of a relative at the turn of the century. To climax the grand parade, Mrs. Whelan modeled a wedding night gown loaned by Mrs. William Wright, which was Mr. Wright's great-great grandmother's, and included long ruffled sleeves and night cap. Mrs. Whelan carried a white candle. The modeling group gathered on the stage and sang "Good Night Ladies."

The next meeting will be the Christmas dinner party and will be held December 15 at the Methodist church.

The hostesses for this meeting were Mrs. Frank Creger, Mrs. Reginald Dixon and Mrs. Anabel Finnegan. Mrs. Grenval Spangler assisted Mrs. Creger.

HAPPY HOME BUILDERS ENTERTAINED MONDAY

The Happy Home Builders Class of the Baptist church met at the home of Mr. and Mrs. Kenneth Davison Monday evening with Mr. and Mrs. Carl Fosbender assisting. Harold Black presided at the business meeting and new officers were elected with Lawrence Holdridge as the new president; Robert Smith, vice president; Mrs. C. O. Baily, secretary, and Mr. Bailey as treasurer; Mrs. Holdridge is Good Cheer chairman; Harold Davidson, teacher, and George Green, assistant teacher. The class voted $25 toward the Church School Christmas gifts and $100 toward their pledge to the Building Fund. A vote of thanks to the retiring officers was given. The December meeting has been cancelled due to the all-church program December 17, in which all groups of the church are cooperating. After the meeting festive Thanksgiving games were enjoyed with Mr. and Mrs. Lyle Grigg and Mr. and Mrs. George Green in charge. Refreshments were served by the committee with decorations in keeping with the Thanksgiving season.

What We Are Thankful For

We, the tenth grade English class, are thankful for the fact that we have been able to be the first to start a genuine school newspaper here in Tecumseh. We have tried to print all the news of T.H.S. in such a way that it will interest the students as well as the adults of Tecumseh.

We are thankful for the hand **The Tecumseh Herald** gave us in getting started.

We are thankful for the many good comments we have had about our work and for the fact that most of the criticisms we have had were not of a damaging nature.

SENIOR PLAY TO BE HELD DECEMBER 3 - 4

Probably no one revealed more in the unflattering carciature of Alexander Woollcott in the hit comedy, "The Man Who Came to Dinner," which opens at the Central Auditorium on Wednesday, December 3 than Woollcott himself. The late writer, lecturer and raconteur was considerably awed at having been made the subject of a play, even an unflattering one. But he had one serious objection to the Woollcottian role of Sheridan Whiteside, a furious tyrant with a quick and cutting tongue who keeps his world in terrified subjection. The real-life Whiteside insisted that he never was rude or insulting to a nurse, as is Whiteside in the play to such an extent that the antiseptic Miss Preen deserts her profession, and goes off to work in a munitions factory in the belief that humanity should be destroyed rather than saved.

Woollcott, whose favorite greeting to his friends was, "Listen, repulsive," claims that he reserved his venom-coated invective exclusively for fellow-celebrities. On one such occasion, an actress for whom Woollcutt had little affection burst upon the writer with "Remember when we were children and I used to ride on your sled?"

"When I was a child," Woollcott is supposed to have replied acidly, "I did not own a sled. And if I had, you couldn't even have **bought** a ride on it."

WHAT WE, THE STUDENT BODY, ARE THANKFUL FOR

In this year of 1952, when our world is in the state of affairs in which it is now there are still a lot of things in which we Americans can be thankful for:

This year as every four years we have the freedom to select a president.

We should all be thankful too, for the boys who have fought and are still fighting to keep our country free.

We as a student body are thankful for the understanding and much needed help that we receive from the faculty. Although our schools are overcrowded this year, the faculty has done a wonderful job of teaching so many not losing their tempers (very often), and helping as much as possible those that need help the most.

We are all thankful for these and many more things, but especially that we are Americans and no matted how trying times may be, we are still free and that's the best thing in the world.

We hope each and every one of our readers will pause, remember and give thanks on the special day set aside for this occasion, November 27.

—The Students.

LOOK ONE—LOOK ALL

Before we try to proove the referee is wrong, we should all learn these major basketball rule changes.

(1) There is no waiver of a foul shot. In other words when a team has a foul shot coming they cannot take the ball out of bounds as the rule permitted in past years.

(2) The game is divided into 4 periods each of 8 minutes. During the first 29 minutes of the game when a one shot infraction is called, the person who is to get the shot will have another try at the basket if he misses the first one. If the first is made there is no second shot.

(3) During the last 3 minutes all persons who are fouled will get 2 foul shots.

(4) Time out cannot be called if possession of the ball is about to be changed.

Let's all remember these rule changes when we go to watch Tecumseh beat Addison Friday, December 5.

MEMBERS HONORED AT WOMAN'S ASS'N MEETING

The Presbyterian Woman's Association met in the Fellowship Center of the church last Wednesday evening for the November meeting with 48 members and guests in attendance. Mrs. Fred Marsh and Mrs. Al Helzerman were presented with honorary life memberships in the National Missions and Christian Education respectively. Mrs. Margaret Kidman and Miss Edith Ingersoll conducted the impressive ceremony and presented the honor members with red roses in memory of the late Miss Rebecca Preston.

Mrs. Frank K. Smith, president, presided at the business meeting. Mrs. Lena Moiles gave the invocation. The group joined in assembly singing of "Blest Be the Tie That Binds." For the program, Mrs. Malcolm McCulloch, wife of the Presbyterian minister of Palmyra, addressed the group on "Stewardship." The Rev. George E. Walworth was in charge of devotions. Refreshments were served by Mrs. Ned Baldwin, Mrs. E. J. Aebersold and Mrs. John Quigley.

The next meeting will be the Christmas party and will be a joint meeting with the Men's Club. Officers will be elected at this meeting.

The average worker's real wages per hour will double in the next 30 years if the productivity rate of the last 50 can be maintained, the Committee for Economic Development says.

Food Costs May Be Higher In '53

Agricultural economists at Michigan State College are singing on a sour note when it comes to food costs. They say that food costs are high, but they may go higher. But you don't have to sing the blues with them if you buy wisely.

And a note of hope comes when the economists predict that meat prices in 1953 will probably be about the same as this year. The U. S. Department of Agriculture reports meat production is on the increase with slightly more beef than pork recorded.

Canned fruits and vegetables are likely to stay about the same in price, too. The pack this summer and fall was slightly lower than last year, but carry-over stock will keep price on an even keel.

The MSC economists predict advancing prices for canned and frozen fruit juices, however. Supplies are low, they say. Homemakers may expect fresh citrus fruits, oranges in particular to stay at the 1952 price average because a good citrus crop is reported.

Applying these economics to your own pocketbook and table means you should spend your food dollar with care. Watch reports for plentiful, less-expensive foods in your markets. For instance, the U. S. D. A. reports that in Michigan the best buys are Michigan carrots, cauliflower, most apples, squash, and western lettuce.

Moderate-priced items in your markets now are Michigan celery, most greens, topped beets, snap beans, Honeydew melons, onions, peppers, potatoes, rutabagas, sweet potatoes, tomatoes, and bananas.

Today's dollar—a 53-cent dollar as compared with 1939—is only a 41-cent dollar when it is used for buying food, according to the mazagine U. S. News & World Report.

Grade School News

Third Grade, Mrs. Ward, Teacher

In arithmetic we are having carrying and borrowing. In social studies we have been studying about the weather and how is have been studying about ani- have been studying abotu animals and what they do in winter time. We drew pictures of these animals for open-house. In language we are learning to write letters correctly.

These people have not missed any words in spelling: Sandra Bishop, Thomas Hicks, and Winfield Walker.

LaFoy Hughes has moved to Tennessee. Maxine Fouts has new glasses.

Third Grade, Mrs. Buttolph, Teacher

Our third grade is working on a Thanksgiving program. We have spent much time preparing our play and we hope all who see it will enjoy it. eW plan to present our program next Wednesday afternoon. The other third grade groups will be our guests.

We were very glad so many of our parents and friends visited our room during open-house.

Fourth Grade, Miss Baker, Teacher

We are very happy that so many of our parents and friends attended open-house. We hope you will visit us again. Our class have all started their basic fourth grade readers and work books. The name of our reader is "Times and Places." We are going to enjoy the stories in our new readers.

In arithmetic we are having a contest between two teams, "Merry" and "Christmas," to see which team can decorate a Christmas tree with the ornaments and packages. Our trees are on the board. We must know our multiplication and division tables in order to decorate our trees.

In our social studies we have read about our first Thanksgiving. Betty Bishop gave an interesting report in language on the first Thanksgiving.

The boys and girls contributing to our Mexican display for geography and reading were Ann Wilson, Bruce LeFevre, James Bashore, Vickie Peterson, Larry Titley, Carol Lowe, Michael Robinson, Cynthia Poley, and Dennis Harrison.

Fourth Grade, Mrs. Osburn, Teacher

Mrs. Paul Breitenwischer showed movies of their trip to Florida to our grade Wednesday morning. We enjoyed the movies very much. We are making Pilgrim boys and girls to decorate our room for Thanksgiving. Dan Morey is sick this week. This week we are learning the multiplication table of 7's.

In language we have written letters to schools in North Dakota, Florida, Tennessee and Alabama. This week we received two letters from North Dakota and one from Florida.

Fourth Grade, Mrs. Baily, Teacher

Nancy Nighswander has been out of school for several days because she has had her tonsils out. Many parents visited our room last Thursday night, to see some of our work which was on display.

Fifth Grade, Mrs. Whiting, Teacher

We had open-house Thursday, November 13, in our school. The boys and girls all helped to get our room in shining order. The boys varnished our tables and mopped the floor. The girls swept and dusted. Twenty-one of our parents came to see our work and talk with our teacher.

We have a Citizenship Club which makes our rules. We meet once a month. Judy Truesdale is our president; Ellen Beal, vice president, and Richard Stephenson is secretary. For our Citizen-of-the-Month chart we chose Mary Colgrove for September, Jerry Irelan for October, and Judy Truesdale for November. We have made three murals for November. One is "The Landing of the Pilgrinms," the second is "The Pilgrims going to Church," and the third is "Thanksgiving Dinner." We choose committees to draw the pictures and anyone could color them, in his spare time.

Robert Dick and Jerry Irelan have sent to the Conservation Department for two different films. The first was on "Better Fishing" and the last one was "Buck Fever." We invited the other two fifth grades to see this one with us. Mr. Greene showed it in the Auditorium, Wednesday, November 19. We all enjoy the new projector that the Herrick Foundation presented to our school.

THE TECUMSEH HERALD

ONE HUNDRED SECOND YEAR — NUMBER 10 TECUMSEH, MICHIGAN, DECEMBER 4, 1952 5 CENTS A COPY

Hey Kids: Santa's Big Pre-Christmas Party Is Next Friday, Dec. 12th

Santa Claus, champion of every child's heart at Christmas time, will revisit Tecumseh again this holiday season. His first official appearance will be on Friday night, December 12, when jolly old bewhiskered St. Nick will play host to scores of children at a gigantic pre-Christmas party.

Last year, at a similar affair, Santa entertained an overflowing 2,000 children from all over Tecumsehland, This year's attendance is expected to shatter that mark.

Rough plans for the "12th" now call for Santa's arrival at 7:00 p.m. with his sleigh and reindeer direct from the North Pole. He will tour through the business district and finally stop at the four corners to personally greet all the children and give out thousands of bags of Christmas candy. Santa's helpers will aid in the distribution to see that every child is attended.

The annual Christmas party was announced after a committee of representatives from various civic groups received a wire from the North Pole. **"Tell all those wonderful youngsters who live in and around Tecumseh that I'll be back with my reindeer again this year," he wired, "we'll arrive on Friday night at 7:00, December 12 with a sleigh full of candy for all."**

Awaiting his wire, were the following group who made the final Christmas party announcement and emphasized the importance of every child's saving the 12th for their first real live visit with old St. Nick: Fay Whelan, Rotary club; Neville Hart, Exchange; R. H. Moore, Chamber of Commerce; Granval Spangler, VFW; Harold Easton, American Legion; Ed Heilman, village president; and Joe Rohweder, council representative. The party is also part of the community fund program.

This group asked youngsters to "show Santa another big turnout when he visits Tecumseh" and advised parents to "bring their youngsters downtown that night for Santa has a warm place in his heart for every little boy and girl."

"We are lucky to have St. Nick stop here just 12 days before Christmas," Harold Easton, general chairman of the group, said.

Further plans call for Santa Claus to be downtown each evening prior to Christmas. He'll roam around with his sleigh and reindeer on December 17, 18, 19, 20, 22 and 23 from 7 p.m. to 8:30 to visit with youngsters. On Wednesday the 24th Santa will be downtown from 4 to 6 p.m. and then visit the Hospital and the Parrett Nursing Home.

From December 17 through the 23rd he will visit shut-ins after 8:30. Requests for home visits can be made anytime to Santa telephone 259.

Another highlight in every youngster's Yuletide is writing a letter to Santa Claus, a letter of

POSTMASTER ASKS HELP IN HOLIDAY MAIL RUSH

Postmaster Jack Metcalf is asking the help of Tecumseh villagers in the Christmas mail rush by the use of labels which will indicate whether delivery is local or out-of-town. These labels will be delivered to each home this week by local carriers.

Mr. Metcalf states that Christmas card mailing will be speeded up by separating cards for local delivery from those for out-of-town delivery and arranging them so that the addresses all face one way. They may then be tied in bundles with one of the labels being placed on top of each bundle. Early mailing is requested for delivery before Christmas Day. The post office will be closed and no deliveries will be made on Christmas Day.

Clay Croll

Clay Croll, Britton, was re-elected to a three year term on the Board of Directors at the recent annual delegate meeting of the Michigan Milk Producers Association at East Lansing.

The Association now has more than 16,000 members in the lower peninsula, supplying the largest part of the fluid milk being delivered to Detroit and 20 other key city markets throughout the state. During the fiscal year, which ended September 30, 1952, the association marketed nearly $76 million worth of milk for its membership.

Street Lights Council Topic

C OF C TO POLL ALL MERCHANT'S OPINION

The double-barrelled question of overhead vs underground wiring and steel poles vs wood poles will be fired at retail merchants up and down main street by Chamber of Commerce president Bob Moore and his assistants to see which way the wind blows in Tecumseh's street lighting issue.

At a meeting of the Village Council Monday night, the problem was officially tabled until the Chamber can establish a definite proposal suitable to the majority.

President Ed Heilman said, in speaking for the council, he is definitely not satisfied with the present lights, which he thinks are a "joke."

"The village is paying for lighting they are not getting," he said in reference to the obsolete dome lights which line Chicago Boulevard on metal standards.

Heilman personally felt that overhead wiring is much cheaper in the long run while underground wiring involves costly maintenance and over a number of years results in loss of current through leakage.

Also at the meeting Monday night, Carl Fosbender interviewed Ed Bollsun about progress at the Sewage Disposal plant. Engineer Ed Nelson told of decorating the business district for Christmas and plans were made to contact the state to close Chicago Blvd. on Saturday, December 13 during the children's Santa Claus party.

A renewed six month's garbage collection contract was granted to Lowell Maynard.

SUBSTITUTE CLERK CARRIER EXAMINATION TO CLOSE DECEMBER 30

Mrs. Percy Bowen, Civil Service Secretary in the Tecumseh post office, said today that an adequate number of applications have not been filed for the position of substitute clerk-carrier for this office. However, due to the pressure of work and the necessity of issuing examinations for other post offices the substitute clerk-carrier examination presently open for receipt of applications for the Tecumseh post office will be closed Decmbr 30, 1952. Persons interested in these positions should obtain an application form from Mrs. Bowen at the post office and send it before December 30, 1952 to the Director, Seventh U. S. Civil Service Region, New Post Office Building, Chicago 7, Illinois.

Tecumseh stores will be open nights beginning Friday, December 12 to 9 p.m. through to Christmas. adv. 12-11

EDWARD M. BRAUN, COUNTY CORONER, DIES OF HEART ATTACK

Edward M. Braun, Adrian undertaker, and former Tecumseh resident died suddenly at 7:45 a.m. Tuesday, November 25 of a heart attack. Mr. Braun was stricken while answering a coroner's call.

Born in Passaic, N. J., March 13, 1897, he was the son of John and Louise Braun. In June, 1918, Mr. Braun married Ella Routson at Tecumseh and in 1922 purchased the Eugene Service & Son furniture and undertaking business in Tecumseh and continued the business until 1931 when he opened the Braun Funeral Home in Adrian which has been conducted since by Mr. Braun and his two sons, Edward J. Braun and Richard.

In Tecumseh Mr. Braun served as president of the Chamber of Commerce for two years from 1924 through 1926. In 1925 he graduated from the Cincinnati College of Mortuary Science and received his license from the Michigan Department of Health.

In 1936 he was elected to the office of county coroner and has served continuously since. He was re-elected again to the office at the November election for his ninth two-year term.

Mr. Braun was a member of the Knights of Pythias lodge in Tecumseh and served the lodge as chancellor commander in 1926. He was also a member of the Maple City Lodge No. 39 in Adrian. He was active in the Adrian Masonic order, a member of the Blue Lodge and the Order of the Eastern Star. He also was a member of the Adrian Exchange Club. Mr. Braun was a charter member of the Tecumseh Rotary Club.

In addition to the widow, Ella, he is survived by the two sons, Richard and Edward J. both of Adrian; two grandchildren, Cynthia Ann and Martin Gale; one brother, Gustave of Lorrain; three sisters, Mrs. Edna Grunau of Parma, Ohio, Miss Frieda Braun and Mrs. Alma Grunau of Loraine and a number of nieces and nephews. His father and mother preceded him in death as well as two brothers in infancy.

Funeral services were held in the Braun Funeral Home Friday at 2 p.m. with Dr. W. C. S. Pellowe officiating, assisted by Dr. C. S. Ritchie .A solo was sung by Roswell Burr, accompanied by Dr. James H. Spencer at the organ.

Burial was in the family lot in Oakwood cemetery and the bearers were Lawton Church, Elwood Thomas, Leo Britton, Robert King, Wade Willett and George Curtis.

LEGION AUXILIARY PLANS CHRISTMAS PARTY FOR VETS

The American Legion Auxiliary met in the Legion Home Monday evening for the regular meeting. Twenty-three boxes have been sent to boys overseas and gifts will also be sent to boys in the states. Addresses still may be left with Mrs. R. C. Osburn. Plans for a Christmas party for the veterans, wives and families were discussed and a joint meeting with the Legion will be held tonight (Thursday) at 8 o'clock. All members are urged to attend. The Auxiliary is having a Christmas candy and cookie sale Saturday December 20 at 10 o'clock in Hanna's Insurance office.

The ritual team initiated new members in Adrian November 16. Plans were also discussed for a county initiation at a later date. Refreshments were served from a large table decorated with a Christmas tree with Mrs. Loren Campbell as chairman assisted by Mrs. Mae Dickinson and Mrs. Lyman Curtiss.

VETERANS' CLASS TO HEAR FARM SPECIALIST

How many needless hours do you spend around the barn doing chores? How many needless steps do you take? This is the subject of Dr. George Bell, Agricultural Engineering Extension Specialist from Michigan State College, who will talk to the Veterans' agricultural class Tuesday evening, December 9 at 8 o'clock. The public is cordially invited. Dr. Bell's subject is "Remodeling of barns and other buildings, to increase their efficiency in livestock management." This is a timely subject and a large crowd is expected.

More than a mere protector of youthful pedestrians against the dangers of automobile traffic, safety patrol lieutenant Gary Elliott is shown practicing an important phase of modern education, LEADERSHIP and OBEDIENCE of the laws. Gary is one of 17 boys who are out on street corners and at playgrounds, summer, fall and winter — rain or shine. Shown at the Chicago and Ottawa Corner are, left to right, Greg Mason, David Weakly, Lt. Elliott, Shirley, Catherine and Mary Jo Holdridge. Captain of the patrol squad is Chummy [illegible]. The other lieutenant is Jerry Woodward.

Car Accident Ends In Drowning Death

MRS. HAROLD CLARK HEARD HORN AT 2 A.M. SATURDAY

Like a woman's sixth sense, intuition told Mrs. Harold Clark, 1000 E. Chicago, that something was wrong early last Saturday morning. She awoke with the feeling that something was amiss. She had heard the screeching of tires on M-50 where the old pavement meets the new, and then a dim sound of an automobile horn. It was shortly after 2 a.m.

Mrs. Clark got up to take a look outdoors but nothing could be seen on the road. "All a dream," she thought sleepily but only a short distance away a 29-year-old Ann Arbor doctor met his sudden death in the November waters of the Raisin River.

His British Jaguar car had plunged through a guard rail clipping off two wooden posts, grazing past an elm tree and plunging ahead to the bank where it somersaulted into the river. Pinched in the low car, Dr. Peter Buhrman was drowned in four to five feet of icy cold water.

At 8 a.m. Joseph Forgacs, Ridgeway, noticed the overturned car and added up the skid marks with the broken guard rail. He reported to police chief George Kilbourn, who with the assistance of State Trooper George Catton; investigated a mysterious ride that ended in death.

Butler's wrecker and a caterpillar tractor brought the car out of water. Green's Funeral Home shipped the body to Ann Arbor for burial Tuesday.

.Buhrman had served as a Capt. in the AAF and was living with his family in Ann Arbor. He had two children. His reasons for traveling through here early Saturday are still unknown.

Tire marks showed in the morning sunlight that Buhrman's car, which evidently bolted over the new pavement at an estimated speed of 85-miles an hour, was headed off the road near the point where an approach is under construction for the new bridge. He swerved sideways and lost control in an attempt to get across the old span going over the embankment on the north side.

DECEMBER 1ST MARKS SNOW INAUGURATION

Although winter officially comes into its own on Dec. 21, Tecumsehland took on a wintery dress of light snow on the first day of December. Snowfall began around 10 p. m., by Tuesday morning traffic slowed down under a slippery footing as Village workmen got their first touch of snow plowing and removing.

It was a cheery sight for merchants as the white, fluffy flakes gave shoppers the spirit of Christmas. Village stores this year are stressing the importance of shopping at home, where your gift dollars will buy more, do more and mean more — to everyone!

TO PRESENT CANDLELIGHT SERVICE DECEMBER 14

The annual Candlelight Service presented by the St. Andrew's choir of the Presbyterian church will be held Sunday afternoon, December 14 at 5 o'clock, under the direction of Robert Peck. A very special musical program has been planned. This annual event is sponsored by the Westminster League of the church.

ATTENDANCE AWARD DINNER SERVED TO EXCHANGE

An attendance award dinner was served to the winners of the attendance contest of the Tecumseh Exchange Club Wednesday evening in the basement of St. Elizabeth Parish hall on East Chicago Blvd., by the "Bulls" who entertained the "Bears." The contest was very close until the meeting last week when several of the "Bulls" were deer hunting which forced their side to lose. The program was in charge of Ervin Bulson, general superintendent of the Tecumseh disposal plant.

Gordon Pearson Visits Family Of Mrs. H. Hamilton

"One World" could be an appropriate theme for Naval radar operator Gordon Pearson's letter from Athens, Greece back to his parents in Tecumseh, Mr. and Mrs. Neil Pearson.

Gordon, who is serving in the Mediterranean on aircraft carrier Franklin D. Roosevelt, received a letter from a Tecumseh friend of the Pearson family, Mrs. Henry Hamilton, a former resident of Greece. This letter started him on a thrilling day's tour of Athens.

Mrs. Hamilton was anxious to have Gordon visit her parents, brothers, and sisters near Athens if the Roosevelt docked at the Greek port. Mrs. Hamilton wrote a letter of introduction and instruction which Mrs. Pearson sent on to her son.

The thrilling experience enjoyed by the youthful navy man is best retold in his vivid letter.

Dear Folks,

I was sitting here just a week ago doing just as I'm doing now. The only difference being from Toronto, Italy to Athens. Sure get around don't I. No doubt the next time I write will be in Beirut, Lebenon and that should be in less than a week.

Will relate my travels of yesterday. Got off the ship at 11:45 a. m. and there my tale starts. To begin with I could find no one who could speak English, so I showed the address to a cop, during his time of trying to show me how to get there, another man came up and by his actions I

25 YEARS COMMUNITY SERVICE NOTED AT ROTARY ANNIVERSARY

Judge G. A. Rathbun, one of eleven living charter members, noted the 25 years of community service given Tecumseh by Rotary, at an anniversary meeting Tuesday night.

One hundred and fifty members and Rotary visitors from Adrian, Blissfield, Clinton, Detroit and Windsor attended the silver anniversary which was topped off by an inspiring talk on down-to-earth Americanism by Rev. Bob Richards, Detroit.

A Welch immigrant, Richards told why he was glad to have lived 25 years in the United States.

Hal Kelso, Rotary president, said that all the eleven living charter members except Les Marlette were on hand.

Bottle Gas Firm Changes Hands

Robert Blanks, Adrian, has taken over the Pyrofax bottled gas franchise which was handled here by Mr and Mrs. Harley McConnell since 1936.

The McConnells did not reveal their future plans. They started in business with a radio and bottle gas shop in the Tecumseh restaurant building 16 years ago. During World War II they handled the gas business from their home. For a short time they were located in the Weatherman building before May, 1950 when they moved into the present site on E. Chicago.

Blanks leaves a position in the children's division of the Lenawee county probate court. His wife Elnora is Adrian public school librarian.

Assisting in the new business is Edward A. Corpron, retired Cass City hardwareman, who is Blank's father-in-law.

PTA PROGRAM TO SHOW ORIGIN OF CHRISTMAS

The Tecumseh Parent-Teachers Association meeting will be in the form of a Christmas program showing the origin of many American Christmas customs. The sixth grade glee club and grades three through six, under the direction of Mrs. Schipper, music teacher, will present the program, in the Central auditorium Thursday evening, December 11, at 8 o'clock. The program will feature the first Christmas tree in Germany; then Saint Nicholas from the Netherlands; decorating rooms, feasting and caroling from England; lighting candles from France; exchange of Christmas cards in Poland, and the Manger scene from Italy. Diane Dillon will be the accompanist.

CHRISTMAS TREE LANE TO OPEN SATURDAY MORNING

All shops along Christmas Tree Lane will open at ten o'clock on Saturday morning, December 6, in the Methodist church. Shoppers will find a bakery, sweet shop, talent table, dolls and children's wear, christmas greens, novelties, christmas cards and wrappings, a scramble table, a parcel post sale, and grandma's grab bag. All circles of the Woman's Society are participating and with the help of the Methodist men are endeavoring to make this an outstanding bazaar, according to Mrs. Clarence Beach who is the secretary of Christian Social Relations and local church activities. She has been assisted by Mrs. Owen Partridge and Mrs. George Wittrup in setting up the plans.

At 2:30 in the afternoon a Christmas tea will be served at small tables in the Social Room for a small fee with Mrs. Willis Porter in charge. Table reservations may be made with her. As entertainment for the tea Mrs. Wilfred Waldron and Mrs. T. Rentschler are arranging a short program of Christmas music and a playlet.

The children of the church are invited to be guests of the Woman's Society during the Christmas Story Hour at four forty-five o'clock. Rev. Ronald A. Brunger, Mrs. Lenore West, Mrs. T. Rentschler, and Mrs. Wilford Waldron will be the story tellers.

The Society's next activity will be a Smorgasbord on Saturday, December 13, beginning at 4:30 p. m. Both affairs are open to the public.

No Increase In Township Tax For 1952

30-MILL LEVY WILL RAISE $214,218.65, SCHOOLS TAKE MOST

Personal and real estate property owners will dig in their pockets for $214,218.65 to pay Tecumseh township's 1952 taxes, supervisor LeRoy H. Titley announced this week.

Tax notices are now being sent out and are payable to township treasurer Lawrence Mohr after December 13. Mohr will receive payments at the United Savings Bank.

"This year's 30-mill-levy is exactly the same as last year's," Titley explained, "but $20,825 more tax dollars will be collected as a large amount of new property has been added to the tax roles."

Last year $193,393.68 was levied against the township.

The 30-mill-assessment (which means the taxpayer must come up with $30 for every $1,000 assessed valuation) is divided among the following levies:

	Mills
Township tax	1
County tax	6
County Jail Bonds	1
New School	13
Operating Schools	8
Public Library	1
Total	30

In explaining these categories, Titley pointed out that Lenawee county receives six mills for operating the county government. This money reverts to the general county treasury.

The one mill levy, earmarked "county jail bonds," is the second payment Tecumseh township has made against six year bonds which may be retired in four years. Titley said the final jail bond tax will be levied in 1954.

Money for schools, included in these "winter taxes," accounts for the lion's share of this revenue.

Thirteen mills are levied for construction of a new elementary grade school plus an addition to the high school—all of which the people approved at the polls last May. These 13 mills carry on where the old levy against the high school bonds left off. These bonds were all retired in full allowing this new levy to go toward building the Patterson Memorial grade school and adding to Tecumseh high.

"Then there are the eight mills which go otward the operating costs of all schools in district seven." Titley went on, "and finally one mill for supporting the public library."

In dollars and cents, the township taxes will roughly be divided as follows:

Township	$ 7,234
County	43,405
Jail Bonds	7,234
School Bonds	87,461
School Operating	53,822
Library	6,727

These figures do not add to exactly the tax collector's goal of $214,218.65 as they fail to include certain school money which is collected within the township but paid out to other than district seven. In a few cases parents pay taxes in Tecumseh township but their children attend school in the Clinton district, the tax money therefore is turned over there.

Another sum not included in the above figures, is a drian tax levied only against certain property owners who benefit directly.

Titley also mentioned that a small group of newcomers to district seven who recently voted themselves out of district five (the Waldron district) will notice an increase in their school taxes as they will be participating for the first time in the cost of erecting a new school.

In conclusion, the supervisor reviewed taxes as the individual's financial participation and support of local schools and government. The "summer tax" is a village tax and has a lower levy.

The $30-a-thousand assessment is against residential, commercial, industrial and agricultural property valuations.

JOINT MEETING OF PRESBYTERIAN CLUBS DEC. 10

A joint meeting of the Men's Club and the Women's Association of the Presbyterian church will enjoy a Christmas party Wednesday evening, December 10 at 8 p.m. in the Fellowship Center of the church. Separate business meetings will be held at 8 o'clock with the election of officers for both clubs. Mrs. Ray Sluyter and L. D. Tallman will be in charge of the program. All men and women of the church are urged to be present. Refreshments will be served following the program.

Tecumseh stores will be open nights beginning Friday, December 12 to 9 p.m. through to Christmas. adv. 12-11

OUR FIRST TEAM — President-elect Eisenhower is gathering our nation's varsity team together for the great Republican kickoff Jan. 1. The newest member of the GOP squad is Michigan's Arthur Summerfield, who helped sell General Ike to the American people.

John Foster Dulles, seasoned foreign expert and chief architect of the Japanese Peace Treaty, was named as many expected, to be Secretary of State. Charles E. Wilson, President of General Motors, as some were guessing, was selected as Secretary of Defense, and Governor Douglas McKay, of Oregon, as few if any suspected, is Ike's choice as Secretary of the Interior. Early comment from senators now in Washington pointed to enthusiastic confirmation.

In announcing his acceptance to the call of duty, which he termed a "great surprise," Mr. Wilson said: "If and when I am confirmed . . . by the Senate, I will sever all my business connections and devote my entire time to the job." As a sidelight on this statement, it might be noted that Wilson's paycheck from GM last year (including salary and bonus) totalled $626,000, and his salary from Uncle Sam next year will be $22,500.

Governor McKay, a fighting advocate of reclamation and irrigation free from Federal domination, also achieved fame as author of the "McKay Plan," by which Oregon solved its tangled highway problems without yielding to the pressure of either railroad or trucking interests. In his acceptance the Governor said he had look forward to retirement at the end of his present term at the State House, but like Mr. Wilson considered Ike's designation a command.

A nice feature of this change over is the organized cooperation between the Old Administration and new which may let the world know that this nation operates on a healthy two-party system under an orderly process of systematic government.

KEEP THEM FLYING — There is a place in every person's life — no matter the stage or occupation — to give a moment each day for the preservation of our bird world. A taken-for-granted subject, the smallest song bird or the largest wild fowl are all a part of nature's balance. To aid in their continued existence, we can help winter birds by putting out a feeding station — a personal pleasure and a benefit to all.

Birds attracted to feeding stations add to the natural surroundings of a home. They add color and life to the landscape when many of our birds are off south for the winter. Nut-hatches, bluejays, brown creepers, chickadees, juncos, grosbecks and other birds can be attracted to our yards by putting out a shelter with bread crumbs, grain, seeds, suet, etc. Grit is also an aid to bird's digestion. Once a feed station is established, you'll be amazed at the flock of winged visitors you'll have each day despite the most adverse weather.

FIRST IN SERIES — Thanksgiving ushered another winter holiday time into Tecumsehland which finds the hallowed Nativity of Christ — Christmas 1952 — just three weeks away. This Christmas season let everyone attend church to pray and give thanks for the birth of Jesus who brought new hope and understanding to the world. As Americans, let us always be mindful of our great privilege to worship God without fear. Let us pray for those less fortunate who are not so endowed. Through Christ's teachings, let us strive to be better citizens with charity for all. Let us remember the sick this holiday season and those weighed with grief, for our brave protectors in the Armed Forces, for the unbelievers, that they might see the Light and join the fellowship of man. Let us all pray this Yuletide for divine guidance for our village leaders, for our state and for our country with its newly chosen leaders, that they may govern with wisdom, foresight and courage to promote lasting unity among all peoples under God's great plan for eternal peace.

We Thank Our God For His Bounty . . .

It is not only a day set apart for Thanksgiving. It is not alone a tradition handed down from our forefathers.

Thanksgiving Day is one of the most beautiful of our holidays — when men pause in their calling to enjoy the bounty of God, and to acknowledge and render thanks, for all things are His.

Reception Held For Newlyweds

Approximately 225 guests attended a wedding reception held at the American Legion Memorial Home Friday evening for Mr. and Mrs. Norbert O'Hara who were married recently.

The new Mrs. O'Hara was attractive in a white faille dress with white accessories and wore an orchid corsage. Mrs. Clyde Brown, the bride's mother greeted guests in a navy lace over taffeta dress and Mrs. Thomas O'Hara, the bridegroom's mother chose a grey wool dress. Each wore a corsage of gardenias. Mrs. Mary Gobba, maternal grandmother of the bride was present as was Mrs. William Brooks, maternal grandmother of the groom. Each wore a corsage of yellow roses.

Miss Joyce McCarbery had charge of the guest book. Mrs. Ned Rosacrans was in charge and those serving were Miss Joanne Burke of Dundee, Mrs. Jerry Sherd of Ida, Miss Rena Rebottaro, Miss Phyllis Frost and Mrs. Orville Seiller. The beautiful five-tiered cake surrounded by a garland of white chrysanthemums centered the linen covered table and was baked by Mrs. Harold Keasal of Manchester and served by Miss Hester Topping of Stockbridge.

Ligthed candles enhanced the attractiveness of the table. Mrs. Lloyd Cooley of Brooklyn and Miss Joyce McCarbery poured. Music was furnished by Rex Wonder's orchestra of Adrian. Guests were present from Youngstown, O., Adrian, Detroit, Ann Arbor, Ida, Ypsilanti, Stockbridge, Allen Park, Devils Lake, Brooklyn, Manchester, Tecumseh and Britton.

Bridal Shower

Mrs. Ford Exelby assited by her daughter Mrs. Edward Leighton and her daughter-in-law Mrs. Willard Exelby was hostess to a bridal shower Saturday afternoon for her niece Polly Eberhardt. The table was covered with many beautifully wrapped gifts over which hung a dainty pink and white umbrella. The first gift opened was a chef an ette recipe file which was later filled with delicious recipes by the guests. Other games were played throughout the afternoon and prizes of handy kitchen utensils were given to the guest of honor. A two course lunch was served. There were out of town guests from Tecumseh, Adrian and Detroit.

Miss Eberhardt daughter of Mr. and Mrs. Elmer Eberhardt will have a holiday wedding when she will wed Donald Lee Judd son of Mr. and Mrs. Thomas Judd of Tecumseh, December 20.

Hey Kids: Santa's

(Continued from page 1)

most-wanted Christmas day gifts.

This year all letters will be given special attention by the man in the red suit and the black boots who asked "all youngsters, who have been good boys and girls during the past year, to be sure and write to me and make doubly sure each of your names and street addresses is on the letter."

Last year Santa received some letters with just names and he had a lot of trouble finding out just where every Bob, Betty, John, Jane and Jerry lived. Santa's free postage mailbox will be set up in front of the bank where all letters—along with any mailed at the Post Office—will be turned over to the man from the top of the world.

To complete the local Christmas planning, Tecumseh's business district is being dressed-up in its best Christmas finery this week with two 15-20 foot lighted spruce trees at both ends of the downtown section and lighted smaller trees on each lamp pole. Village engineer Ed Nelson directed city workers in putting up two trees with connected lights on each metal pole.

These will be aglow each night as merchants go on a later Christmas closing schedule.

No Christmas season is complete without Yuletide music, and this year Tecumseh will have an abundance of ringing melodies broadcast throp [illegible] the business [illegible]. A request was further added by the committee in charge for choral groups to contact Mr. Easton and prepare to join in out-of-door presentations—either downtown, throughout the residential district or at the hospital.

To complete the Christmas picture, Tecumseh's always obliging merchants report every nook and cranny of every store stocked with holiday merchandise, "gifts for all the family as you've never seen before."

GOLDEN RULE ELECTS NEW OFFICERS

The Golden Rule Division of the Presbyterian church held its annual "Pig in a poke" party at the home of Mrs. Jessie Sluyter Tuesday evening. Some thirty members enjoyed the annual Christmas party. Mrs. Clair Rozelle presided at a short business session. The nominating committee gave their report and the following new officers were elected: Mrs. Ronald Harris, president; Mrs. Cecil Williams, vice president; Miss Lucille Hawley, secretary, and Miss Geraldine French, treasurer. Refreshments were served in keeping with the Christmas season with the old officers as hosts, namely, Mrs. Rozelle, Mrs. Harris, Mrs. Ned Baldwin and Mrs. A. W. Porter.

could tell he wanted to take me there.

So I followed him, we got in a tram and he wouldn't let me even pay for my own way. Had to change to a train, again I couldn't pay. We found their home with no trouble at all and found the mother and Mary home. They were very happy to see me. Mary of course could speak English, and I found that my friend who brought me there, just got discharged from the army three days ago and was in Korea for a year. He left soon.

Mary's father came home soon, her brother too, and we had dinner. I would get may plate cleaned and Mary would fill it again, boy was I stuffed and they wouldn't let me stop.

Mary, her sister and brother and I went up to Athens in the afternoon to do the town. When we left her father kissed me on the check to deliver to Henry when I get home.

While in Athens we went up to the Acropolis and saw all the ruins there. To think that all the beauty that was so prominent there was built before Christ. It was just at sun set when we got there and that added to the beauty.

All during our trip they would not let me spend one cent. They even escorted me back to the ship, and by the looks in their eyes were sorry to see me go, as was I. I's really wonderful to find people that will treat you as I was treated.

Her father wanted me to bring back some wine, but of course that is quite impossible. he didn't understand that at all. He wanted me to sneak just two bottles back. Finally I had to tell them I would be thrown into prison if I were caught and the key would be thrown away leaving me to rot there. Still he didn't understand. Guess the all expense tour of Athens was in part a way of thanking me for coming.

You can tell Nancy they are all in the best of health and send their love and prayers to her and the family. And from me her family in Greece are wonderful people, the tops in my book.

Yesterday turned out to be very bright and sunny with much wind. And I didn't even take my camera along. Missed some wonderful pictures. Still haven't received the color film. It probably won't reach me until we get back in the states and that is less than a month away.

Got to do my weekly locker cleaning now so will say

Love,
Gordon

MRS. GABLER ENTERTAINS WESTMINSTER LEAGUE

Mrs. James Gabler entertained 30 members and two guests of the Westminster League of the Presbyterian church in her home Tuesday evening for the Christmas party. Mrs. Al Williams, Mrs. James Barton, Mrs. Charles Stephenson and Mrs. Roger Linger were the assisting hostesses. Mrs. Al Williams presided at the business meeting in which plans were made for the annual Candlelight service to be held at the Presbyterian church Sunday afternoon, December 14 at 5 o'clock. Mrs. Barton and Mrs. Joe Springer are in charge of the service which is sponsored by the League. Mrs. James Gabler, the new president, was in charge of the balance of the meeting at which it was voted to sponsor a newly formed group of Cub Scouts.

Secret pals were revealed and an exchange of gifts was enjoyed. Refreshments were served from a linen covered table centered with a miniature church scene and other decorations in keeping with the holiday season.

MSC Students Tell Prof. How To Teach Economics

East Lansing—The students are telling the professor how they want to study economics at Michigan State College.

In a course in money and banking, each new class receives a questionnaire listing all subjects to be covered in the course. Students are asked to list the subjects in order of interest. The professor then juggles his course to follow this order.

The turnabout is the brainchild of Dr. Richard W. Lindholm, professor of economics at M. S. C. and a top national economist.

Dr. Lindholm lets the students tell him how to run the course because he says it increases interest in work normally thought of as dry, dull and impractical.

Top interest subjects this fall were (1) how money is manufactured by the banking system; (2) the structure of the national debt; (3) the government debt and money supply; (4) the possibility of continuing inflation or the development of deflation; and (5) the operation of the international money system.

Dr. Lindholm observes that subjects the students want to study differ widely from the subjects that are traditional in the money and banking course. Usually, the M. S. C. economist says, the course takes up such traditional subjects as the theory of the gold standard or the historical basis of the money system.

Dr. Lindholm believes that his neaw approach to teaching economics will create more interest in the study of economics, an increasingly important area of knowledge in our complex society.

"Economics is the interesting business of learning the 'whys' of high wages, low interest rates and high prices, the M. S. C. professor concluded. "It is no longer the dismal science of charts, data, theories and laws."

RESOLUTION

WHEREAS, the Village of Tecumseh in the County of Lenawee, Michigan, desires to make a public improvement, namely, to construct an inward to Sewage Disposal Plant which requires certain operations within and upon the right of way to State trunkline highway M-50 which is under the jurisdiction of the Michigan State Highway Department; and

WHEREAS, the Michigan State Highway Department is willing to issue a permit therefor, provided the said Department is assured of indemnity and protection against all liability arising by reason of Michigan law;

NOW, THEREFOR, be it resolved by the Common Council of the Village of Tecumseh, Lenawee County, Michigan, that in consideration of the Michigan State Highway Department granting a permit to the Village of Tecumseh upon proper application therefor, to construct an inward to Sewage Disposal Plant along and upon the right of way of State trunkline highway M-50 the Village of Tecumseh shall save harmless and indemnify the State of Michigan, the Michigan State Highway Department, Charles M. Ziegler as State Highway Commissioner and his successors against all liability which arises or which might arise due to the operations along State trunk line highway M-50 as stated on the application and permit.

Michigan Heart Assn. Reports

NATION'S NUMBER ONE KILLER OBJECT OF RESEARCH

Heart disease has been called the number one public health problem facing this country today because it is the leading cause of death. Although a great deal is known about the various types of heart disease, the primary need in this field is for more research into the basic causes of the heart diseases.

The support of research projects in the field of cardio-vascular diseases, therefore, has been a basic policy of the Michigan Heart Association. During the three years of its existence, the Michigan Heart Association has supported thirty-five research projects, and during the present year eighteen research projects are in progress.

In the meantime, however, the Michigan Heart Association is attempting to utilize the present understanding of the cardiac disorders in order to decrease as much as possible the death and disability caused by them. This is being done by community service and educational features of the Heart Association program.

Due to the rising life expectancy and consequent rise in the average age of our population, the rate of cardiac disability is also rising. Heart disease is not only the number one killer, it also is a leading cause of disability in our country. Although many sudden deaths are due to heart disease, more and more persons are surviving the initial attack. Ultimately these persons face the problem of returning to work.

PRESBYTERIAN LEAGUE INSTALLS OFFICERS

The Presbyterian League met at the home of Mrs. M. R. Blanden Tuesday with the installation of new officers. Mrs. E. C. Brandt was in charge of devotions and Mrs. Walter Pfaus presided at the business meeting. The new officers installed were Mrs. Wade Hendershot, president; Mrs. Harold Treby, vice president; Mrs. LeRoy Titley, secretary, and Mrs. John Quigley, treasurer. The group packed a box to be given as a Christmas gift from the League. Mrs. Harold Wilson was in charge of the Christmas program. Gifts were exchanged and refreshments in keeping with the Christmas season were served by the hostess assisted by Miss Ruby Preston, Miss Marie Koernig and Mrs. Hendershot.

The next meeting will be Tuesday evening. January 6, at the home of Mrs. Bert Ousterhout.

Seniors Have Hit - Play

LAST TIME TONIGHT

Editors of the Tecumseh High School "Blanket" were entertained last night by the Senior class presentation of "The Man Who Came To Dinner."

The cast of 25 have been rehearsing for approximately five weeks under the skillful and patient direction of Mrs. June MacBeth.

The leading character was the mischieveous Sheridan Whiteside who fairly explodes his way across the stage, well-played by Jerry Barron. Maggie, Sheridans' patient secret[illegible] had worked for him for ten, sarcastic years, enacted by Margaret Touborg. Mr. and Mrs. Stanley, the normal American parents whose small town Ohio life was nudely interupted by Sheridan Whiteside. Melvin Boltz and Joan Pfaus played these two parents who could only take so much. The servants who tried to keep peace in the Stanley Household were the unusual married couple played by Bob Binns and Gretta Porter.

One of the interesting and most exciting part of the play was thirty-seconds before the Broadcast of Sheridan Whiteside's Christmas Program. It was truely an interupted thirty-seconds, with the announcer scurrying to and fro exclaiming in an unusual "Quiet, Please", the announcer was portrayed by John Demming. At this time Mr. and Mrs. Stanley find their son and daughter, played by Tom Naser and Nancy Treby, had been encouraged by Whitesides', to run away. For romantic interest we have a local newspaperman, Bert Jefferson, played by Wayne Patton, interested in both Maggie and the glamorous Lorraine Sheldon dramatically enacted by Nancy Kinietz along with the entrance of the odd, little, Doctor, Ernie Kollar, came the Choir Boys ready to go on the air. The program started out in a very usual manner, afterall. Then as, Whiteside was carrying on with his Christmas program his nurse, Diane Dillon as Miss Preen, came rushing in with a shrill scream "A penquin bit me" thus ends the Second Act.

It was plain to see, as in all well produced plays, this Senior play shows good arrangement, suitable costumes, available material, suitable setting, and all characters played well, with distinct clearness and expressive speech, and also with action and emotion of face and body.

George S. Kaufman and Moss Harts' play will leave a hilarious remembrance in the minds of all who saw it ("The Man Who Came To Dinner"). These authors have handled their brilliant characters with true meaning. Each of these well-molded characters added his own personal touch, to set this play off as a Wonderous Hit.

ALL COUNTY BAND HOLDS TRYOUTS

WEEK EVENTS

Tonight at 8 o'clock, your last chance to see the great play, "The Man Who Came To Dinner."

Friday, December 5: Basketball game at Addison at 7 p.m.

Tuesday, December 9: Senior Government Day at Adrian.

T. H. S. OPENS BASKETBALL SEASON

Tecumseh high opens their basketball season in a non-league encounter Friday night on Addison's cracker-box floor. Tecumseh will be striving to come out on top in their new league as they have in the past in the LCAA.

Coach Lawson disclosed the probable starting lineup as Wilson and Benham, forwards; Patton and Binns, guards; and Greenwald, center slot. The probable line-up for the reserves is Bowser and Manley, guards; Neitling and Davis, forwards, and Mohr at the center position.

The varsity will be trying to equal or better their record of twelve wins and two losses from last year while the Jay-Vees will try to improve their two won and twelve lost record of last season.

Last week the editors of "The Blanket" gave you the season's schedule which included two more regular games than last year. Clip this schedule out and save it in order that you may support our team at every game.

MONDAY CLUB HOLDS ANNUAL SILVER TEA

The annual Silver Tea of the Tecumseh Monday Club was held at the home of Mrs. Robert McCoy Monday afternoon with 57 members in attendance. Mrs. Wilfred Waldron was in charge of the devotions. After a short business meeting conducted by the president, Mrs. McCoy, Mrs. Glenn VanDenbergh, chairman of the department of Literature and Art was the leader of the program "The Golden Rule." Mrs. Edward C. Boss gave a very interesting talk and showed pictures of her recent trip to France. Mrs. Neil Pearson read a letter she had received from her son, Gordon who is in Europe and who visited the parents of Mrs. Henry Hamilton while in Greece.

Tea was served from a lace covered table centered with fall flowers with Mrs. Charles Williamson and Mrs. W. J. Morse pouring. The cohostesses were Mrs. Perry Hayden, Mrs. Edward Aebersold, Mrs. Earl Greene, Mrs. Sidney Wilson, Mrs. Faye Van Valkenburg, Mrs. Clarence Fisher, Mrs. A. W. Porter, Mrs. H. H. Hammel and Mrs. L. W Larsen.

The next meeting will be Monday December 15, with the music department in charge of the program. Mrs. Joe Rice will be the leader and narrator. The program will be Christmas carols with a Christmas story as told in St. Luke and St. Matthew.

BAPTIST CANDLELIGHT SERVICE SUNDAY EVENING

The Christmas musical candlelight service of the combined choirs of the Baptist church will be held Sunday evening, December 7 in the church at 8 o'clock. Mrs. Harley McConnell is directing the choirs and several solos will be featured.

HOSPITAL AUXILIARY TO MEET DECEMBER 9

The regular meeting of the Herrick Memorial Hospital Auxiliary will be held Tuesday evening, December 9 in the Fellowship Center of the Presbyterian church at 8 o'clock. Mrs. Alfred Pope will be chairman of the hostess committee. Routine business will be transacted.

MSC TO GRADUATE NORBERT W. O'HARA

A Tecumseh high graduate of 1948, Norbert W. O'Hara, son of Mr. and Mrs. Thomas N. O'Hara and husband of the former Beverly Brown of Britton, will be graduated from Michigan State college Dec. 8. He will receive a bachelor of science degree with a major in geology.

O'Hara plans to continue study at MSC for a master's degree in the same field.

The O'Hara's were married Oct. 17 and just last Saturday night held a wedding reception at the American Legion hall.

Locals and Personals

Mr. and Mrs. Clare Handy and family spent Sunday with Mr. and Mrs. Louis Wells of Fayette, Ohio.

Mrs. Ivan Gorr of Monroe spent the Thanksgiving holiday with her parents, Mr. and Mrs. E. C. Brandt.

Tom Will of Cranbrook School at Bloomfield Hills spent the holidays with his mother, Mrs. Hilda Will.

Elmer Burleson and daughters, Marylou and Donna spent the Thanksgiving weekend at Lewiston deer hunting. All three returned with a deer. Donna resumed her studies at Wayne School of Nursing, Sunday.

About $24,000 was reported spent on a civilian employees' clubhouse at McClellan Air Force Base, near Sacramento, Cal., according to Rep. Riley of South Carolina, chairman of a House Appropriations sub-committee.

POWER STEERING on the Roadmaster and Super

Television treat — the BUICK CIRCUS HOUR — every fourth Tuesday

How would you like the fun of Christmastime to last all the year through?

That's the way it seems to be when you call this Buick beauty your own—what with the constant cheer it brings to you week after week, month after month.

The cheer of traveling in style that's bright and gay as a holiday wrapping.

The cheer of having rich and spacious comfort—plus the cheery thought that nowhere else can you get as much room for the money.

The cheer of knowing abundant and mighty able power is on call, with all the solid thrift of a Fireball 8 Engine that's valve-in-head—and also high-compression.

The cheer of riding wonderfully buoyant, level and steady—with a ride that *feels* like the million dollars it cost to perfect.

The cheer of taking your travel free and easy—with Dynaflow Drive* doing the chores in letter-perfect smoothness—with Power Steering** assisting to make parking and slow-motion maneuvers no task at all.

Even the price is a cheerful note here—low enough, you'll find, to crowd the so-named "low-price three."

That means action is called for this very week, to make the most of this good deal while it lasts.

Why not drop in today or tomorrow and see how much cheer is to be found in a Buick showroom right now?

*Equipment, accessories, trim and models are subject to change without notice. *Standard on Roadmaster, optional at extra cost on other Series. **Optional at extra cost on Roadmaster and Super only.*

NOW IS THE TIME TO START MAKING PLANS FOR CHRISTMAS DAY

Make your good resolutions of years past stick this time. Start RIGHT NOW making your plans for Christmas, urges Dorothy Greey of the Michigan State College home management department.

As a prescription against ending up on Christmas Day nervous and frazzled, Miss Greey makes some concrete suggestions.

Hold a conference with yourself very soon. Write down the persons on your Christmas-gift list and possible suggestions for each one. Estimate costs. Make sure you know color preferences and sizes. Miss Greey tells of one family in which mothers each year exchange detailed lists including size and color data for all family members. That eliminates the after-Christmas-return blues.

After the line of attack is decided, start soon to do the shopping. Or, if the prices have soared way out of reason for your list, start to make gifts. But remember, Miss Greey stressed, that busy homemakers should not try to do too much themselves in the relatively short time until Christmas.

Shop on week days and avoid crowds. Spend a day downtown just looking and doing some comparative shopping. Don't try to do it all at once. And don't be worried about having to get home to prepare dinner. Have something ready to pop into the oven.

Miss Greey suggests early shopping for Christmas cards, too. Then you can address a few each day.

Following these suggestions will mean you will have more time to enjoy the Christmas season.

MISSION GUILD TO HOLD CHRISTMAS PARTY DEC. 18

The Florence Weld Mission Guild of the Presbyterian church will meet for a Christmas potluck supper, Thursday evening, December 18 at the home of Mrs. Ted LaBounty, 211 E. Logan street at 6:30. Mrs. LaBounty and her co-hostess Mrs. Thomas Hamilton will furnish meat, potatoes, coffee, cream and sugar.

Mrs. Fred Rector will conduct the Bible study. The Christmas program will be in charge of Mrs. J. H. Smith. Each member is requested to bring a package of homemade cookies or candy, giftwrapped to be distributed to shut-ins, and also a gift for personal exchange with members.

SECOND SECTION

THE TECUMSEH HERALD

ONE HUNDRED SECOND YEAR — NUMBER 10 TECUMSEH, MICHIGAN, DECEMBER 4, 1952 5 CENTS A COPY

MISS DORIS HARVEY BRIDE OF ROBERT M. COWEN

The Tecumseh Presbyterian church was the scene of an informal wedding last Wednesday evening at 6 o'clock when Miss Doris Arlene Harvey, daughter of Mr. and Mrs. Reuben Harvey of R.F.D. Tecumseh, became the bride of Robert Merle Cowen, son of Mr. and Mrs. Willard Cowen of Tipton. The Rev. George Walworth performed the single ring ceremony. The attendants were Miss Shirley Harvey, sister of the bride, and Douglas Aylesworth of Tecumseh, friend of the groom.

The bride chose a royal blue street length dress with a collar of white beads, white gloves, brown shoes and purse. She wore a white gardenia corsage. Her sister wore a navy blue ensemble with matching accessories with white hat and gloves and a corsage of red American Beauty roses.

Mr. and Mrs. Cowen later left on a wedding trip through the southern states and will make their home temporarily with the bride's parents. Mrs. Cowen is employed at the Quaker Oats Company and Mr. Cowen at Tecumseh Products Company.

Tyrone Power and Hildegarde Neff are confronted by a foreign agent in this scene from "Diplomatic Courier." Sunday, Monday, Dec. 7 and 8, at the Strand Theatre.

SAFETY CAMPAIGN EYES MOTORING CAUTION

Sgt. Claude Bartell, commander of the Clinton State Police post, is reminding motorists and pedestrians that December is not only a happy, but also an extremely hazardous holiday month.

Because of this police agencies throughout the state are taking part in a special safety campaign emphasizing the importance of extra caution.

"A deadly combination of traffic hazards," Sgt. Bartell said, "makes walking and driving especially dangerous. In fact, with the unfavorable weather, longer periods of darkness and the general holiday rush and celebrating December is regarded as one of the deadliest months of the year. On the basis of miles traveled, it is definitely the deadliest.

"During the past five years nearly 82,000 December traffic accidents have occurred in Michigan. They resulted in 752 deaths and 18,973 injuries.

"While there is nothing anyone can do to prevent unfavorable weather or darkness, everyone can avoid being careless if they really try. When walking or driving, allowances should be made for prevailing conditions. Alertness can prevent many tragedies.

"The fact that December should be the happiest, not the deadliest month of the year should cause everyone to work hard at making the holiday season safer for all."

FORMER PASTOR ACCEPTS NEW CALL TO ILLINOIS

Friends of the Rev. Bertram L. Davies will be interested to know that after sixteen years of service in the Presbyterian church at Stevens Point, Wis., he has accepted the position of resident chaplain of Dixon State Hospital at Dixon, Ill., and also that of supply pastor of the First Presbyterian church of Polo, Ill., near Dixon.

Rev. Davies plans to begin his new duties about December 1. He and Mrs. Davies will occupy the Presbyterian manse at Polo. Their son, Norman, at Central State College will remain at Stevens Point at least the rest of this school year. Their other son, Bertram, jr., is a first year student at McCormick Theological Seminary, Chicago.

Prior to moving to Stevens Point, Rev. Davies was pastor of the Tecumseh Presbyterian church and visited here this summer.

WELCOME CLASS CHRISTMAS PARTY DEC. 5

The Welcome Class of the Friends church will meet Friday, December 5, in the church basement for the annual Christmas party. Supper will be served at promptly 7 o'clock. Marvin Johnson will be in charge of the entertainment and Mr. and Mrs. Clair Martin and Mr. and Mrs. George Meads are the committee in charge. Each family has been requested to bring table service, buttered rolls and a dish to pass.

REX MARTIN CANDIDATE FOR PROBATE JUDGE

Former Lenawee county prosecuting attorney Rex B. Martin, Adrian, announced this week that he is candidate for the office of circuit court judge for the 39th judicial district at the primary election next February. Judge G. A. Rathbun is not seeking reelection.

DRILL TEAM TO ENTERTAIN HUSBANDS

Members of the Drill Team of the American Legion Auxiliary will entertain their husbands at a cooperative supper Thursday evening, December 11 at the Legion Memorial Home. A social time is being planned by the group.

FARM FERTILIZERS NEED DRY STORAGE PLACE

The root cellar, dairy barn, poultry house or other place on the farm where there may be moisture is no place to store your valuable fall fertilizer purchases, warns Louis G. Hall, county agricultural agent.

Well-cured fertilizer can be stored without damage or caking in the fall—unlike some newly-made fertilizer bought in the spring, the county agricultural agent notes. Keep it off damp floors by raising it on a platform. Two-by-fours on edge, with boards on top separated by up to a half foot for air passage, makes a good platform, according to Michigan State College agricultural engineers. Caking can be caused by weight of sacks if they are piled more than 10 sacks high. Keep out all moisture—including snow—and see that there is ventilation and fertilizer will be ready to apply when needed.

Macon

The Macon choir will meet every Monday and Thursday evening for special Christmas Cantata practice.

Mr. and Mrs. Melvin Travis were Sunday guests of Rev. and Mrs. Vaughn Whited.

Thursday, December 4, at 2 p. m., the Tecumseh W.S.C.S. and ladies of the Macon community will be the guests of the Macon W.S.C.S. Dr. Katherine Green of Ann Arbor will be the guest speaker. There will also be special music.

Gerald Carey and Miss Lee Bockman of Ypsilanti spent Saturday evening with his cousins, Dean and Donald Moore.

Mrs. Mary Howell was in Adrian twice this week calling on her sister-in-law Mrs. Maud Day, formerly of Macon. Mrs. Day is not well and would appreciate hearing from her old friends. Her address is 645 Dennis street, Adrian.

Thirty-two Macon youths and their friends enjoyed a Thanksgiving party Saturday evening at the former Miller schoolhouse. Following games and dancing, refreshments of hot chocolate and homemade cookies were served. The group plans to have a bake sale December 13 at the Macon Grocery. Their Christmas party will be held December 27 at Moore's. They will each bring a fifty cent gift for an exchange. Committees will be announced later.

Mr. and Mrs. Bert Bruder of Tecumseh, Mr. and Mrs. Edward Furlong, Mr. and Mrs. Delmar Bruder and daughter Marilyn, and Mr. and Mrs. Gerald Carey and family of Ypsilanti spent Thanksgiving day with Mr. and Mrs. Hamilton Moore.

The primary department have begun practicing for their Christmas program to be held Tuesday evening, December 23 at 7:30.

Rev. William Hughes of Milan was the Sunday evening speaker at the Macon church. His talk was on "Gifts." Thirty members of the Milan M.Y.F. attended the meeting. Following the program, games were played in the church basement and pop and cookies were served.

Stewart Niblack spent Thanksgiving with his wife and parents, Mr. and Mrs. W. S. Niblack in Britton. He is stationed in North Carolina.

Mrs. Richard Upell and children of Tecumseh have been spending a few days with her sisters, Margie and Colleen Vershum while her husband was deer hunting.

STRENGTH FOR THESE DAYS from The Bible

Keep thy tongue from evil, and thy lips from speaking guile. — (Psalms XXXIV, 13.)

Ever notice how much better it makes you feel when you speak kindly, charitably, instead of critically, of or to someone? Spoken or written words of help and affection bless and strengthen those who give them, as well as those who receive.

FIDDLE STICKS CLUB TO MEET

The Fiddle Sticks Club, the newly formed Junior Musicians, will meet Tuesday evening December 8 at 7 o'clock at the home of Marilyn Manley. There will be an exchange of gifts.

In one week, a city newspaper has been getting enough government publicity to fill 800 columns, Junius B. Wood says in an article in Nation's Business.

FARMERS FIND WINTER GOOD PAINTING TIME

Winter days are a good time to get some paint back on farm equipment, suggests Louis G. Hall, county agricultural agent. It will make it last longer, give better service and add to its value when you want to trade for new machinery, he points out.

If a farmer is not certain of the color or kind of paint to use, he should see his implement dealer, is the advice from Michigan State College agricultural engineers.

Rust and grease should be thoroughly cleaned away first.

We made family posters by cutting pictures from magazines and drew pictures of our homes.

We discussed our family units and duties in comparison to the Pilgrims. We constructed a Lincoln Log cabin and made stand-up pictures of Pilgrims. We acted out in rhythms duties of Pilgrims cutting logs, spinning, etc.

We also had a unit on Indians and have made tepees, head bands, and drums. We have learned a number of songs and dances and dramatized some of their customs.

Our days have been very full and interesting for both the teacher and children. The units have combined to make us thankful for our many advantages and blessings in our homes today.

First Grade
Miss Warner

We have started to read about Dick and Jane and Sally.

We put a display in the display case. We brought toys and clothes and food boxes from home. This display is one of the things we are thankful for.

We learned a song about a turkey. We made a poster of different ways we use wheels for science.

Second Grade
Mrs. Puffer

We are learning how to write the numbers from 100 to 200. We already know how to count to 200.

We have finished the books we read in the afternoon and are starting some new ones. They have such good stories in them that we are glad when it is time for reading class.

Our salamander is spending the winter in the science room over at high school. He has buried himself in some sand is fast asleep until Spring. Sometimes our pets visit school. We were glad to have Roger, Nancy, Dawn and Sherry Ann bring their kittens. Patty Lawson and Madonna Strand have returned to school after having had their tonsils out.

Third Grade
Mrs. Colson

We had twenty-two parents and many other visitors in our room on the night of Open H[illegible] We hope they enjoyed seeing our work.

We have finished our animal unit in reading. In social studies we have been learning more about fruits and vegetables, and are beginning to study about grains.

Our room was invited to see a Thanksgiving play given by Mrs. Buttolph's third grade. We all enjoyed it very much.

Sixth Grade
Mr. Kaiser

This week it is our turn to use the display case. We have worked hard to build a model medieval castle and village. The background pictures are of medieval scenes to display in the small case.

We are very proud of our Safety Patrol and Service Squad. The following boys from the room are on Patrol: Chummy Hartsell, Gary Elliott, David Rutherford, David Holden, David Schmidt, Robert LeBaron, Gary Mueller, Larry Yoakum, and Teddy Kempf. Shirley Furgason and Marilyn VanCamp are members of the Service Squad.

Dear Santa:

I would like 1 pr Cowboy boots size 2, bicycle, a better sled, ukelele . . . . . football.

Gary Frost
Rt. 1 Occidental

Dear Santa:

How are you? I bet you are busy getting all the toys ready for us boys and girls. I would like a walking doll, baton, bubble train, piano, necklace . . . . . I will be satisfied with anything you will leave me.

Brenda Golat
204 E. Chicago

Dear Santa:

Christmas is almost here so I better write and tell you what I want and also my brother Alan. I would like a sled, watch and telephone. Alan wants a race car, telephone and big truck. We try hard to be good, but can't be all the time. We'll keep trying hard though and maybe you can bring us all we ask for.

Pat and Alan Vallad

Dear Santa Claus:

I live at 107 S. Van Buren. I am eight please bring me a diving mechanical sub, army training center, automatic brake car, fire engines. Have a nice Christmas Santa.

Ross Stephenson

Dear Santa Claus:

For Christmas I'd like you to send me a drum, roller coaster, Coca Cola truck, docter set . . . . . thank you know for I'll probably forget later.

VISION AND TRACTION ARE FIRST SAFETY FACTORS — KILBOURN

The current spell of fairly pleasant weather is a good time to have the family car put in shape for the rough winter weather that lies ahead, Chief of Police George Kilbourn advises motorists.

"Garages and service stations can now handle winterizing work that is vital to safety much better than when the weather changes to ice and snow.

"But getting the car in shape for safe winter driving means much more than changing the oil, grease and putting in anti-freeze," the chief continued.

"It's more important to check safety factors of vision and traction. Live rubber windshield wiper blades, defrosters in working order and good headlights are all vital for adequate vision in winter rains, fogs, smogs, sleet and snow.

"For safer traction on ice or snow, there's nothing like a good pair of tire chains. National Safety Council tests proved that," Kilbourn added.

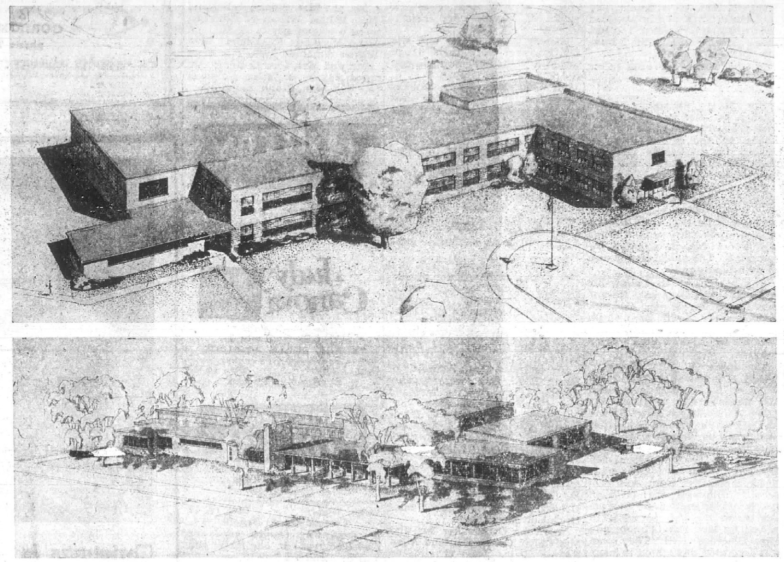
PROVISIONS OF TAX LAW EXPLAINED IN BOOKLET AVAILABLE TO TAXPAYER

Many of the provisions of the income tax law applicable to 1952 returns are fully explained in completely rewritten chapters of "Your Federal Income Tax, 1952," issued by the Bureau of Internal Revenue, which will be available late this month.

As a service to Michigan taxpayers, orders for this 146 page publication may be placed now, at 25c a copy—stamps not acceptable-, with the U. S. Department of Commerce, 700 Griswold Building, Detroit 26, for delivery as soon as available. There is a 25% discount for 100 or more copies to the same address.

Some of the subjects covered by the booklet are — who must file a return; when and where; nontaxable income; deductions; family exemptions and what type of return to file.

"Bulletin F," which discusses Depreciation and Obsolescence, is also available from the same address at 30 cents a copy.



Slow is the process of building schools as an educator's dream must first take shape on an architect's drawing board, then pass the critical inspection of a school board, receive the bond approval of the voters, interest a reputable contractor and finally crystalize into a completed structure. Such has been the channel of progress for Tecumseh's new Patterson Elementary school, illustrated below, which is now in the hands of Miller-Davis contractors and is to be completed on North Union within 410 days. The top sketch shows the High School building as it will look with a new gymnasium and additional class rooms when completed sometime during the 1953-54 school year. Supt. James McDowell said plans for the Patterson school will make it a "very modern unit." The combined costs of both projects near $700,000.

School Dream Is Answered By Firm With Lowest Bid

TO COMPLETE WORK ON TWO PROJECTS WITHIN 410 DAYS

Within 410 days of last Thursday, Tecumseh's overcrowded school problem will be at least temporarily solved.

For the $507,000 contractor's bid by Miller-Davis, Kalamazoo, was officially accepted during a special session of the board of education last week.

The bid is for "Patterson Elementary school and additions to the present high school including a gymnasium, maximum estimated time 410 days beginning immediately."

Thus school superintendent James McDowell plans to reschedule grade classes into the new building by the second semester of the 1953-54 acedemic year.

Another contract for $40,174, submitted by Harlan Electric, Adrian, was also accepted by the school board Thursday while a third for plumbing is still unannounced subject to investigation by the architects. Two plumbing firms are being considered, their bids range around $142,000.

Warren S. Holmes & Co., Lansing, are advising architects. They told the board after examining bids, that including bleachers for the new gymnasium, combined costs of both projects will easily fall within the $704,000 limit estimated by them early in 1952.

Mr. McDowell thought the final cost would be $10,000 to $15,000 below maximum limitations for construction work on the buildings. This saving will be used for landscaping, roads, sidewalks, etc.

At the meeting about 30 interested bidders from Bryan and Toledo, Ohio; Angola, Ind.; Pontiac, Adrian, Kalamazoo and Detroit were on hand. There was a variation of some $50,000 in the main contractor's bid.

Miller-Davis submitted the lowest combination bid on the two

REV. WALWORTH TO ADDRESS PRESBYTERY

The Lansing Presbytery Men's Council will hold their annual meeting Sunday, Dec. 14 at the First Presbyterian Church in Albion. The meeting will start at 4 p. m. with Lyle Thorburn of Holtin in charge. Presbyterian men are expected from the twenty nine churches which make up the Lansing Presbytery.

Dinner will be served at 6 p. m. by the Woman's Association of the host church after which the newly elected officers for 1953 will be installed by the Rev. F. G. Behner of Stockbridge. The guest speaker of the evening will be the Rev. George E. Walworth of the First Presbyterian Church of Tecumseh.

Holiday Program To Be Presented By Grades Tonight

American Christmas customs and their origin will be depicted by grade school children at a Christmas program this (Thursday) evening at 8 p.m. in the Central school auditorium.

Under the direction of Mrs. George Schipper scenes from various countries will be portrayed by grades three through six. In the scene from Germany will be Edsell Brooks, Mary Jean Cleveland, Bruce Parrett, Janice Schuck, Eugene Verrier and Brenda Whelan. Vero Beattie, Gary Haviland, Dennis Irelan, Susan Nichols and David Withrow will portray the Dutch scene. Clarence Champanois, Jacqueline Dunn, Linda Griffin and Lenny Greenwald will take part in the English scene. In the role of French children will be Ann Cameron, Robert Dick, Jan Kashur, Peggy Robinette and Kay Schultz. Polish life will be portrayed by Donald Erhart, Catherine Holdridge and Robert Wilkins. Anne Preston and Lloyd Watson will be in the manger scene. Narrator is Greg Mason.

Included in the program are the following Christmas carols: "O Christmas Tree" by grade three; "O Come Little Children," grade three; "Jolly Old St. Nicholas," grade four; "Deck the Halls with Boughs of Holly," grade four; "We Wish You a Merry Christmas," grade four; "Coventry Carol," glee club; "The Boar's Head Carol," glee club; "Jeanette Isabella," glee club; "Gloria In Excelsis," grade five; 'Carol of the Birds," grade five; "Hark Ye, What Angel Voices," grade six; "When Christ the Holy Child," grade six; "O Come All Ye Faithful," combined grades.

The glee club is a select group of sixth grade voices. Members include Gordon Greiman, Jerry Woodward, David Rutherford, Marjorie Chase, Joanne Wing, Kathline Shirley, Donna Nixon, Mary Manchester, Shirley Gurtzweilder, Sharon Muhn, Karen Golat, Marilyn VanCamp, Carol

Vote Reached 87% No Recount Here

Tecumseh voters went out in front of the national average during the November election to set a high 87½% mark. Only 64% of voters turned out in the nation.

Here is how township clerk H. H. Hanna reviews the past election turnout in comparison to 1948 when Truman out-polled Dewey.

(Nov. 1948)	
No. Registered	2200
No. voted	1560
Failed to vote	374
Per cent voted	71%
Nov. 1952)	
No. Registered	2994
No. voted	2620
Failed ot vote	374
Per cent voted	87½%

Hanna feels this high percentage is indicative of the Eisenhower support and of the general interest in recent election issues.

He further pointed out that in precincts where automatic voting machines were used no recount will be taken.

Tecumseh stores will be open nights beginning Friday, December 12 to 9 p.m. through to Christmas. adv. 12-11

MRS. ALBERT A. COMFORT, 88, DIES AFTER ACTIVE LIFE IN QUAKER CHURCH

Mrs. Albert A. Comfort, aged 88, died at the home of her daughter, Mrs. Perry Hayden Saturday evening, Dec. 6 at 7:30. Mrs. Comfort had been in ill health for the past three years, having suffered a stroke in the summer of 1949 at the home of her daughter, Mrs. Dann Birdsall of Albion. She had been cared for in Tecumseh since the spring of 1950.

Born May 17, 1864, in Azalia, Indiana, the daughter of Phineas Parker and Martha Ann Elloitt, she came to Tecumseh in 1888 to visit a sister, Marietta Parker who was a teacher at the Raisin Valley Seminary, near Adrian. In 1889 she married Albert A. Comfort who preceded her in death in 1934.

Mrs. Comfort was for years an elder in the Tecumseh Friends church. She had always been an active worker in the church until her last illness. Before musical instruments were allowed in 'Quaker Meetings,' it was not an uncommon occurrence for Malinda Comfort to break the Quaker silence by singing an appropriate solo, while remaining seated. Her home was always open to visiting preachers, missionaries, relatives and hosts of friends.

She is survived by one sister, Mrs. Alice Davis of Azalia, Indiana, and seven children: Mrs. Dann Birdsall, of Albion; William P. Comfort of Highland Park; Ralph B. Comfort, Russell A. Comfort and Mrs. Perry Hayden, of Tecumseh; Parker S. Comfort of Evanston, Ill.; and Miss Martha A. Comfort of Battle Creek. A son, Elwood Comfort of Albion preceded her in death in 1944. Besides the seven children surviving, there are 21 grandchildren and 9 great-grandchildren.

Services were held Tuesday at the Friends church at 2:30 p. m., with Rev. Edward Escolme officiating. Burial was at the Raisin Valley Cemetery.

The bearers were Perry Satterthwaite, Merritt Chase, Roy Cadmus, Raynor McLain, O. M. Powell and Oscar Mead. Relatives who attended from away were Mr. and Mrs. Phillip Leslie of Toledo, Mrs. Helen Davis and Mrs. Francis Linderman of Jackson, Mr. and Mrs. William Comfort of Highland Park, Mr. and Mrs. Parker Comfort of Evanston, Ill., Mr. and Mrs. Dan Birdsall, Mrs. Alice McKinney, Mrs. Robert Heilman and son of Albion, Rev. and Mrs. John Walters of Van Wert, Ohio, Mrs. George Cantrick of Monroe, Carol Comfort of Adrian, Mrs. Bertine Comfort of Holloway, Gordon Comfort of East Lansing, Martha Comfort of Battle Creek, and friends from Adrian and Tecumseh.

EXCHANGE CLUB DONATES TO BILLY STILL FUND

The Tecumseh Exchange Club met for their regular meeting last Wednesday evening and also the membership attendance banquet with the Bulls entertaining the Bears at dinner. During the meeting the members of the club made a donation of $51.37 for the family of Billy Still. Mr. Still is a patient at the University hospital in Ann Arbor with polio and is still confined to an iron lung.

Macon Township Farmer Found Dead in Home

James D. Hicks, age 70 years, a Macon township farmer for the last eight years, was found dead in his residence about 7 a.m. Saturday, December 6. Justice of the Peace, William R. Kuster, acting as coroner, ruled death was the result of coronary thrombosis and that no inquest was necessary. Mr. Hicks had been in ill health for the last ten days.

Survivors are two sons, Richard Wayne at home and Clarence of East Detroit; five daughters, Mrs. Nellie Hullett of California, Mrs. Effie Di Palma of Detroit, Mrs. Sylvia Hall and Mrs. Ruth Wilson of Toledo, one step-daughter, Mrs. Mae Hitchcock of Mechanicsburg, Ohio, one sister Miss Nancy Hicks of West Virginia; twelve grandchildren and three great-grandchildren. Mr. Hicks was preceded in death by his wife, Rosa, ane one son Raymond.

Funeral services were held at the Niblack Funeral Home in Britton Tuesday afternoon at 2 o'clock with the Rev. James G. Simmons of Ridgeway officiating. The bearers were W. R. Kuster, Freeze Hopkins, Archie Lott, Paul Lewis, John Teufel and John Taylor. Burial was in Rodgeway cemetery.

Tecumseh 1st In New Phone Book

GREENE PUTS LOCAL EXPENDITURE AT $75M

E. G. Greene, district manager for the General Telephone company, reported this week that crews were completing work on the third cable project undertaken in the Tecumseh exchange area in 1952. These projects, extending telephone service in the suburban area including Tecumseh Acres, represent an expenditure by the company of approximately $75,000 during the year.

Mr. Greene further reported that as of November 1952, the Tecumseh exchange had 1720 telephones in service, an increase of 157 telephones over this month last year. Tecumseh subscribers will be happy to note that the Tecumseh alphabetical listings are in the front of the book, recently delivered to the Tecumseh customers.

The Tecumseh exchange, which also serves as a District office for the Blissfield, Dundee, Erie, Holloway, Ida, Maybee, Saline and Temperance exchanges, has a total of 44 employees, Mr. Greene said.

At the present time, a daily average of 7500 local calls, and a daily average of 850 outward toll calls on 33 toll lines, are being handled at the Tecumseh exchange.

Indian Cagers Go On Warpath

HOST HILLSDALE FRIDAY, THEN MORENCI TUESDAY

Take a tip from Tecumseh high coach Victor Lawson and be on hand for both the Indian's pre-Christmas home basketball games—Hillsdale invades Friday night and Morenci next Tuesday.

After that it's travel and vacation for the Lawsonmen who return home January 9 to entertain Hudson. The Indians face a 16 game regular season schedule, eight contests slated for the Central school court.

Coach Lawson was far from satisfied with his cager's 56-50 opening win at Addison last week and stepped up practice tempo to have the Tribe at an early season peak for rugged Hillsdale, first Southeastern Michigan confer-

Funeral Services Today For Mrs. Maude M. Day

Mrs. Maude Marion Day, aged 85, died at the home of her brother, John C. Howell, 645 Dennis street, Adrian, at 5:30 p.m. Monday. She had been in failing health for the past three years.

Born June 30, 1867, on the homestead farm near Macon, she was the daughter of the late Edwin and Rachel Chambers Howell. She taught many years in the Tecumseh schools and other schools in Michigan. Mrs. Day had been a member of the Macon Methodist church since 1914.

Surviving are one brother, John C. Howell of Adrian and several nieces, nephews and cousins. She was preceded in death by her husband, Frank J. Day in 1944, a half brother, James Sumner Collins in 1926, and a brother, Joseph W. Howell in 1945.

Funeral services will be held this (Thursday) afternoon at 2:30 at the Macon Methodist church, the Rev. Vaughn Whited officiating. Burial will be in the Macon cemetery. Friends may call at the Collins Funeral Home until 12:30 p.m. Thursday.

Santa Rules In Tecumseh Friday Night

KID'S PARTY USHERS YULETIDE SEASON, STORES OPEN UNTIL 9

He goes by a variety of names — Kris Kringle, St. Nick, Santa Claus and others — but 2,500 youthful cheers will proclaim the jolly, fat fellow from the North Pole the official man of the hour Friday when he arrives in Tecumseh at 7 p. m.

Santa will drive through the business district before setting up shop at the four corners for his annual Kid's Party. An estimated 2,500 youngsters are expected for one of the biggest Santa Claus parties of its kind in these parts.

Santa's helpers were busy Monday night boxing candy for each little boy and girl. An assembly line was at work with the following troop four Boy Scouts assisting: Marshall Boike, Max Smith, Barry Packard, Ray Miller, Gary Williams, Gary Elliott, Dick Baker, John Conklin, David Rutherford, Gary Abner, Dave Holden, Jerry Fox, Gordon Greiman, Chuck Foreman, Gene Damon, Ted Kempf and Gregg Mason.

Also on hand were another group of boys, a little older in age, but equally as gleeful over the evening's activity and the coming of Santa Claus. They will be on hand Friday to handle the crowd and see that every youngster is waited on. Santa's helpers are Don Smith, Floyd Guy Jr., Hoppo Anderson, Richard Butler, Carlyle Mason, Gale Perkins, Richard Brighton, Earl Updike, Forrest Abner, Hal Kelso, Blair Bashore, Mel Partridge, Dick Beemer, Yale Kerby, Bob French, Grenval Spangler, Bob Moore, LeRoy Titley, Norm Bailey, Bob Robison, Carl Kempf, Roy Richard, Vern Manwaring, Russ Garno, Harold Easton, Waldo Mohr, Ernest Peters, Bill Powell, Al Merz, Owen Partridge,

Seniors Sell Subscriptions

With an eye on their senior trip to New York next spring, members of the Tecumseh high school graduating class will launch another money-making project Saturday when they go to sell new subscriptions and renewals for The Herald.

Commission on all sales will go to the students who will earmark the money for their educational tour to the East.

The Herald has been interested in a door-to-door drive for new readers and to have regular subscribers pay up in advance for some time. Soon after the ambitious seniors, under the guidance of Mrs. W. E. Macbeth, had completed their class play last week, they proposed that the interested upper-class members take over The Herald's circulation drive.

Your co-opration in this matter will be appreciated by both the seniors and your newspaper staff.

SERVICES HELD SUNDAY FOR PATTI J. JENNINGS

Patti Jane Jennings, five month old daughter of Clarence and Alma Mae Goff Jennings, of R.F.D. Britton, died at Herrick Memorial hospital Friday morning December 5, at 2:30. Baby Jennings had been ill with pneumonia four days. She was born, July 6, 1952 at Herrick Memorial hospital.

Survivors besides her parents are one sister, Jackee at home; grand parents, Mr. and Mrs. Boyd Goff of Detroit and Mr. and Mrs. William Everhart of Tecumseh.

Funeral services were held Sunday afternoon at 2:30 at the Valentine-McNeil Funeral Home in Petersburg. The Rev. Richard Peterson, pastor of St. Peters Episcopal church in Tecumseh, officiated. Burial was in Pleasant View cemetery in Petersburg. Friends and relatives attended from Detroit, Britton, Tecumseh, Petersburg and Deerfield.

A & P OPEN HOUSE AFTER REDECORATION

Open House is being observed at the A & P store beginning this week until through Christmas. The store is managed by Yale Schenefield and has been completely redecorated, new equipment added, a new bakery department and a larger frozen food freezer has been added. A new open self serve dairy department will add a new light to the department and also a larger produce department with new equipment.

During the grand opening tickets will be given patrons and free premiums will be awarded at the end of two weeks. Mr. Schenefield announced that he will have various specials throughout the two weeks.

NEW POLITICAL TERM — Like the term "Message To Garcia" which shines in military language as a soldier's vow to deliver an order regardless of hazards, a new term "Appoint A Durkin" may spring into political meaning and live beyond the man who named Martin P. Durkin to a cabinet post against the wails of fellow Republicans.

Eisenhower wants to be a national, not a partisan, president. He knew the Secretary of Labor job to be of prime importance in his attempt to conciliate national politics, he knew there would be opposition to naming a man who voted for Adlai Stevenson, who fought the Taft-Hartley act and who was a Truman Democrat — but he upset GOP precedent and named Durkin new Labor boss.

First and foremost to oppose was Mr. Republican himself, Senator Taft, whose lieutenants have been ignored in Cabinet appointments. The trustees are a strong pro-Dewey group now with an emphasis on business leadership and broad geographical distribution — they range from Boston to Oregon and are politically a little right of center in contrast to Truman's left of center position.

Mr. Durkin actually widens the cabinet socially and professionally. It gives Gen. Ike the voice of organized labor at the council table and gives representation of the Roman Catholic church. But Taft is "astonished, affronted and unhappy" at the man who won a rank and file Republican victory, and with the catching new phrase "Appoint A Durkin." If it sticks in years to come, it may go down in history as the by-word of Eisenhower's rebirth to a staggering party.

Those other eight cabinet appointments, in summarizing Ike's pre-inauguration appointments, are John Foster Dulles, secretary of state; Charles E. Wilson, secretary of defense; Herbert Brownell, Jr., attorney general; George M. Humphrey, secretary of treasury; Douglas McKay, secretary of interior; Ezra T. Benson, secretary of agriculture; Sinclair Weeks, secretary of commerce; Arthur E. Summerfield, postmaster general.

FRIDAY NIGHT PARTY — Santa Claus may be flying into Dallas on a four-motored transport and landing in Boston by balloon, but in home town Tecumseh he makes his way into every child's heart with a downtown party this Friday night. It will give your heart an extra thump or two if you can slip away from the worries of everyday life and watch 2,000 or more kids extol over their beloved St. Nick.

That Christmas party, by the way, is no small job for the representatives of veterans, service and civic organizations who teamed up to make it a promising success. In fact the Merchants Committee added a hand in the planning. If you could have attended their meeting last week you'd have an idea of how many hands are promoting the party. Around the big table in the council chamber sat Bob Moore, Ed Heilman, Leo Lohrman, Max Brandt, John Saling, Harold Easton, Harold Morey, Fay Whelan, Harold Green, Bert Ousterhout, Dick Jennings, George French, Ray Sluyter, Earl Baldwin, Bill Wright and Archie Porter. There are many others serving on the main Christmas party committee.

FIRST HOME GAME — Friday night holds a double barrelled charge for Tecumseh, for after the 7 p.m. Santa Claus party, the crowd shifts to Central high gym where the brave Indian basketball cagers play mighty Hillsdale. Editorially the Herald extends its best wishes to the team — not especially for victory, which is a poor yardstick to measure the good in athletics — but for continued good sportsmanship and clean play. If we win, we want to win fairly and squarely.

Like any other team, our's needs support, good clean backing from the bleachers where fans flavor their encouragement to both contesting teams with the best they can offer.

That's the kind of backing the village gave its football squad which played valiantly despite 15 costly injuries and some adverse breaks. It was a good test for the school, the team and all sports fans who saw the season through and eagerly awaited Friday night and another home cage season.

The Gospel according to Matthew — "Pass no more judgments upon other people, so that you may not have judgments passed unto you. For you will be judged by the standards you judge by, and men will pay you back with the same judgment you used against them." This is national Bible reading month, not a time to read time's greatest book any more than any other time, but a reminder, "Have you enjoyed a passage today?"

All Can Feel Sincerely Welcome . . .

There is no mistaking the warmth and sincerity of our welcome to everyone, and the true spirit of our service. It is a quality present with all whom we serve, and with every visitor calling. Sincere, alert and friendly service to all is our promise to every family we serve. Be assured that friends calling to pay respects will be most welcome.

Indians Down Addison 56-50

RESERVES BARELY EDGED OUT IN OVERTIME

The Tecumseh Indians started their basketball season off on the right foot Friday, December 5, by dumping Addison with a 56-50 victory. Jim Wilson took top scoring honors for Tecumseh with 22 points. But Charles Paudson of Addison edged Wilson for top scoring honors of the game with 24 of Addison's much needed points.

Tecumseh had a strong first half, making 26 of their points to 17 for Addison. Addison made a strong come back in the second half, scoring 33 points to Tecumseh's 30.

Addison won the reserve game 40-39 in the overtime period.

Debate vs. Adrian On Thursday

FIRST PRELIMINARY MEET OF '52-53 SEASON

The Debate and Forensic Club of T.H.S. entertains the Adrian debaters at 1:30 p. m. today in the first debate meet of the season. Coach S. K. Yarman's affirmative will meet the Tecumseh negative in the initial debate this afternoon in the high school cafeteria, followed by the second debate with Adrian's negative team opposed by the T.H.S. affirmative. Both debates will be judged by Alvin Loving, principal of the Northrup school at River Rouge.

Neither Adrian nor Tecumseh has, as yet, announced other than a very tenative lineup for today's debate.

GOVERNMENT DAY

What are you all dressed up for? Where are you going? Yes, these and many more questions were asked the seniors Tuesday morning before they left for Adrian to attend the sixth Annual Senior Government Day.

Sixty-nine seniors and two juniors, representatives of the student council, attended the all-day session.

Tecumseh seniors discussed the topic, "Elections and Political Parties." Different students have previously conferred with men of both the Democratic and Republican parties. Merlyn Wagner was head of the committee to get the necessary information before Tuesday's meeting.

The general view of the class as a whole and their adviser, Mr. Murdock, was that government is one of the most essential things in our life today. Through "Government Day" one has a chance to discuss some of the main issues at stake today with the people that have been selected to represent us. It prepares students for the future life before them, that they may participate in their government to the best of their ability.

F. F. A. MEETING

The F. F. A. meeting was called to order by President Merlyn Wagner December 8 at 8:00 p.m. with 27 members present. Pest control was discussed under the order of business after which a Christmas Party was discussed under the order of buiness after which a Christmas Party was planned for this Saturday evening, December 13, at 8:00. A motion was passed to buy a Christmas tree for the party. The CROP Drive was then discussed. Corn is to be the main kind of produce which the F.F.A. members are to have ready for later pick up by truck. It was moved that the F.F.A. initiate Chapter Farmers the first meeting after Christmas vacation. Following the business meeting a movie was shown and refreshments were served.

PAST PRESIDENTS PLAN POTLUCK SUPPER MONDAY

The Past Presidents of the Tecumseh Monday Club will meet at the home of Mrs. Maynard Mulvaney Monday evening, December 15 for a potluck supper at 7 o'clock. Rolls and meat will be furnished. Each member has been asked to bring a 50 cent gift for exchange.

Santa Rules

(Continued from page 1)

Ed Heilman, Al Pope and Archie Porter.

To clear the business district for Santa's party, police chief George Kilbourn asks motorists to refrain from parking on Chicago Blvd. between Pearl and Ottawa during the hours of 6 and 9 p. m. on Friday. This area will be blocked off and the entire police force will be on hand to assist.

Friday night also marks the first evening of Christmas shopping hours in local stores which will remain open until 9 p. m. until Christmas.

The downtown area along with retail stores completes the Christmas theme with a host of Yuletide decorations.

In an unprecedented move this week, Chuck Butler of the Butler Motor Sales, made Tecumseh history by purchasing two day's time on all parking meters. This is part of his company's introducing the 1953 Ford cars and a personal promotion of his own to interest more people in visiting the local shopping district. Butler asked that during this two days free parking all local people give merchants their co-operation by not over using the privilege. He will have signs hung on all meters.

Indian Cagers

ence foe. The game is billed for 8 p.m. with a preliminary preceeding.

Probable varsity starters Friday are Jim Wilson, who worked the Addison nets for 22 points, Jack Greenwald, Bill Benham, Bob Binns and Wayne Patterson.

In reserve Lawson will have Albert Hart, Tom Baldwin, Alroy Vanderpool, Melvin Boltz, Jack Betzoldt, Jerry Barron, Doug Hooten and Russ Hyatt.

There are 20 boys out for the junior-varsity squad which suffered a close 40-39 overtime defeat against the Addison seconds.

Tecumseh's cagers will dress in white uniforms at home with orange numerals and trim, away they wear black suits.

The Morenci game also here, promises to be an equally thrilling contest on Tuesday night, Lawson predicts, though it is a non-loop fray. After that the Indians close their pre-holiday play at Clinton on Thursday, December 18. This game was moved up from the nineteenth.

In an interview this week, the likeable Indian mentor pointed out a drastic change in the 1953-54 rules which provides a second shot for every one-shot free throw if the first is missed. All free throws must be attempted this year. Lawson said the locals would old a "B" classification again this year, he outlined the class divisions by enrollment as follows:

Class A—Over 800 pupils
B—325 thru 799
C—150 thru 324
D—below 149

SMORGASBORD TO BE SERVED BY W.S.C.S.

The Woman's Society of Christian Service of the Tecumseh Methodist church will serve a Smorgasbord in the social room on Saturday, December 13, which is the traditional date used by Scandinvian countries, especially Sweden, for celebrating the return of light to those northern countries. St. Lucia is their symbol of light and it is hoped that some of her assistants will arrive in time to serve the Christmas cookies on Saturday. While the Scandinavian countries spend weeks preparing for this occasion, Mrs. T. Rentschler, the chairman, predicts that the Methodist women with the modern conveniences can prepare a bounteous supply of delictable foods in much less time. The Smorgasbord which means "food on the table" will be served from four-thirty until seven o'clock and the public is cordially invited. According to plan, each one pays the stated amount for his dinner and then partakes of all foods beautifully arranged on the table until his capacity is reached.

The Methodist women will use the proceeds for their Christian work at home and around the world for they firmly believe that the "study and action" plan of understanding the culture of all nations is a definite way to world peace.

School Dream

buildings, although the Kalamazoo firm was not lowest on the two projects as bid separately. It was, however, decided that Miller-Davis due to its experience and reputation, could best serve the needs of Tecumseh.

Plans for the Patterson school will make it one of the most modern units of its kind.

It will have an exceptionally modern kindergarten with self contained toilet facilities. The kindergarten, first, and second grade rooms will have radiant heating for extra warm floors. There will be a separate kindergarten entrance and separate play area with all equipment especially suited to kindergarten ages. In fact the kindergarten door will be so small the teacher will have to bend down to enter.

Third, fourth, fifth and sixth grade pupils will have the latest Bradley step-on wash fountains for their use in the lavatories.

The Patterson school will also include a new children's library with separate entrance for general use. There will be a multi-purpose auditorium type room with stage, a shower room, kitchen, teacher's work room, teacher's rest rooms and office.

It will be a brick-faced, ultra-modern, one-story structure located on North Union just south of Evans Creek.

While construction is underway on the elementary building, workmen will be busily engaged on two high school additions. One, a large gymnasium, includes a 98 by 94 foot floor large enough for two full-sized basketball courts with an electric powered dividing partition.

There will also be an addition of five classrooms, a teacher's lounge and principal's office.

Among the interesting features of the new gym will be its 1,610 seating capacity for basketball games when the partition is removed and rollaway bleachers put in place. A concession compartment will serve two ways into the gym or into the hall.

Plans also call for lots of locker room facilities, showers, drying rooms plus an equipment room, two mud porches and other dressing rooms for both boy's and girl's gym classes, varsity and community teams.

All athletic facilities will be the very latest type. Temperatures in each room will be individually controlled. Adjoining the spacious mapled-floored gym will be a foyer for trophies and men's and women's physical education offices.

Another addition at the opposite (north) end of the high school will include five new classrooms and a modern agricultural practical work room with large doors to accommodate a tractor or farm animals. There will also be new crop growing facilities.

A faculty room and new principal's office will complete the job.

Supt. McDowell was elated over the bids and building plans but pointed to the Patterson school as only a partial answer to the growing elementary school problem.

"The Patterson school will be full the day it opens," he said.

So the board of education faces even another problem now, construction someday of a third elementary school which in future years will probably go up on the 10 acres owned by the board and located on the east side of Adrian street just south of the railway.

Members of the school group are Jens Touborg, president; Paul Breitenwischer, vice pres.; Dr. R. F. Helzerman, sec.; Dwight Hodges, treas.; and Aden Mead, trustee.

V.F.W. TO ASSIST WITH POLIO PORCH DRIVE

The V.F.W. Auxiliary met Monday evening, December 8 in the post room with Mrs. Grenval Spangler presiding. Twenty-five members were in attendance. A bake goods sale was planned for December 13 at Hite's hardware at 10 o'clock. Proceeds will be used for relief work. Two new members, Mrs. Louis Richards and Mrs. Ted Sisson were received into the auxiliary. To aid needy families at Christmas, each member has been asked to furnish canned or staple goods to be brought to the party December 22. The Auxiliary voted to assist with the Polio porch drive in January.

The annual Christmas party for all Auxiliary and Post members and their families will be held December 22 in the Pythian Hall. A potluck supper will be served promptly at 6:30. Meat, coffee, rolls and milk will be furnished.

Refreshments were served by Mrs. Earl Kruger, Mrs. Gaza Kish and Mrs. Lewis Schultz.

B. & P. W. CHRISTMAS MEETING MONDAY

The Christmas meeting of the Business and Professional Woman's Club will be held Monday evening, December 15 at the Methodist church. Dinner will be served at the usual time of 6:45. The program will be "Sharing our Christmas" and members are asked to bring $1 gifts unwrapped for the County Infirmary and designate whether for a man or woman and to bring paper and ribbon to wrap the gifts. Mrs. Nina Heath, Mrs. O. W. Laidlaw and Mrs. M. G. Partridge are in charge of the program. The hostesses are Miss Ruby Preston, Mrs. George French and Miss Geraldine French.

The big 1952 wh[illegible] may tie up $1,000,000,000 in federal price-support purchases and loans, say commodity experts for the Wall Street Journal.

NATIONAL SAFETY COUNCIL ANNOUNCES HOLIDAY CAMPAIGN

CHICAGO—The National Safety Council today announced a nationwide Christmas savings plan to stop accidents.

"If every American will join this savings plan before the Christmas holidays, a real yuletide bonus — human life — will be paid," said Ned H. Dearborn, Council president.

The campaign has been joined by more than 160 national organizations, and by city and state public officials and civic leaders. They will unite in creating an awareness of the special holiday hazards, and will enlist voluntary cooperation from every American to hold accidents to a minimum this Christmas.

The year-end holiday season is the most dangerous period of the year, Mr. Dearborn said, and accidents annually mar the celebration in thousands of homes. Traffic accident deaths on both Christmas eve and Christmas day are about twice as high as the annual daily average.

This year, with the holiday consisting of four days for many persons, the toll could be even higher than the 351 traffic deaths reported during the four-day Christmas weekend last year, Mr. Dearborn warned.

"Travel is especially heavy over long holidays, which encourage traditional family get-togethers even when the members must drive considerable distance," he said. "The festive spirit of the season plus the normal winter hazards of bad weather, slippery roads and longer periods of darkness create added danger."

For a safe and merry Christmas, the National Safety Council suggests these precautions: 1. Driving or walking, put the Christmas spirit of "good will toward men" into practical use by being extra courteous to others. And take your time! 2. If streets are icy or slippery, keep your speed down and your caution up. 3. If you imbibe Christmas spirit in liquid form, stay away from the steering wheel of a car. 4. Avoid home hazards, too. Don't use candles, be sure tree lights and wiring are in good condition and keep gift wrappings away from the fireplace or other source of heat.

BAPTIST LADIES' UNION ENJOYS CHRISTMAS PLAY

A play entitled "A Starlit Christmas" was enjoyed by 25 members of the Baptist Ladies' Union Thursday afternoon when they met at the home of Mrs. Charles Stevenson. Mrs. Clare Beland was in charge of the program. Those taking part in the play were Mrs. Ted McConnell, mother; Mrs. Charles Beland, father; Nancy, Marilyn, and Evelyn Beland, children; Mrs. Lyle Grigg, soloist; Mrs. Clare Beland, Mrs. Lillian Hoagland, Mrs. Jessie Arnold, Mrs. B. O. Bashore, and Mrs. Fred Sheldon took the parts of Love, Hope, Peace, Faith, and Courage. Mrs. Sheldon had charge of devotions.

A message was read from Miss Ruth Daniels, a missionary in a girls' high school in Bengal Orissa. Miss Daniels is well known in Tecumseh, having made her home for years near Onsted.

At the conclusion of the program refreshments were served by the hostess. The January meeting will be held at the parsonage with Mrs. C. H. Williamson in charge of the program which will be based on "Human Rights." Mrs. W. J. Morse will have charge of devotions.

$7,000 OFFERED FARM STUDENTS

High school students who live on farms or ranches have been invited to enter a $7,000 arc-welding award program sponsored by the James F. Lincoln Arc Welding Foundation, Cleveland, Ohio.

Students will receive 100 awards — $25 to $600 — and 10 awards — $100 to $600 — will go to the schools where first, second, third, and fourth award winners are enrolled. Projects entered in previous programs included a bulldozer blade, an implement carrier, a snowplow blade, and a gate for a lawn fence. Entrants must describe in detail how arc-welding can be used on such projects, with photographs to illustrate work.

If a nation values anything more than freedom, it will lose its freedom; and the irony of it is that if it is comfort or money that it values more, it will lose that, too.—Somerset Maugham.

CHRISTMAS TABLE DECORATIONS SUGGESTED

Christmas table decorations should be attuned to your table, **stresses** Elinor Roth of the **textiles,** clothing and related arts **department** of Michigan State **College.** If your table is long, try **to have** an elongnated decoration or else have several units down the center. If the table is small, be careful not to have too large a decorative piece. And remember to keep the decorations low enough so people can see over them, she said.

A traditional decoration is evergreen boughs placed dramatically on the table. Miss Roth suggests grouping pine cones on the evergreen and perking the color scheme up with small red bows placed around on the boughs. She adds a grouping of red candles of varying heights to finish the decoration. Depending on the size of your table, you may want three or four candles, but add interest by having them in graduated lengths.

Miss Roth also suggests using lengths of the fat, low candles available now. Use your own table color scheme for a different centerpiece, she suggests. The fat candles, placed among the evergreen branches will be a low, attractive decoration for a small table, she suggests.

Use some ingenuity and things you can find in your cupboard. Miss Roth concocts a Christmas table piece with salad bowls placed end on end and filled with glittering Christmas balls.

If you have a piece of driftwood, try arranging small Christmas balls around that, and make a background of red candles. You will have an unusual and lovely table, she says.

Dana Andrews and Marta Toren, above, co-star in "Assignment Paris." The drama of intrigue also co-stars George Sanders and Audrey Totter. Tues., Wed., Thurs., Dec. 16, 17, 18 at the Strand Theatre.

ROSES ARE RED IN RED HUNGARY

Communist leaders in Hungary are offended by the cards telling the "capitalists" names of roses in public parks. The offending names include "Lord Rossmore," "Duchess of Sutherland," "Maria Theresa," and "Pope Pius XII."

The Red bosses don't like that. They suggest that the roses should have "glorious" names, like "May 1," "Red Star," and 'Liberation."

Grade School News

Brownville Kindergarten
Miss Patricia Hammack

We all had a nice Thanksgiving vacation and now we are back in school getting ready for Christmas. We are singing Christmas songs, telling Christmas stories and making nice pictures for our room.

We were all happy to wake up one morning and find so much nice snow. We have been making lots of snowmen and we call them all Frosty.

One morning Randy Work brought us all a treat for his birthday.

We want to wish everyone a Merry Christmas and a Happy New Year, especially Santa and Mrs. Santa Claus.

Kindergarten
Mrs. Dorothy Updike

We are having a fine time in our kindergarten getting ready for our Christmas program and party. Our programs will be December 18, the morning group at 10:30, and the afternoon group at 2:30. We hope that all of our mothers and friends will come to our room at that time.

We are decorating our room and play house.

Donald Baird, Douglas Kayner, and Sharon Buch all have birthdays in December.

First Grade, West Branch
Ivah VanValkenburg

Two highlights of the winter for first graders are Christmas and the first snow. We have certainly enjoyed the beautiful snow. We are working on Christmas decorations for our room and on our Christmas program which we expect to be giving December 18. Everyone is delighted that they can read our first two preprimers and recognize words. Three pupils have brought reading books from the Library and read them to us.

We have learned many interesting things in science and number work.

First Grade, Library
Mrs. Louise Faling

We have been busy first-graders! We are almost finished with our first books in reading. We are very anxious to begin our preprimers and learn to read words.

In arithmetic we have been learning our numbers one to ten. We enjoy using our "frames" in our books. We have been writing our numbers and learning to make them the correct way.

We have also been learning our color words. We have a chart which is helping us to do this. Most of us already can write, spell and recognize them.

Cathy Custard was six years old Monday. She had a party in our room. We all enjoyed the cupcakes and ice cream and we thank her very much.

We hope Joey Hanna will be back soon. He had his tonsils out. We know he will feel much better now.

We enjoyed the first snow of this year. Our playground is decorated with snow men and our room is decorated with snow flakes which we made.

Christmas is coming! We will be very busy from now until then. Our room must get the Christmas look; we are already planning on the things we are going to do. We want to wish you all a "Merry Christmas." We won't get another chance!

Second Grade, West Branch
Bertha M. LaPointe

Sharon Bartenslager has moved to a farm near Onsted. She will attend the Onsted School.

Many of our language discussions were centered about parents' recent deer hunting experiences. Many fathers and one mother were fortunate enough to get a deer.

We are planning a Christmas program, and also making holiday decorations for our room.

We were glad to have thirty-one persons visit us the night the P. T. A. held "open house."

Sixth Grade
Maxine Runk

As it is the beginning of a new period, the boys and girls chose new officers. They are: President, Jerry Woodward; vice-president, Anne Preston; secretary, Linda Townsend; and treasurer, Bill Fielder.

With our Greenfield Village trip in mind we planned a baked goods sale for December 6. Sarah Wright's father offered his drug store to us for the sale, and our mothers and grandmothers contributed their specialties in baked goods. We are grateful to all of them for their interest and cooperation. We all enjoyed working and helping on this second project, too.

The bulletin board committee has made a very busy Santa Claus flying over a sleeping town on the all important night. Our committee is Anne Preston, David Champanois, Sandra Smith, and Joanne Wing.

We drew names for our Christmas party, and with party day approaching, it's December 19, we are all planning enthusiastically for our last big party in the Central Building.

Knitting is much in evidence in our room. Some children have 4-H projects and some are putting their spare moments on family Christmas gifts. Our most enthusiastic knitters are Carole Ross, Gary Abner, Janice Brady, Sarron Muhn, Anthony Kasick, Gerald Kruse, Donna Nixon, Sarah Wright, and Sherry Tucker.

COMPETITION CUTS PENICILLIN PRICE

The price range of the 'wonder drug" penicillin illustrates how competition regulates prices in a free market.

Four years ago a 100,000-unit of penicillin was 50 cents wholesale. Many companies started producing the drug because they saw a chance to make profits. Within three years the price dropped to 2½ cents per 100,000-unit. Recently the same units have been selling wholesale for ¾ of one cent.

From where I sit ... *by* Joe Marsh

They'll Do It Every Time

You know where Hammy Jackson lives—on that small dead-end street off Maple Avenue near the library? Well, about a month ago, the town finally put up a sign on the corner there saying: "No thoroughfare . . . Dead End."

Yesterday Hammy dropped by to see us. "Can't understand it," he says. "Hardly anybody drove down our street before—but, now, since they put that sign up, there's been more cars than ever turning around in my driveway."

From where I sit, these people who bother Hammy on his one-way street are the same as those who automatically ignore a Wet Paint sign and touch their finger on a freshly painted surface. But you can't change human nature. People like to find out for themselves—and then make their own decisions.

That's why I say "live and let live." You can drink your buttermilk, but let me have my glass of beer when I choose. And let's not feel we're obliged to "point the way" for the other fellow.

Joe Marsh

SCHOOL CHILDREN TO PRESENT SAFETY PROGRAM

ANN ARBOR—Lenawee County school children will present their safety program over University of Michigan radio station WUOM, Ann Arbor, and WFUM, Flint, December 12 at 2 p.m. as part of a series called "Our Schools."

According to School Superintendent Milton Porter of Adrian, the show will consist of a roundtable discussion and a short play concerning safety practices in Lenawee County schools. Miss Myrtle Hooper, helping teacher in the county system, will introduce the program on the air.

"Our Schools" is a weekly quarter-hour presentation devoted to the schools of Lenawee, Washtenaw, Jackson and Monroe Counties. It is part of the University's broader program, "Radio Classroom," aired by 22 radio stations throughout the state.

Station WABJ, Adrian, carries some portions of the "Radio Classroom" twice weekly when it broadcasts "Festival of Song," the programs on singing instruction which are heard in most of the Lenawee County schools.

SCIENCE TO USE SUN AND SEA

Industrial research will make the sun and the sea important sources of energy and materials, according to Charles L. McCuen, head of the General Motors Research Laboratories.

Each acre of land in the United States receives sun energy equivalent to 800 tons of coal every year, Mr. McCuen explains. He expects research workers to discover ways to utilize this energy.

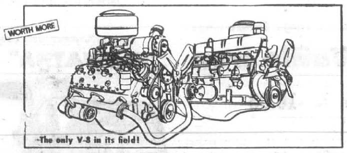
Here Friday! The '53 FORD

Fordomatic Drive, Overdrive, I-REST tinted safety glass, white sidewall tires optional at extra cost. Equipment, accessories and trim subject to change without notice.

The new Standard of the American Road

With 41 "Worth More" features, it's worth more when you buy it...worth more when you sell it!



—The only V-8 in its field!

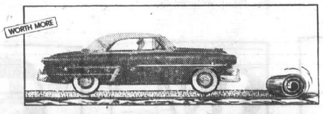
CHOICE OF V-8 OR SIX ENGINES—Ford's 110-h.p. high-compression Strato-Star V-8 has a partner for thrifty "Go" in the 101-h.p. low-friction, high-compression Mileage Maker Six—only modern Six in its field.

Search no more: the car that exceeds your every driving need is making its bow at your Ford Dealer's!

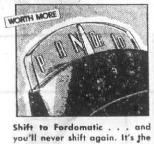
Those of you who have owned Fords in recent years have a *hint* of the many ways in which this new 1953 Ford sets an entirely new standard for the American Road.

In this new Ford you'll find a new Miracle Ride that sets a new standard of smooth, quiet comfort on level highways or roughest byways. You'll find the easy handling and great visibility you need for today's fast-moving traffic . . . the "Go" to master today's long-distance driving.

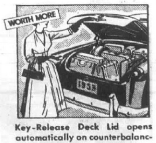
See this Ford . . .Value Check its 41 "Worth More" features . . . and Test Drive it. You'll see why this new standard-setting car is worth more when you buy it . . . worth more when you sell it.



New Miracle Ride brings you riding comfort at its level best! Not just softer springs and new shock absorber action, but a smoothly coordinated system of ride control elements that adjusts instantly and automatically to changing road conditions. It's a completely balanced ride . . . a ride that will give you an entirely new concept of driving comfort on level parkways or rough, rutted byways.



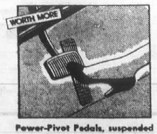
Shift to Fordomatic . . . and you'll never shift again. It's the finest, most versatile automatic drive ever. Ford also offers the smooth, thrifty Overdrive.



Key-Release Deck Lid opens automatically on counterbalancing hinges when you turn key. Note big trunk space! Ford's hood is counterbalanced, too!

Full-Circle Visibility gives you an unobstructed view of the road . . . and *all* the scenery. I-REST tinted safety glass makes driving easier on your eyes.

Center-Fill Fueling prevents hose marks on the finish of your car, No gas spill on fenders. Short gas filler pipe gives you trunk space for an extra suitcase.



Power-Pivot Pedals, suspended from above, operate more easily, eliminate dusty, drafty floor holes, make foot space of the entire floor space.
